

# LORE **OLYMPUS**

CREATED BY RACHEL SMYTHE  
EDITED BY BRE BOSWELL

**EPISODE 279:** LITTLE GODDESS

H-Hades!

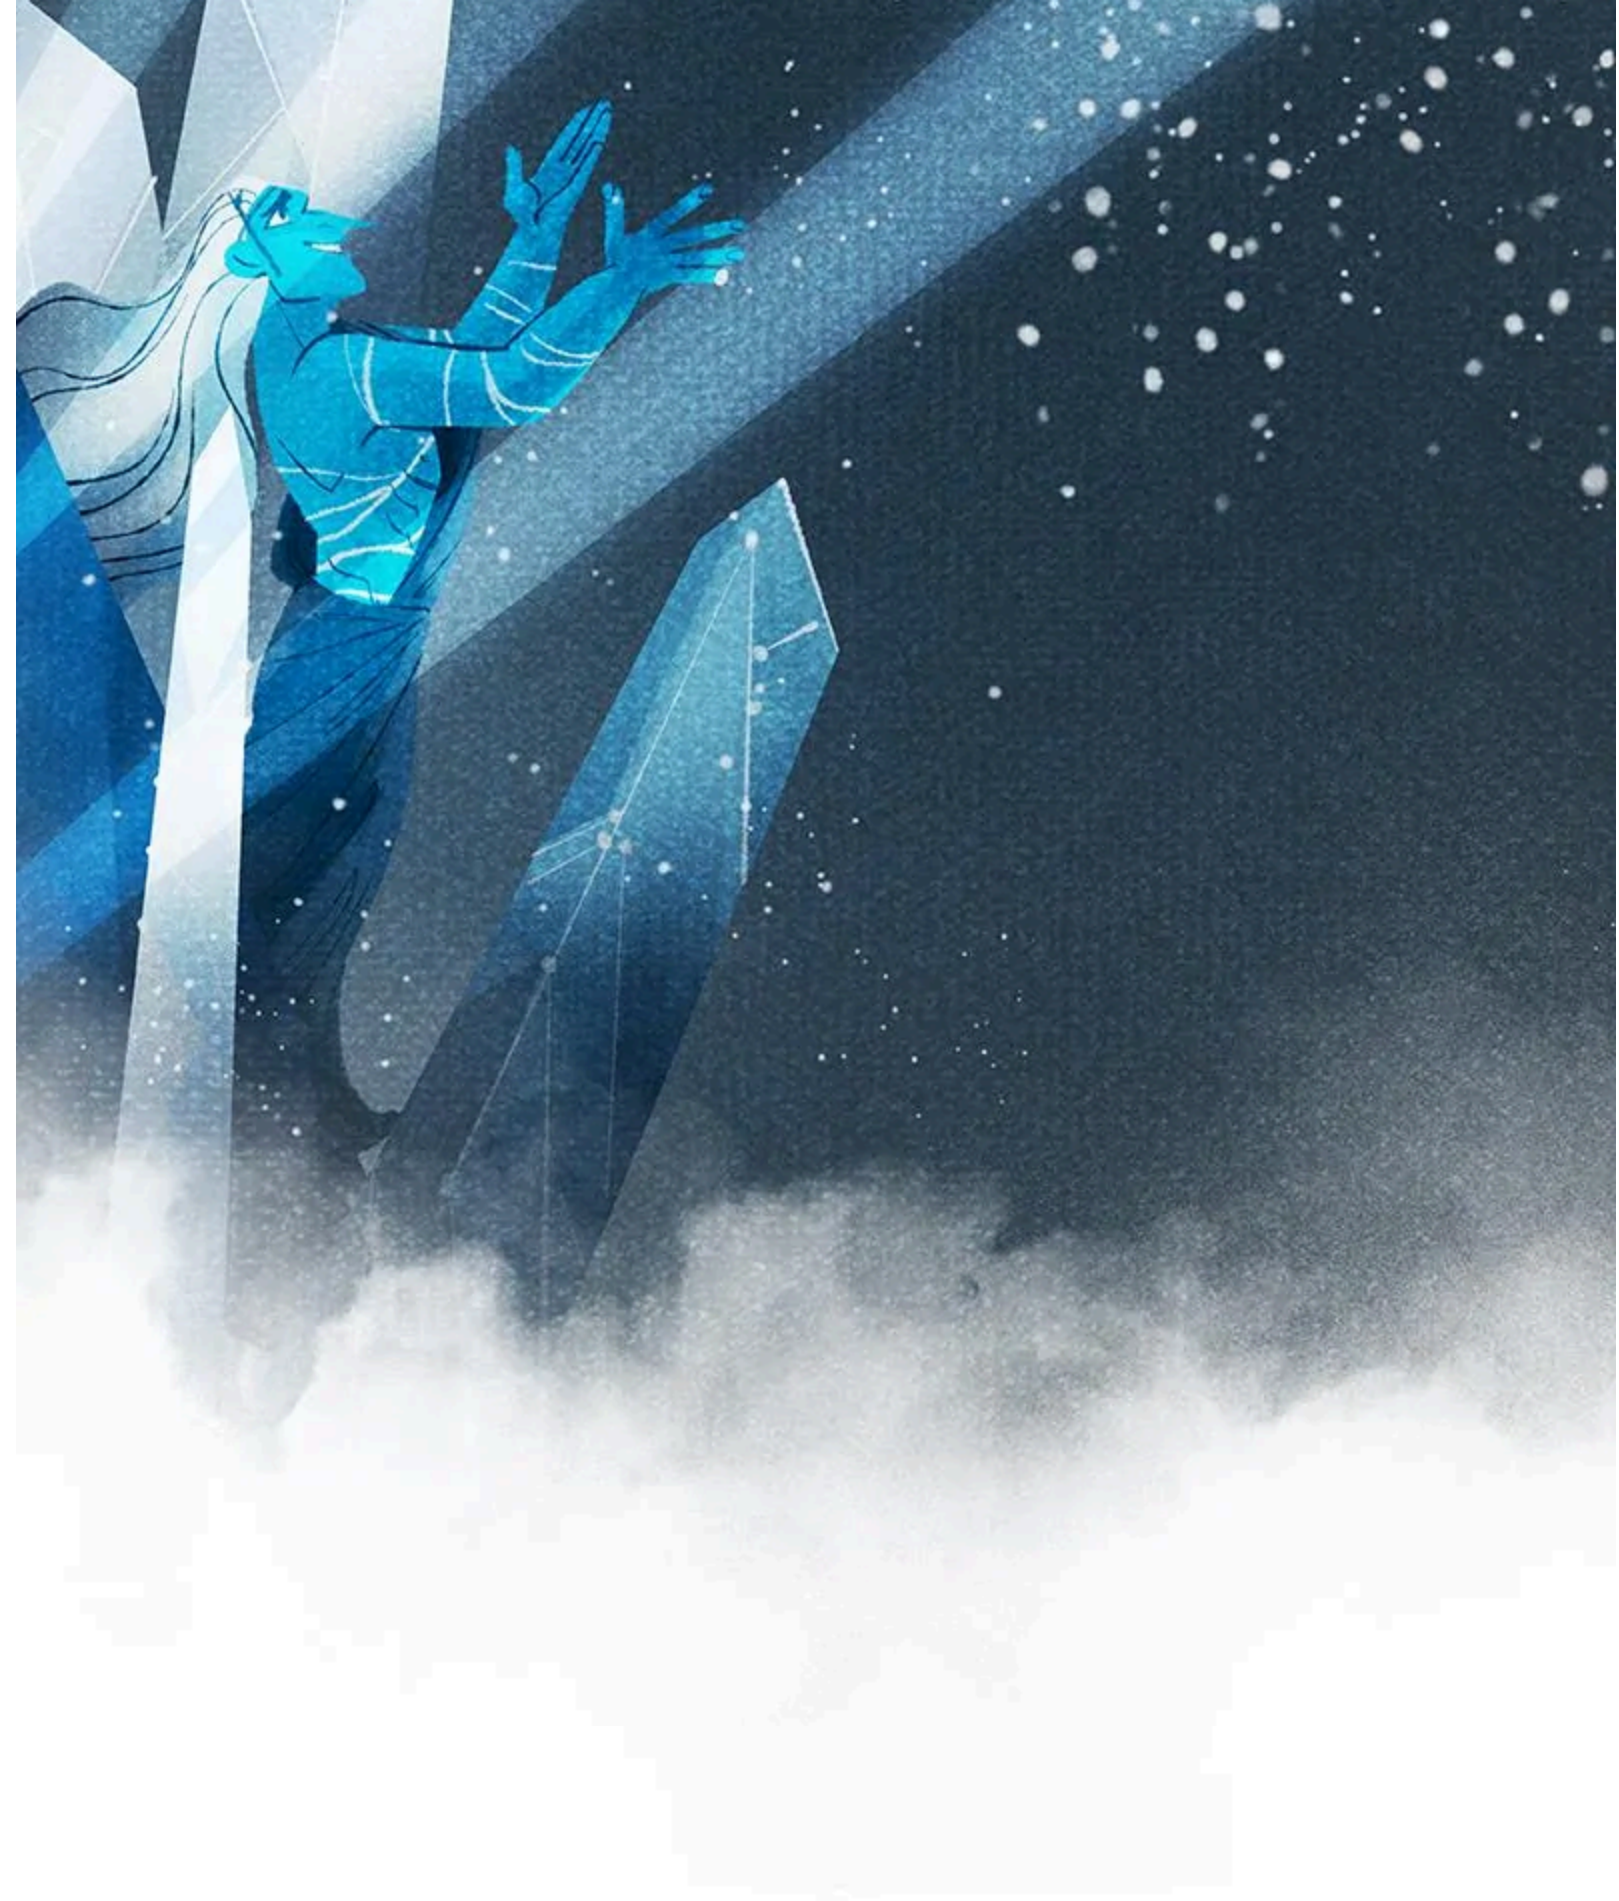

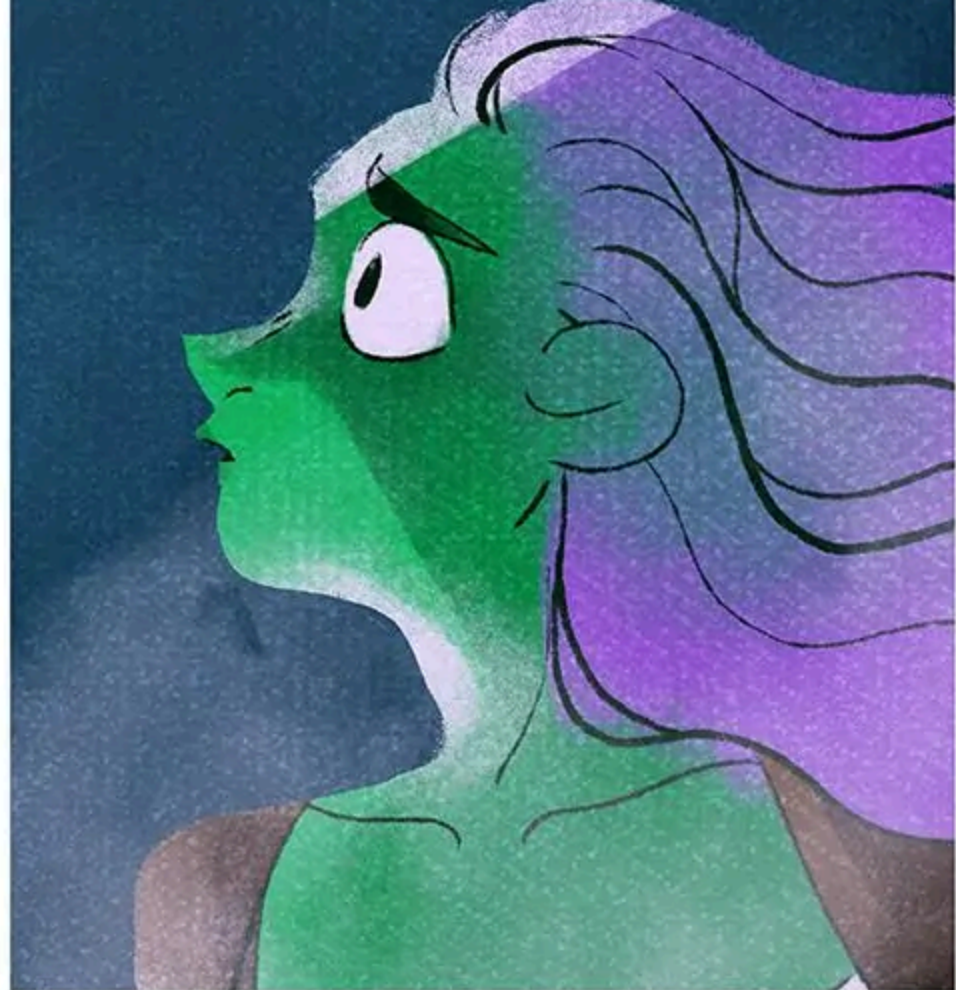

Grass!  
It's growing  
again!

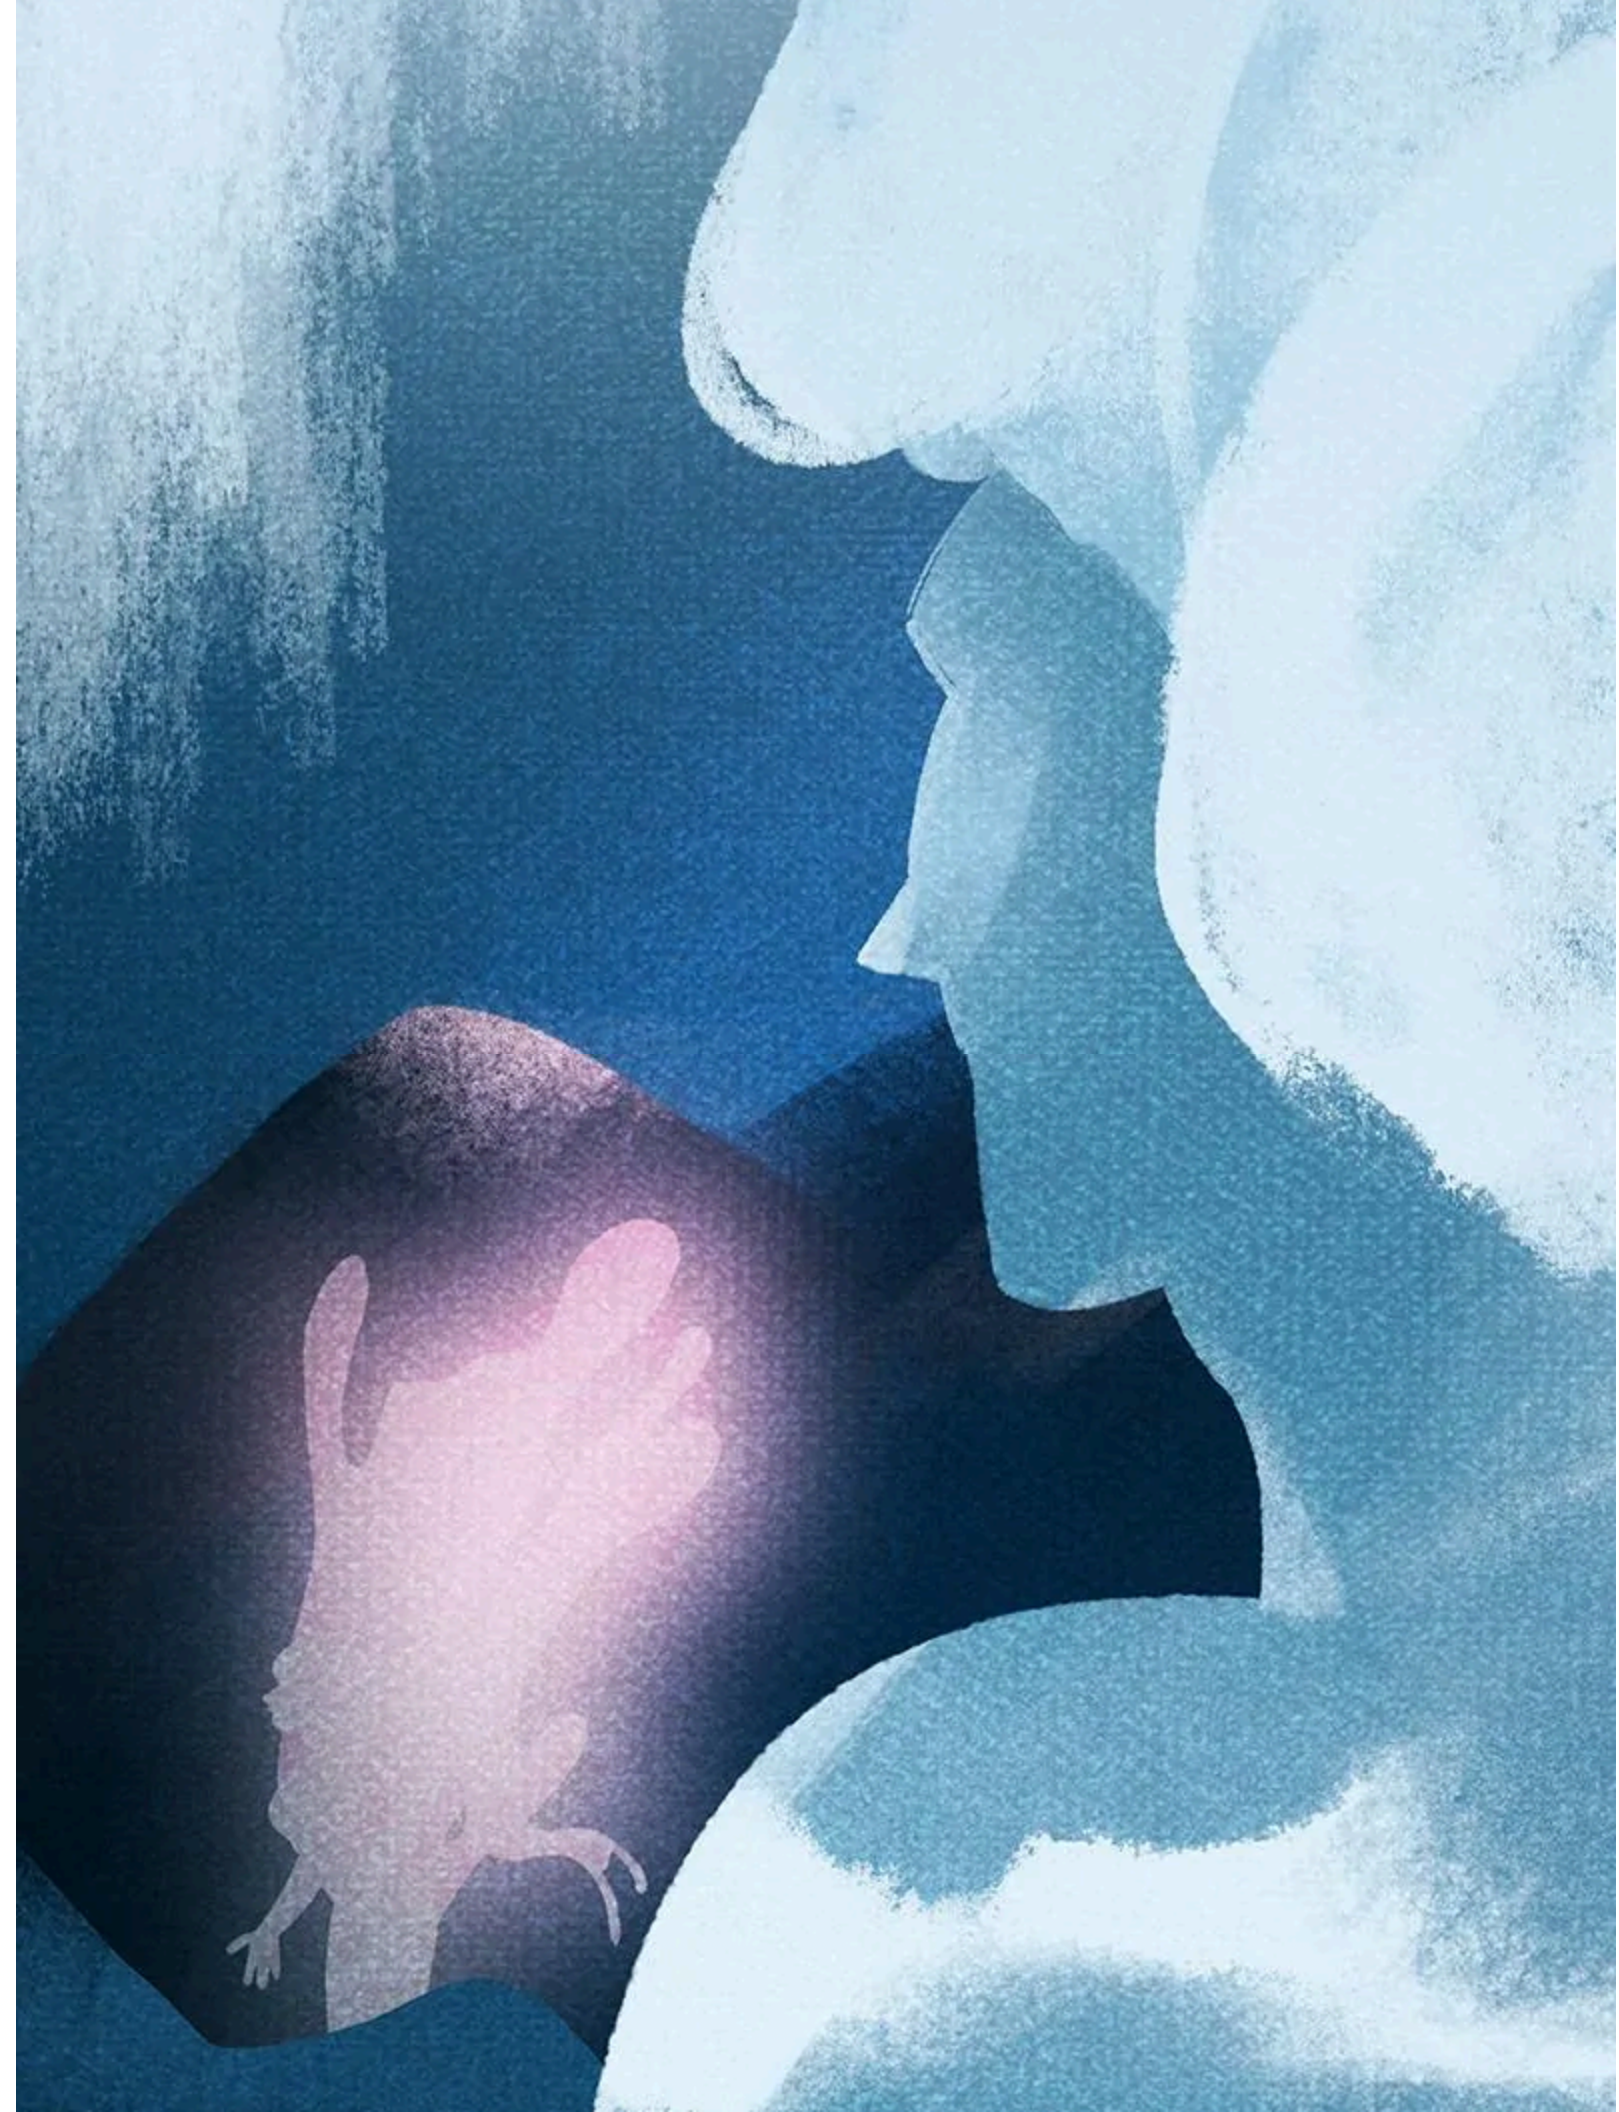

Look!

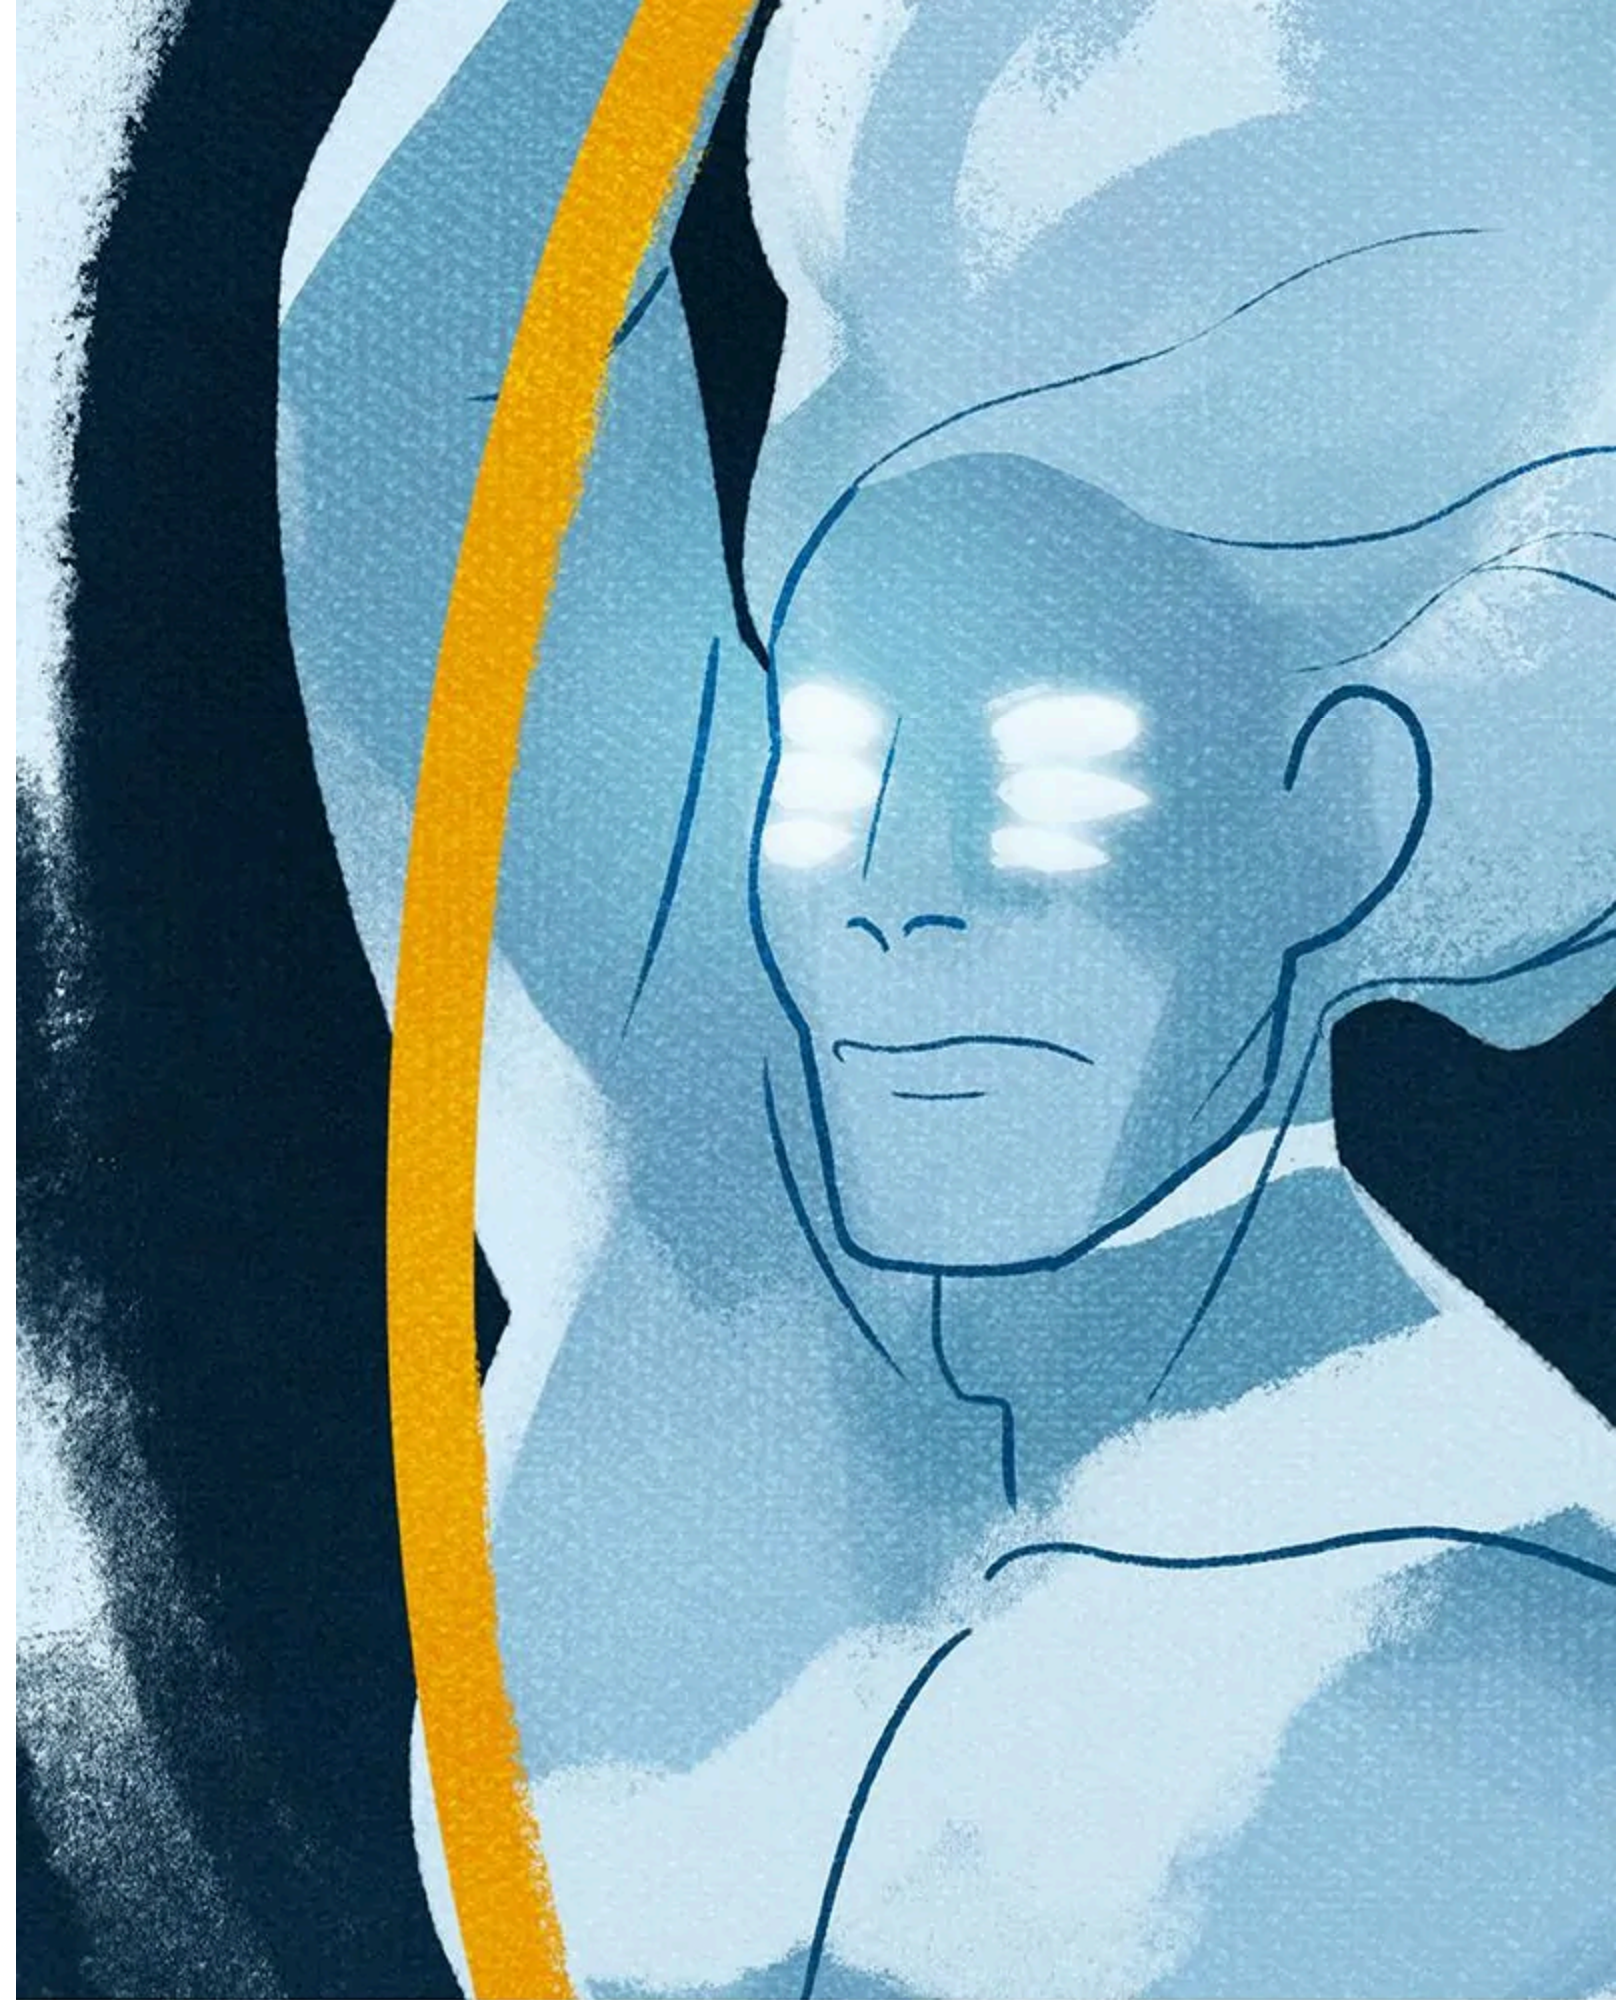

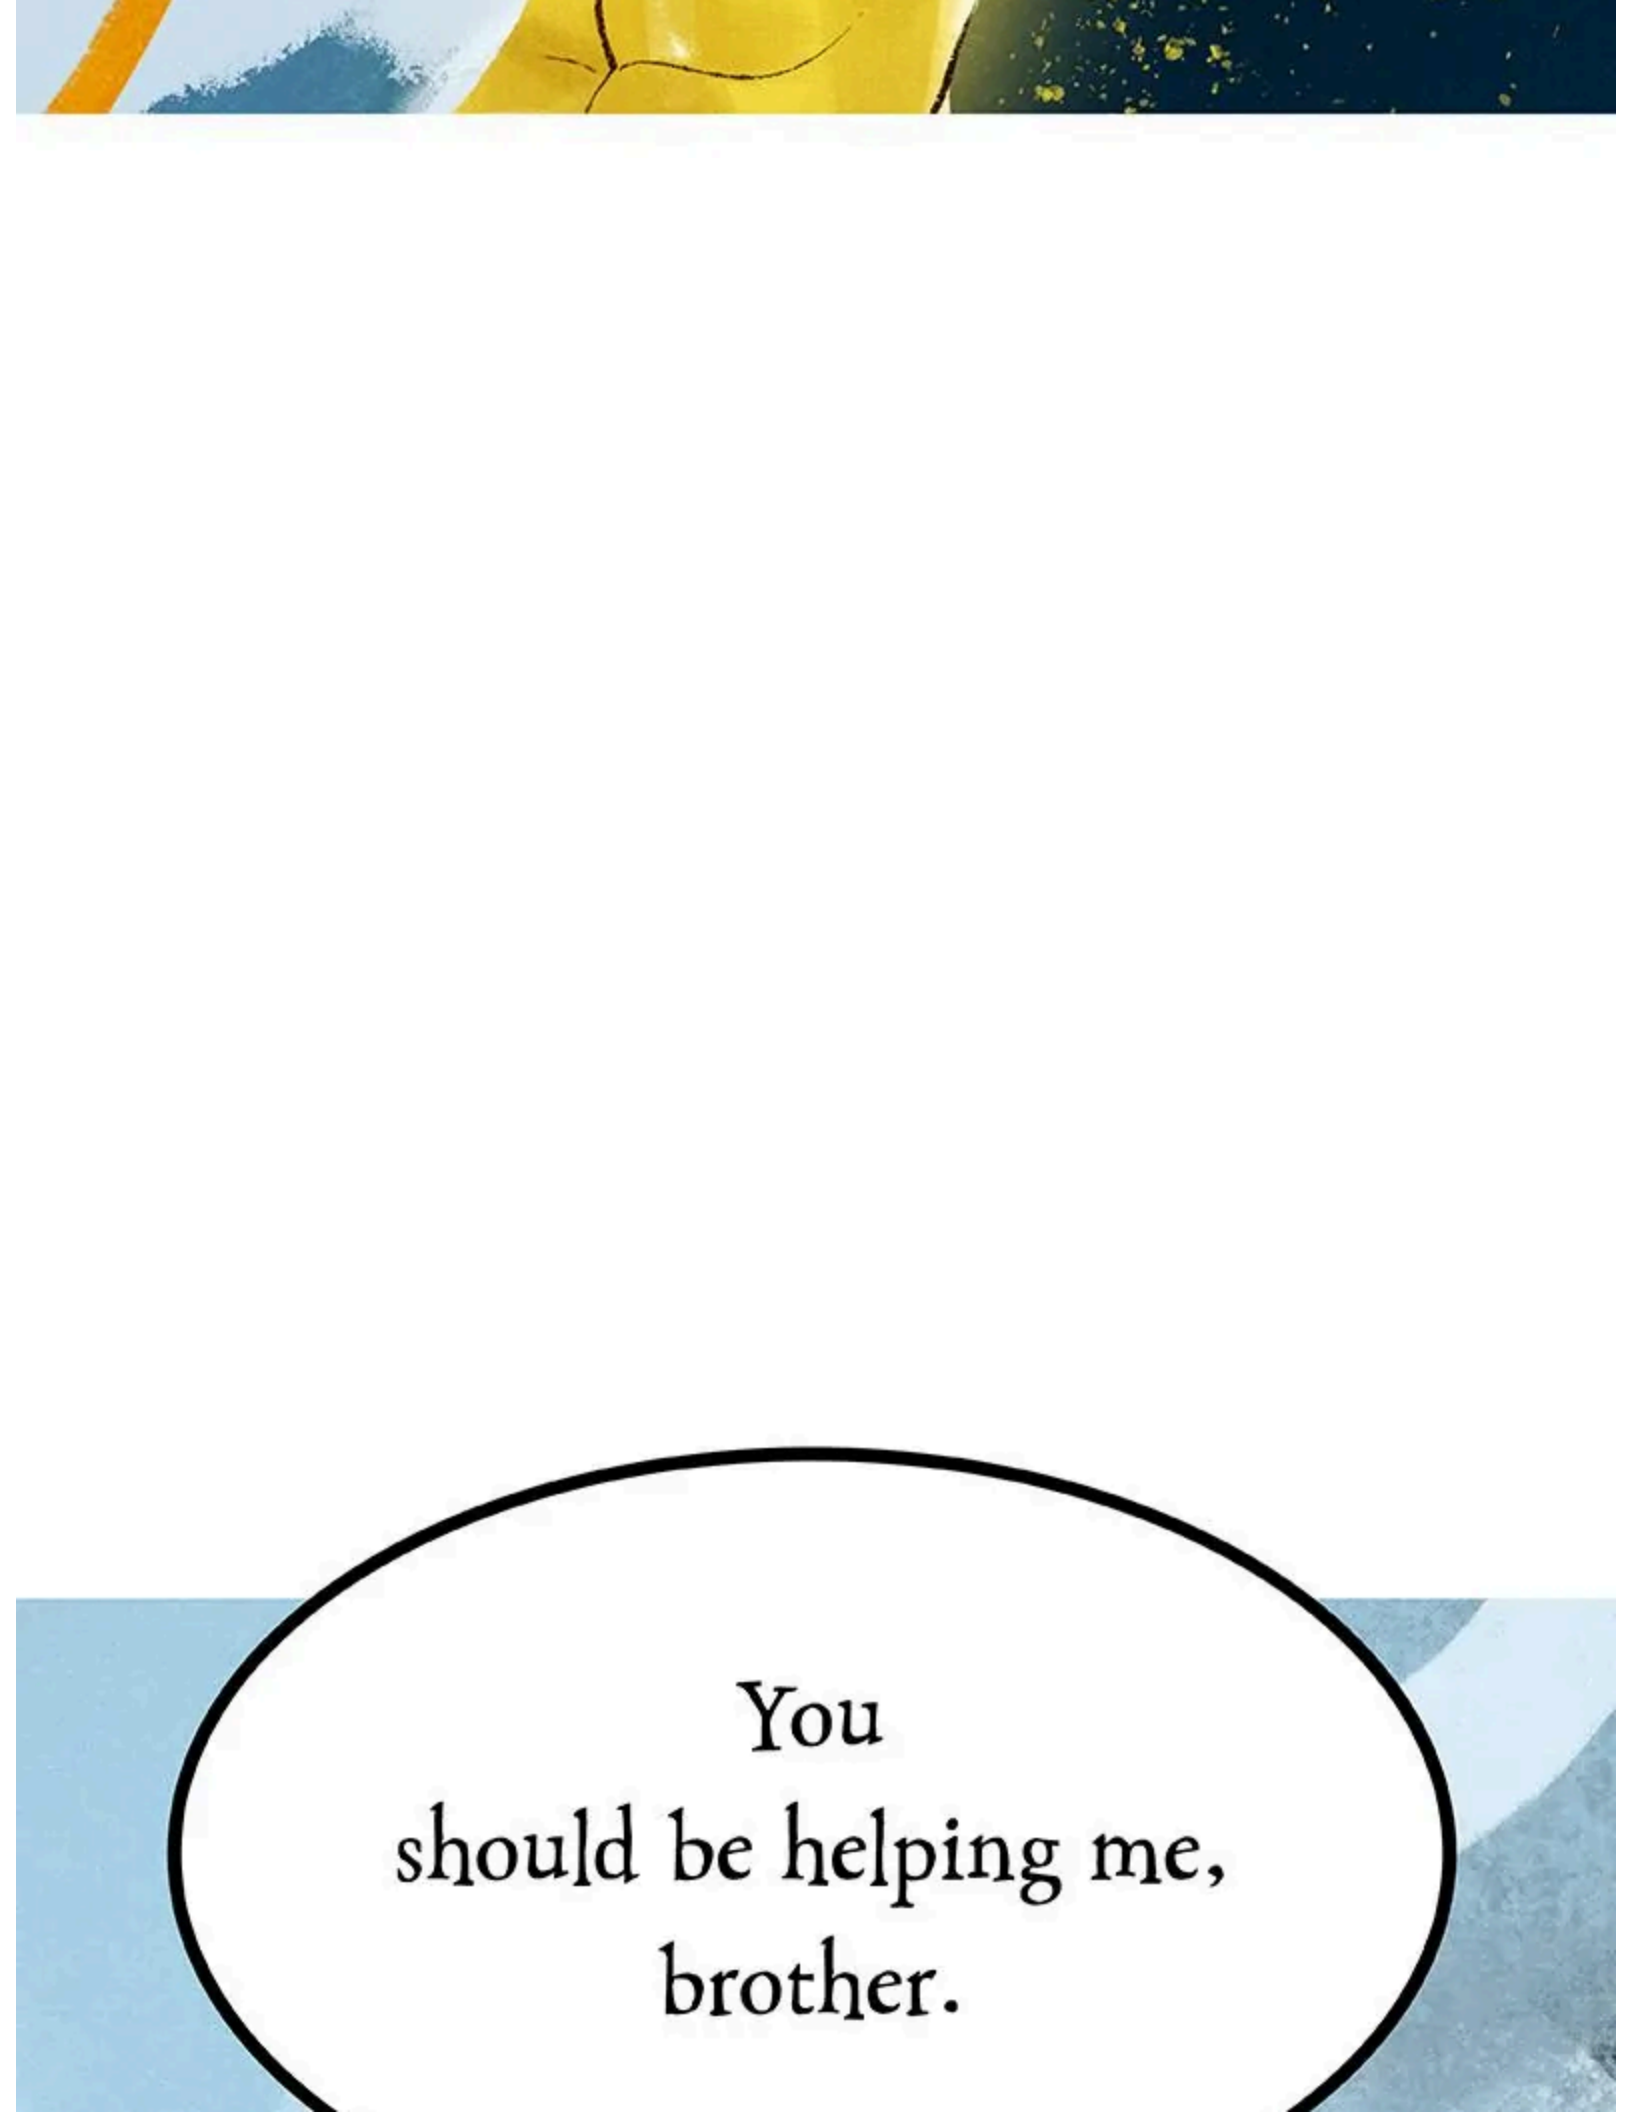

Helios!?

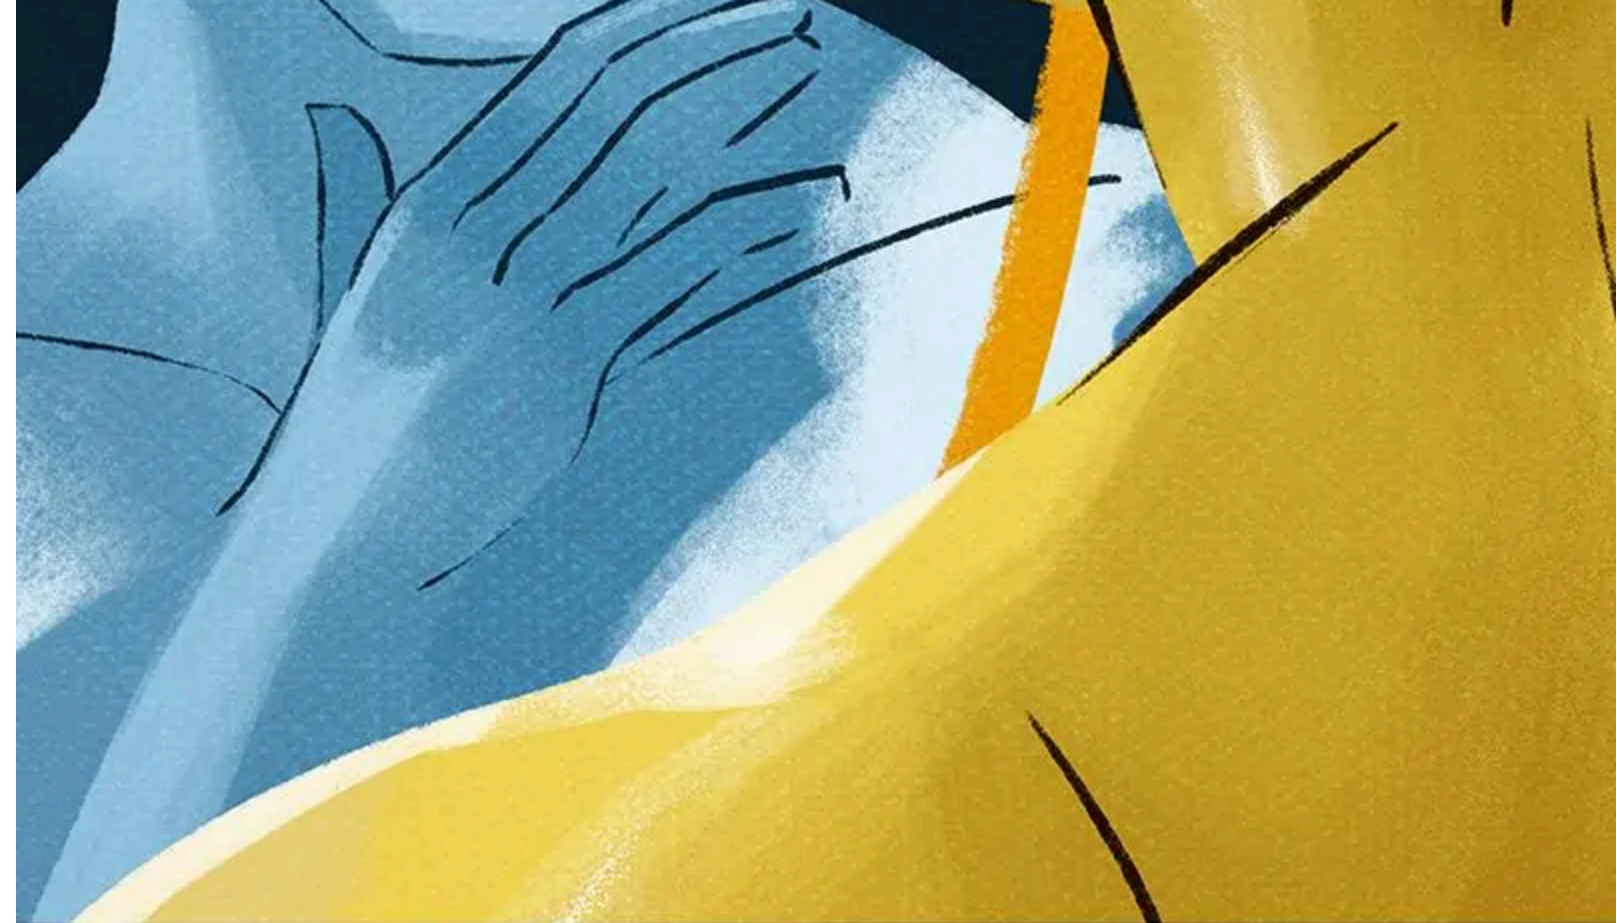

You  
should be helping me,  
brother.

Why am I not  
surprised you resume Gaia's  
punishment the moment  
you have arms  
and legs.

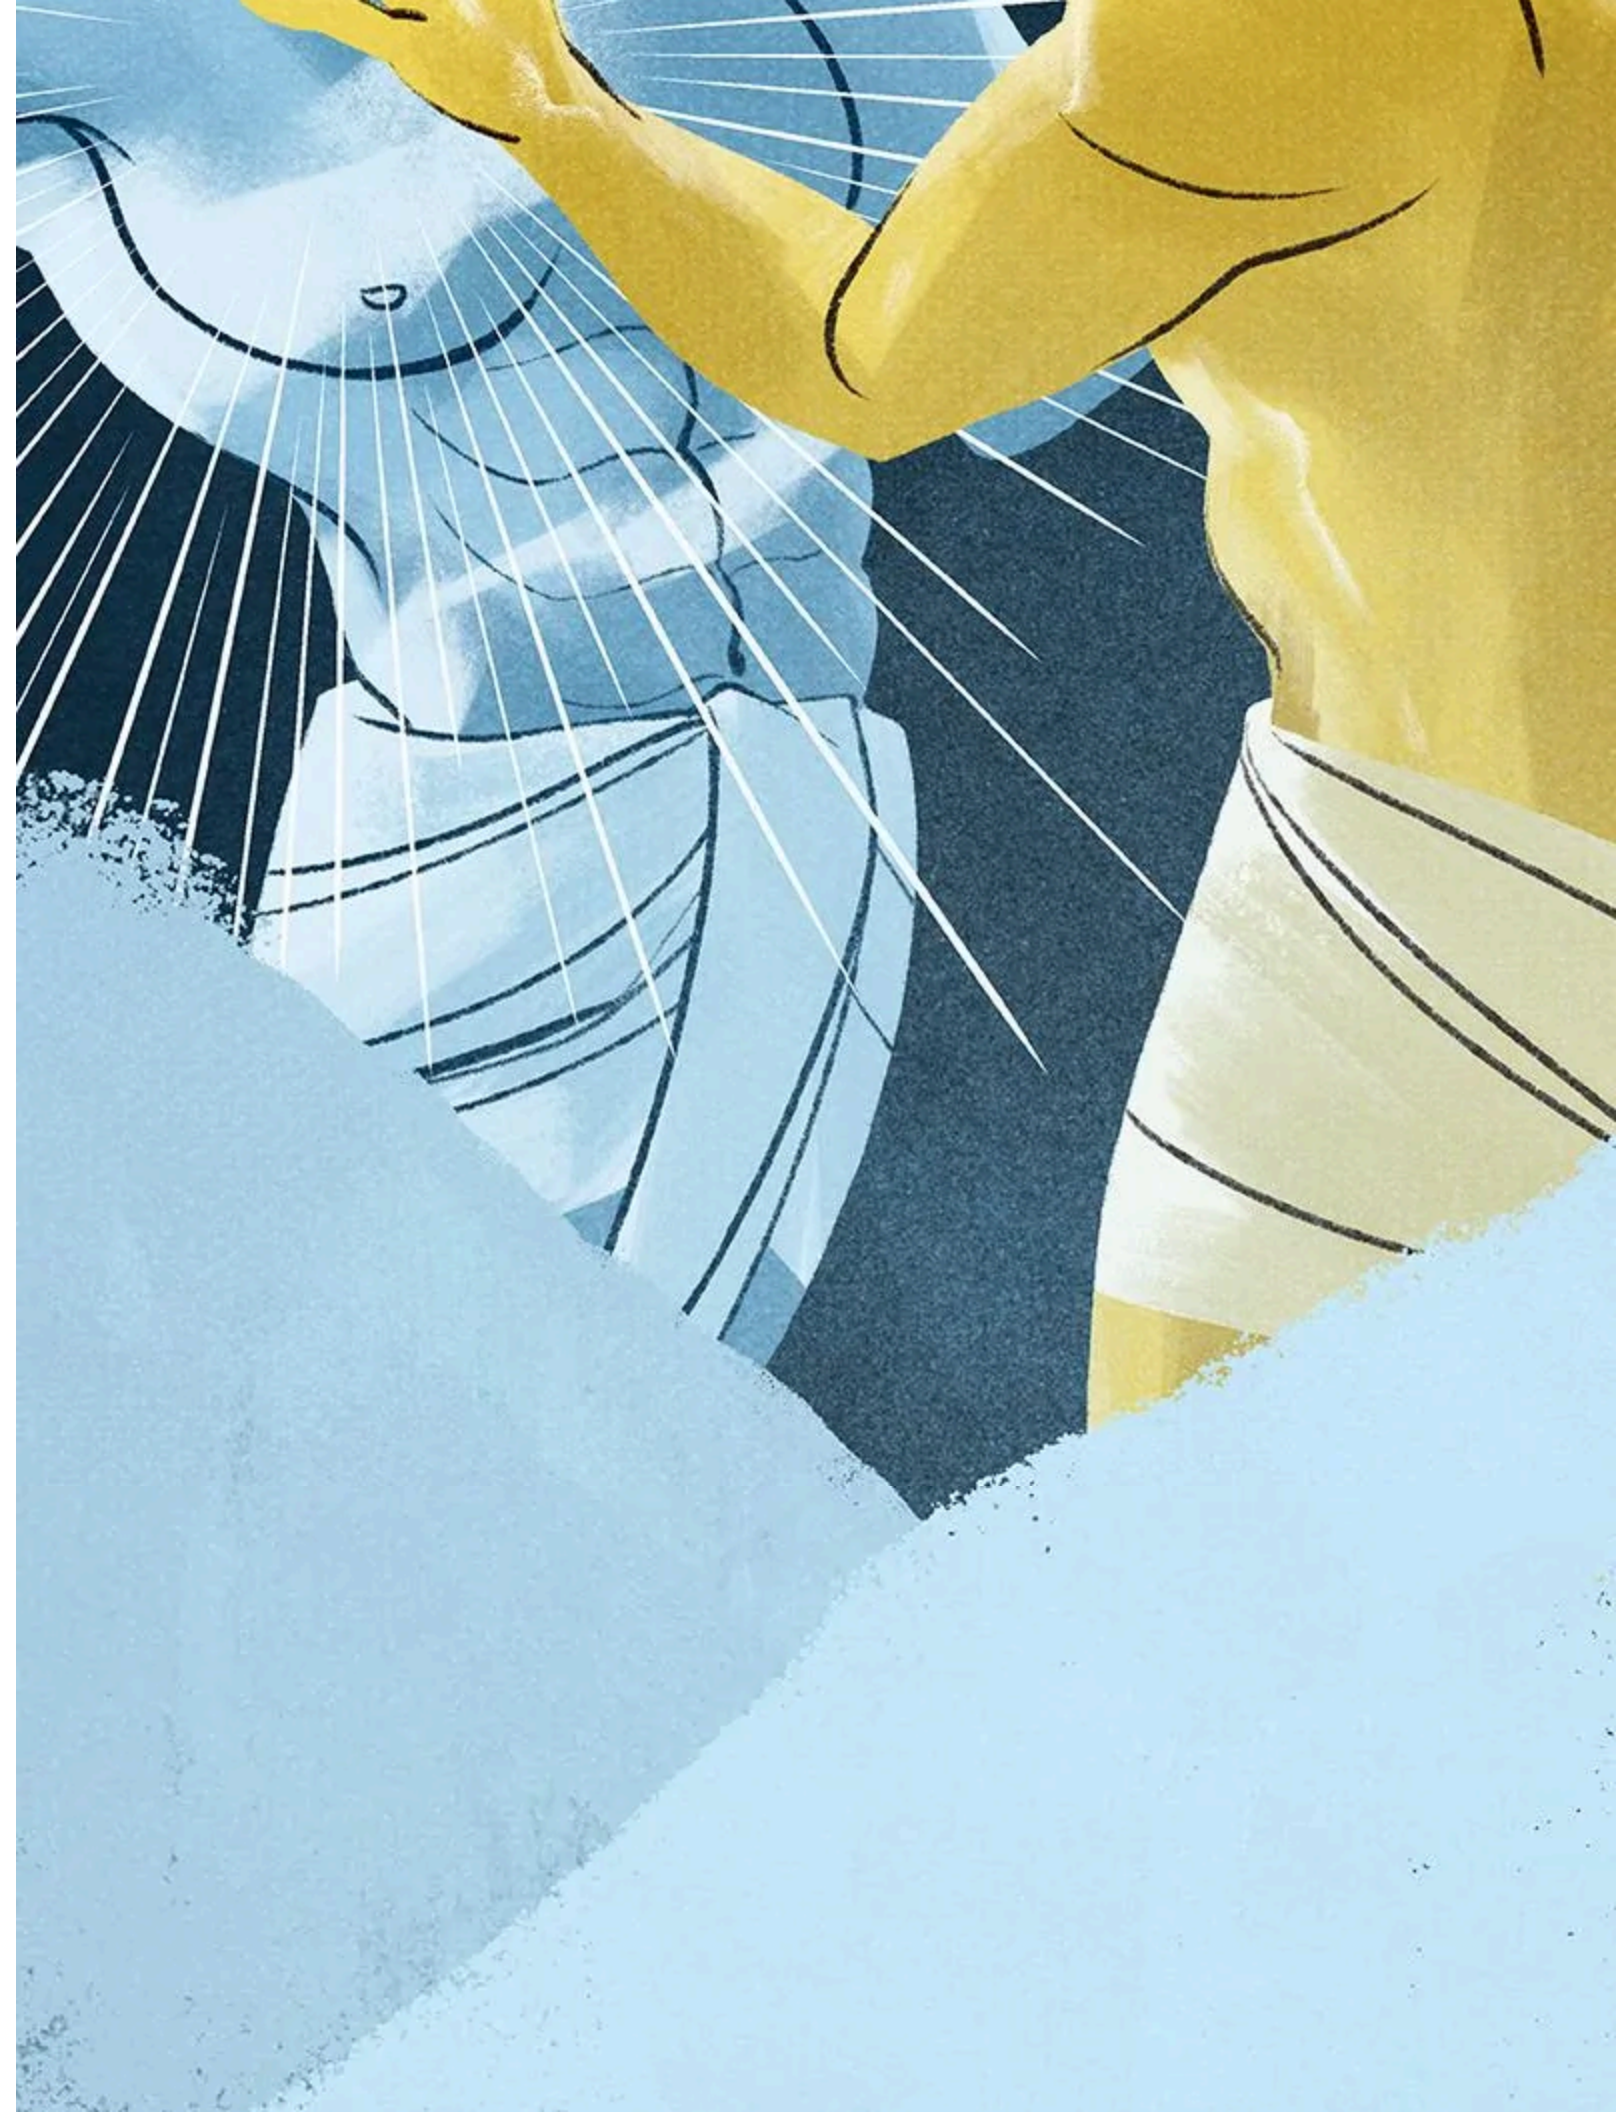

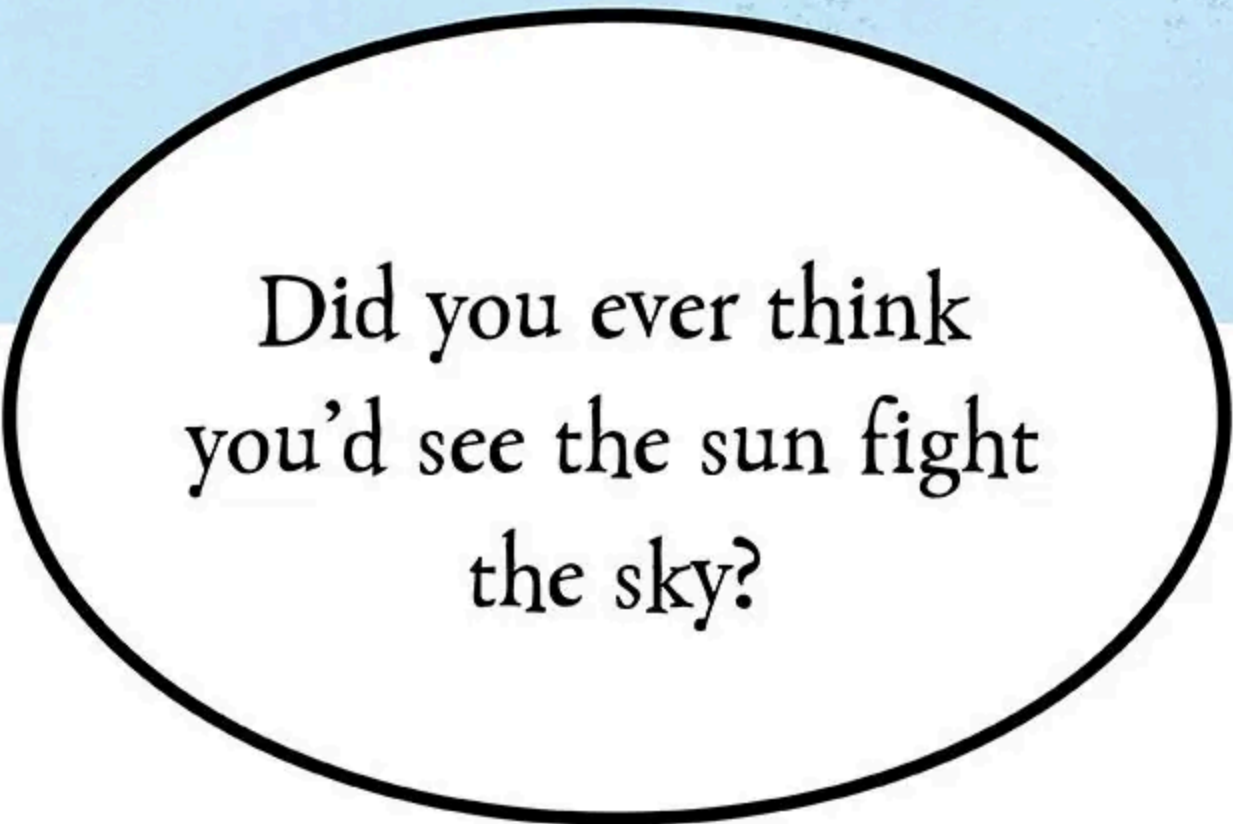

Did you ever think  
you'd see the sun fight  
the sky?

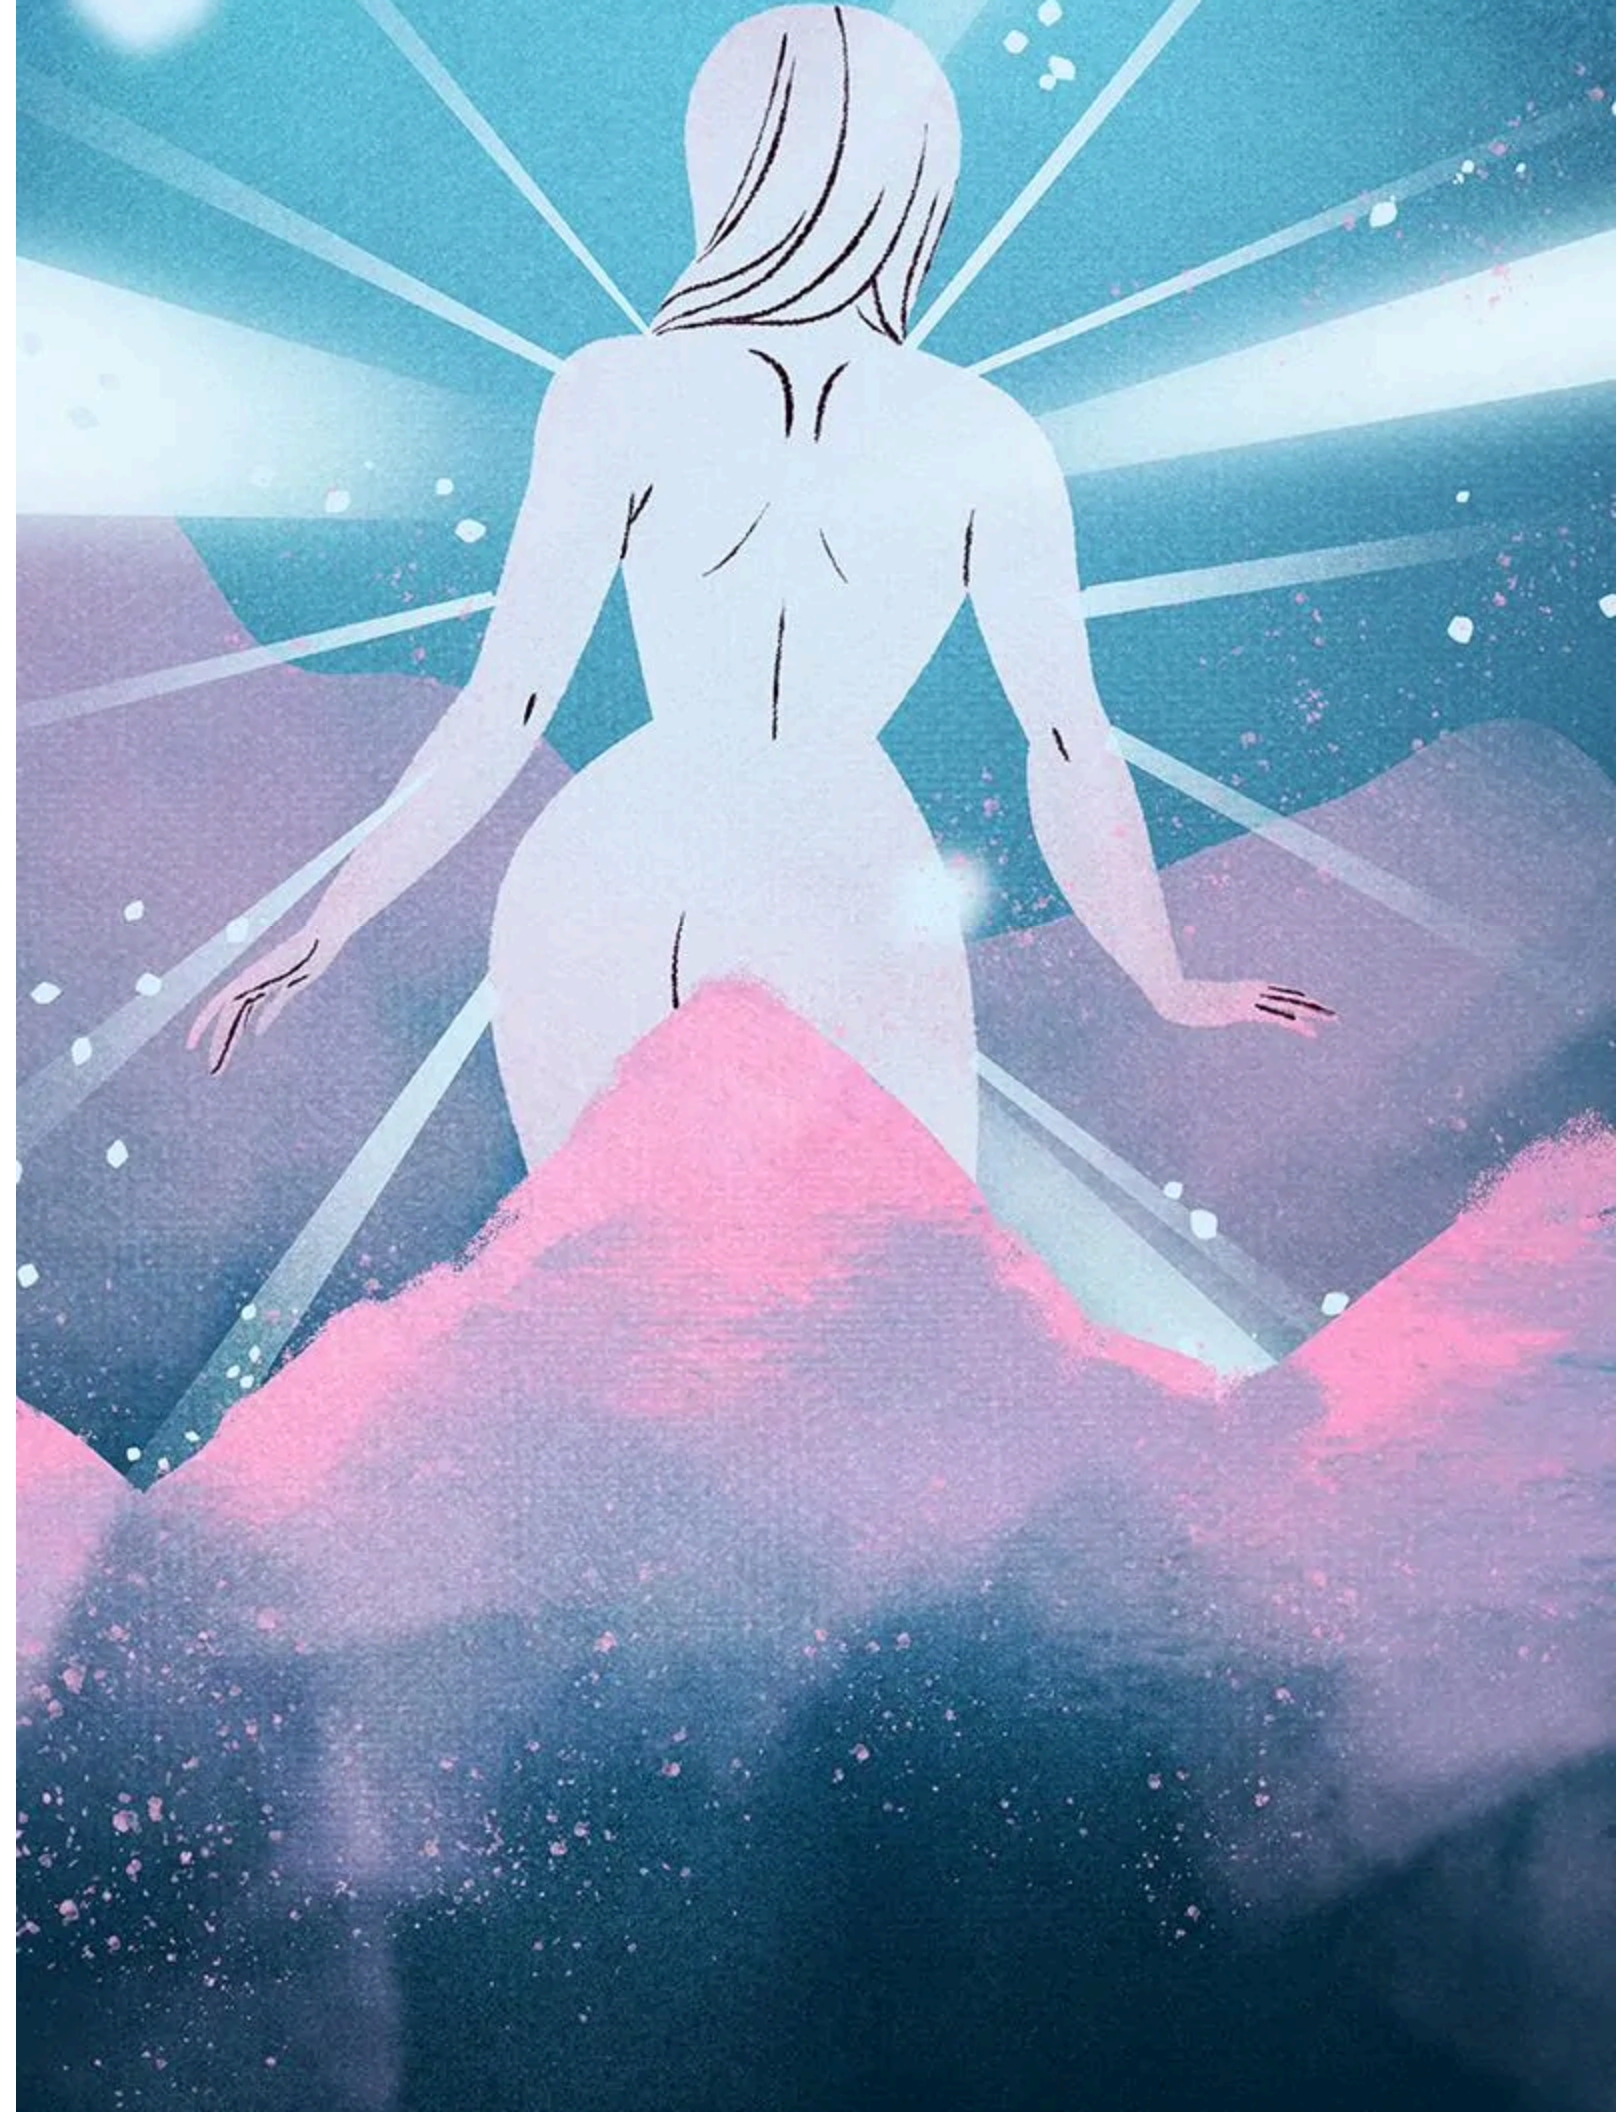

We're seeing a lot of  
firsts today.

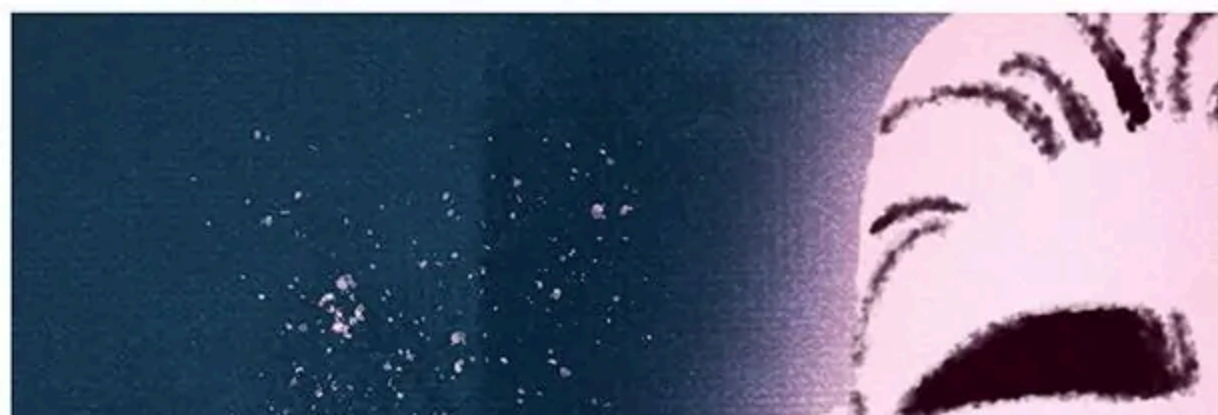

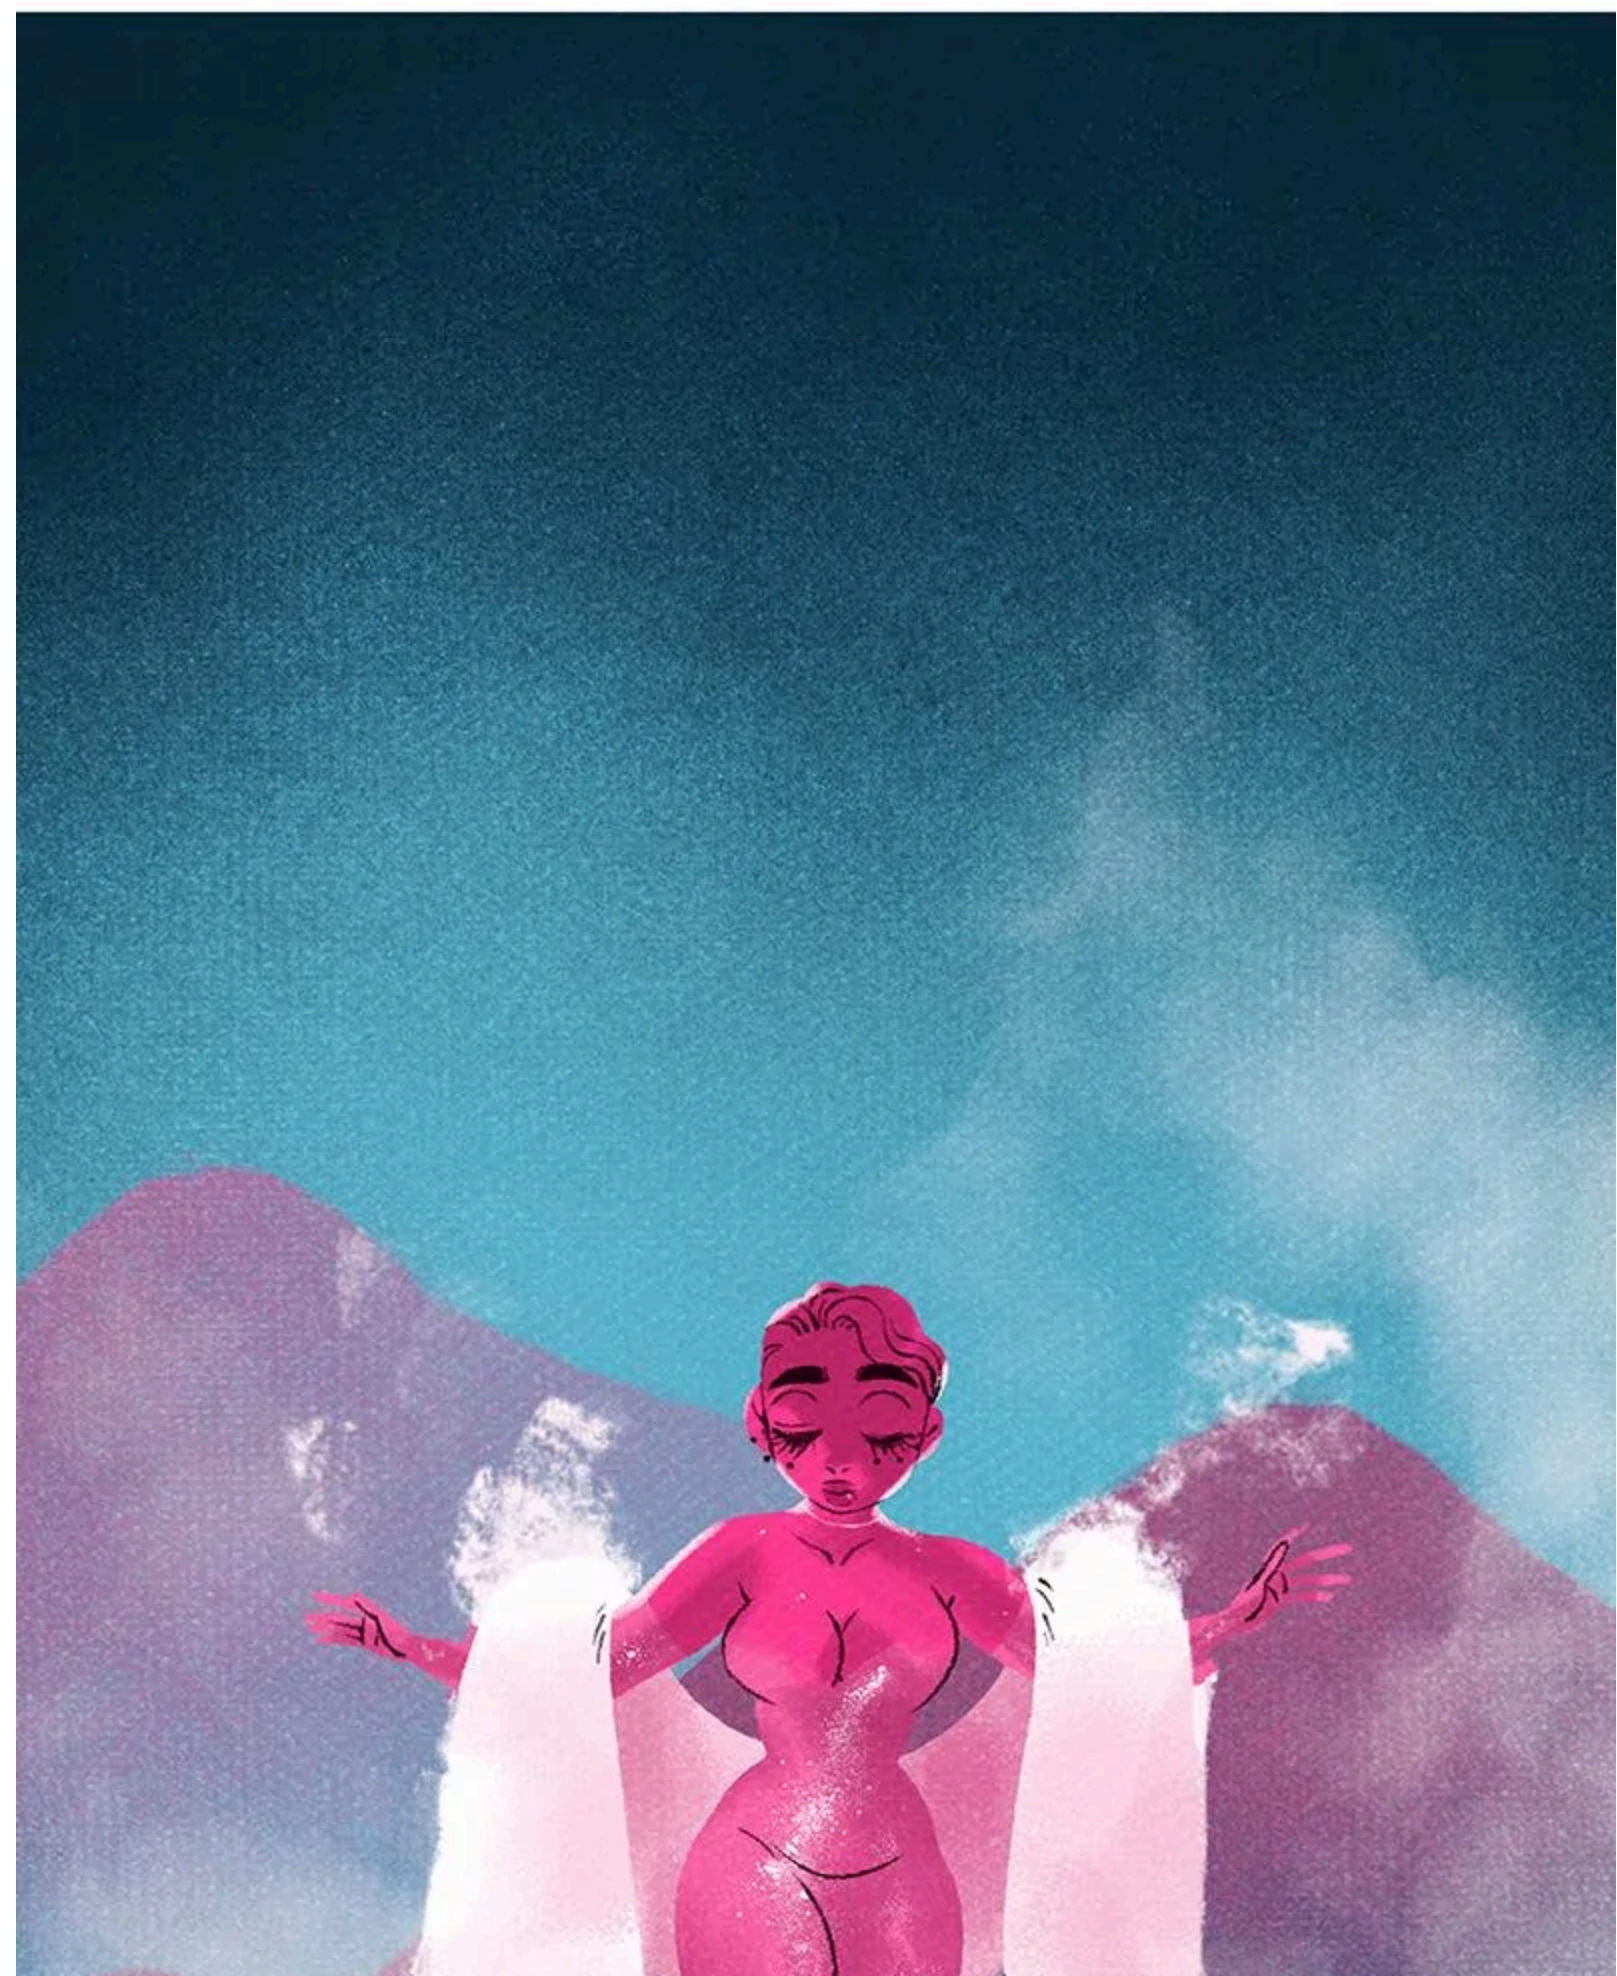

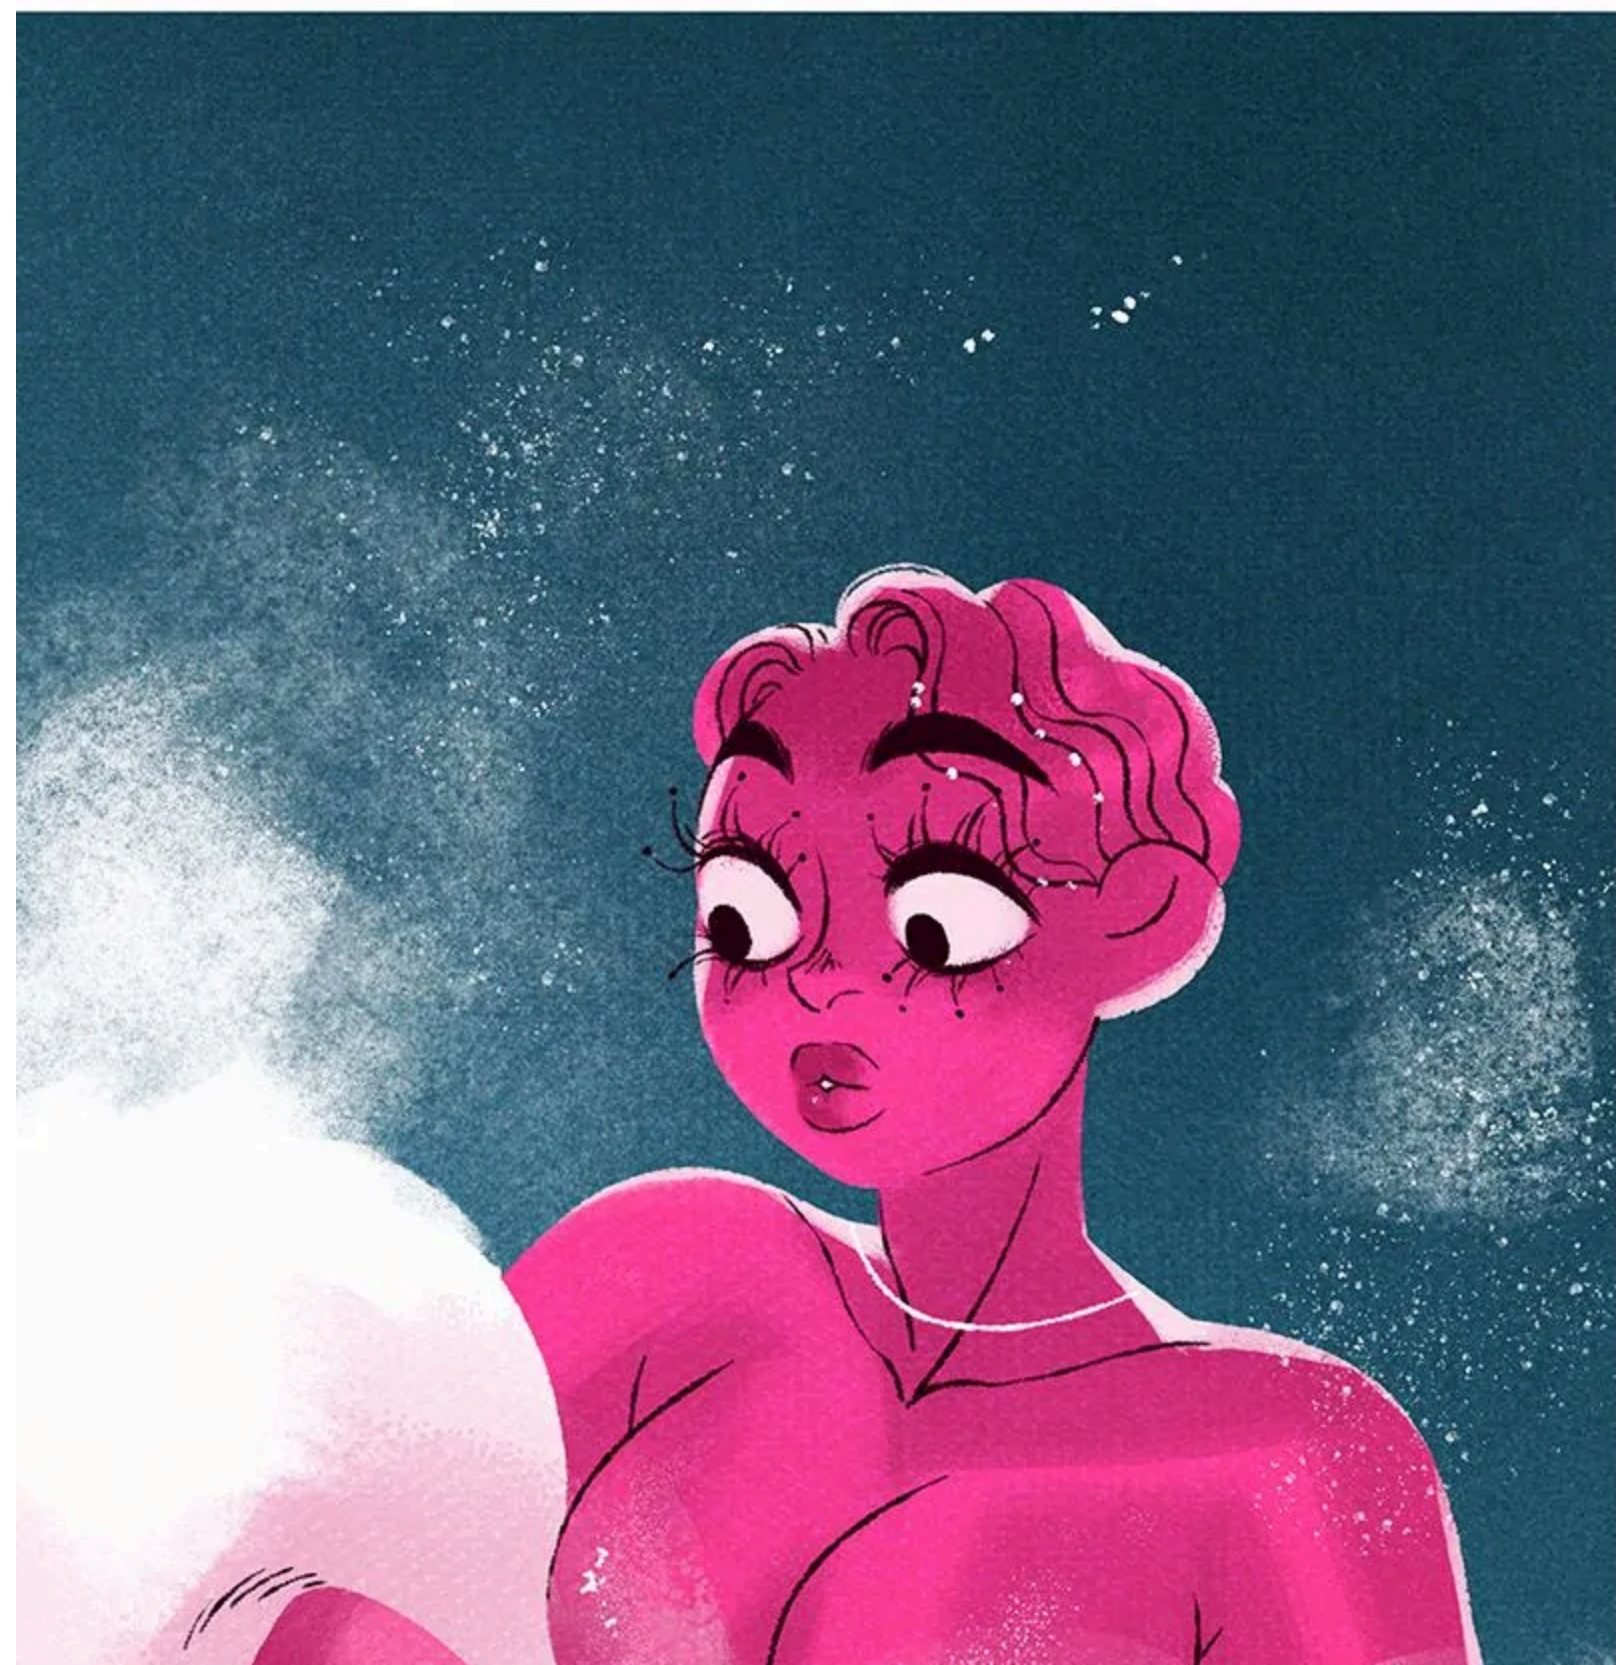

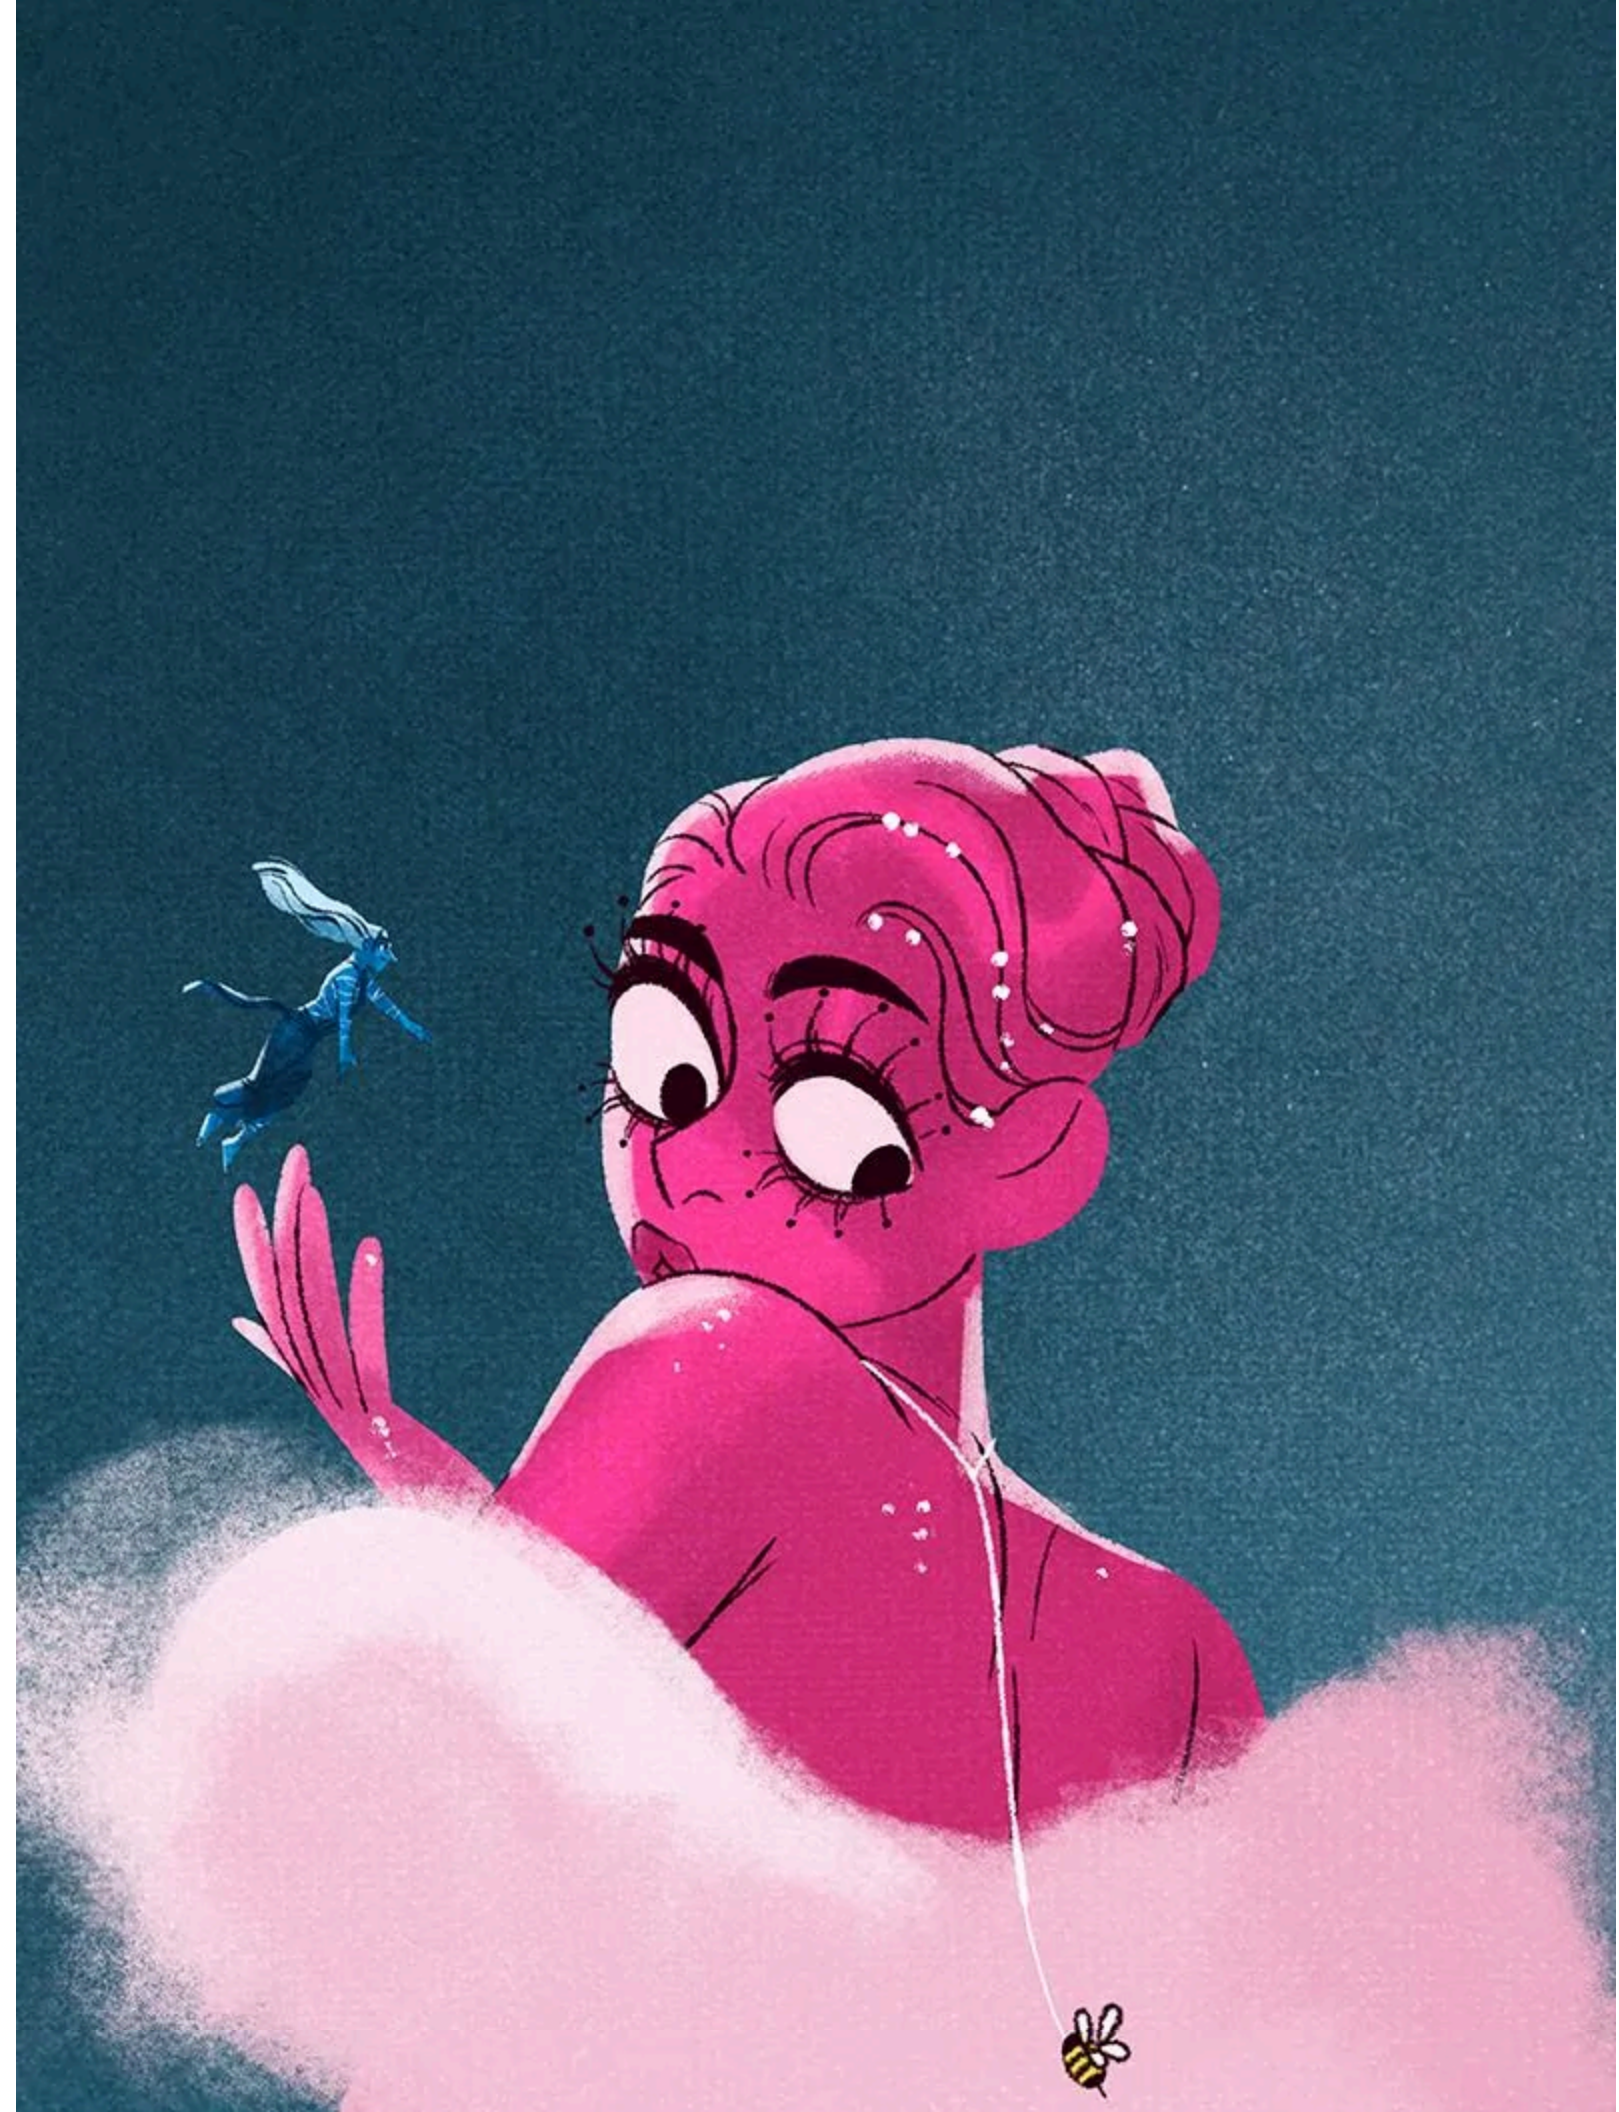

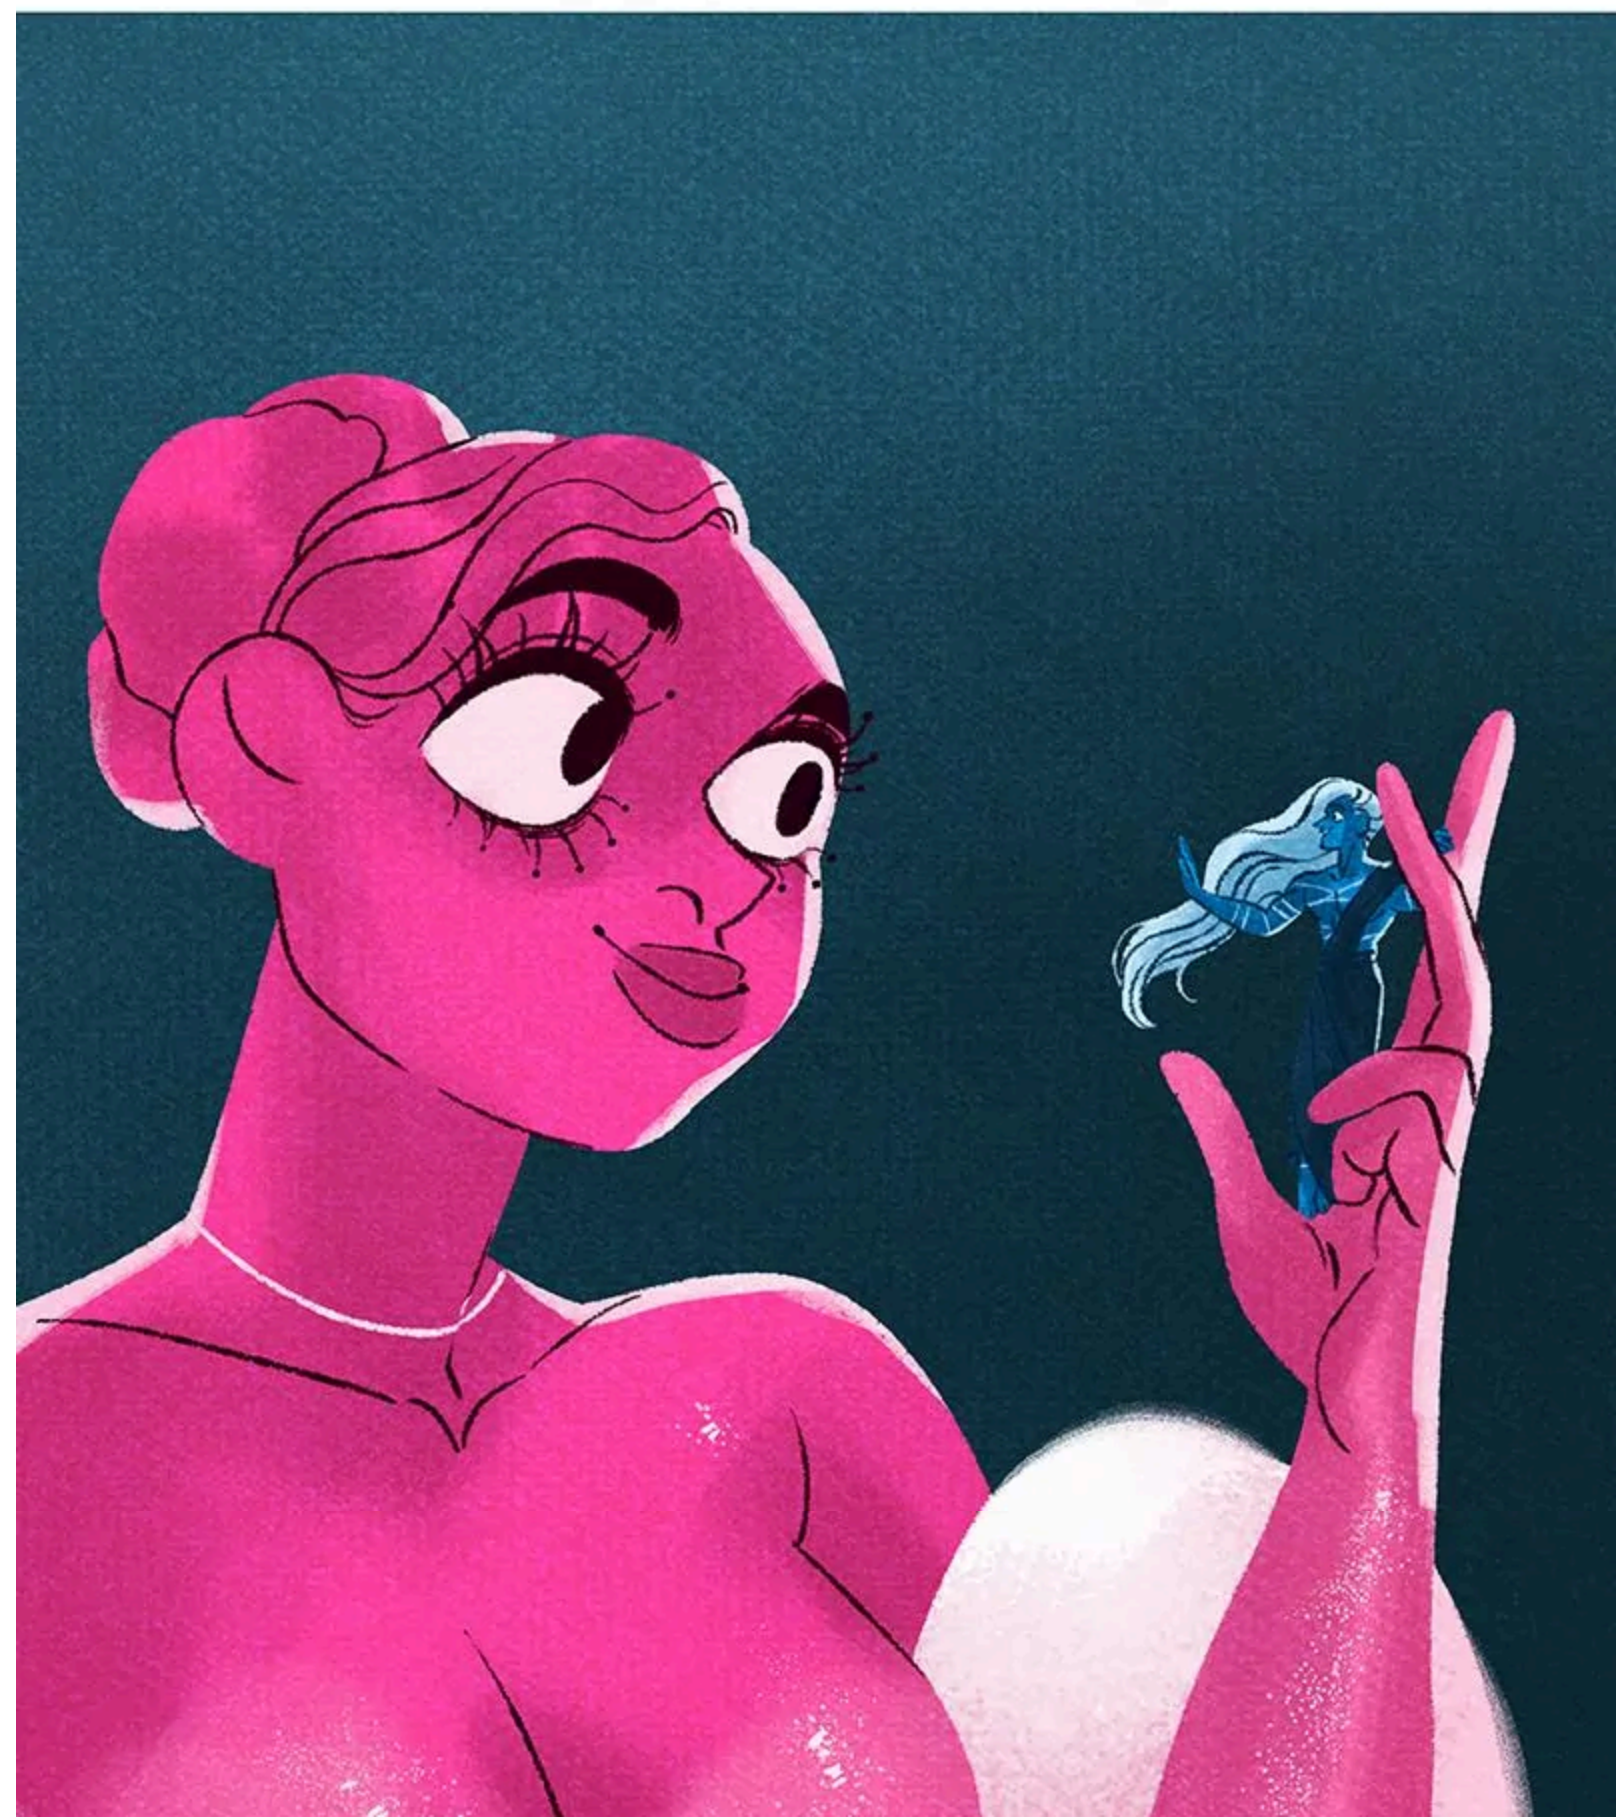

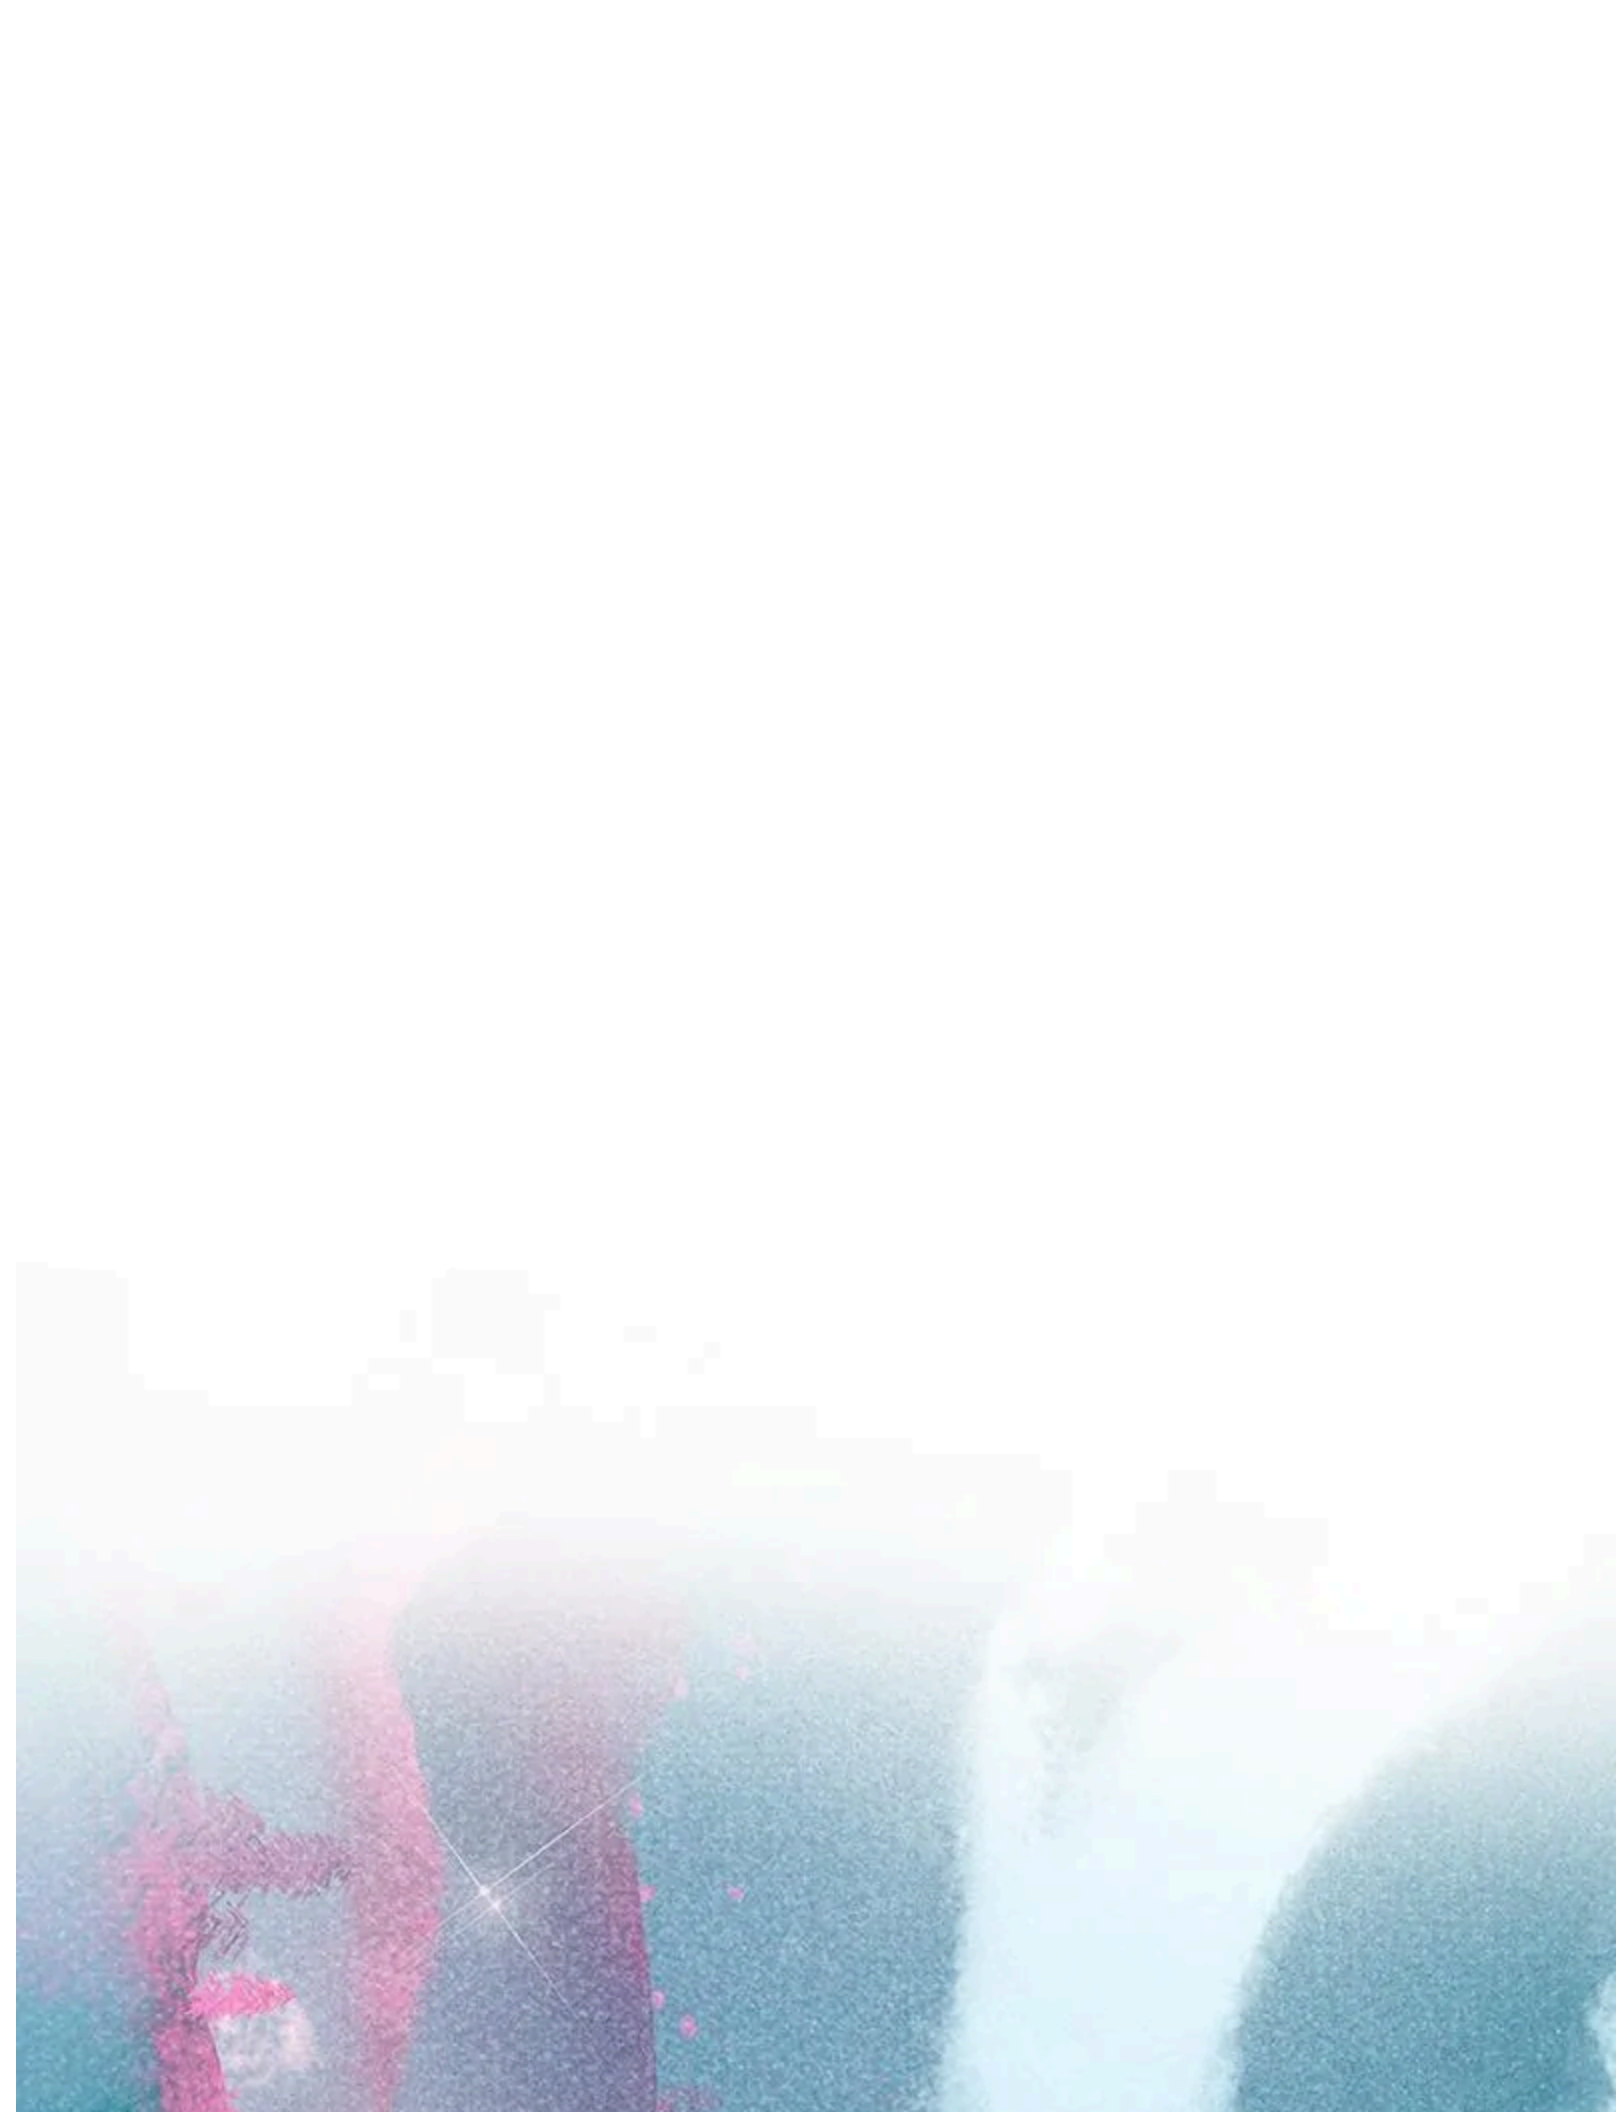

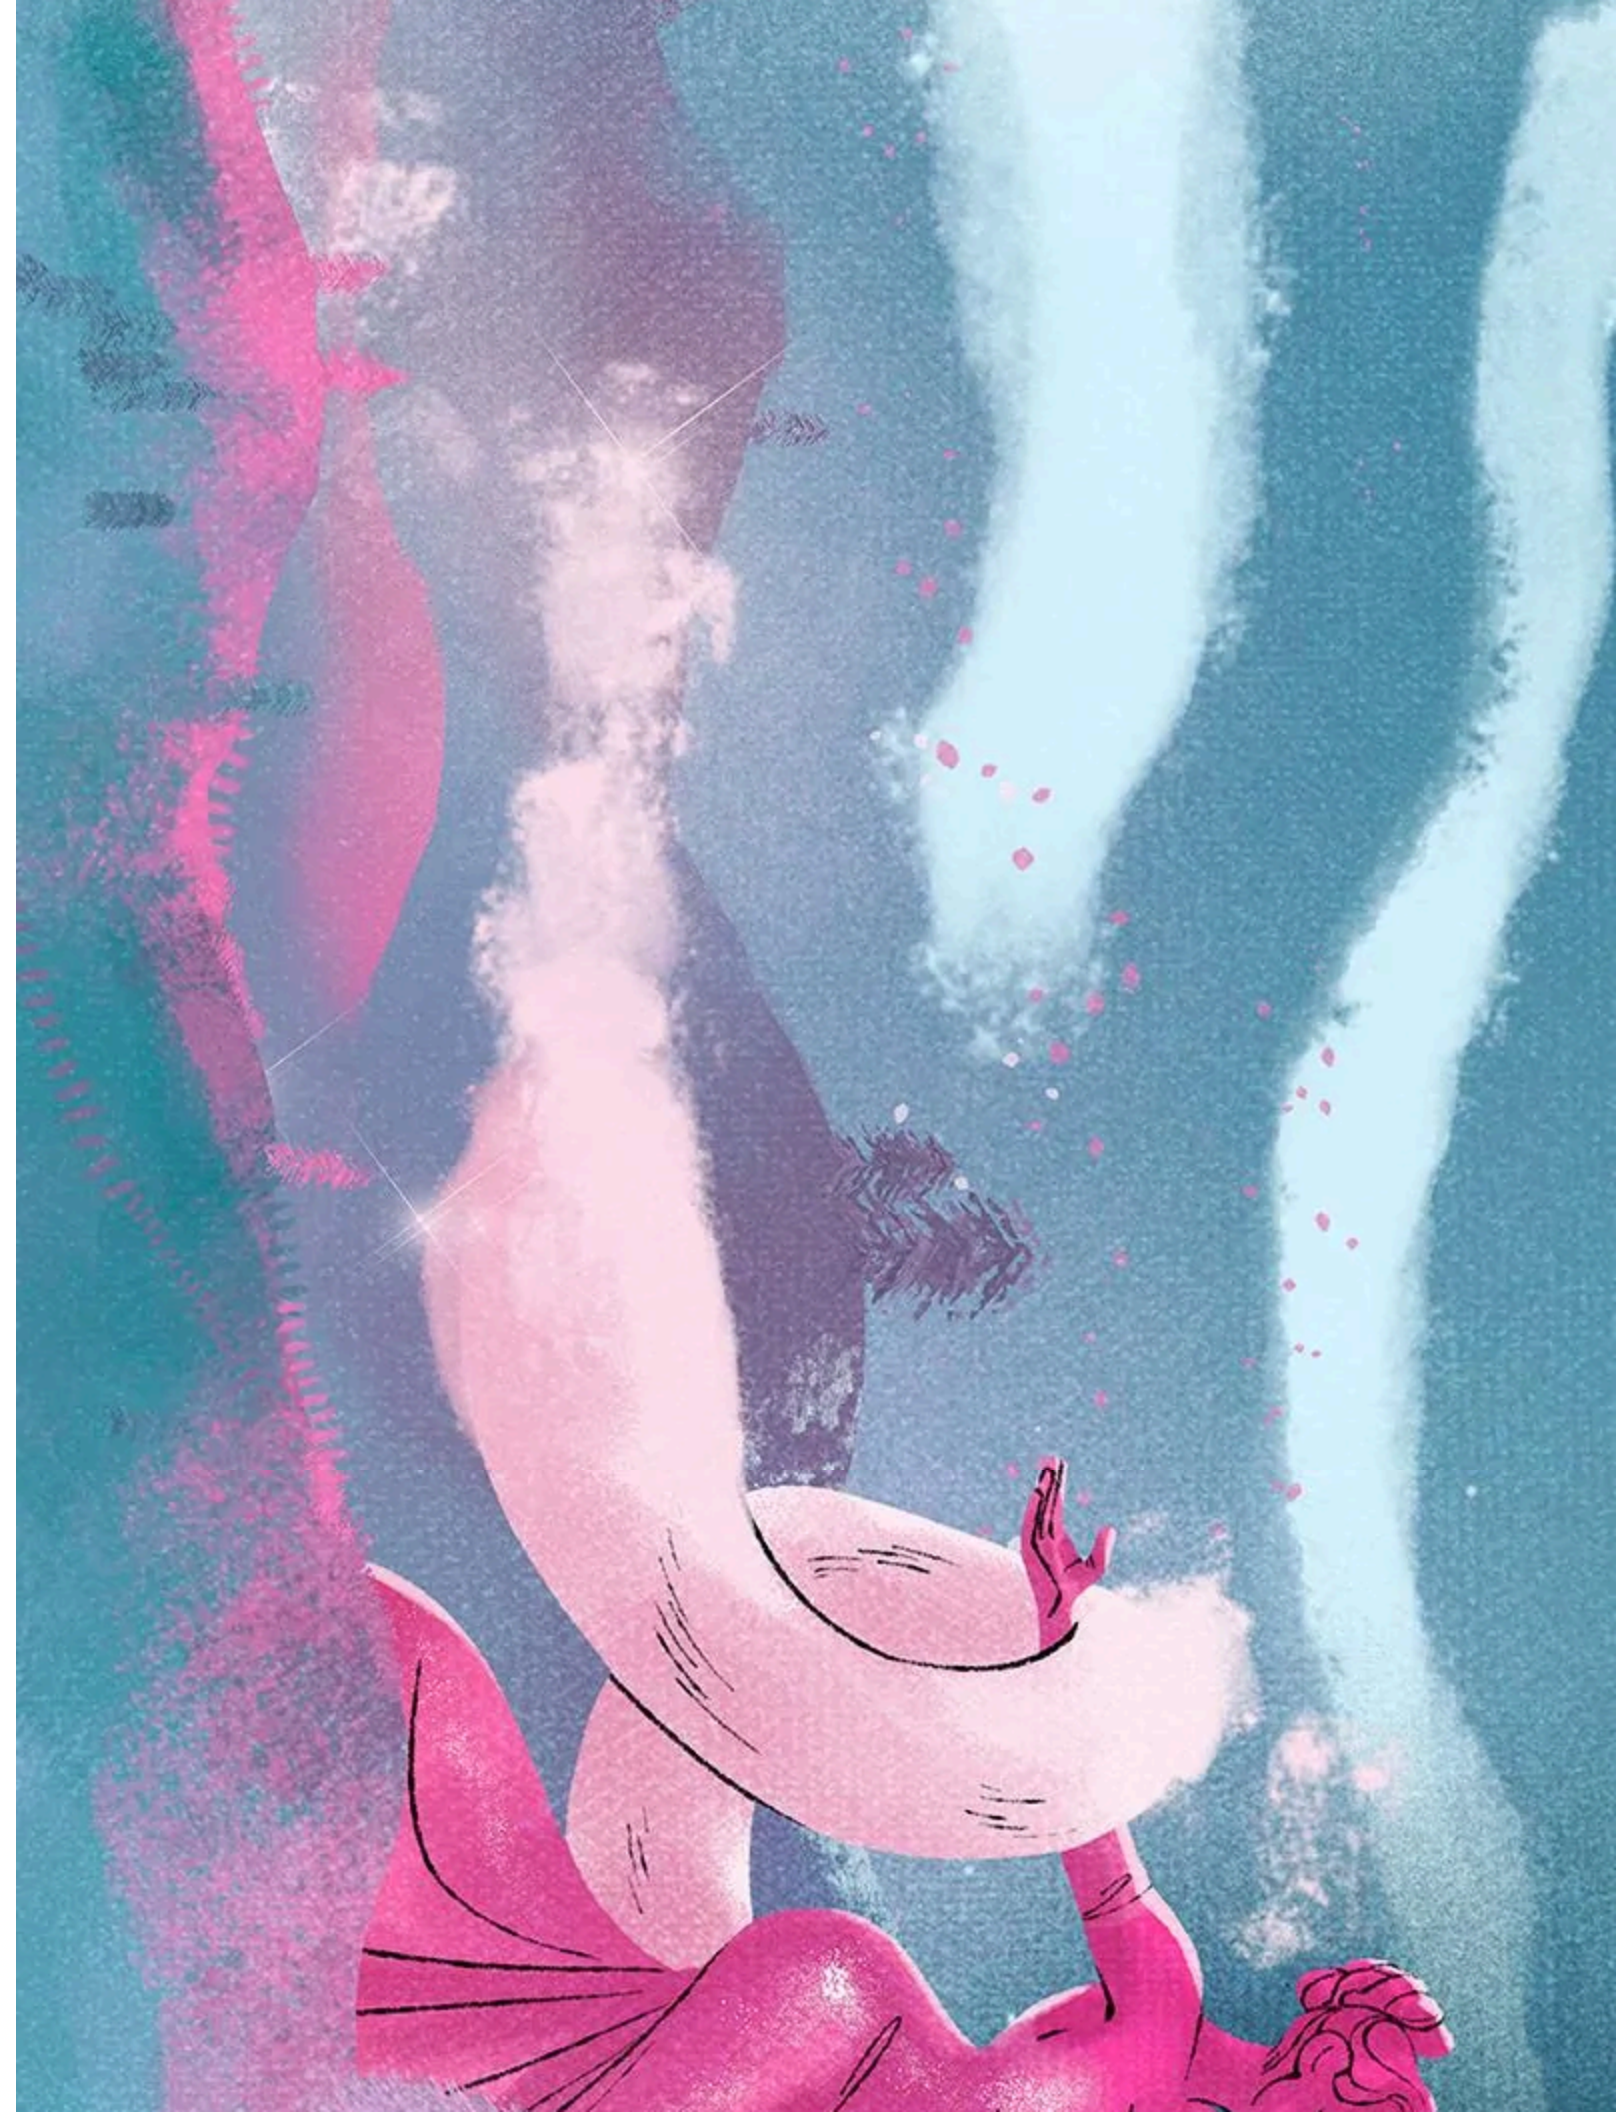

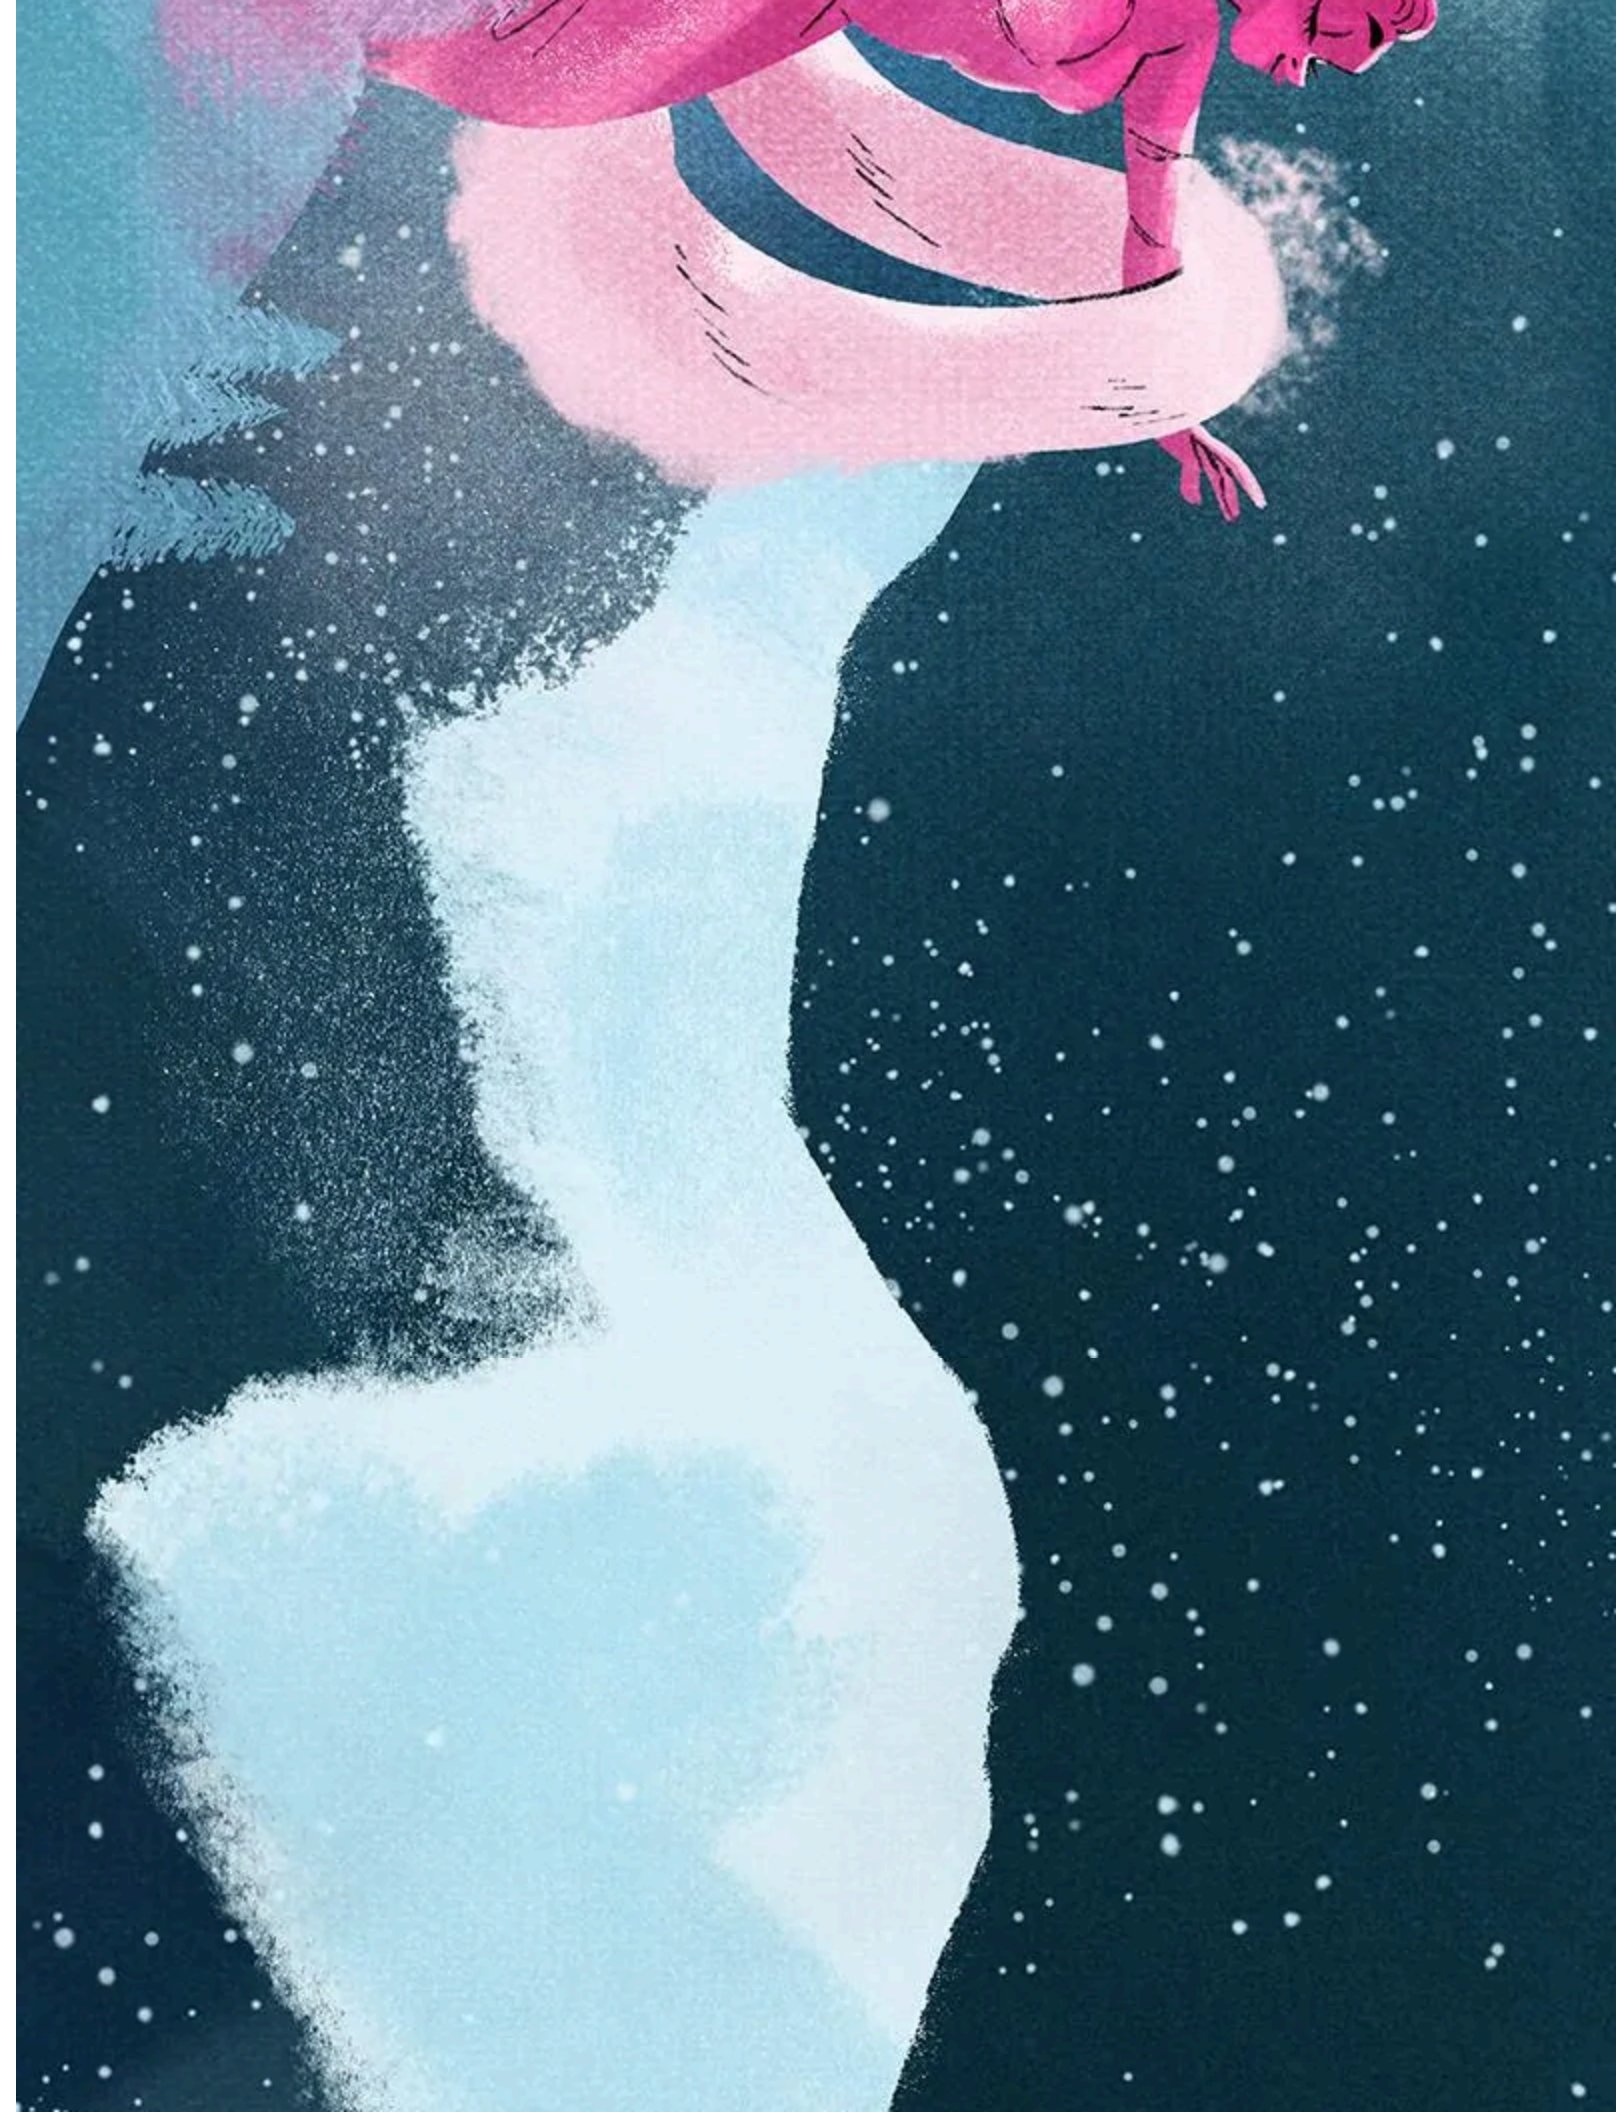

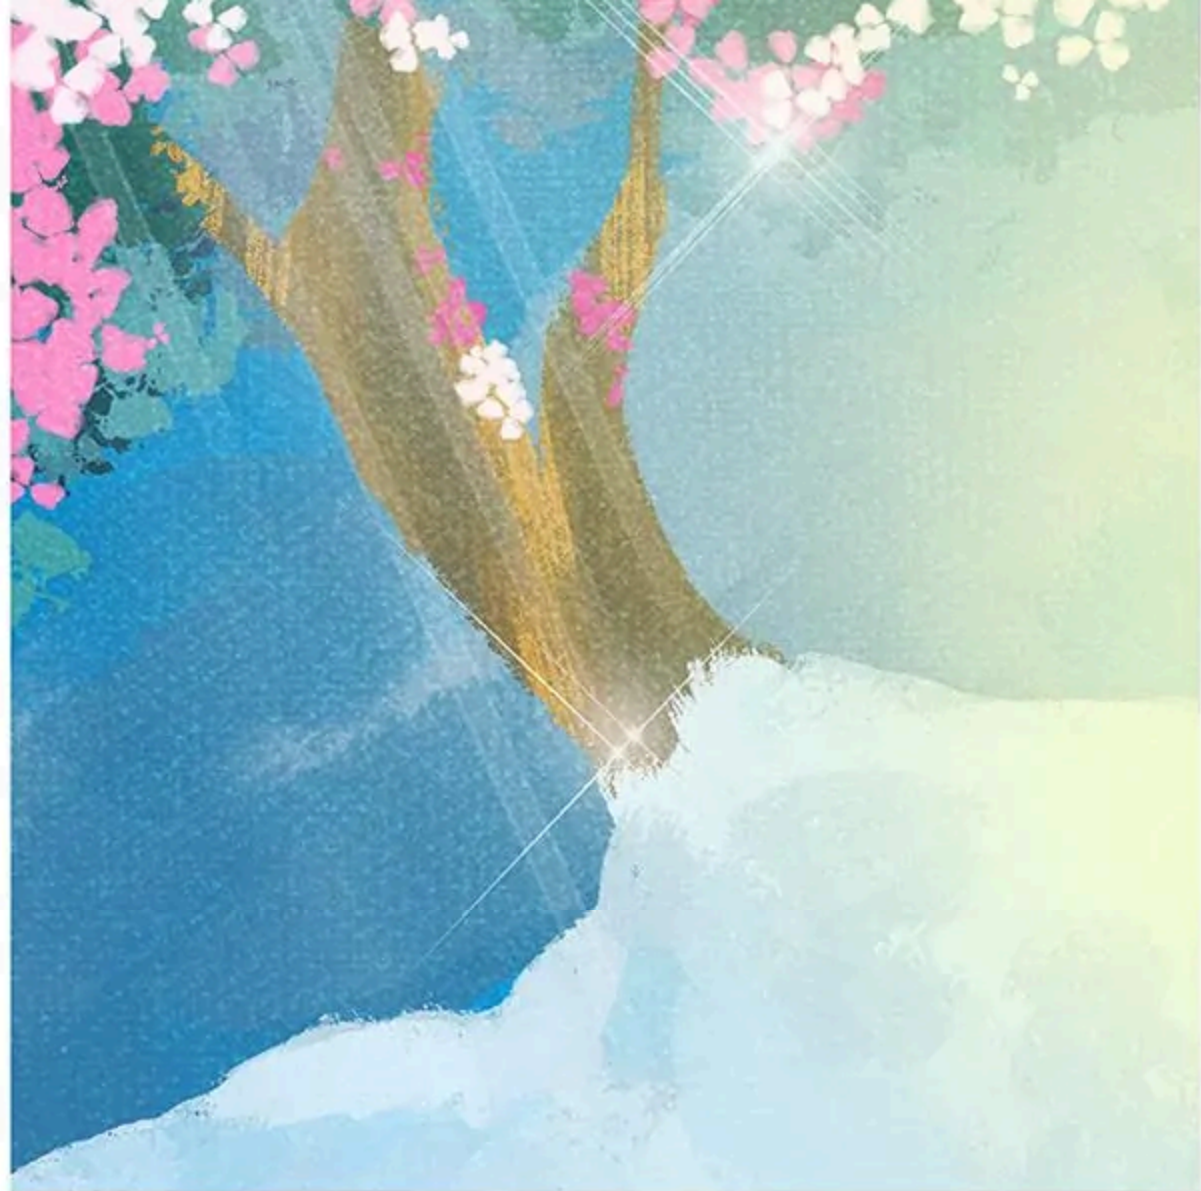

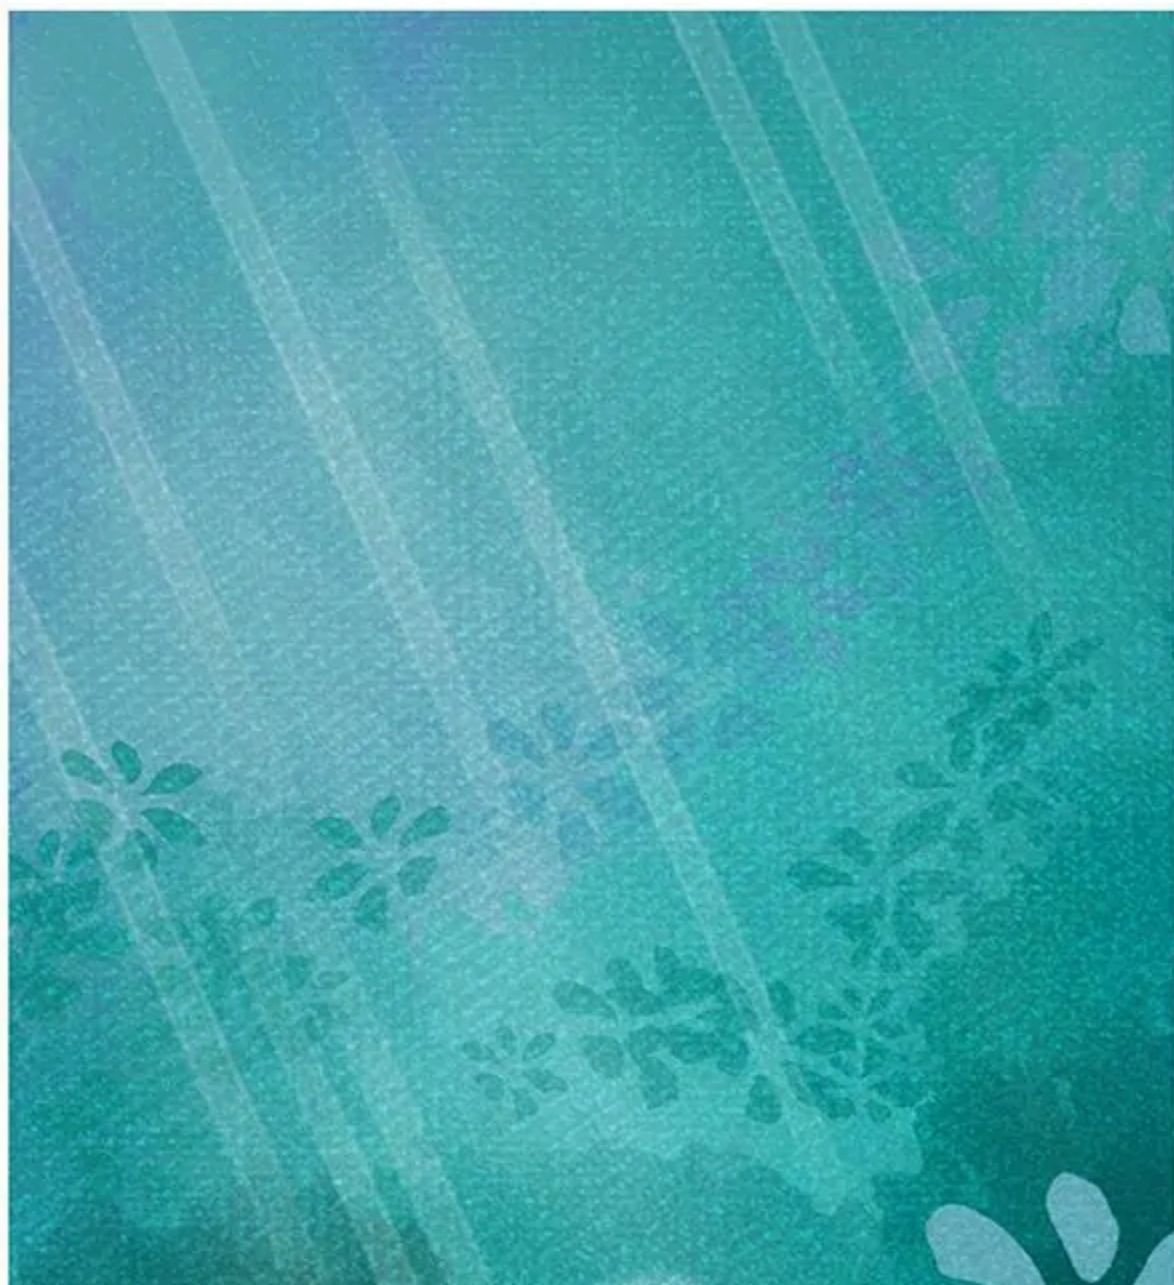

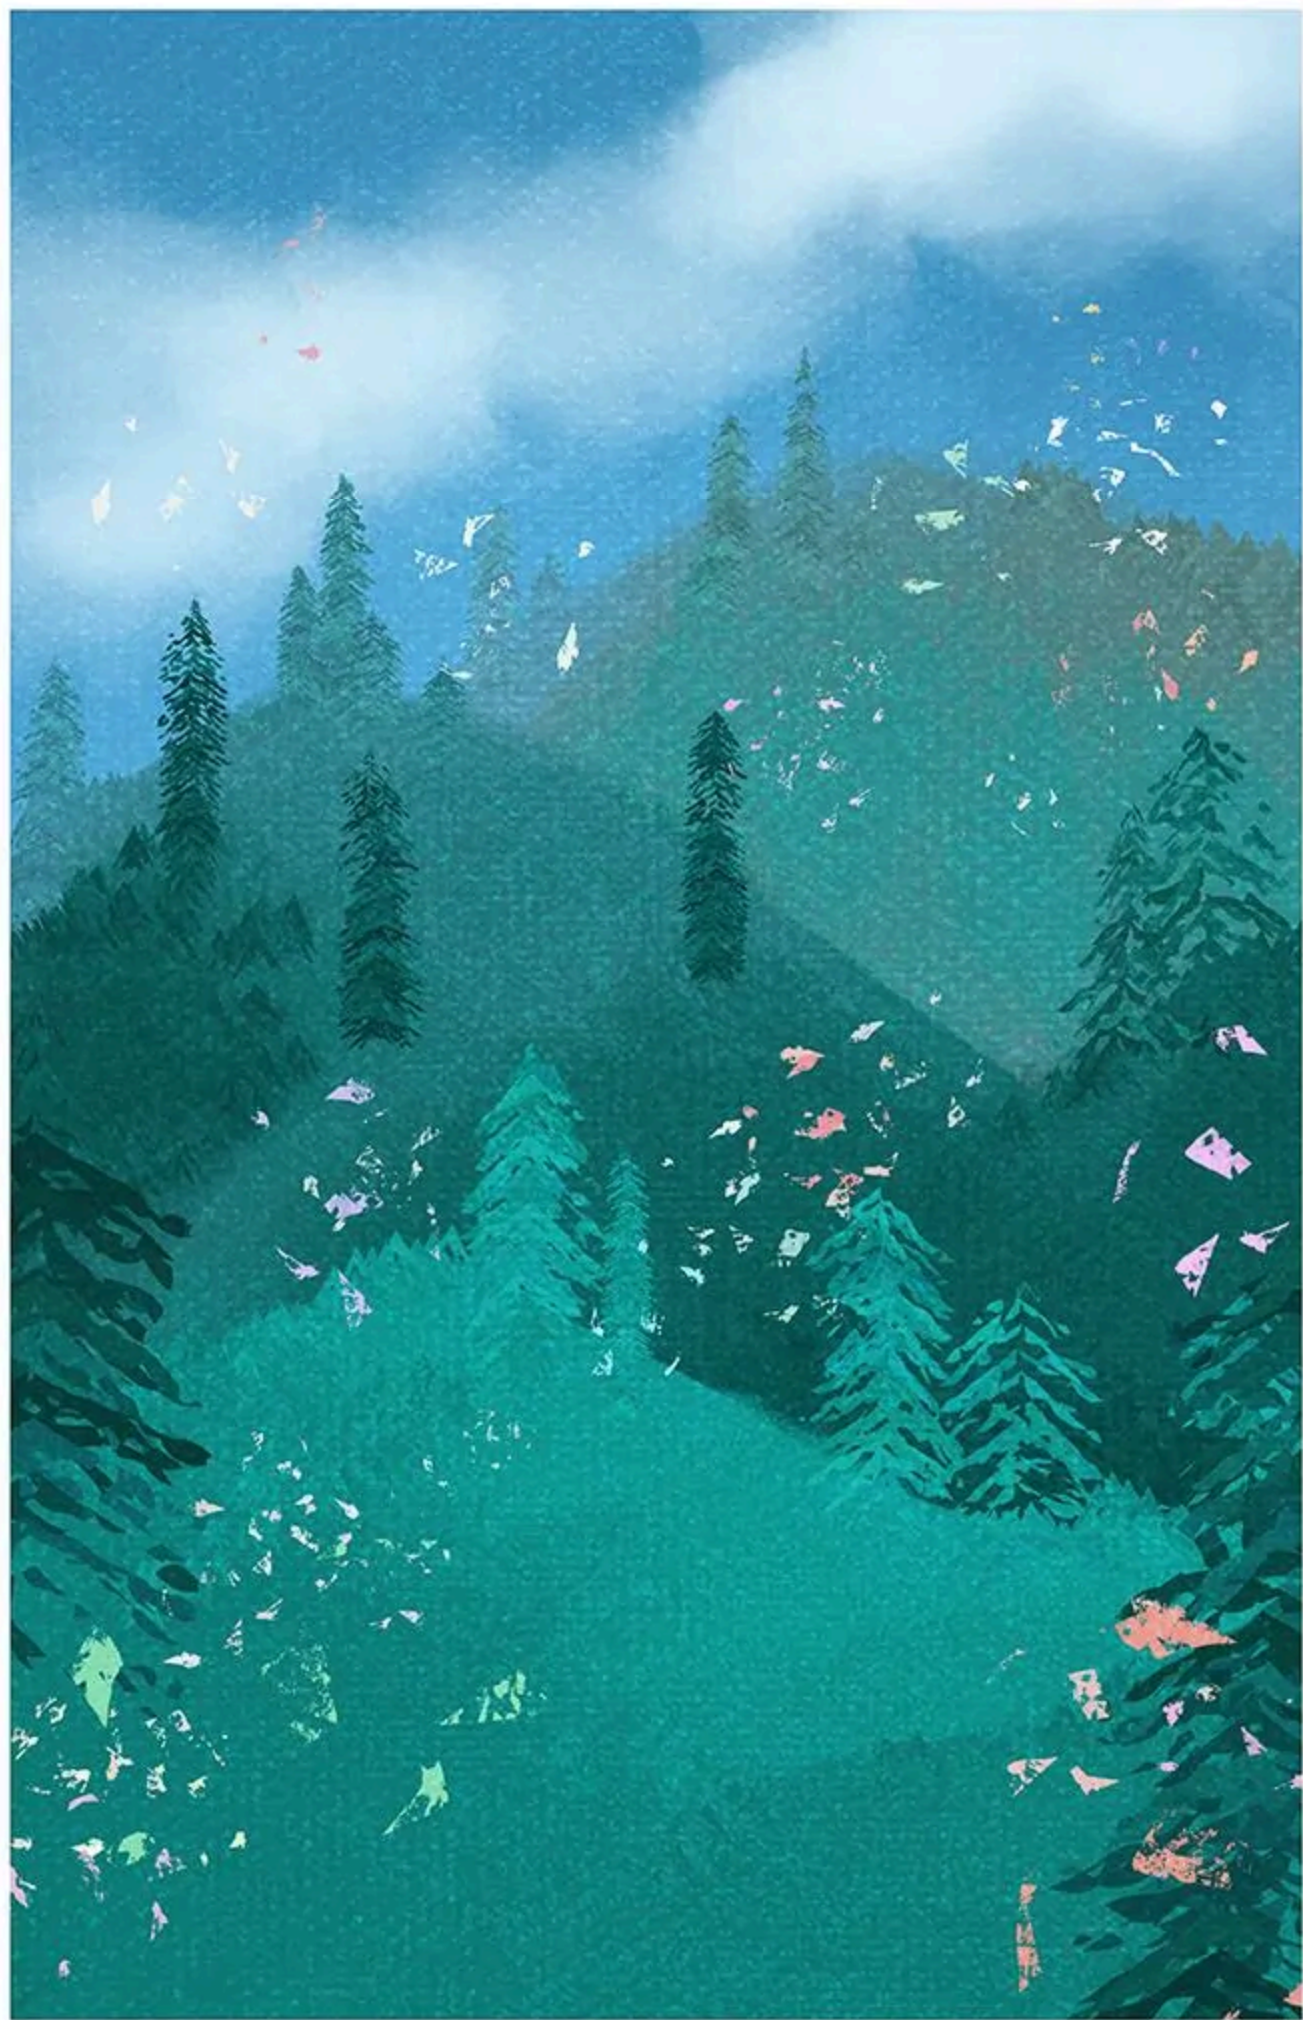

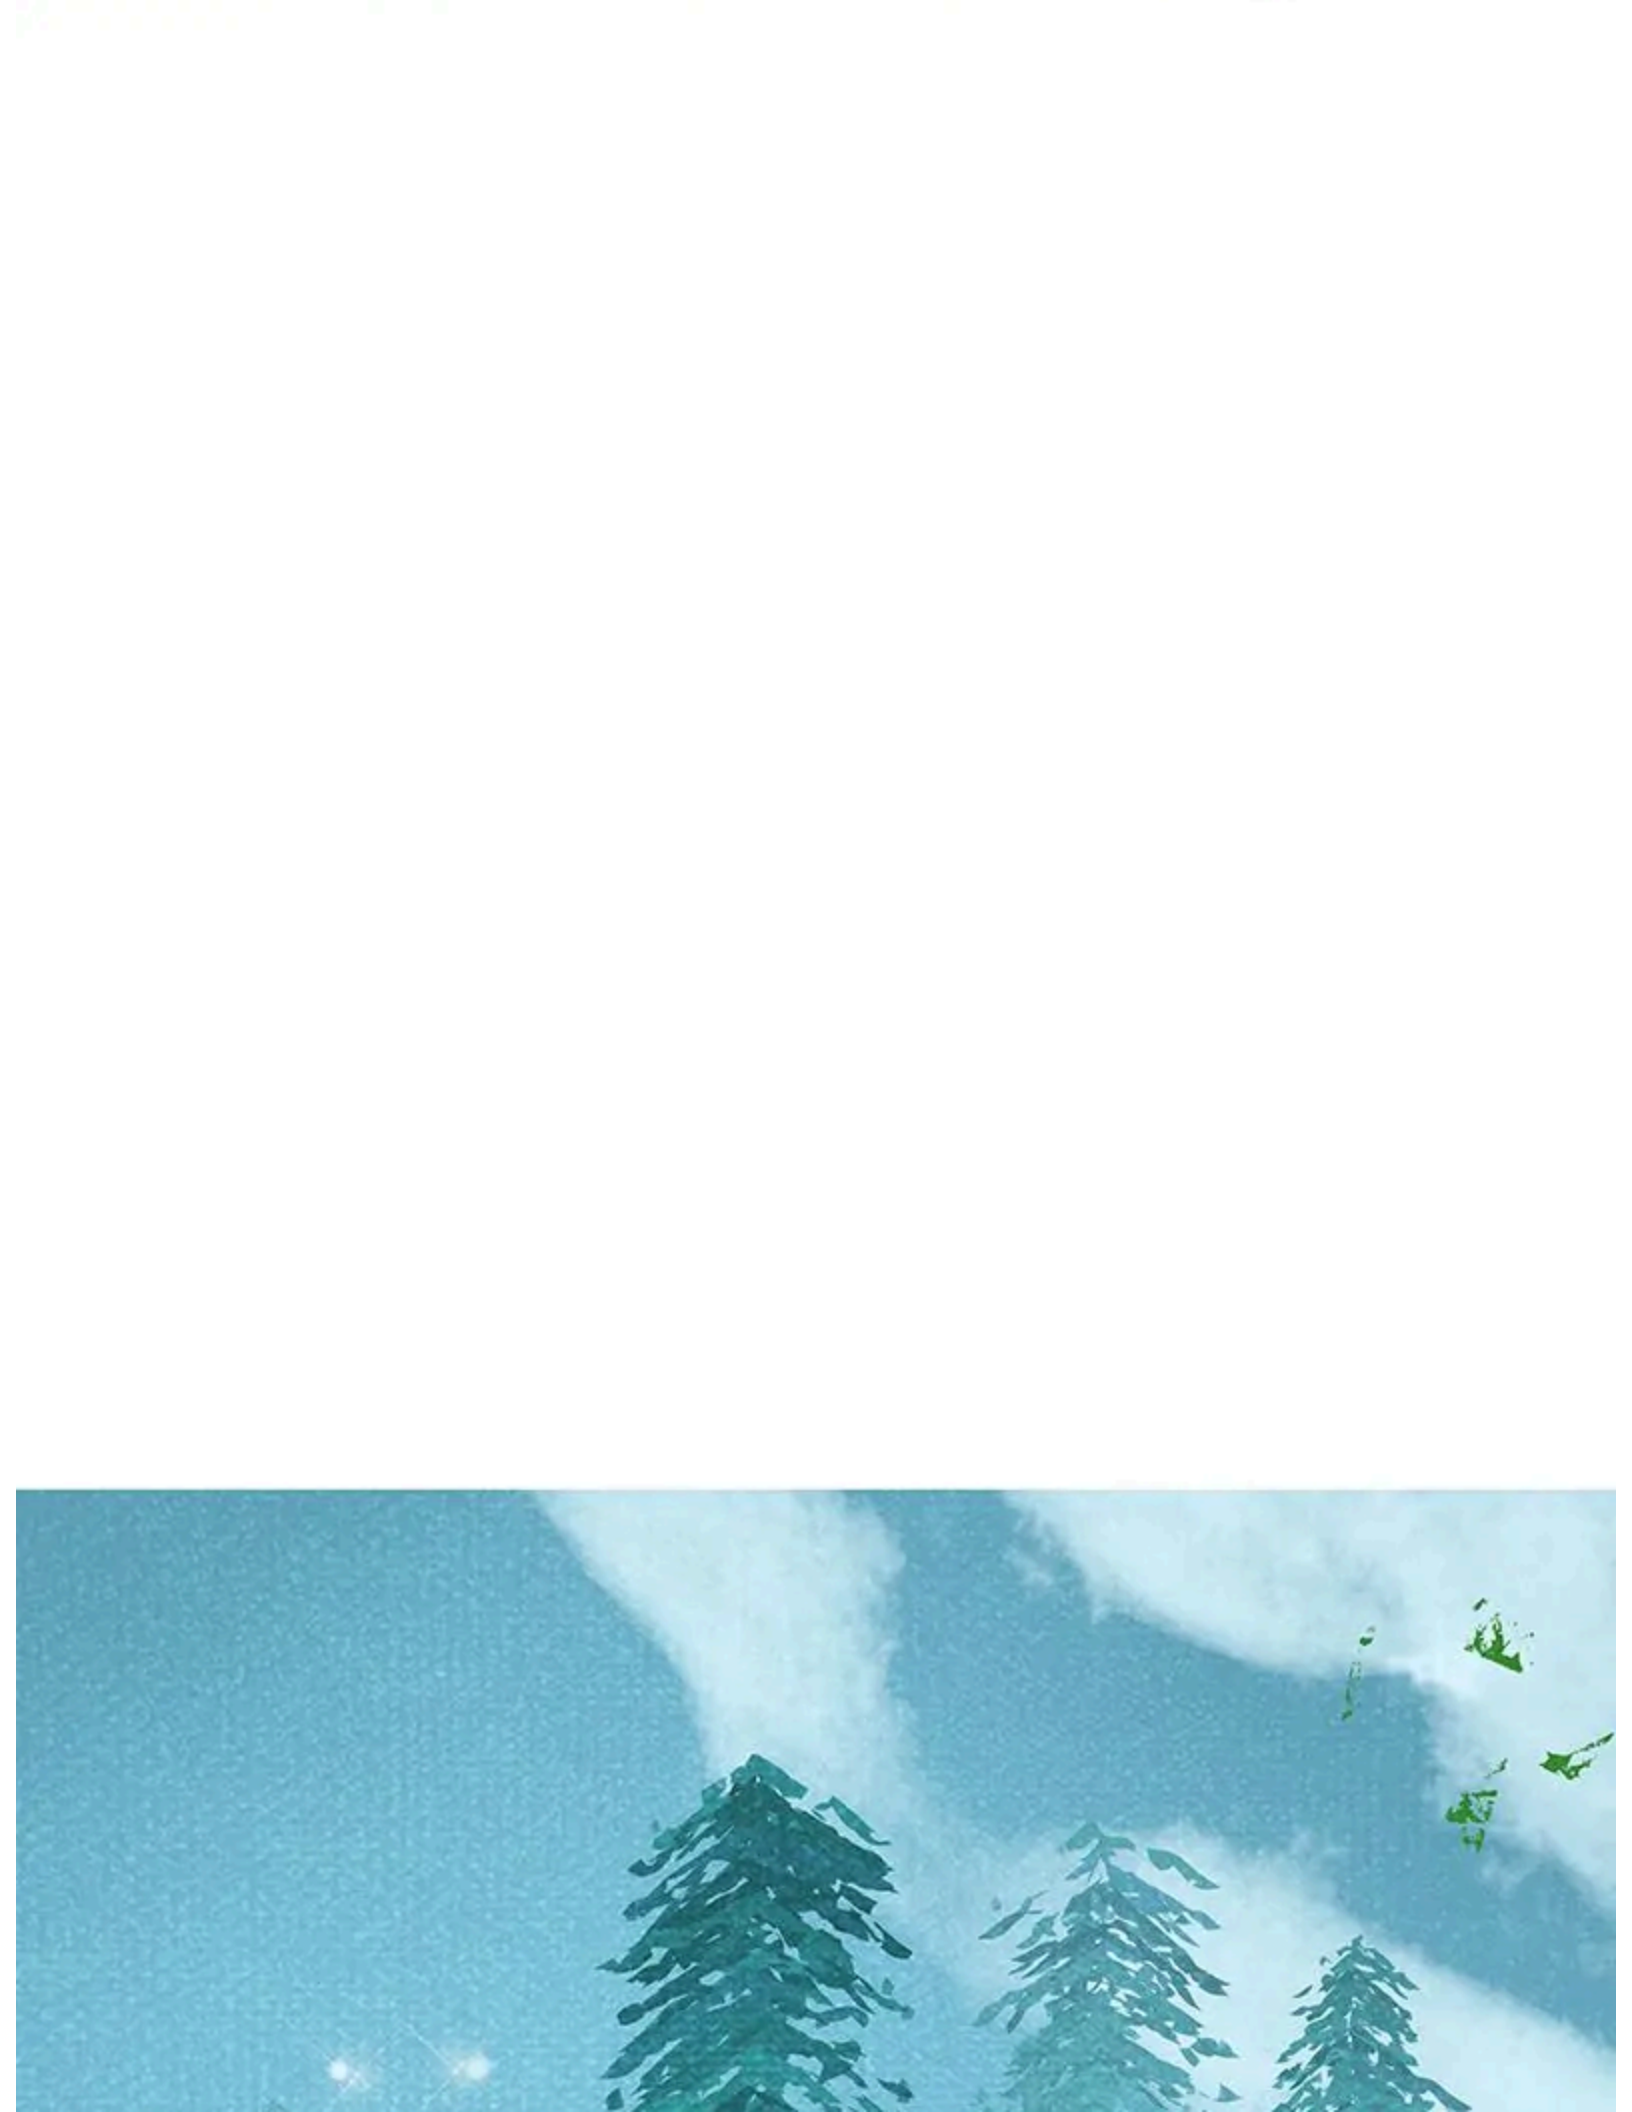

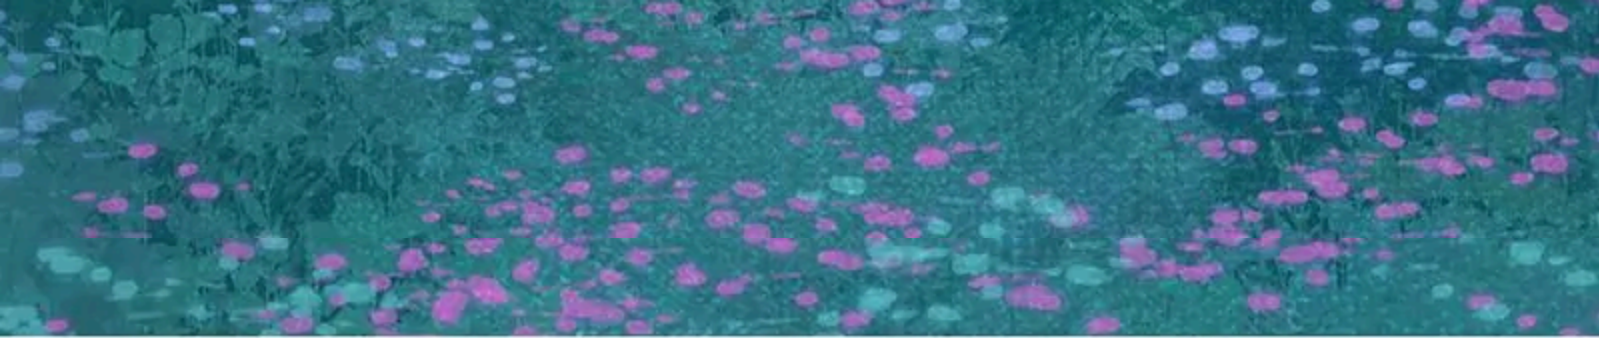

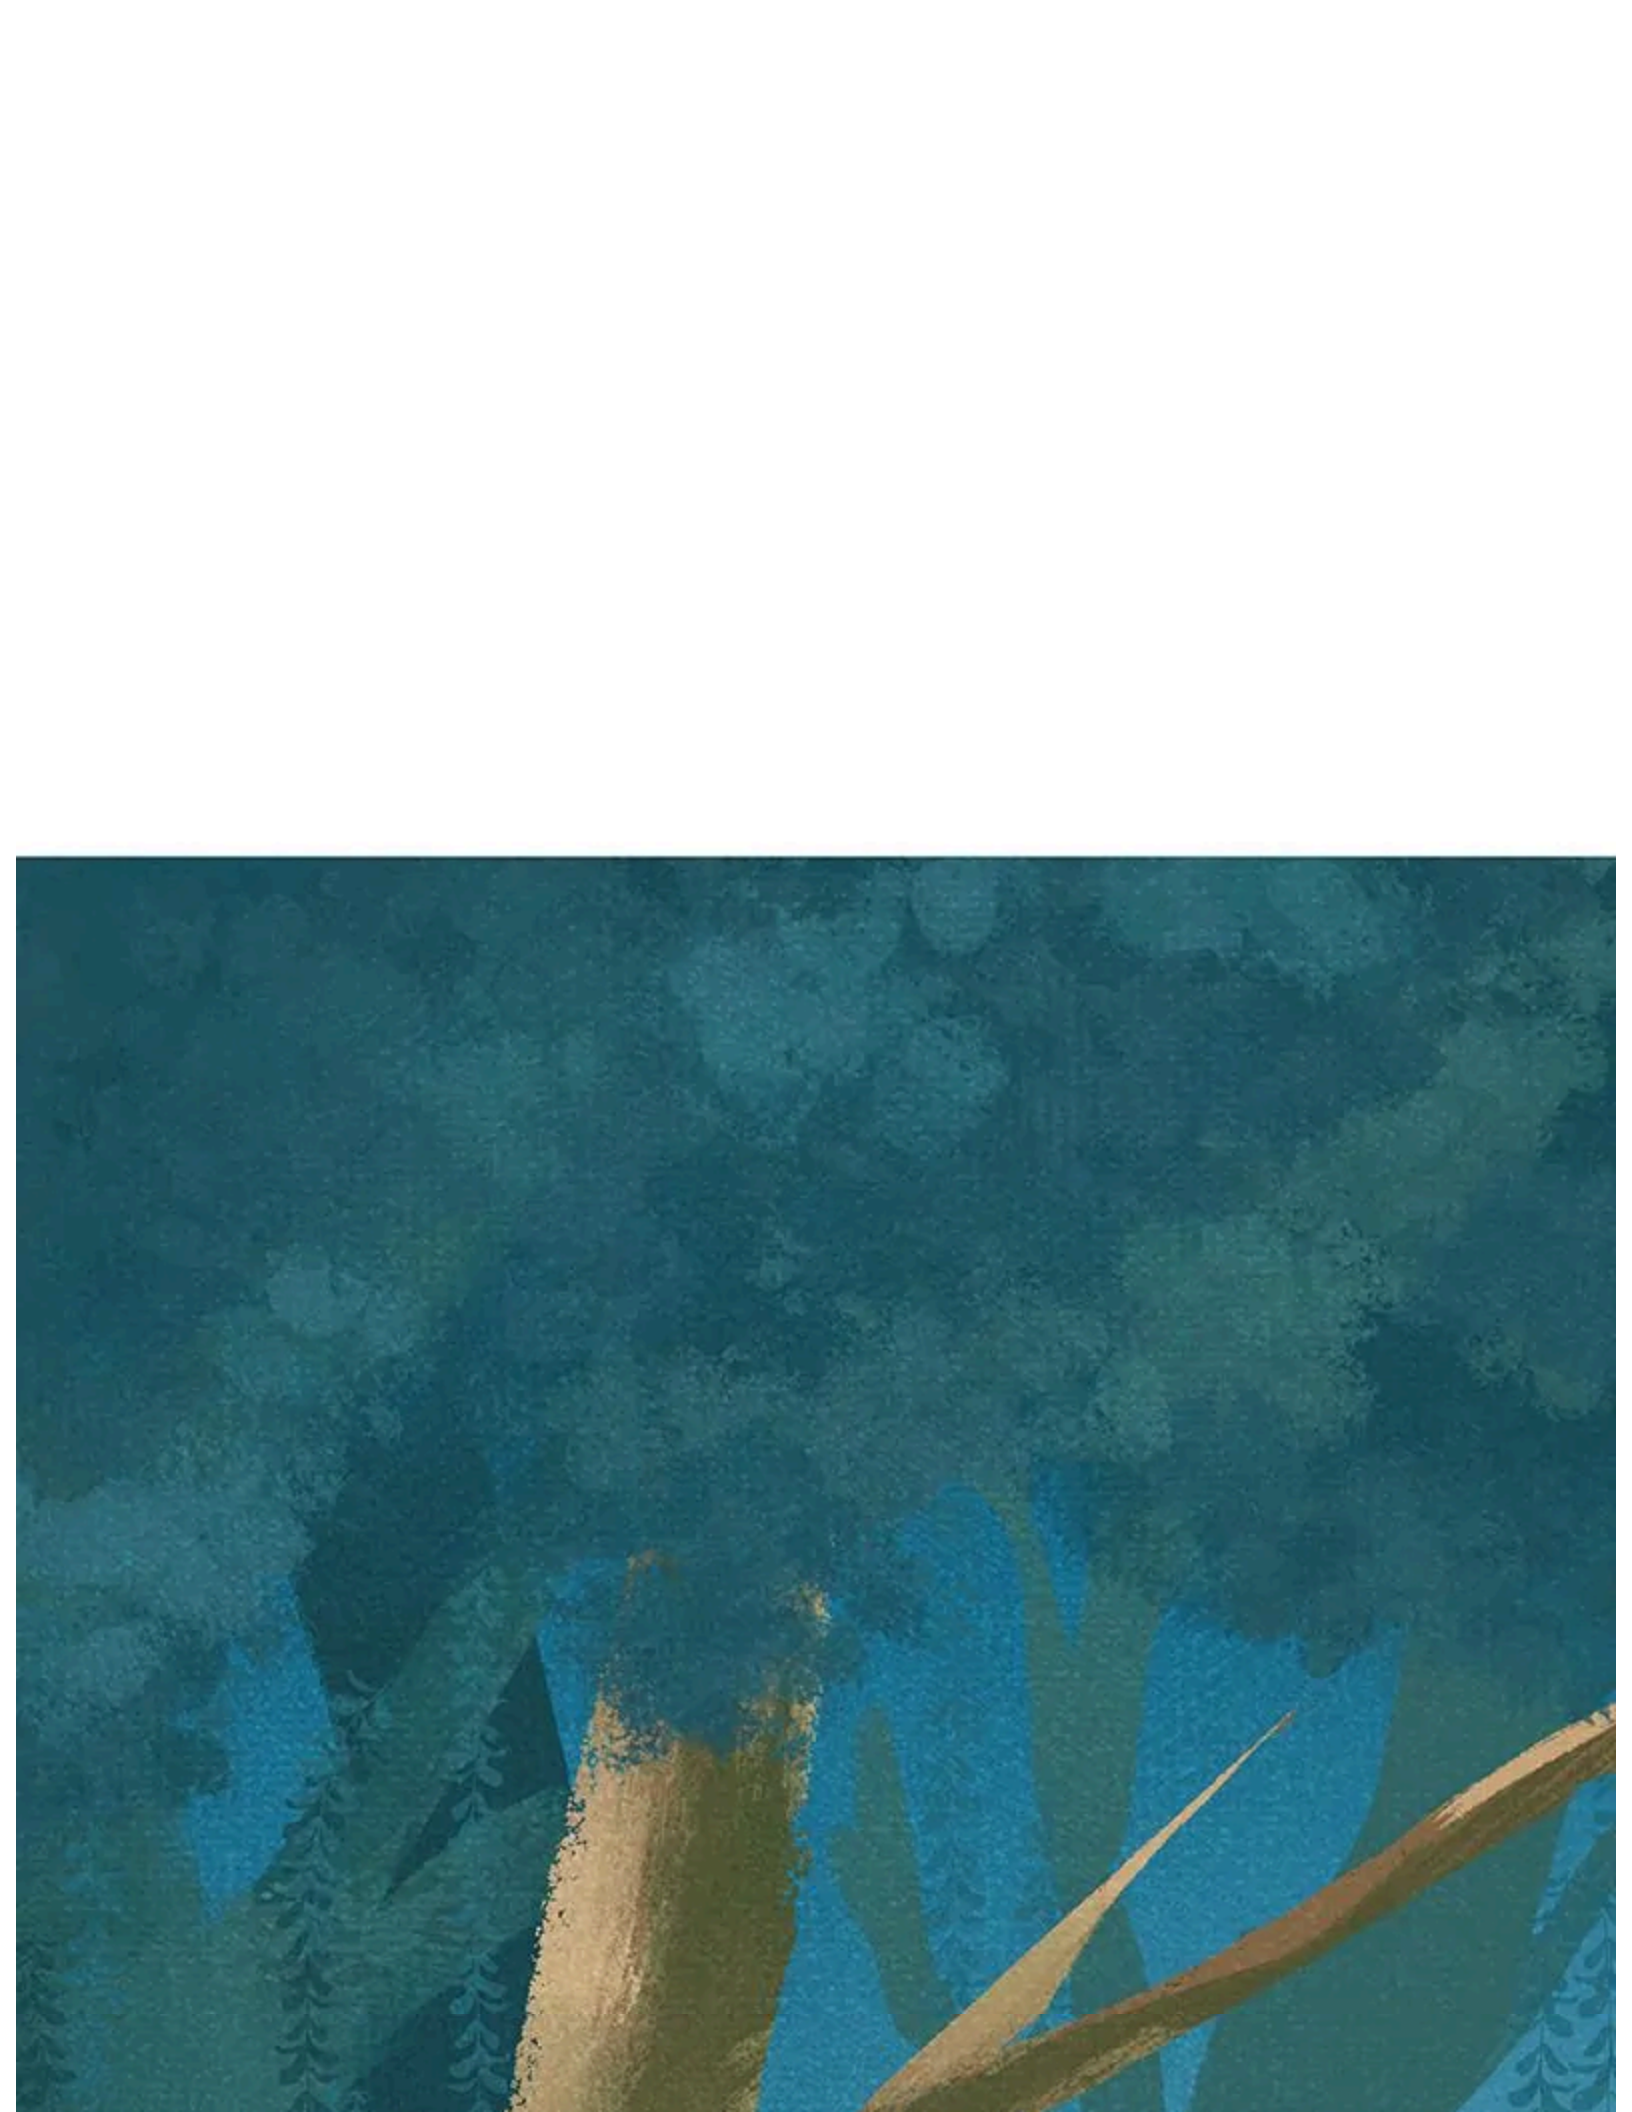

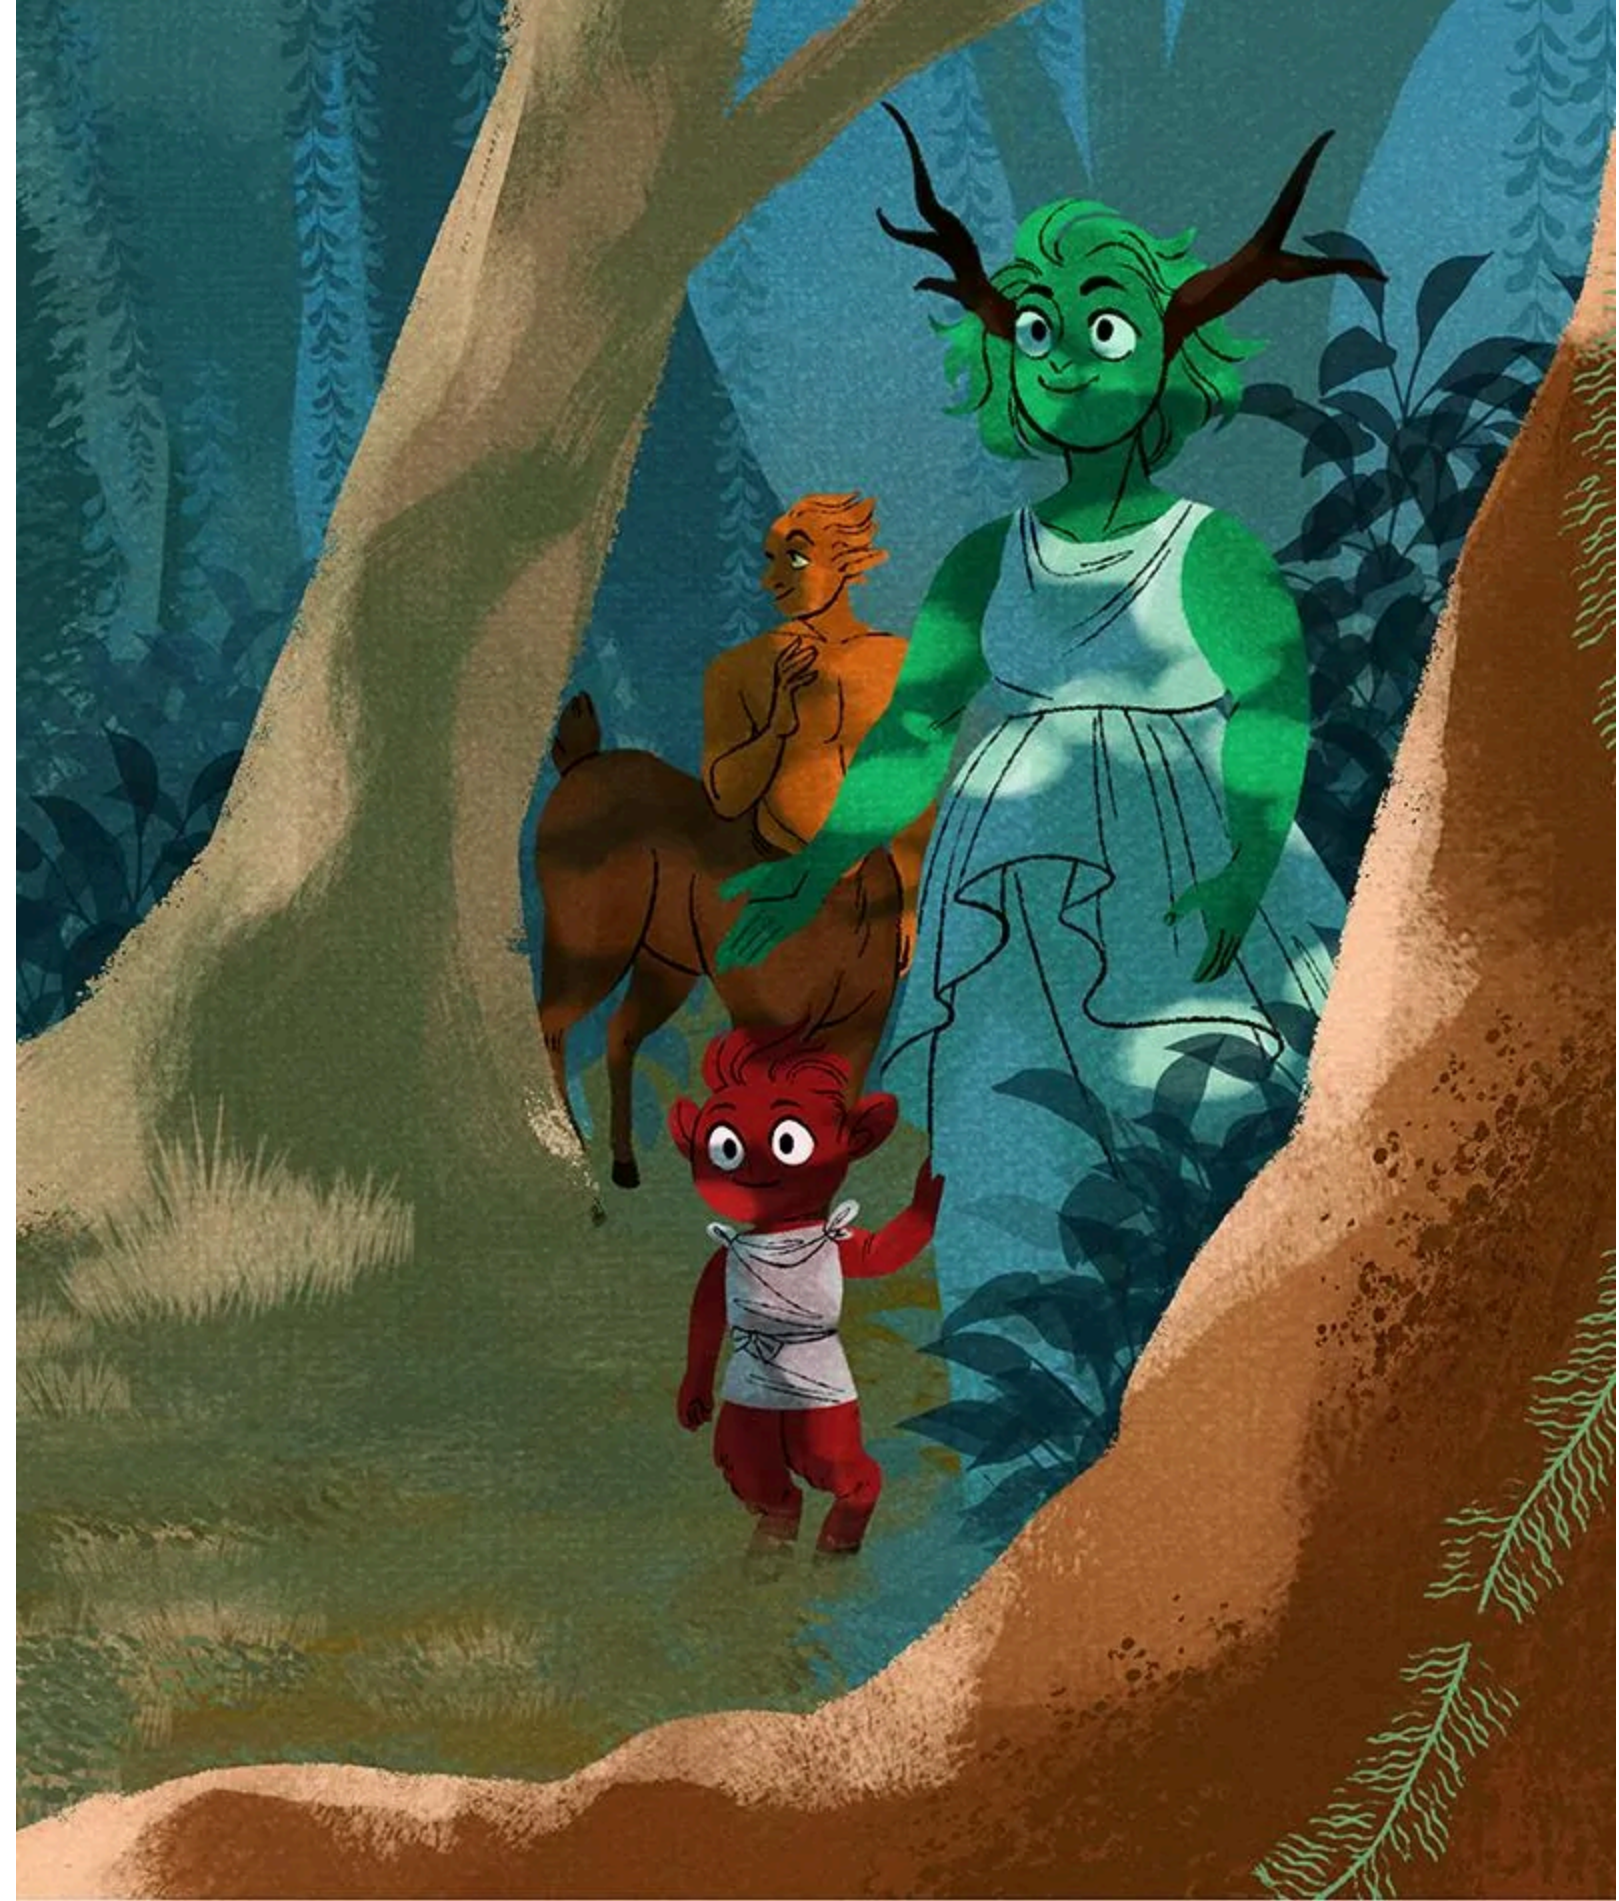

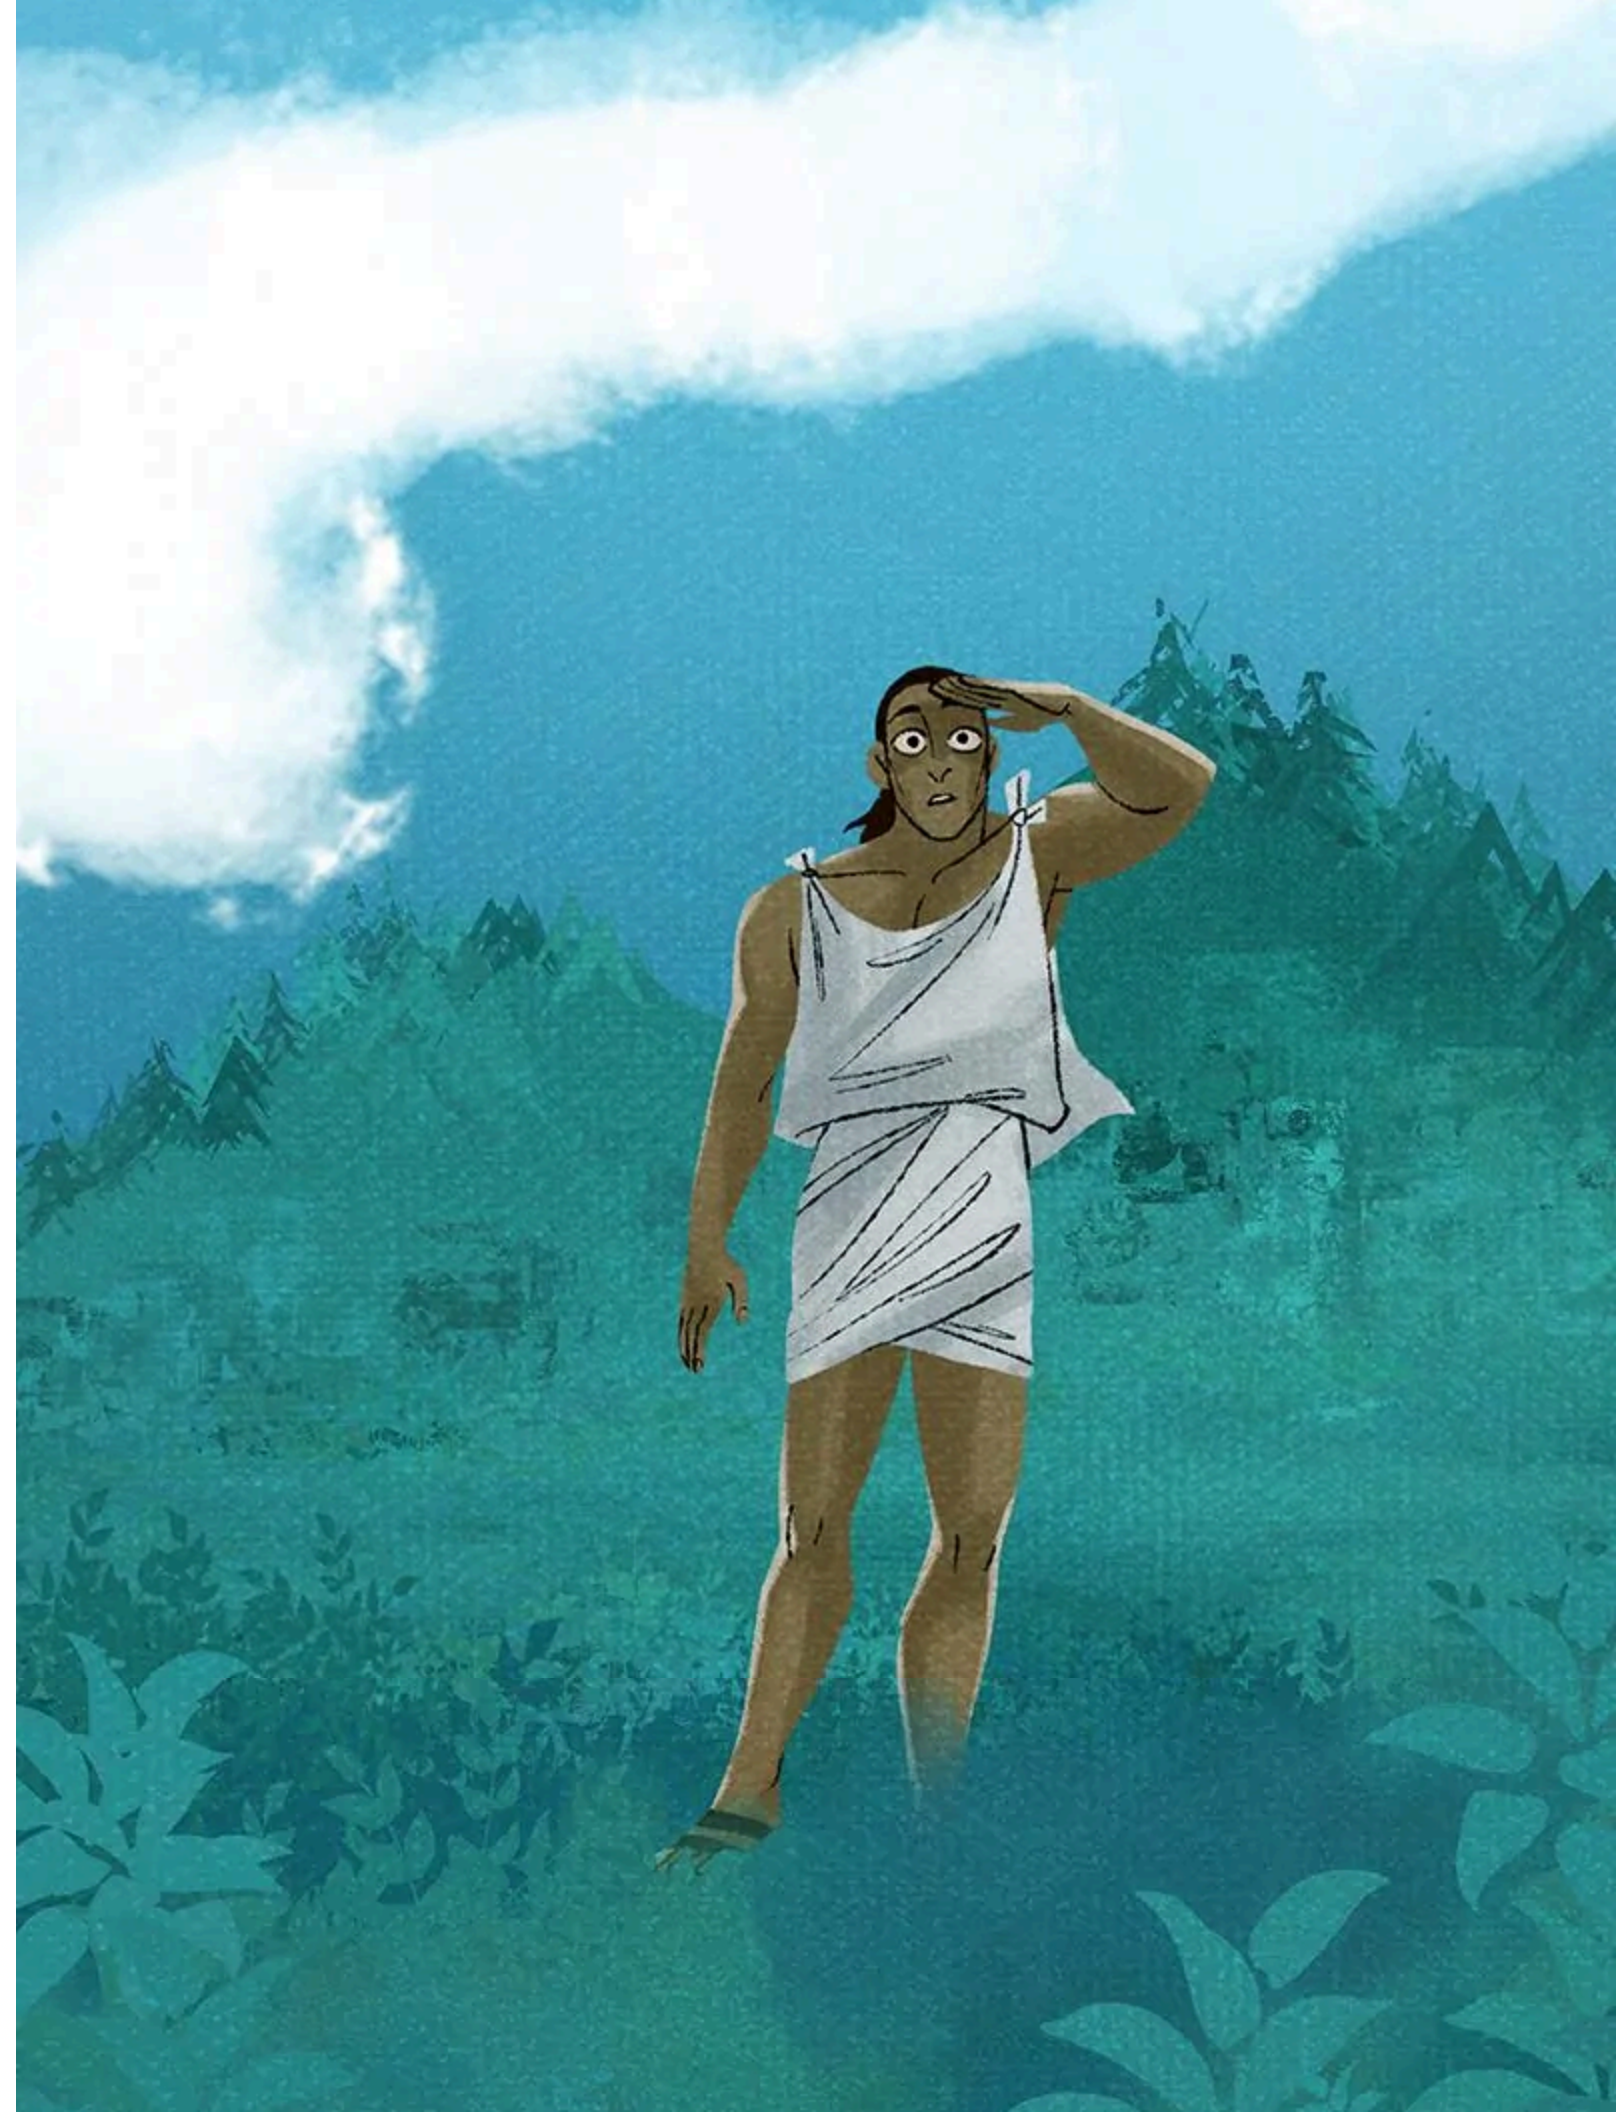

It worked!  
It really worked!  
You did it!

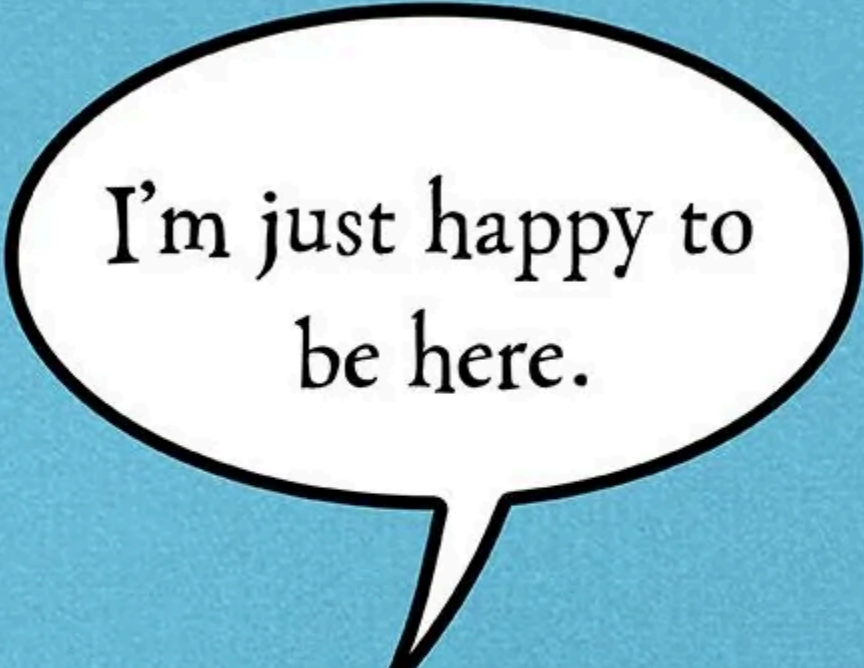

No, you did it.

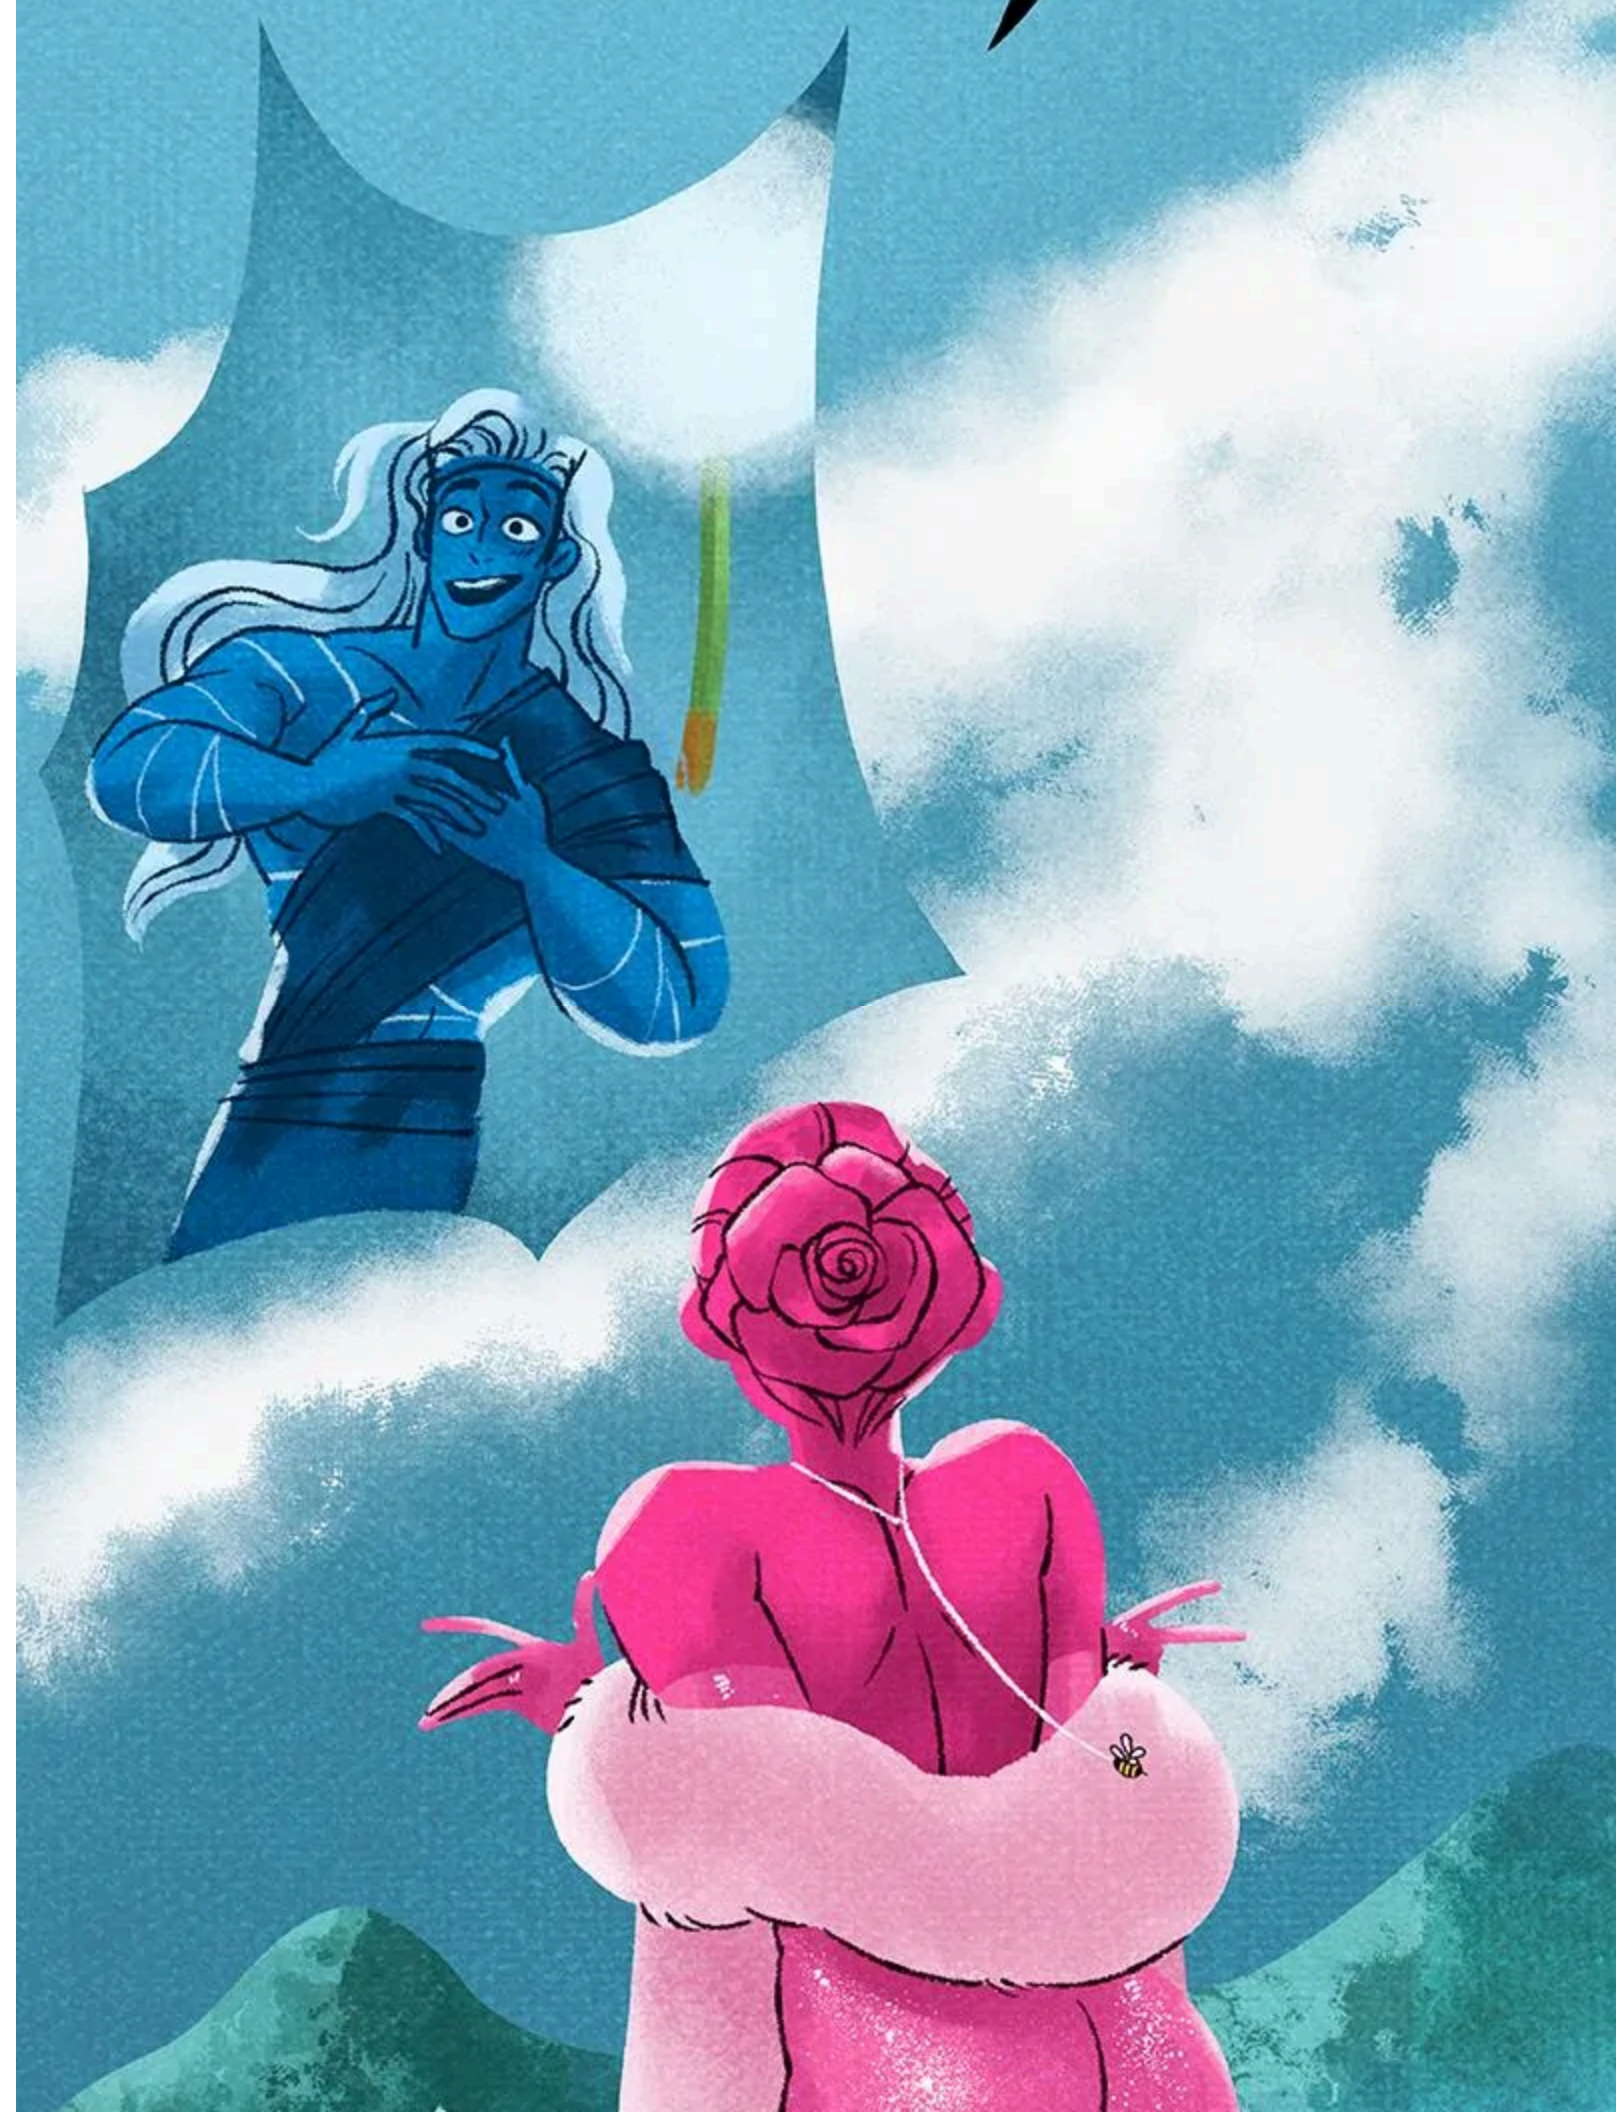

I'm just happy to  
be here.

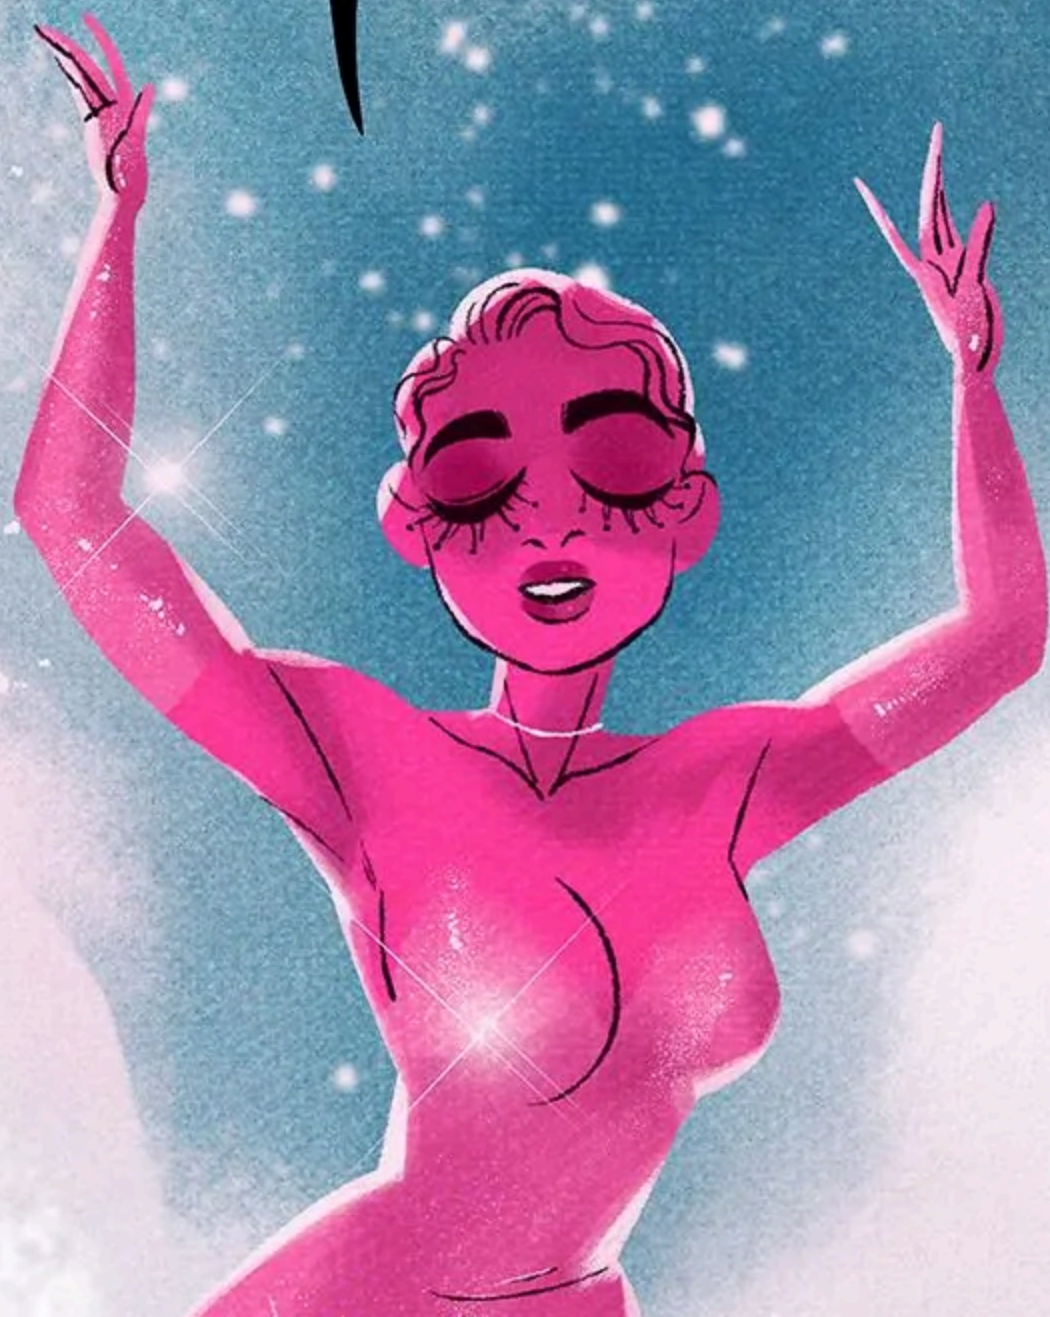

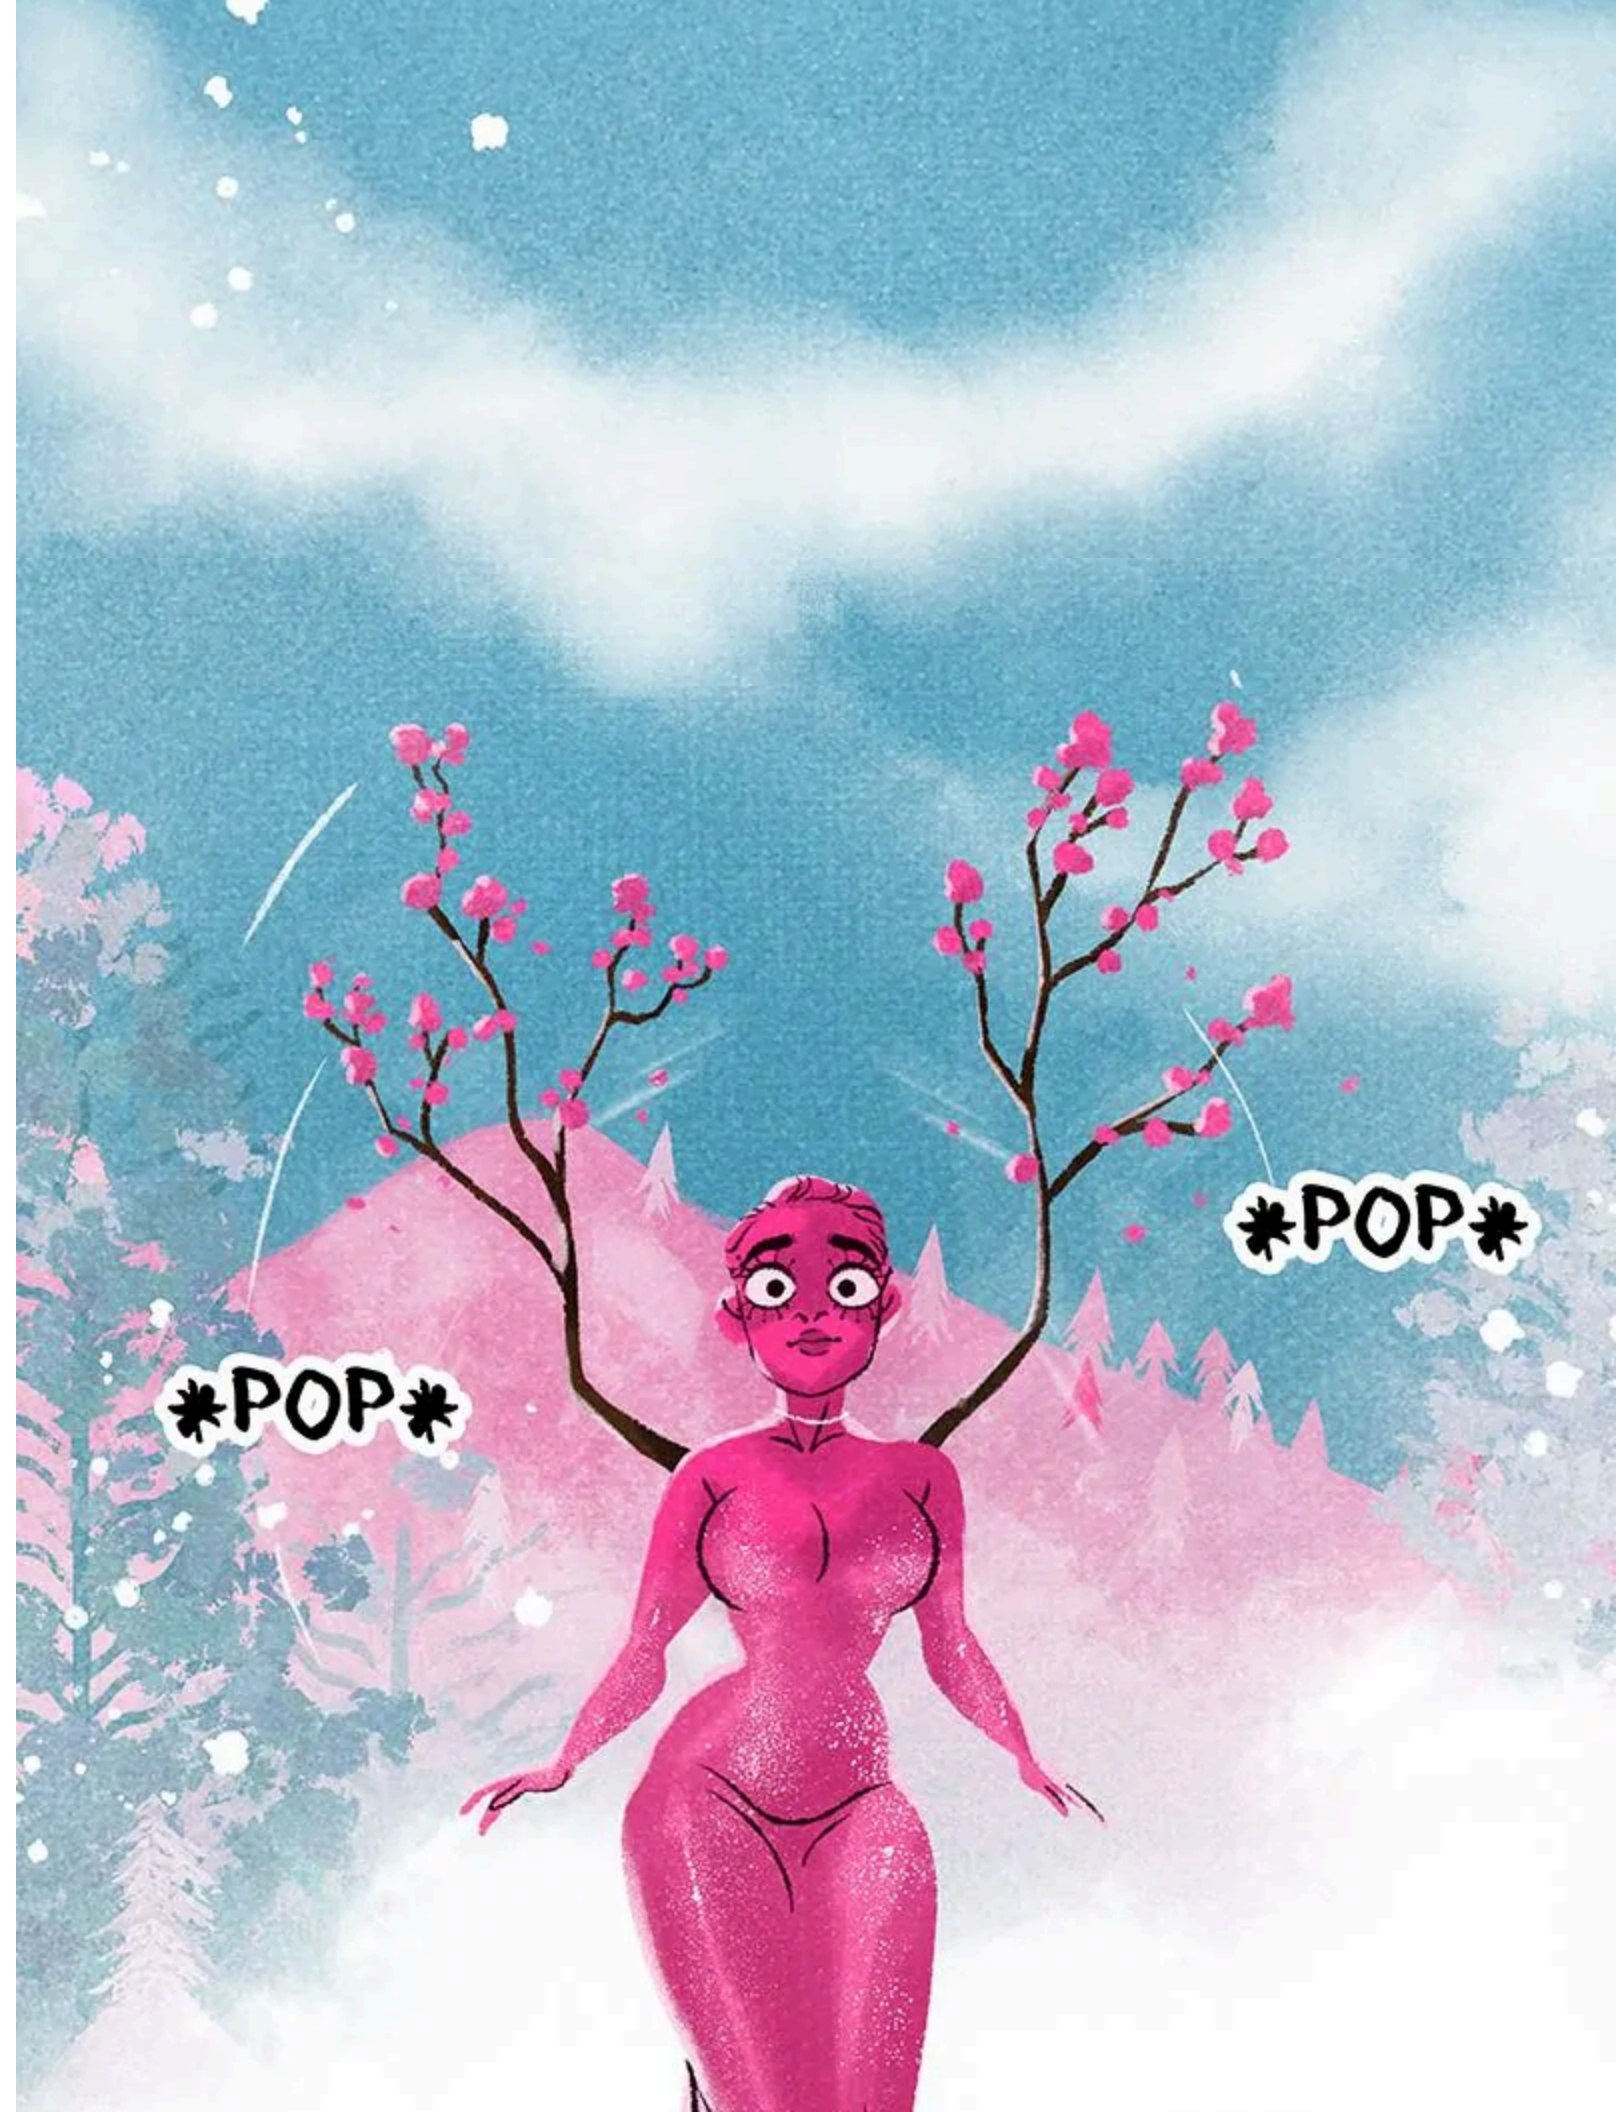

Now for the  
finishing  
touches!

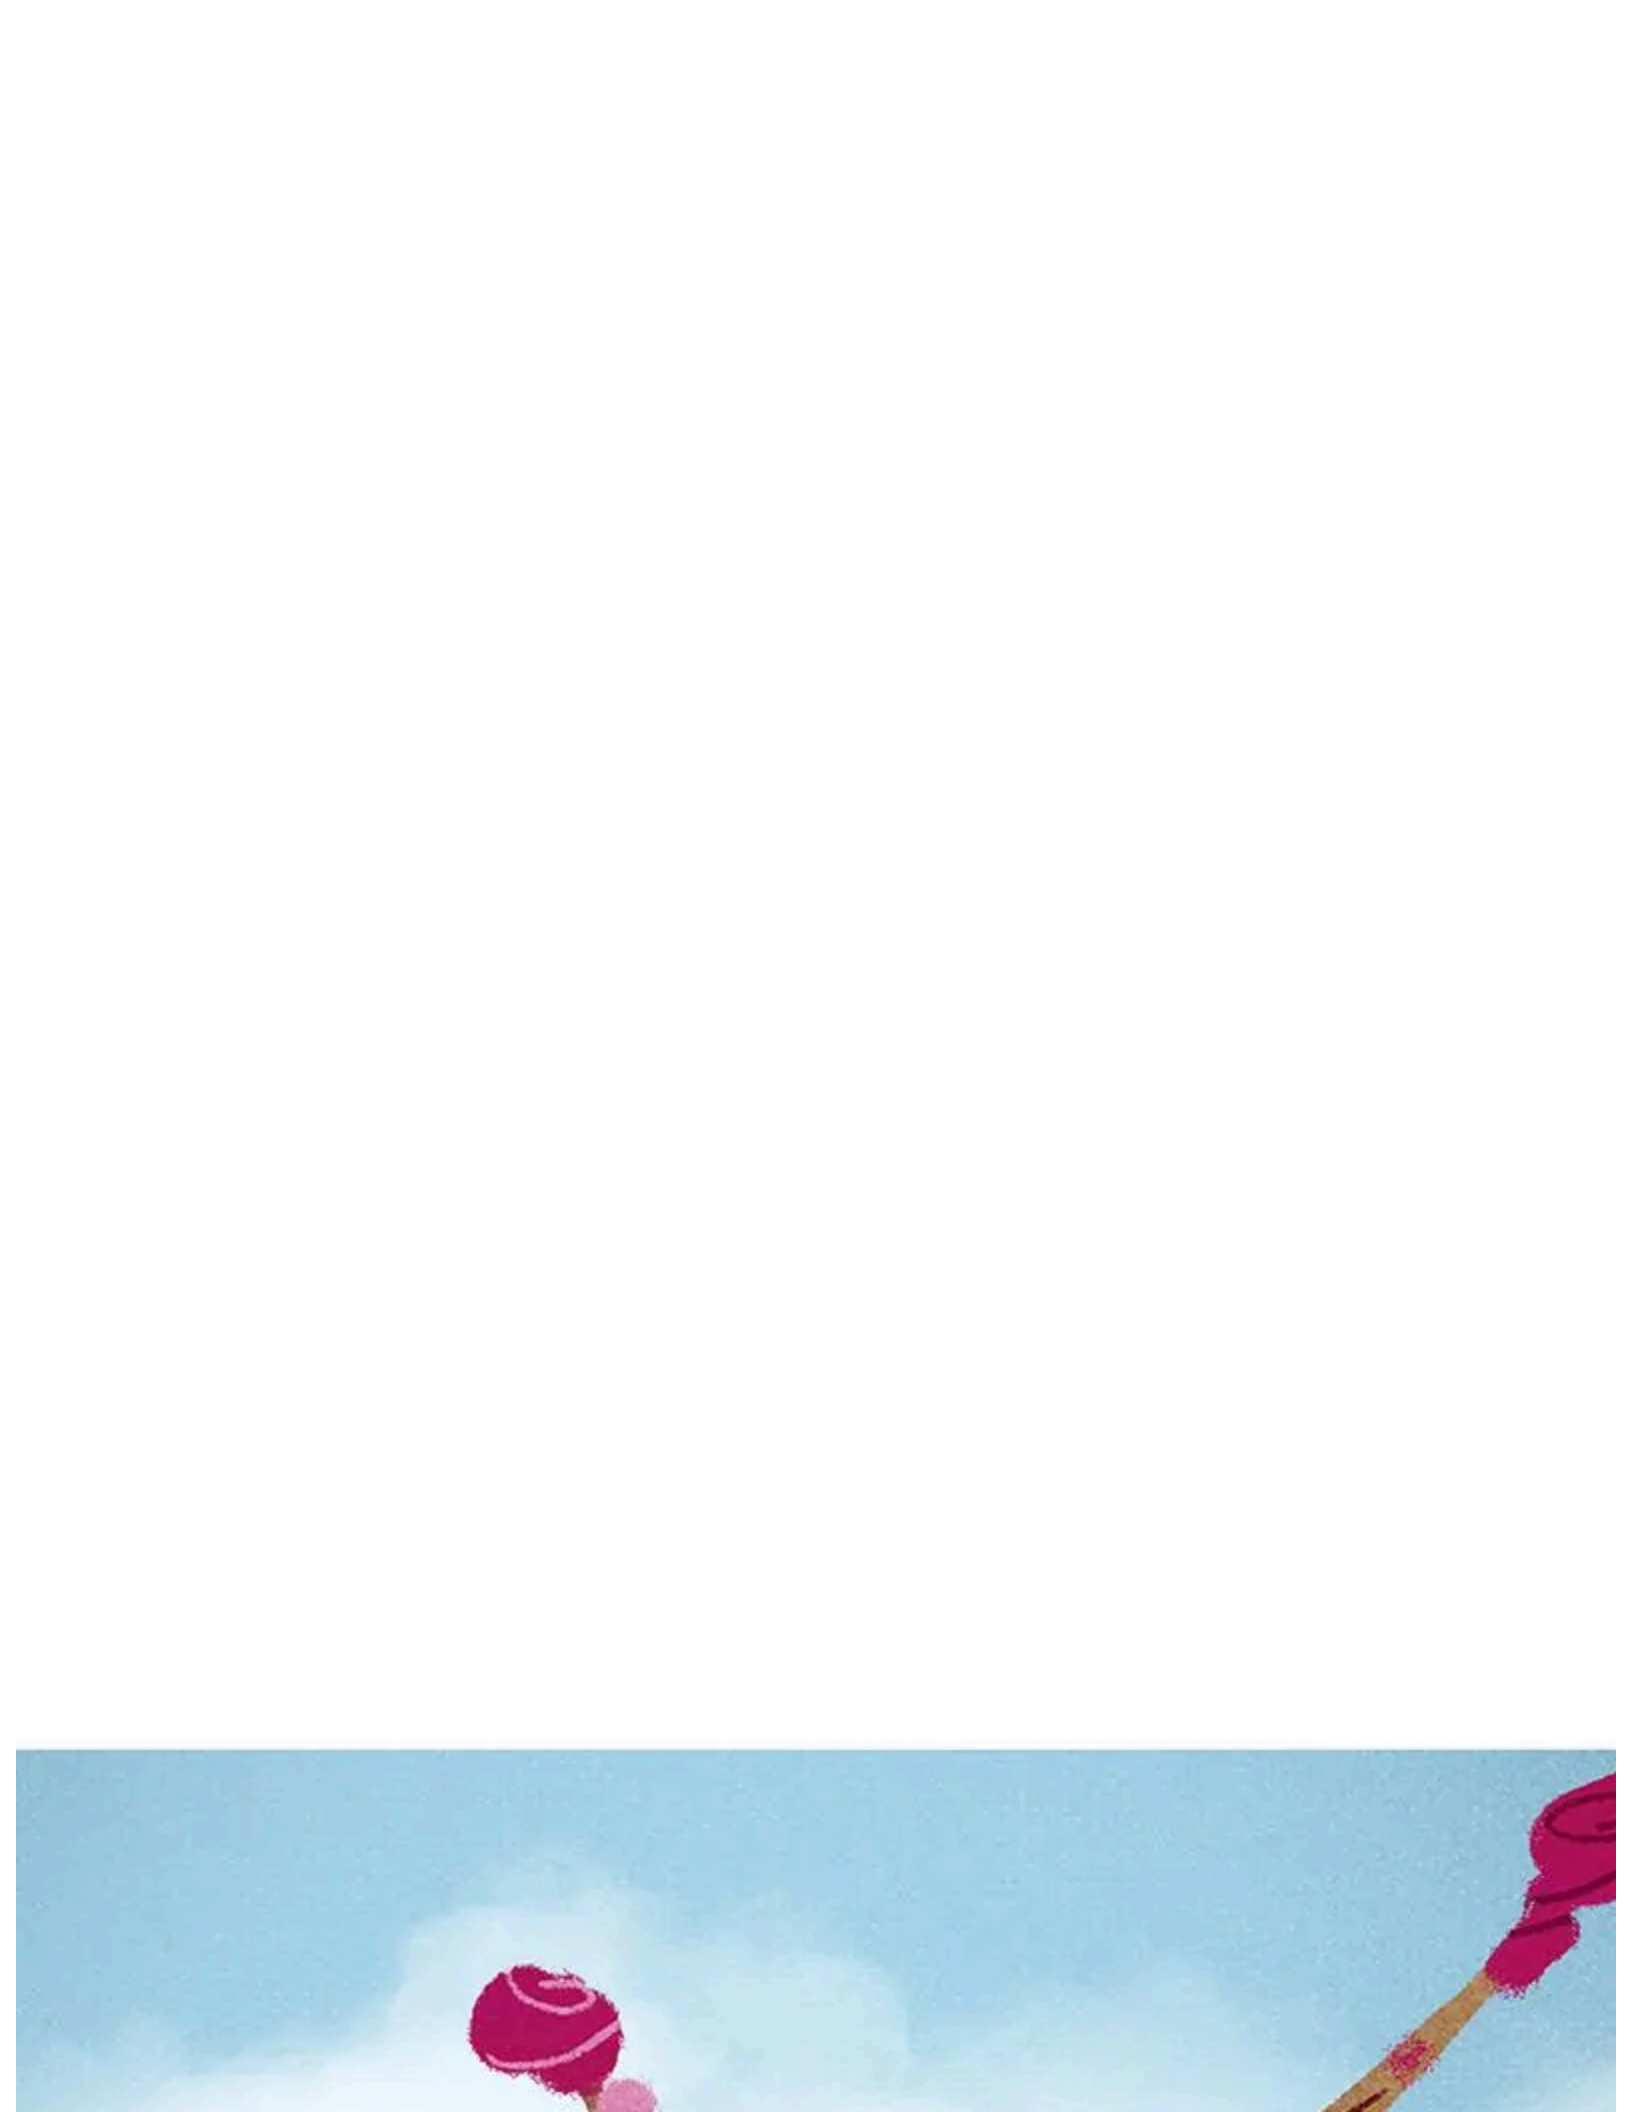

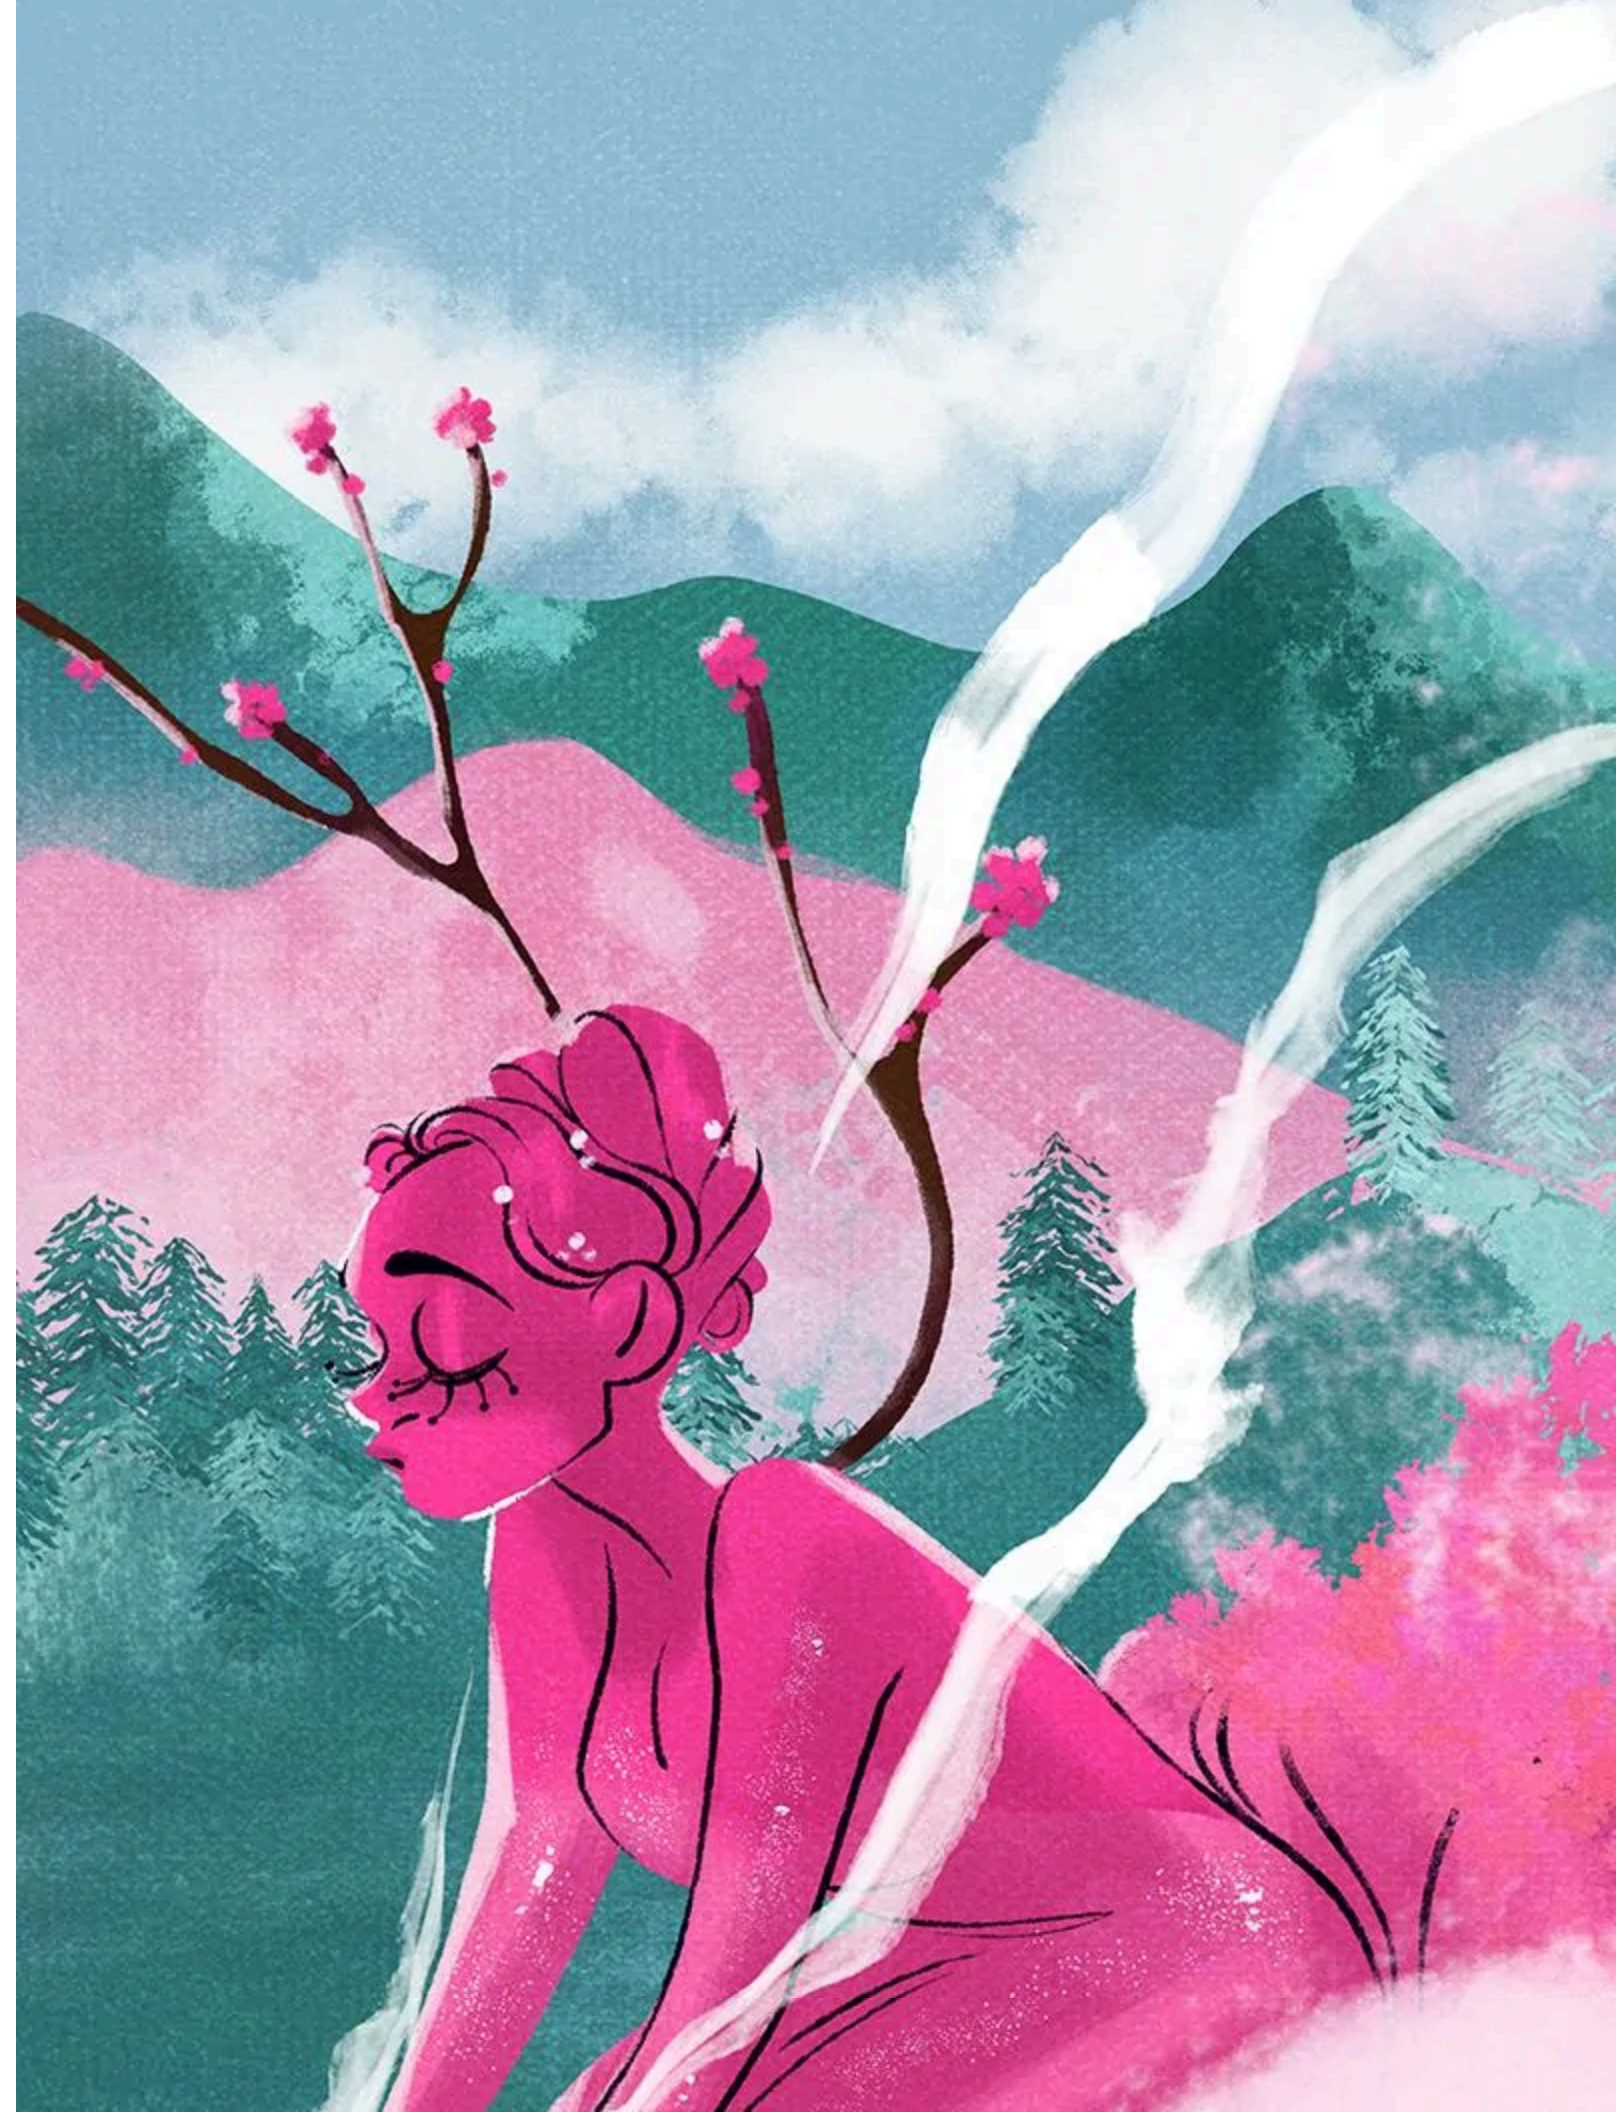

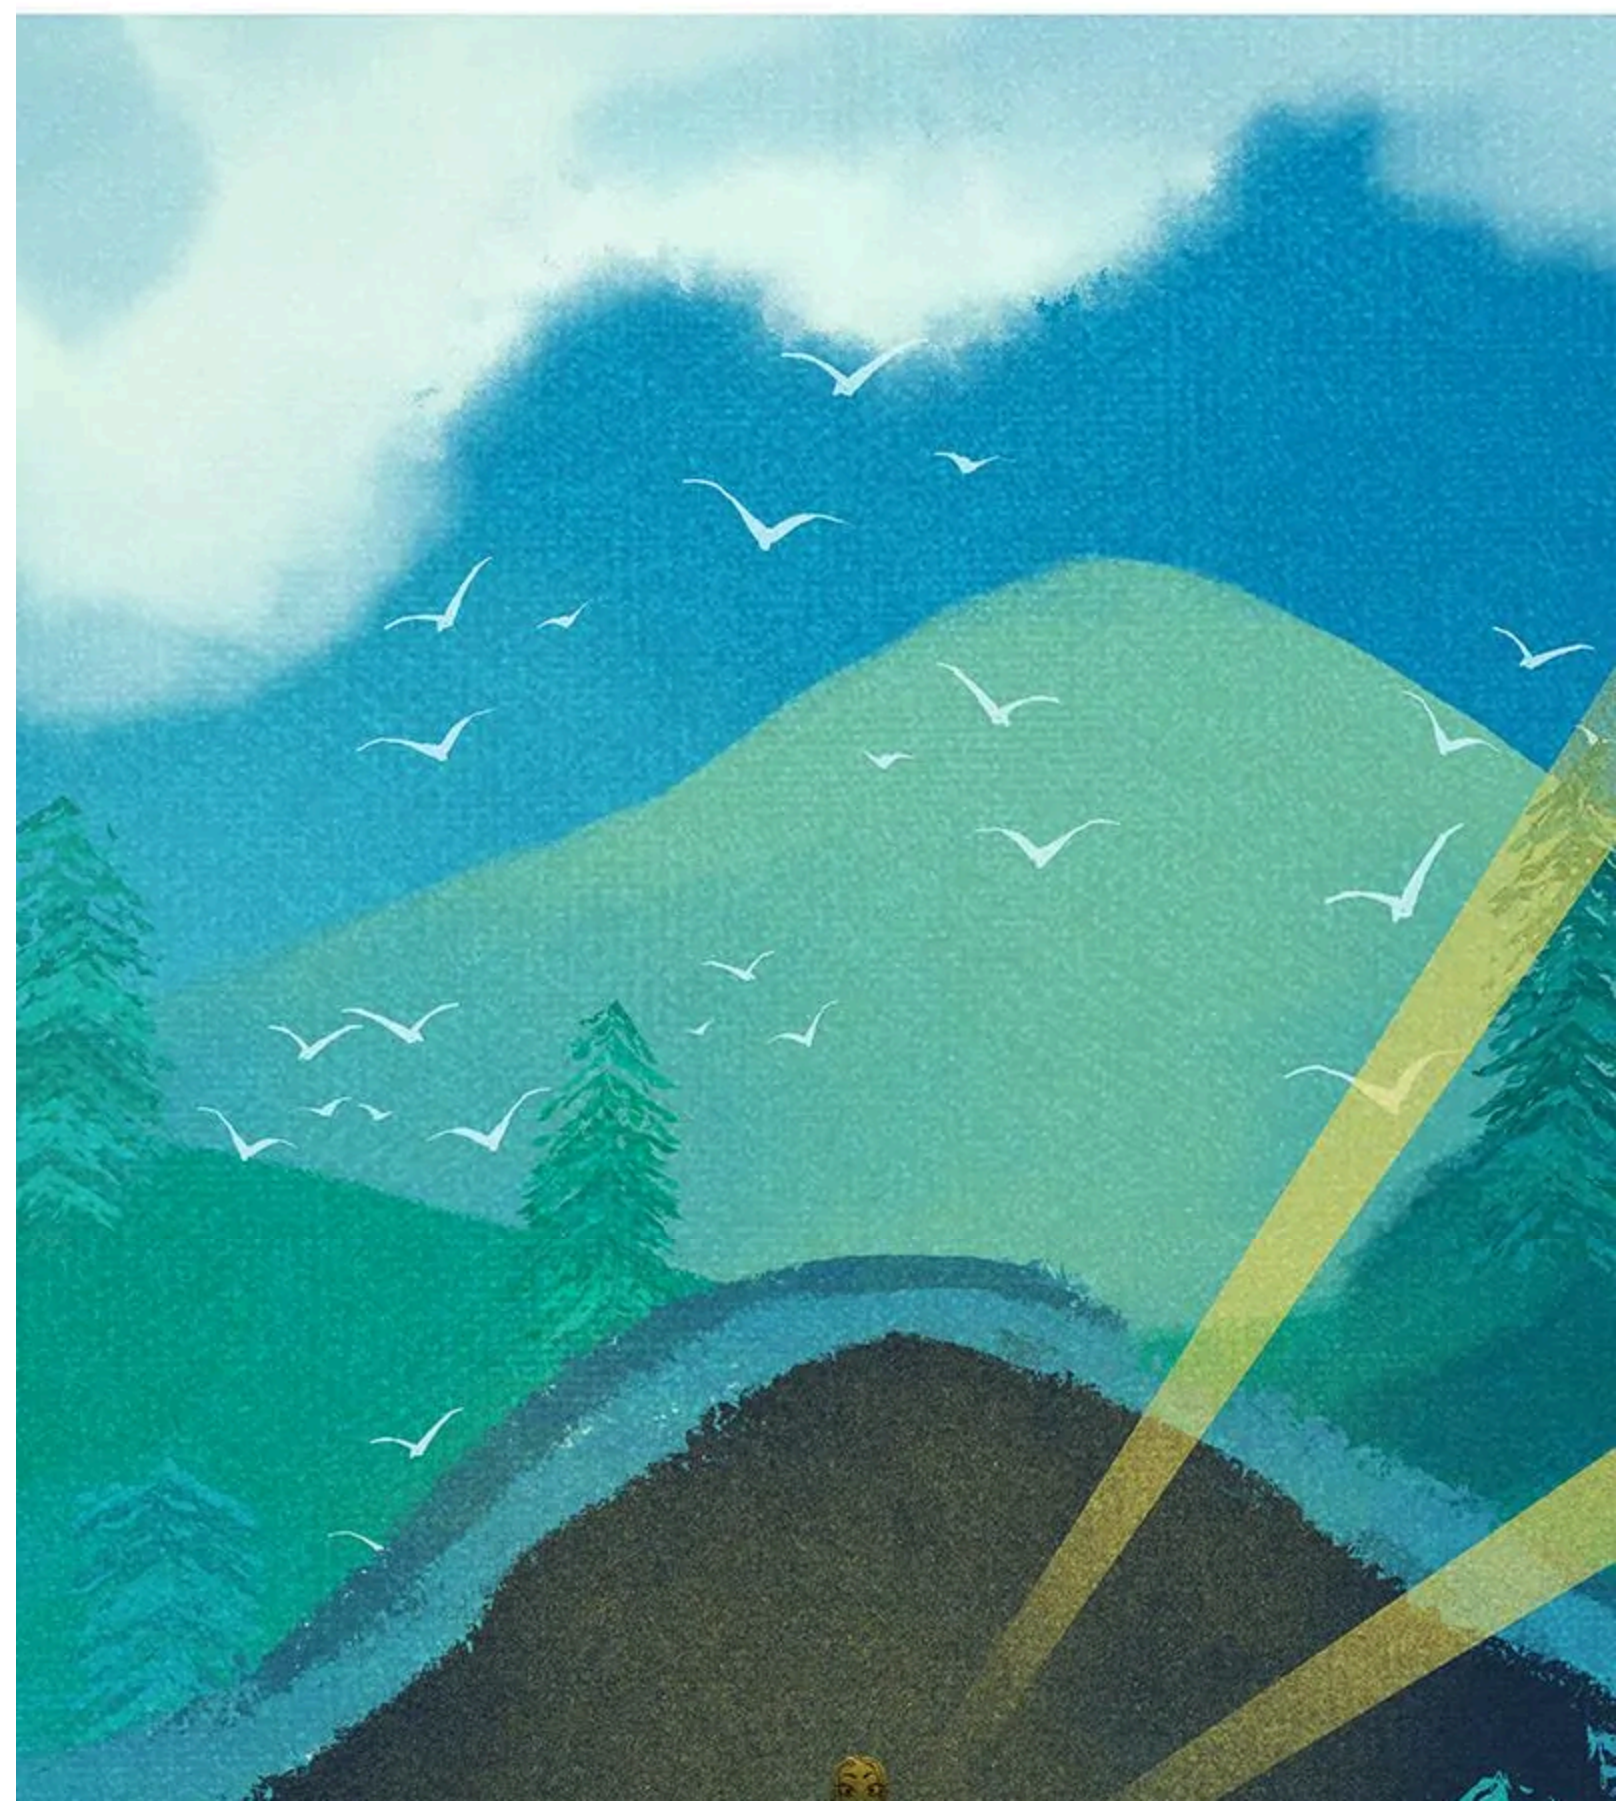

Wow, looks like the others  
have been busy while we  
were in Tartarus.

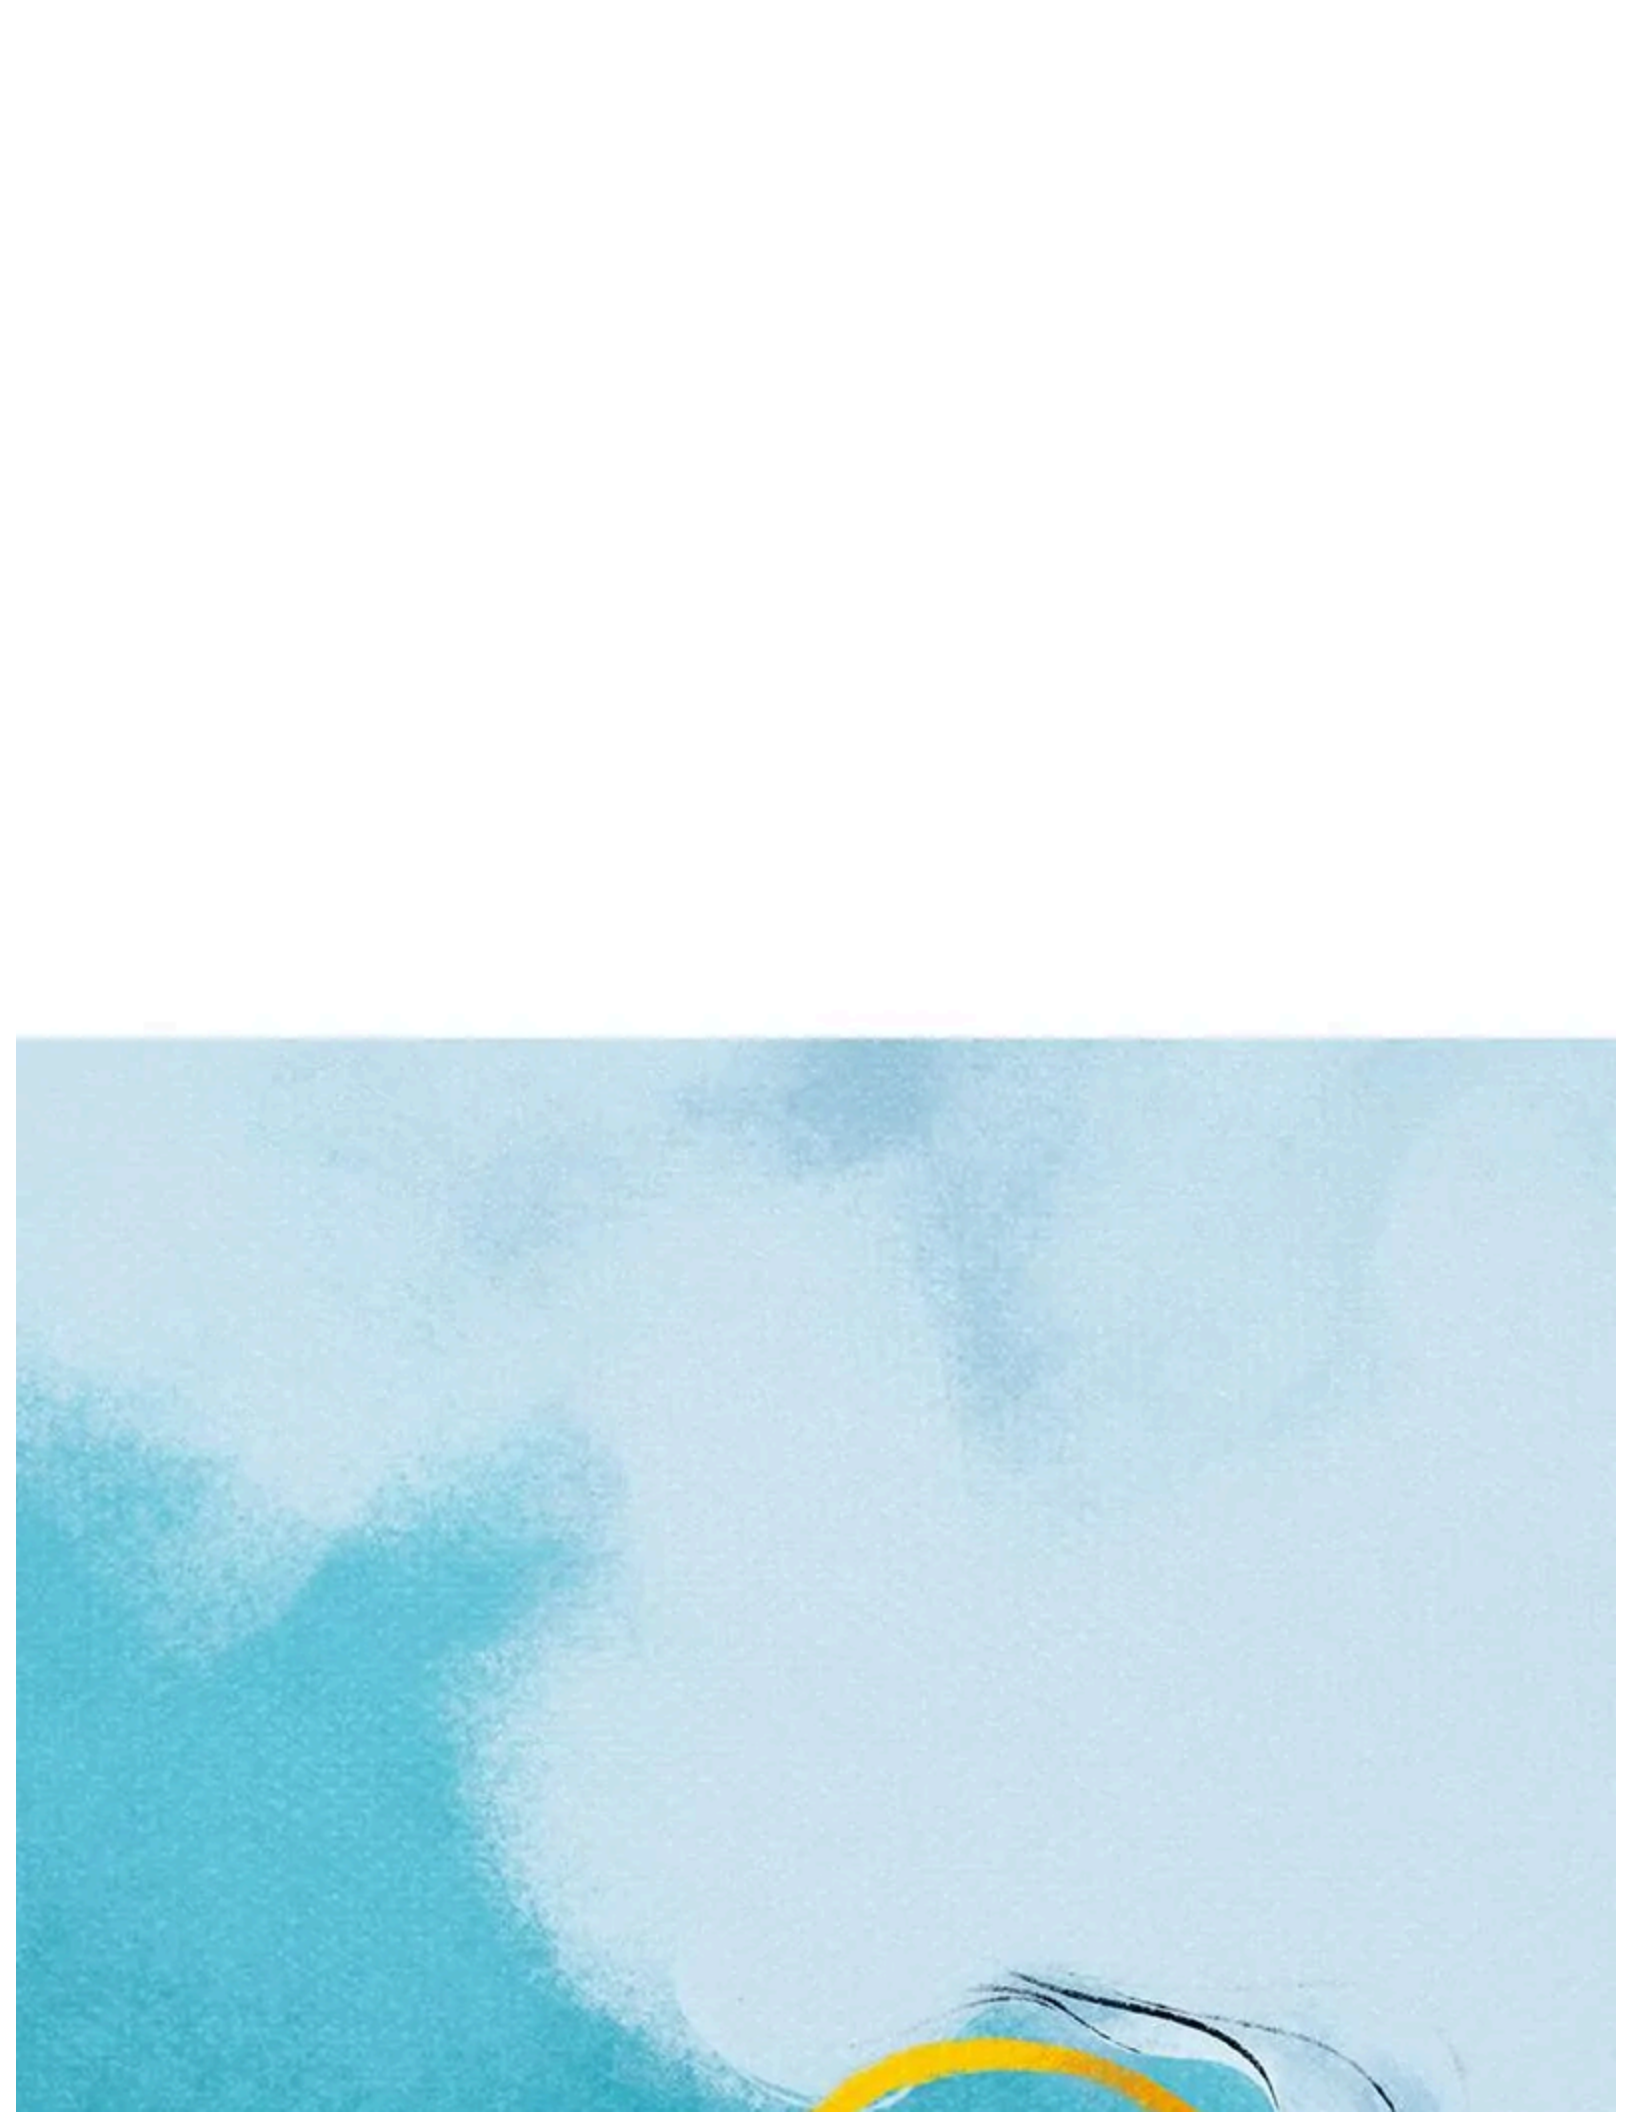

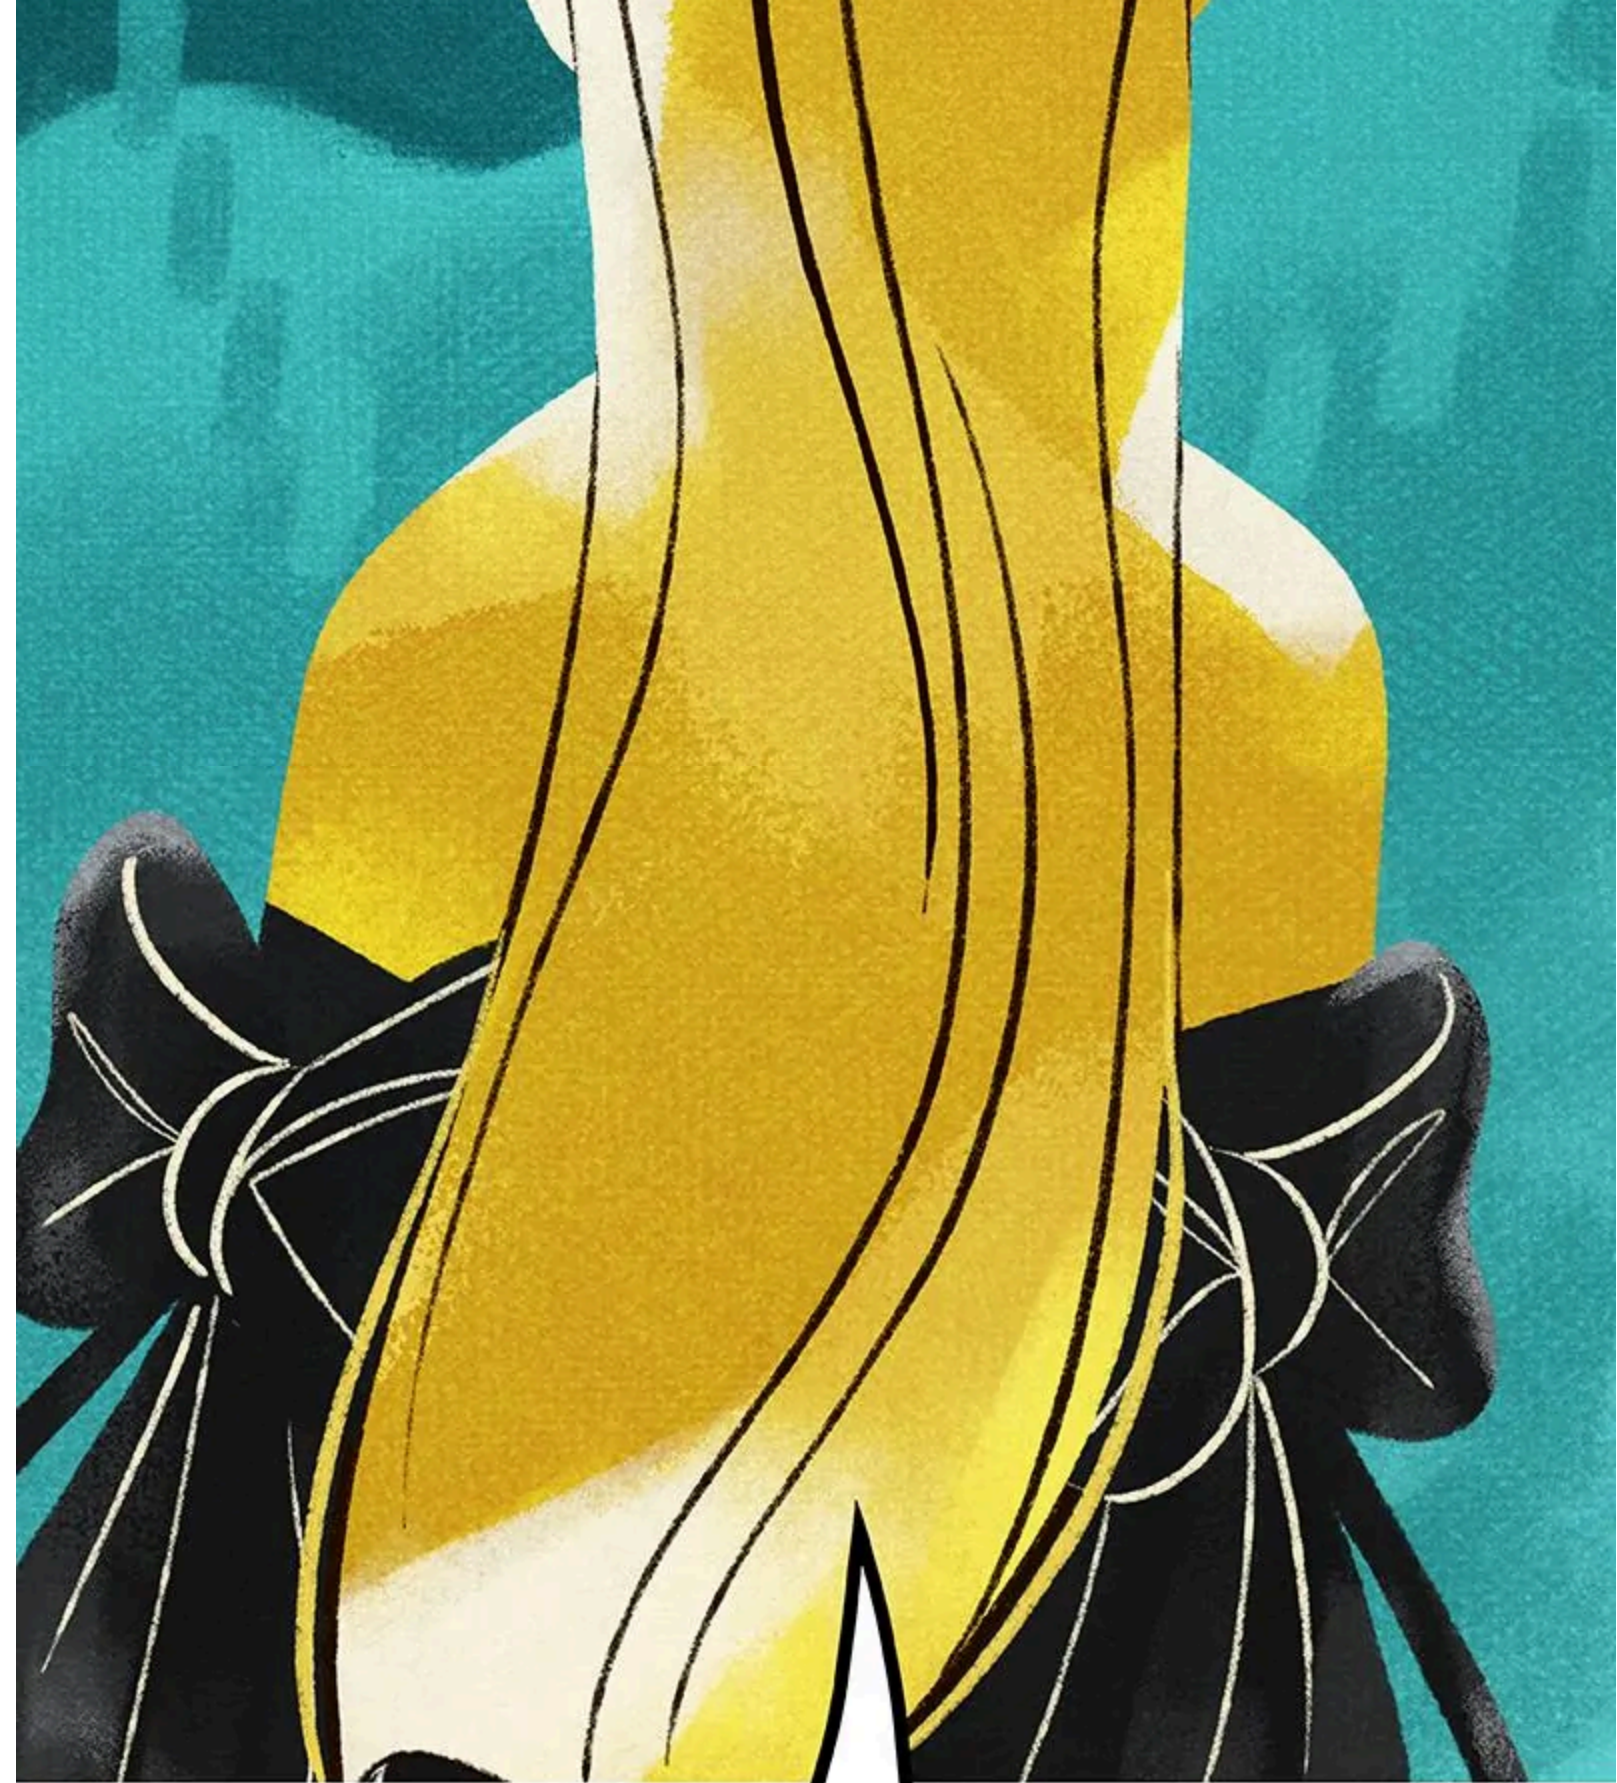

I'm gone all of two  
seconds and Helios is in a  
greasy fistfight with who I can  
only assume is Ouranos.

Ah, there's the woman

of the hour!

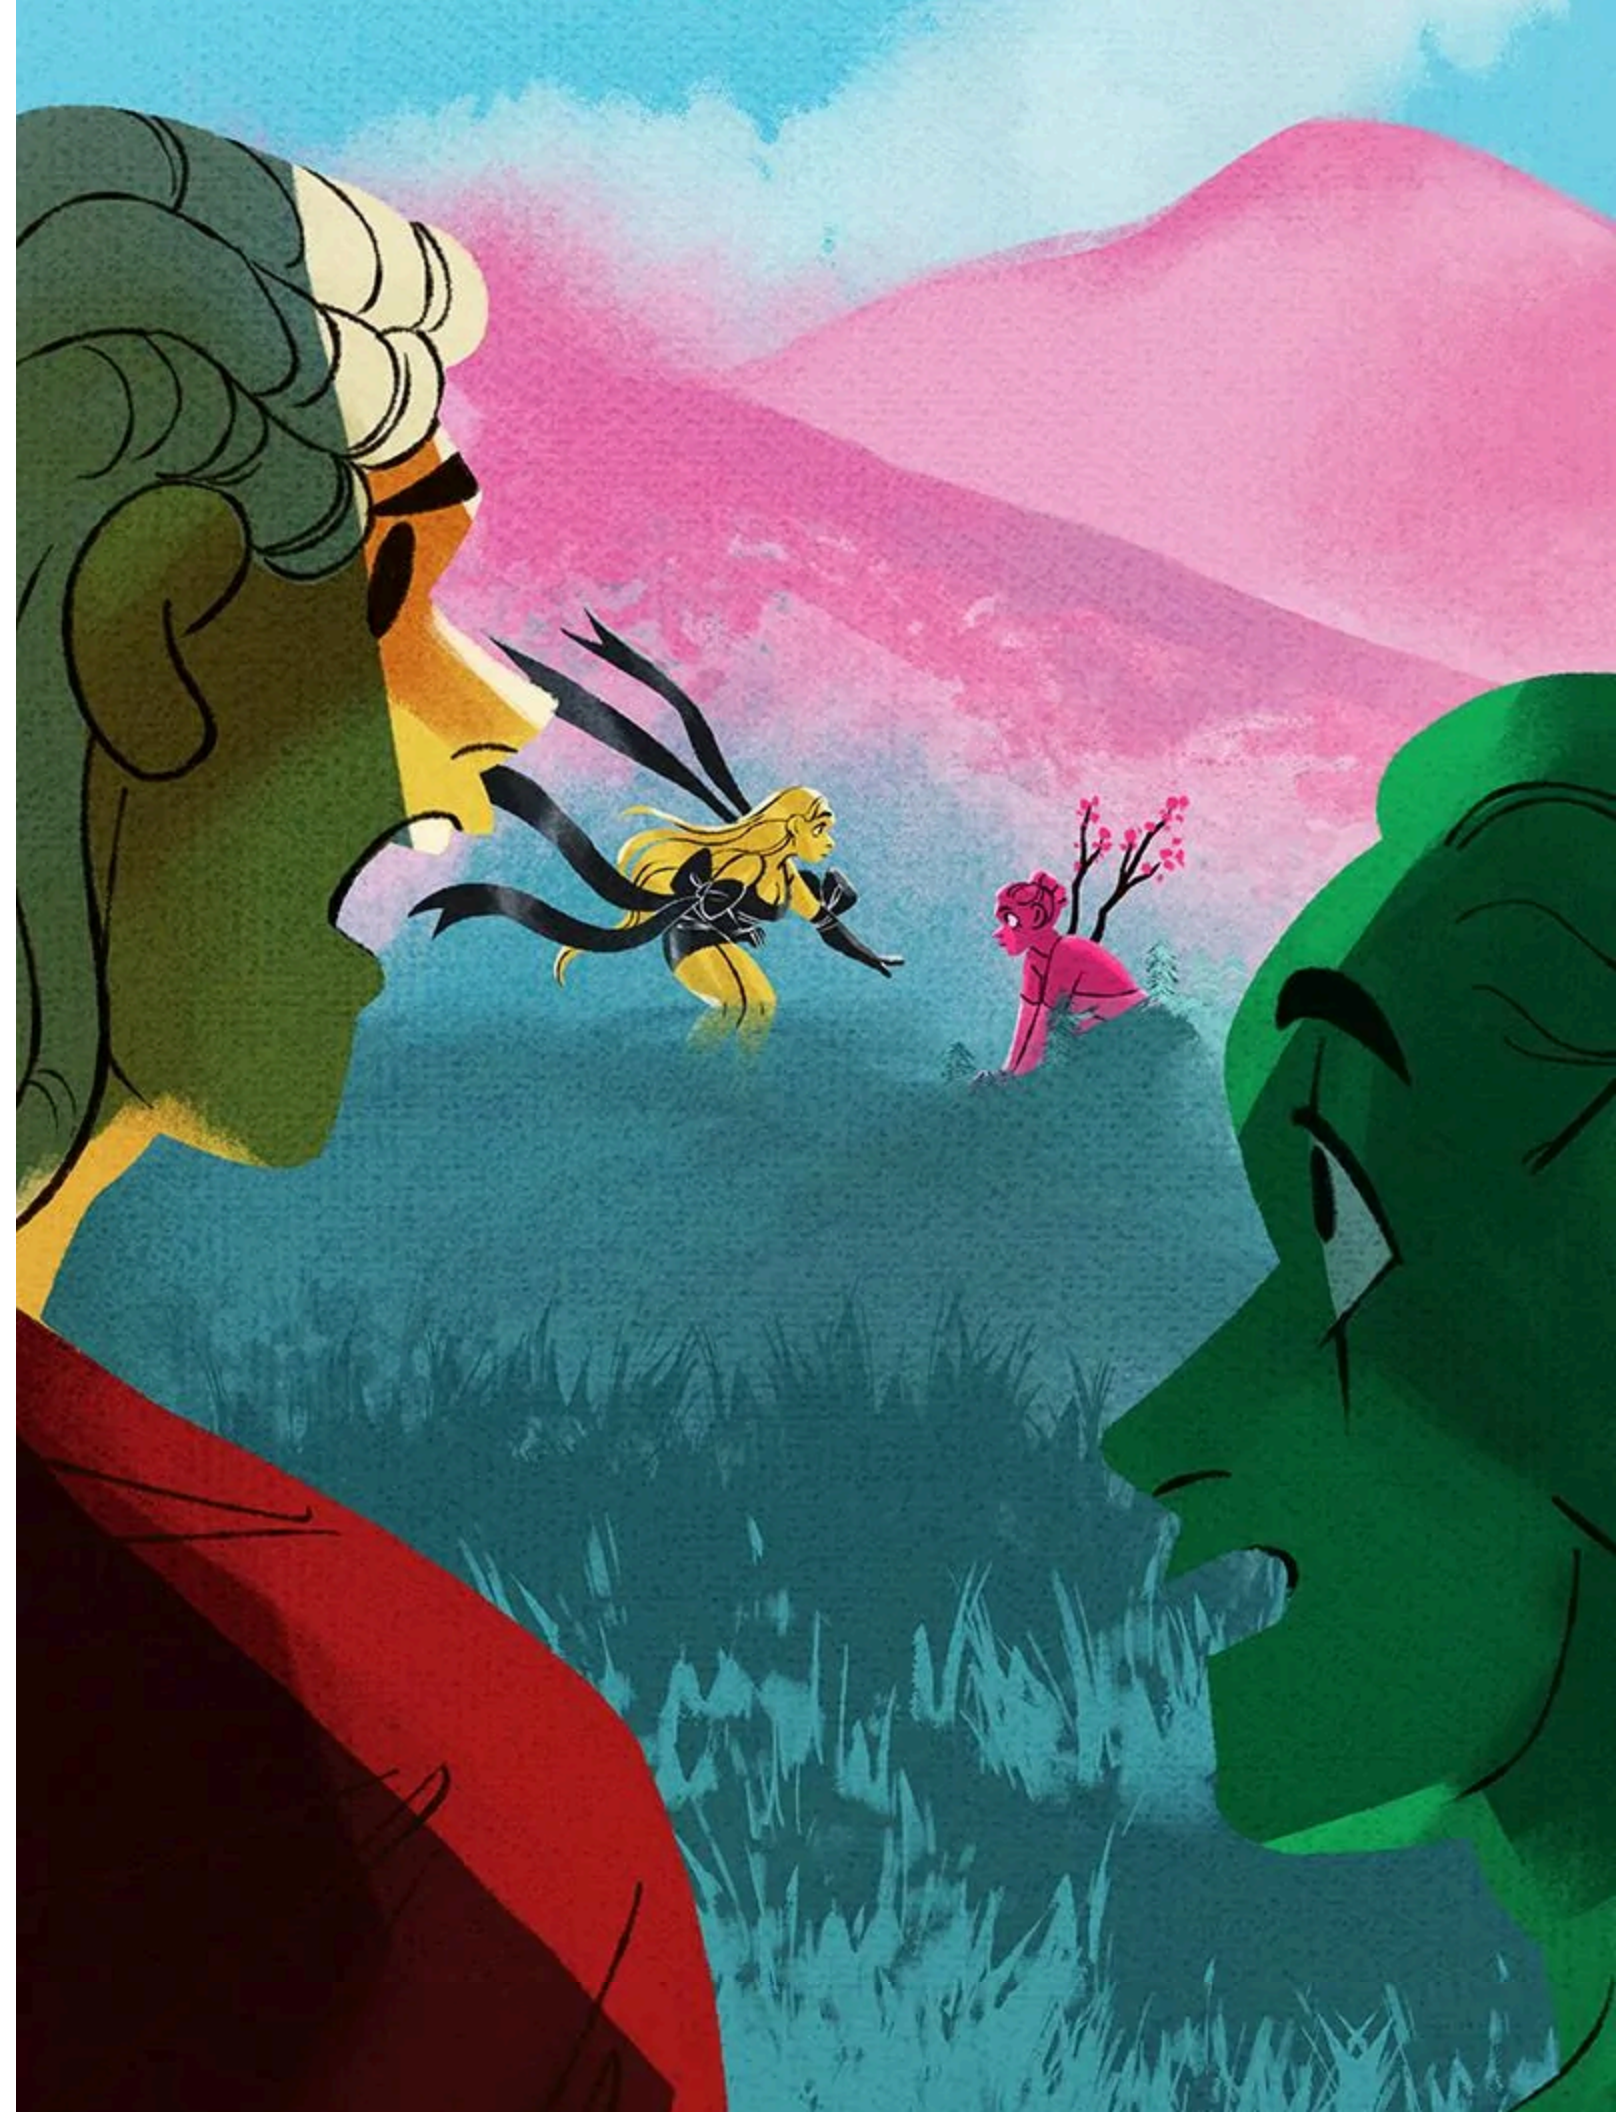

Is that—

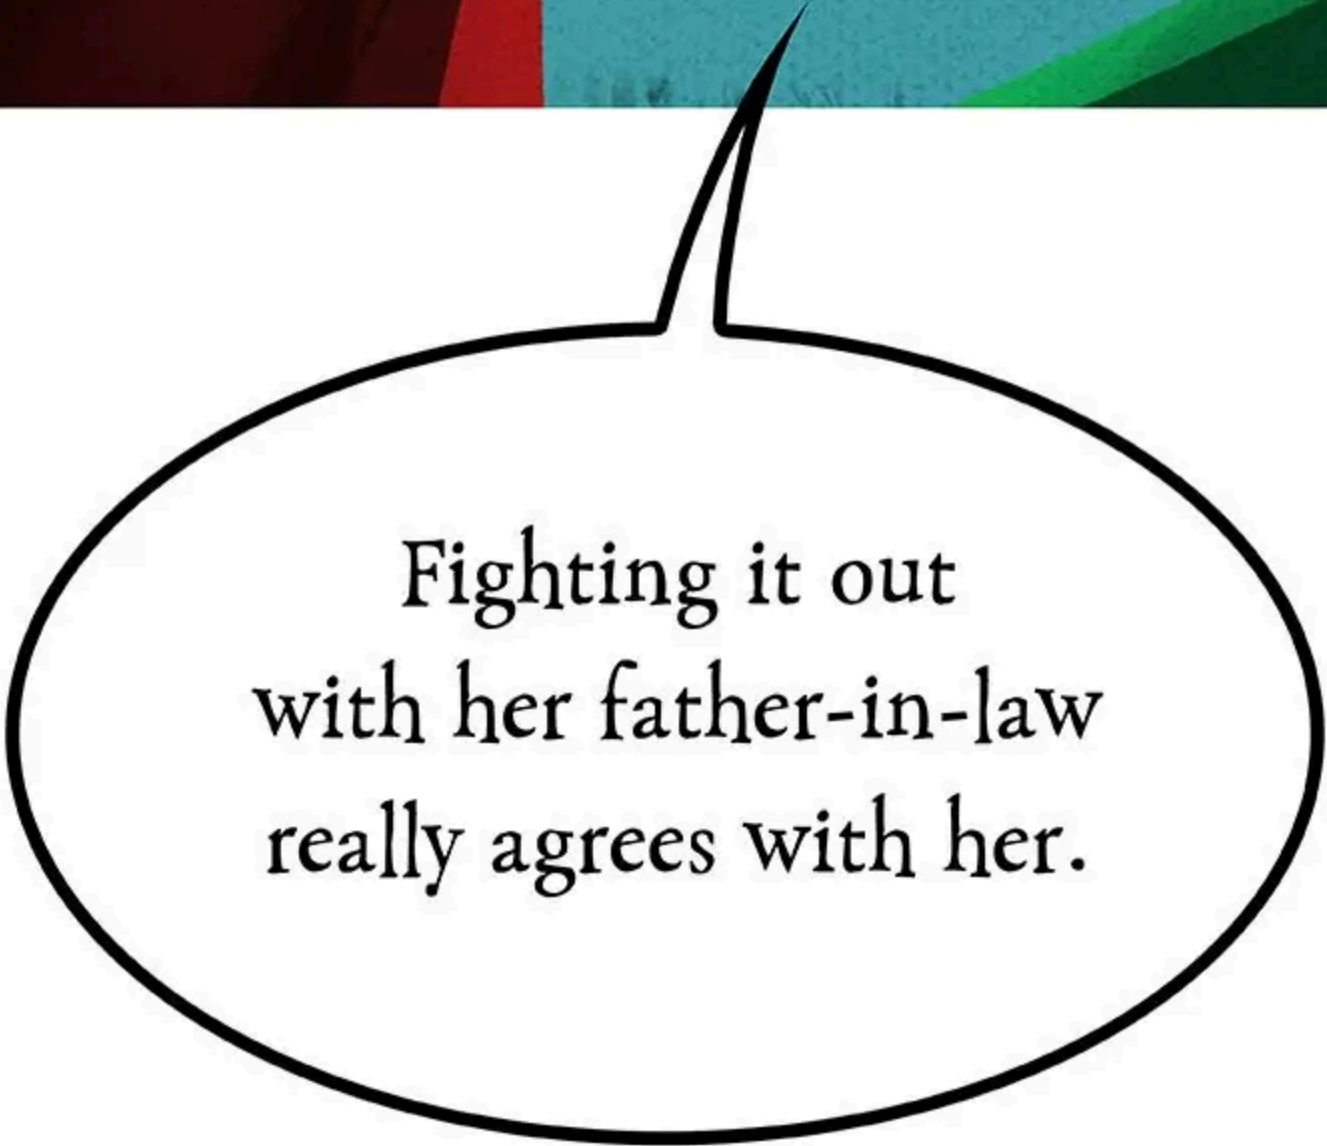

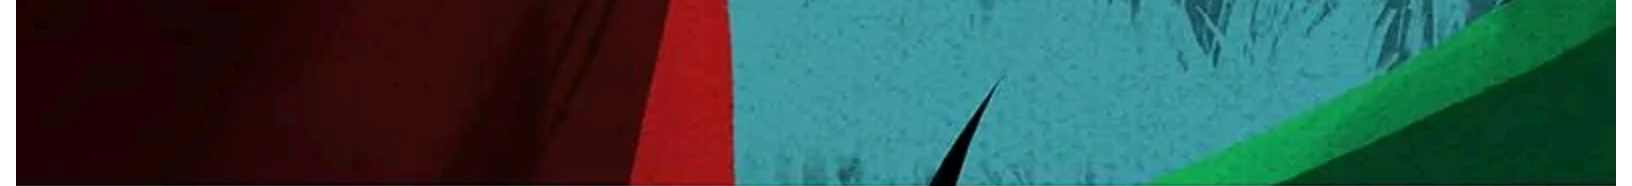

MOM!?

Fighting it out  
with her father-in-law  
really agrees with her.

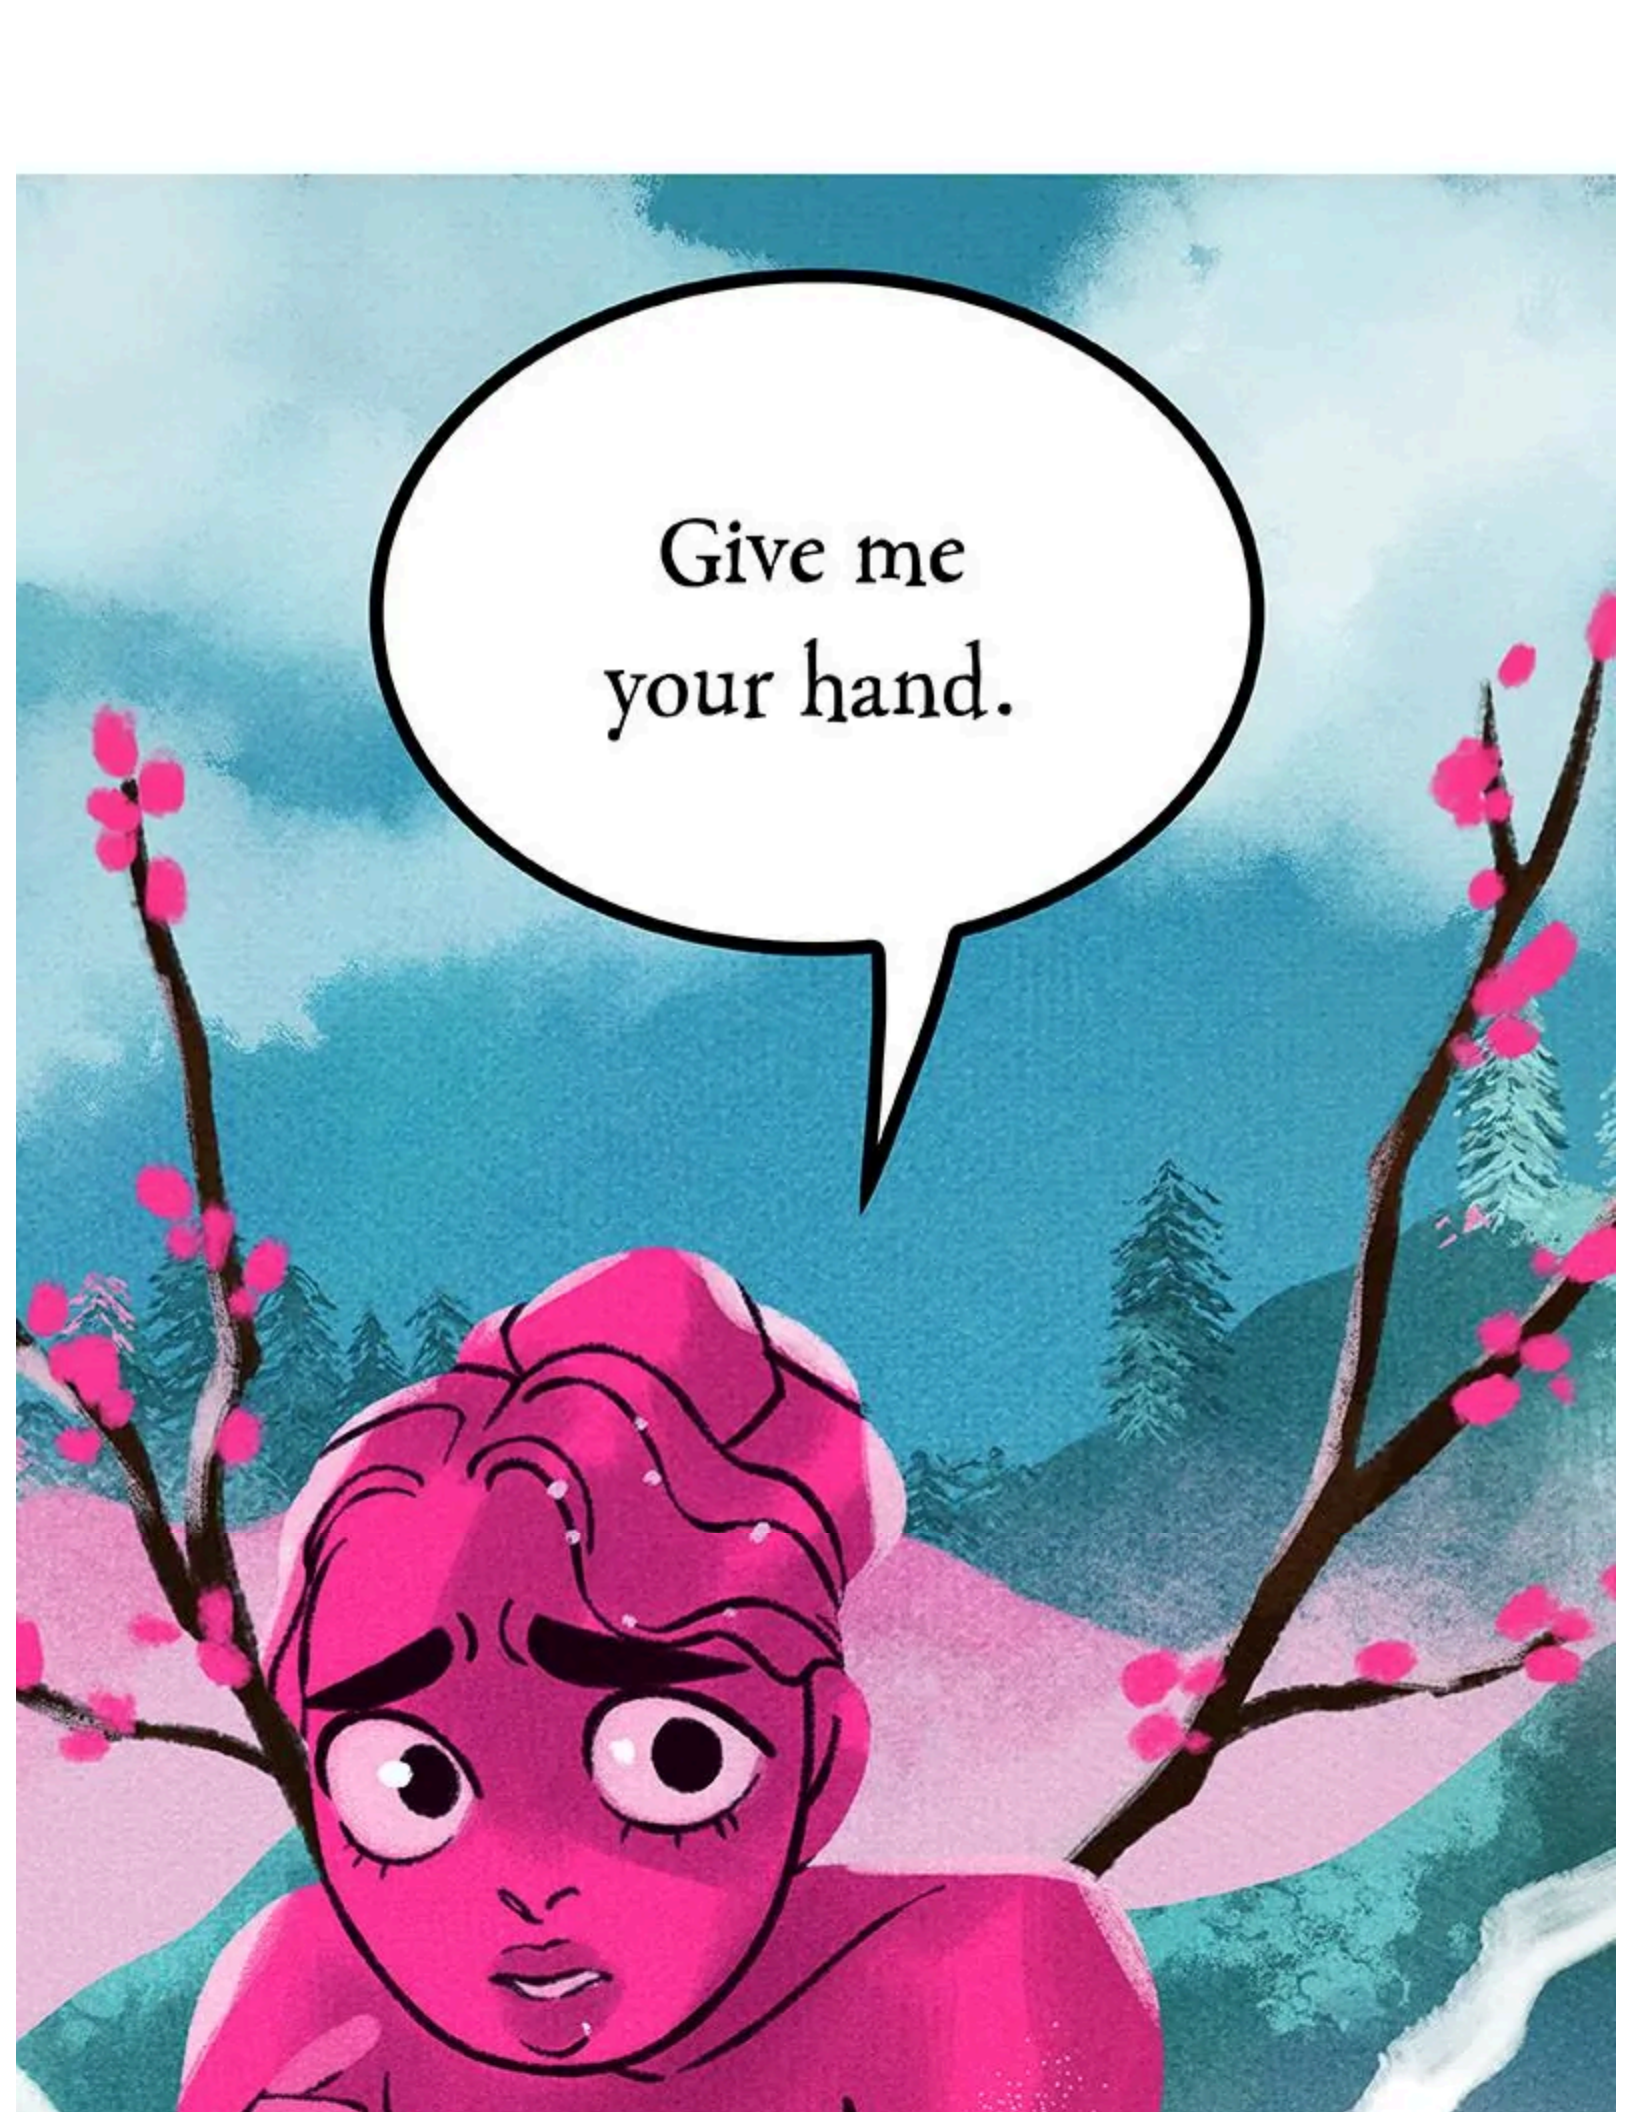

Hey, how's it going?  
You've been productive.

Give me  
your hand.

I need to show  
you something.

I can heal the  
Mortal Realm.

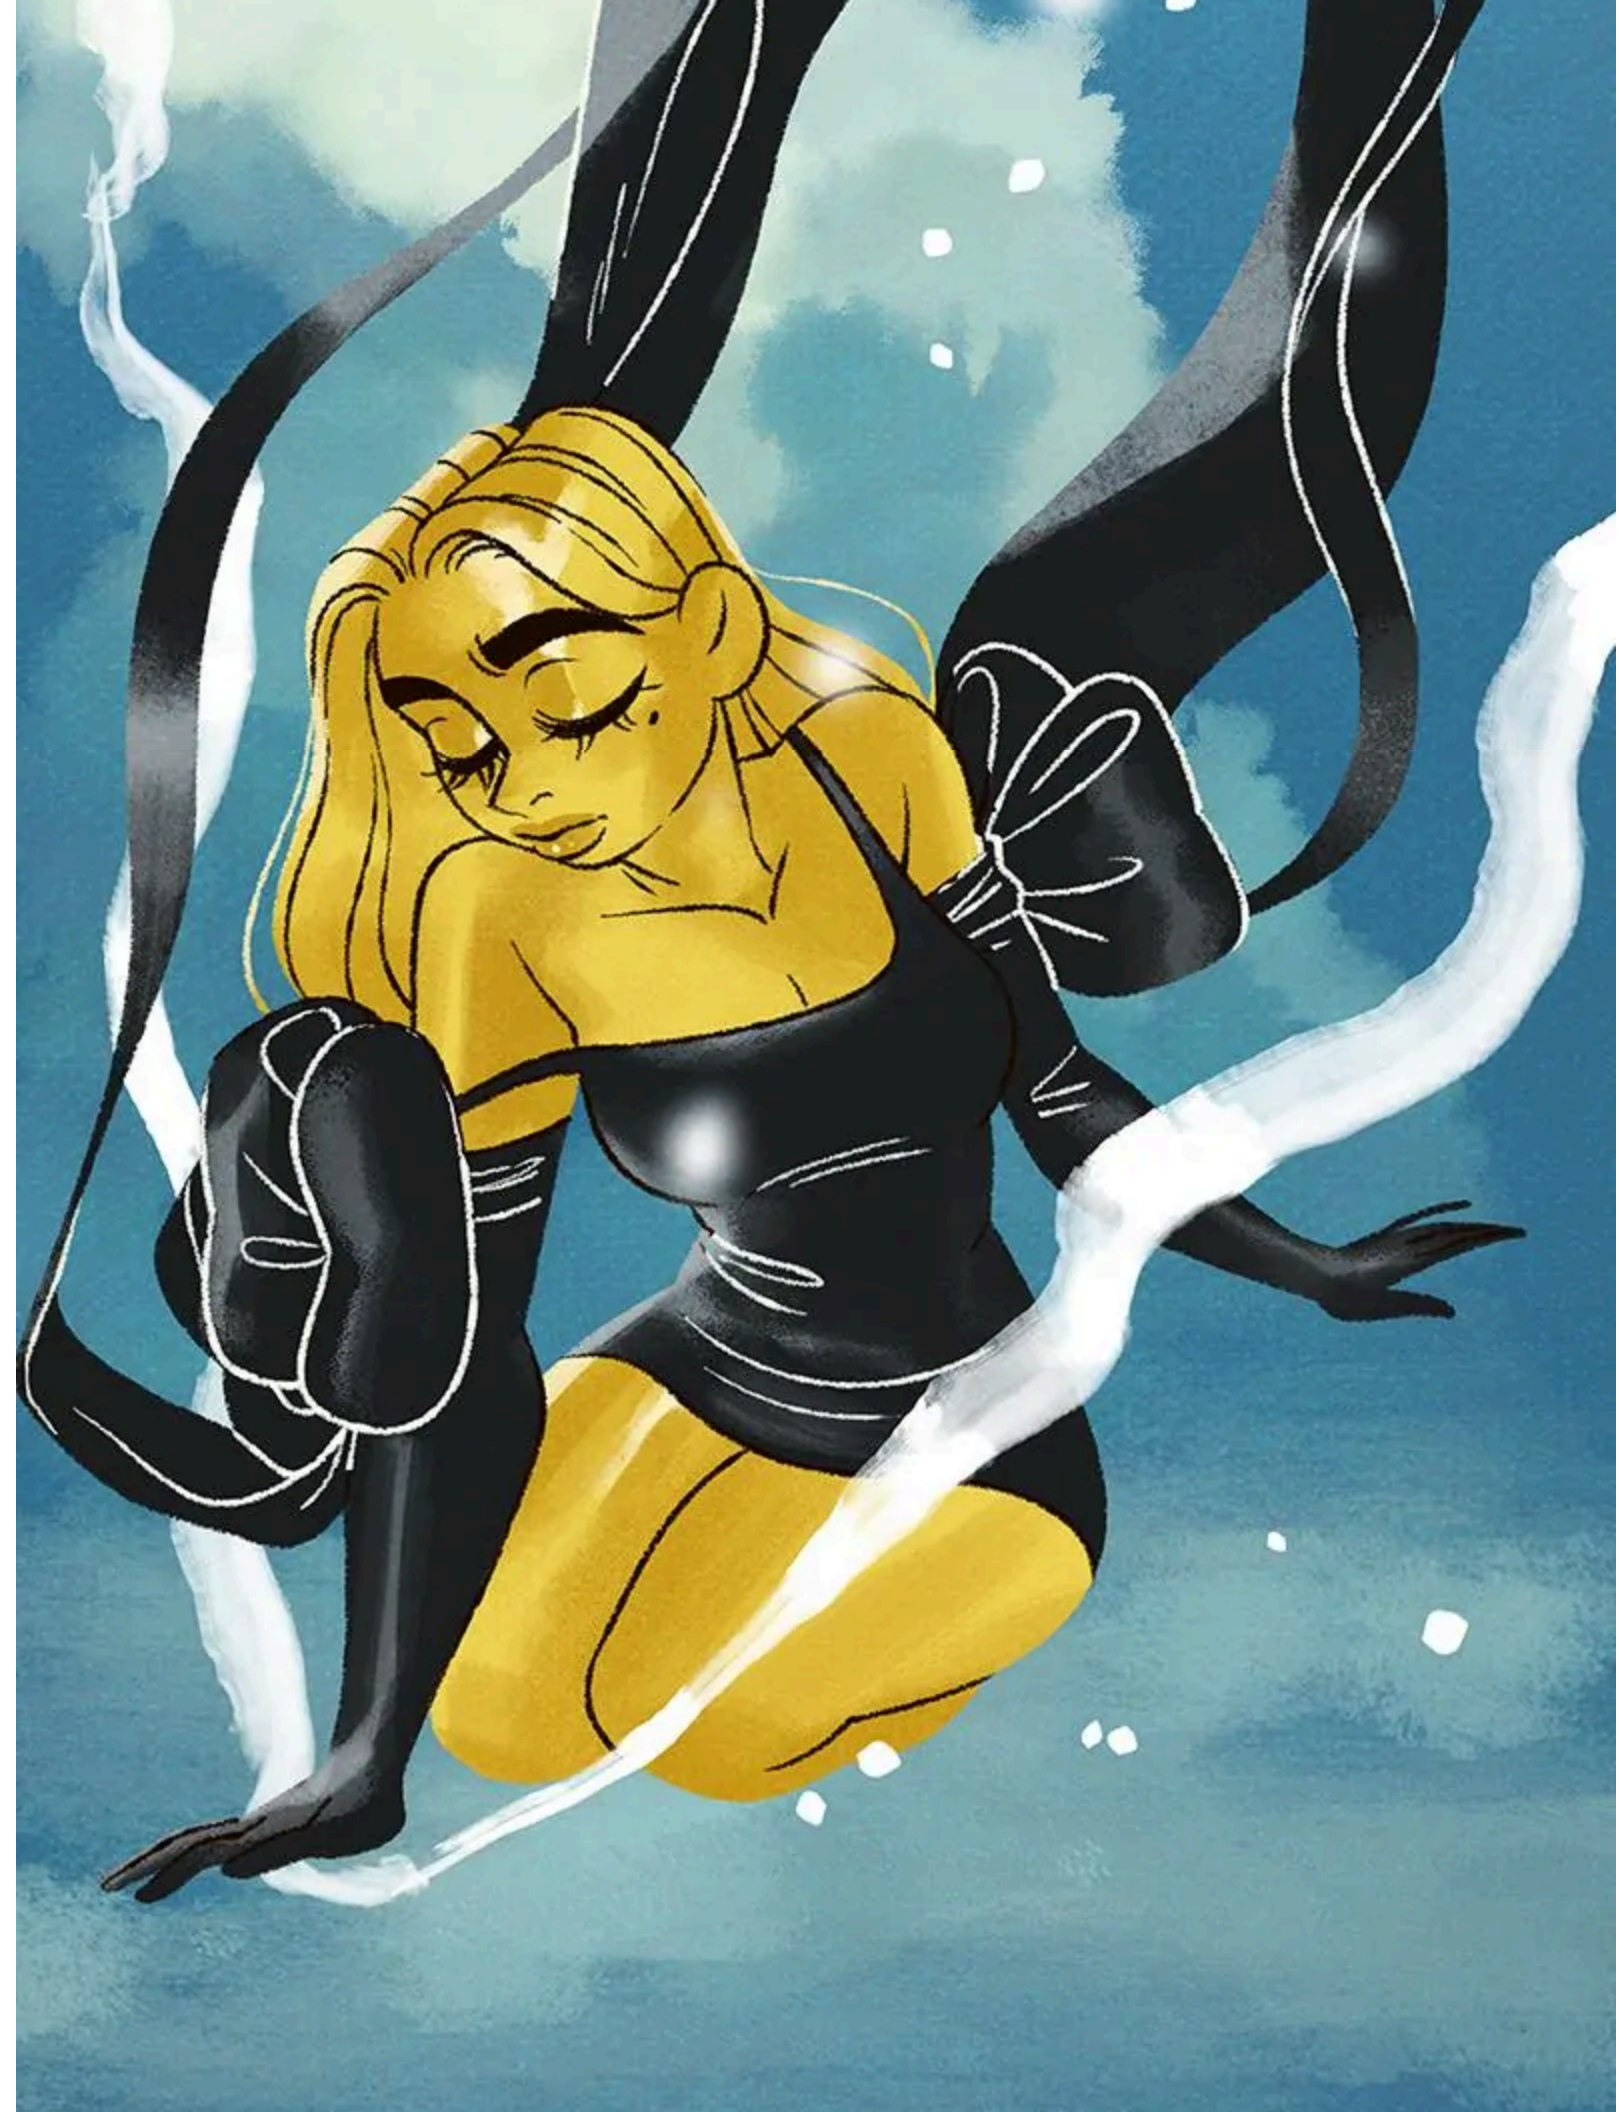

A stylized illustration of a hand reaching upwards against a blue sky with soft, yellowish-green clouds. The hand is dark and appears to be reaching from the bottom right corner. A white speech bubble with a black outline is positioned in the center-left, containing the text "But do you feel her?".

But do you  
feel her?

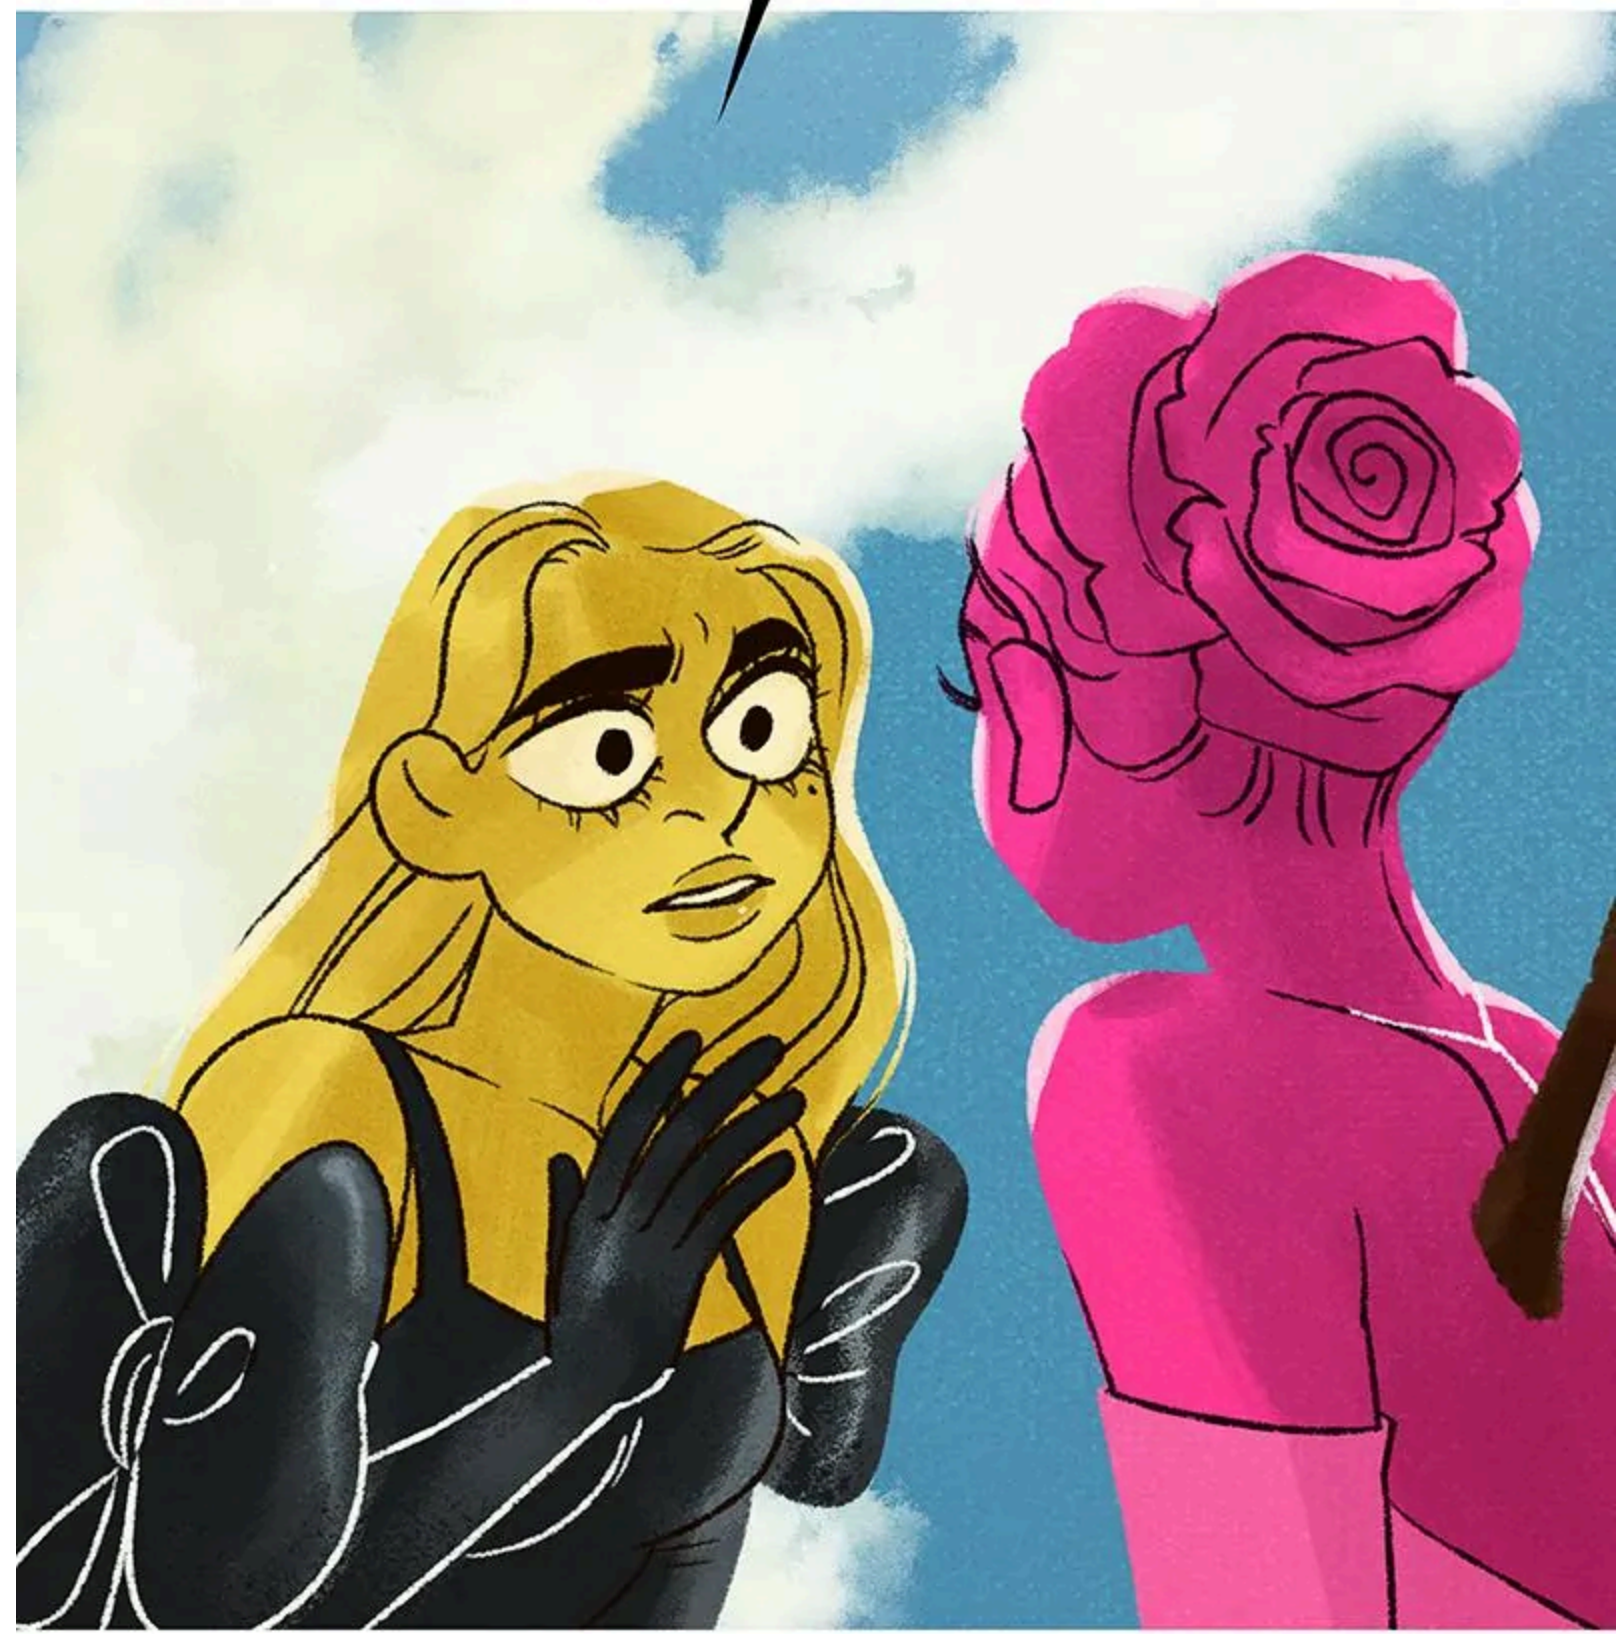

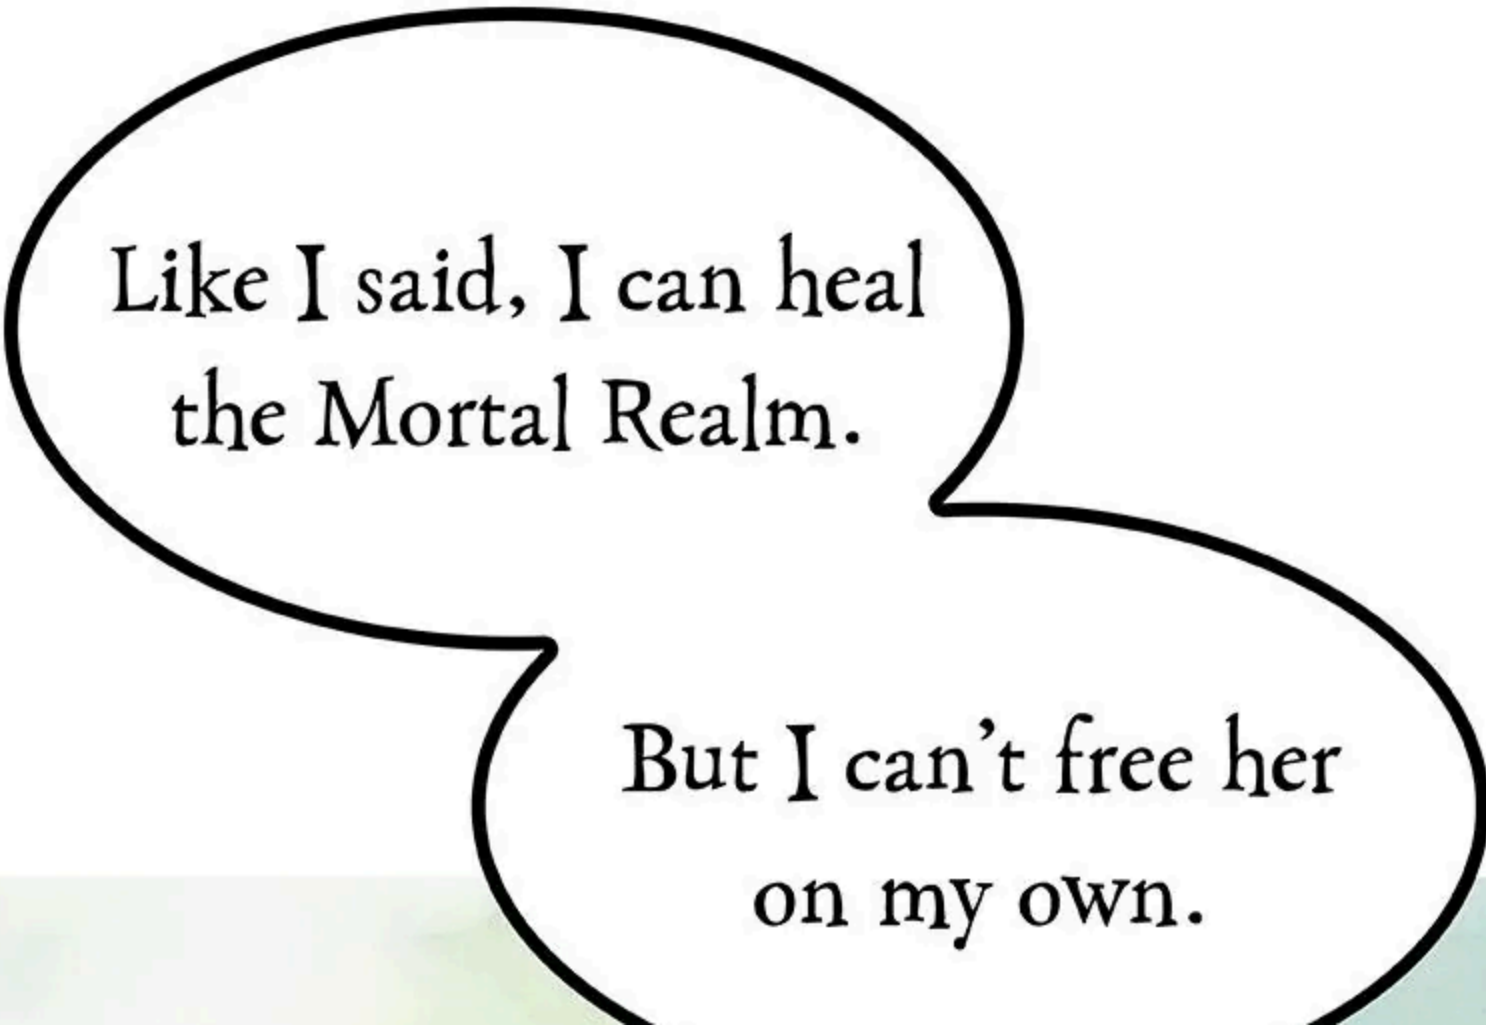

It can't be!?

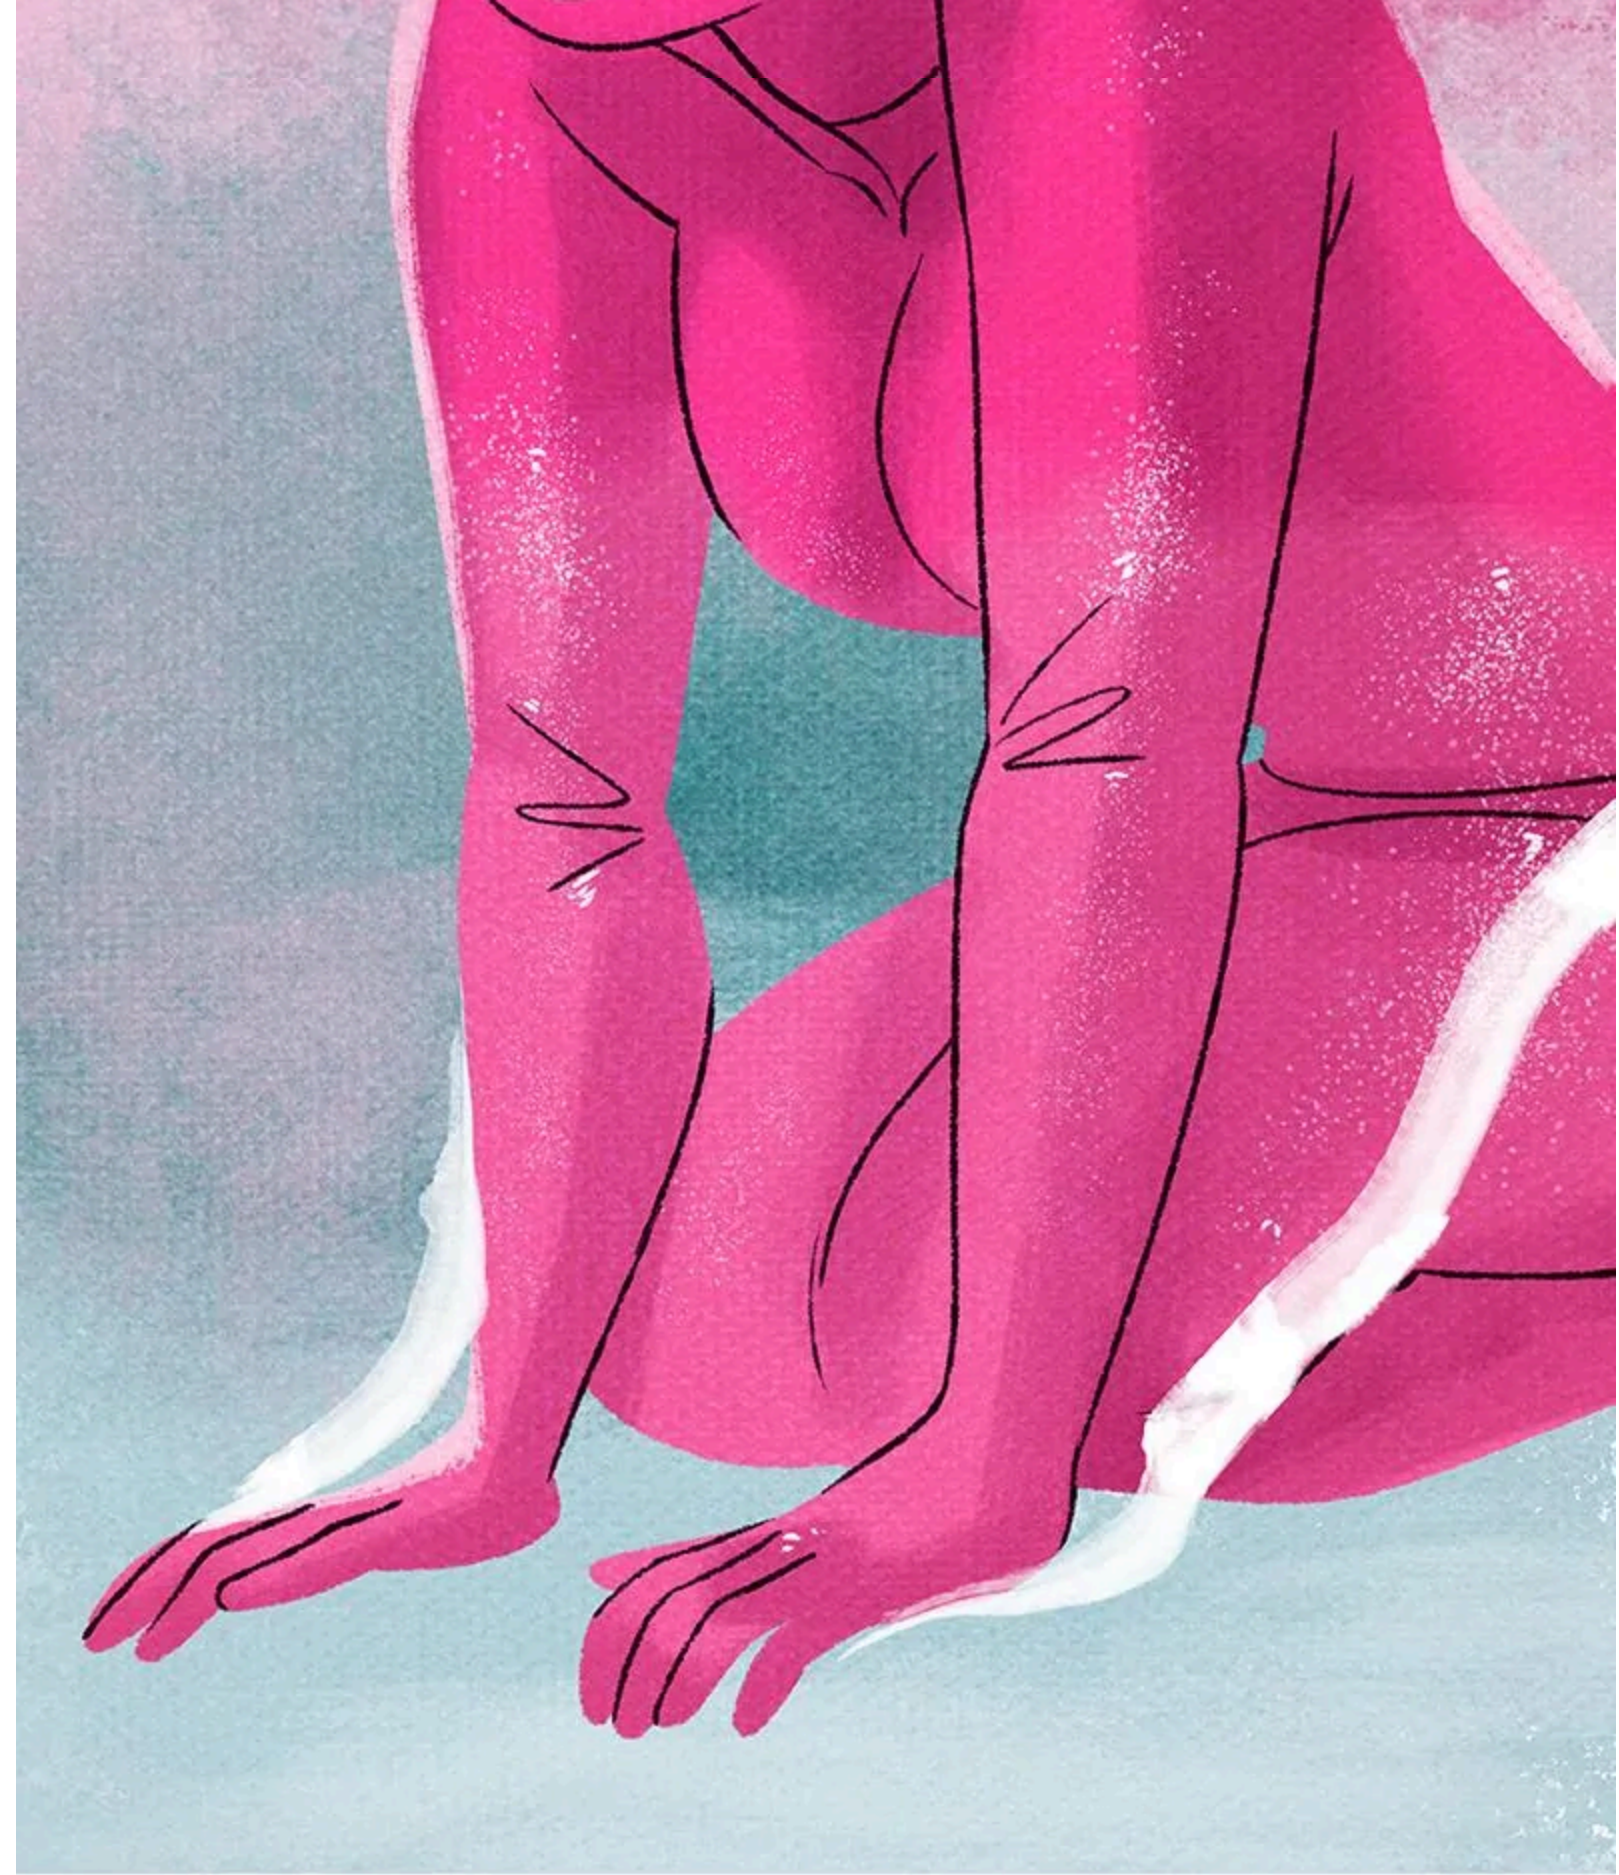

Two black-outlined speech bubbles are positioned on a white background. The first bubble is on the left and contains the text 'Like I said, I can heal the Mortal Realm.' The second bubble is on the right, slightly lower, and contains the text 'But I can't free her on my own.'

Like I said, I can heal  
the Mortal Realm.

But I can't free her  
on my own.

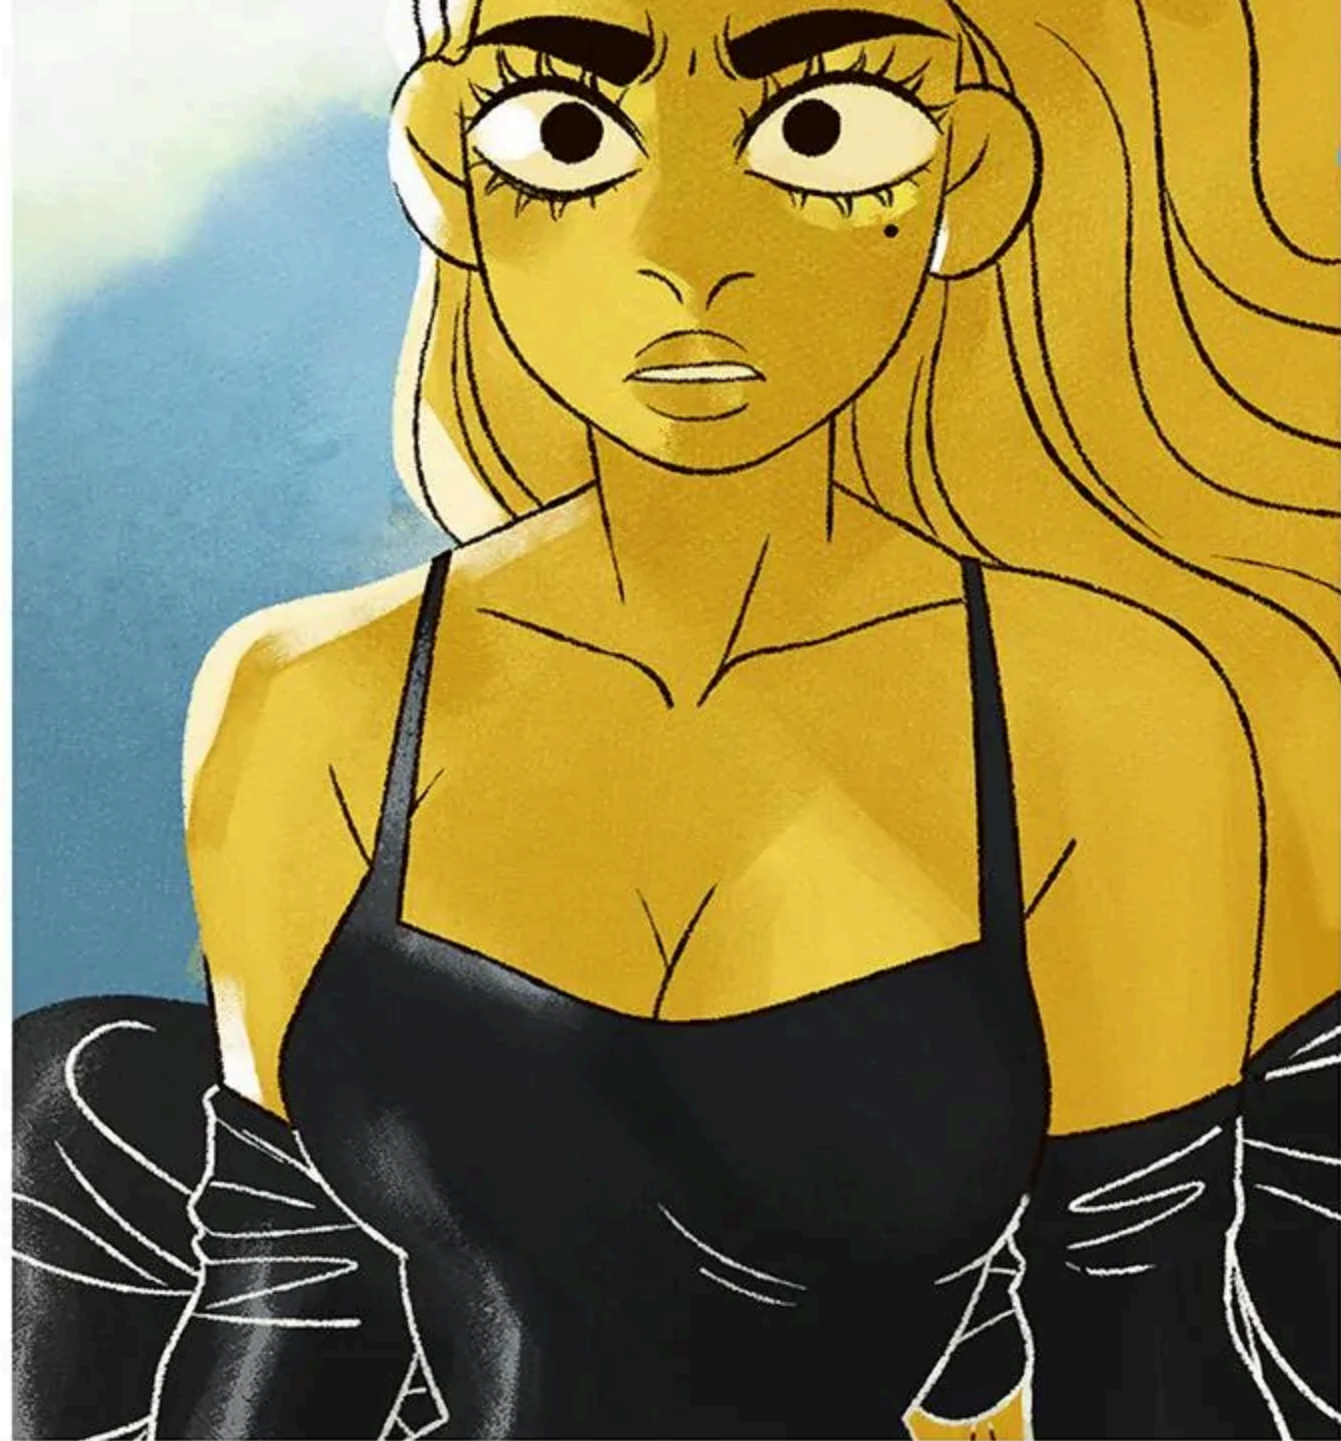

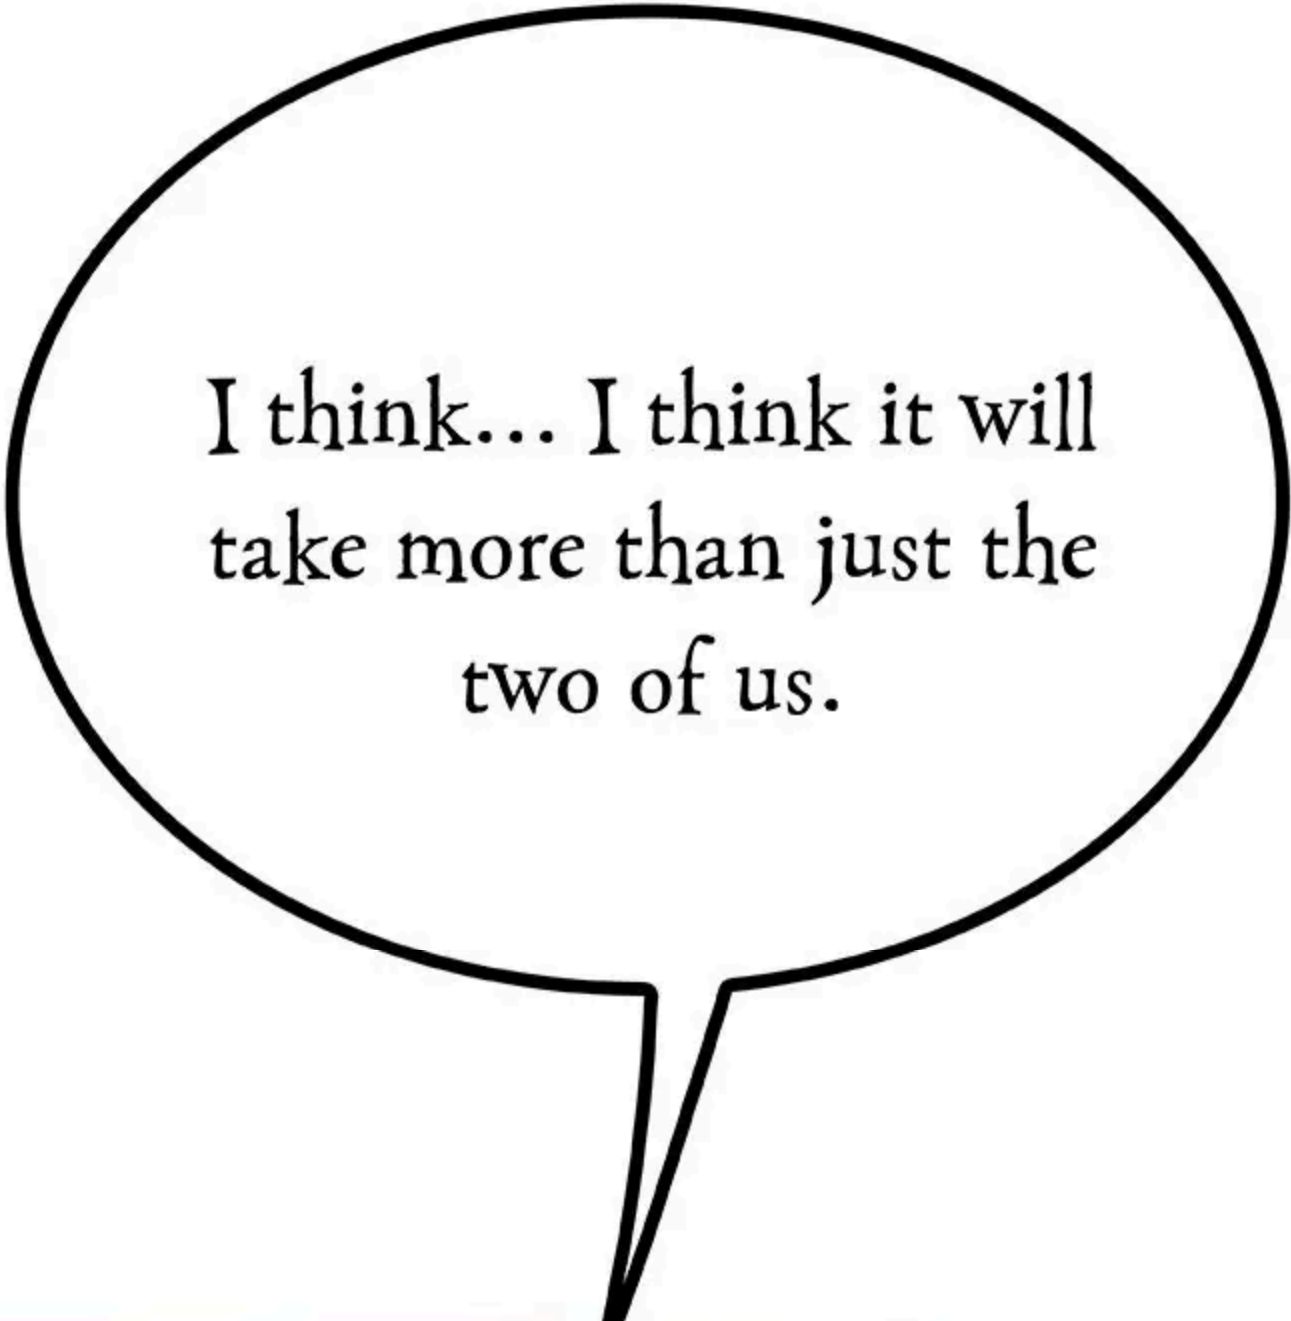

We have to do it.

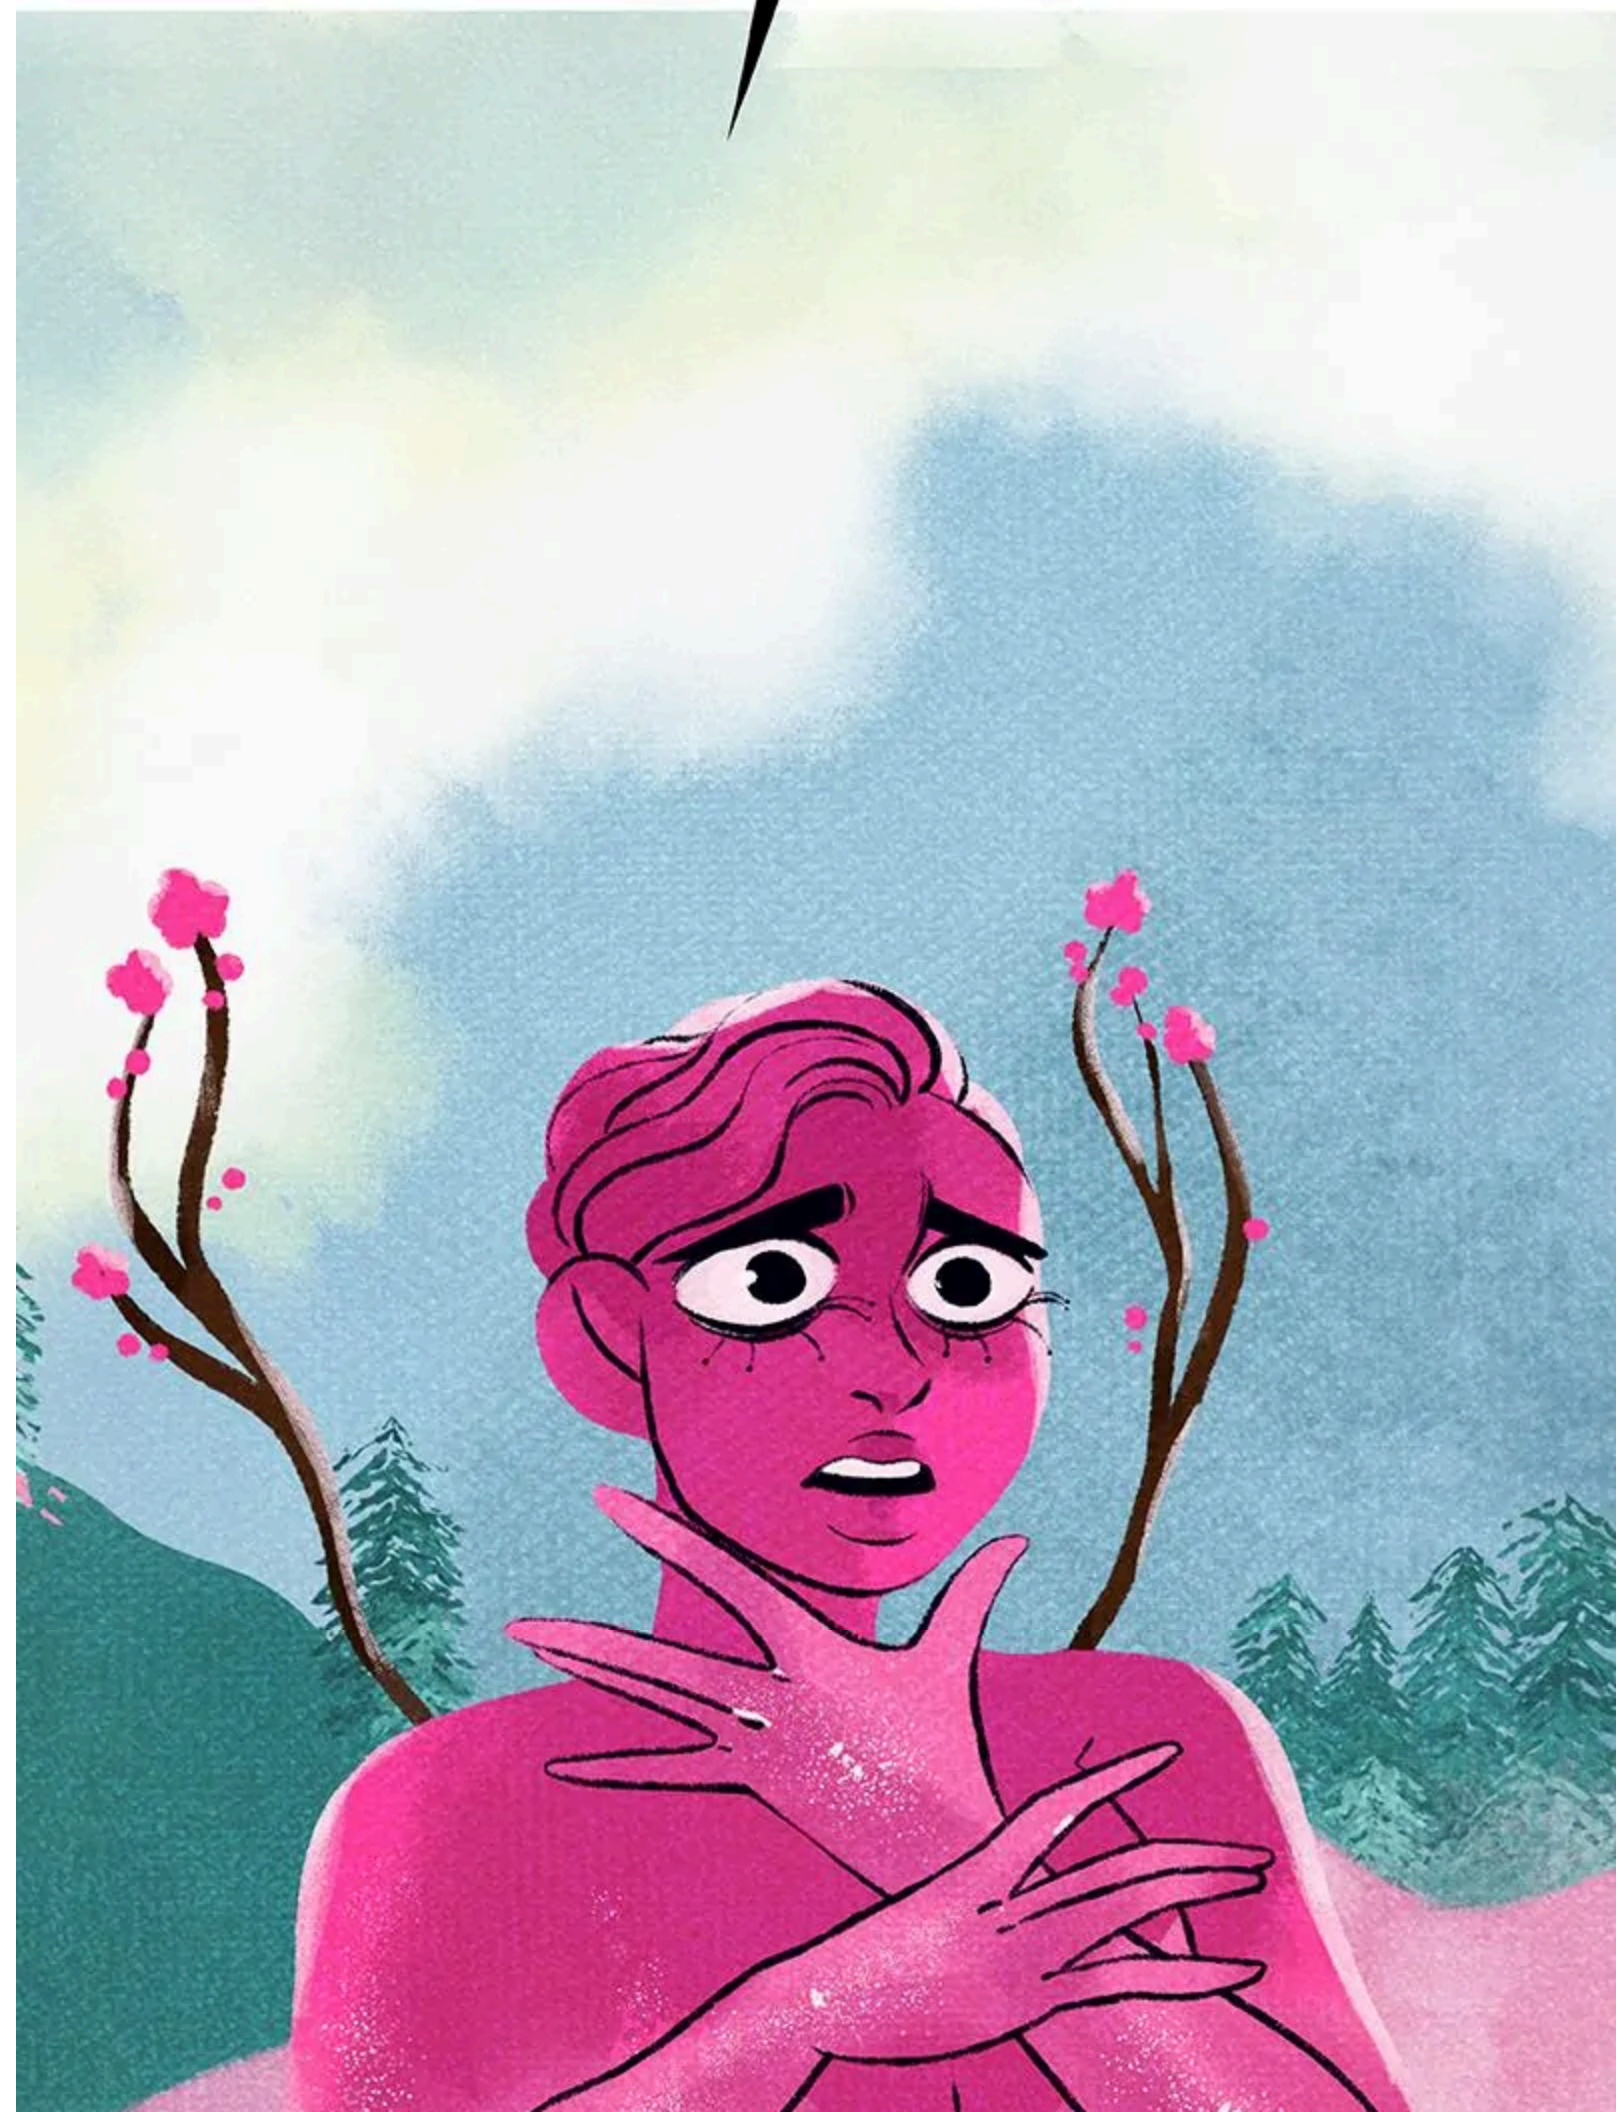

I think... I think it will  
take more than just the  
two of us.

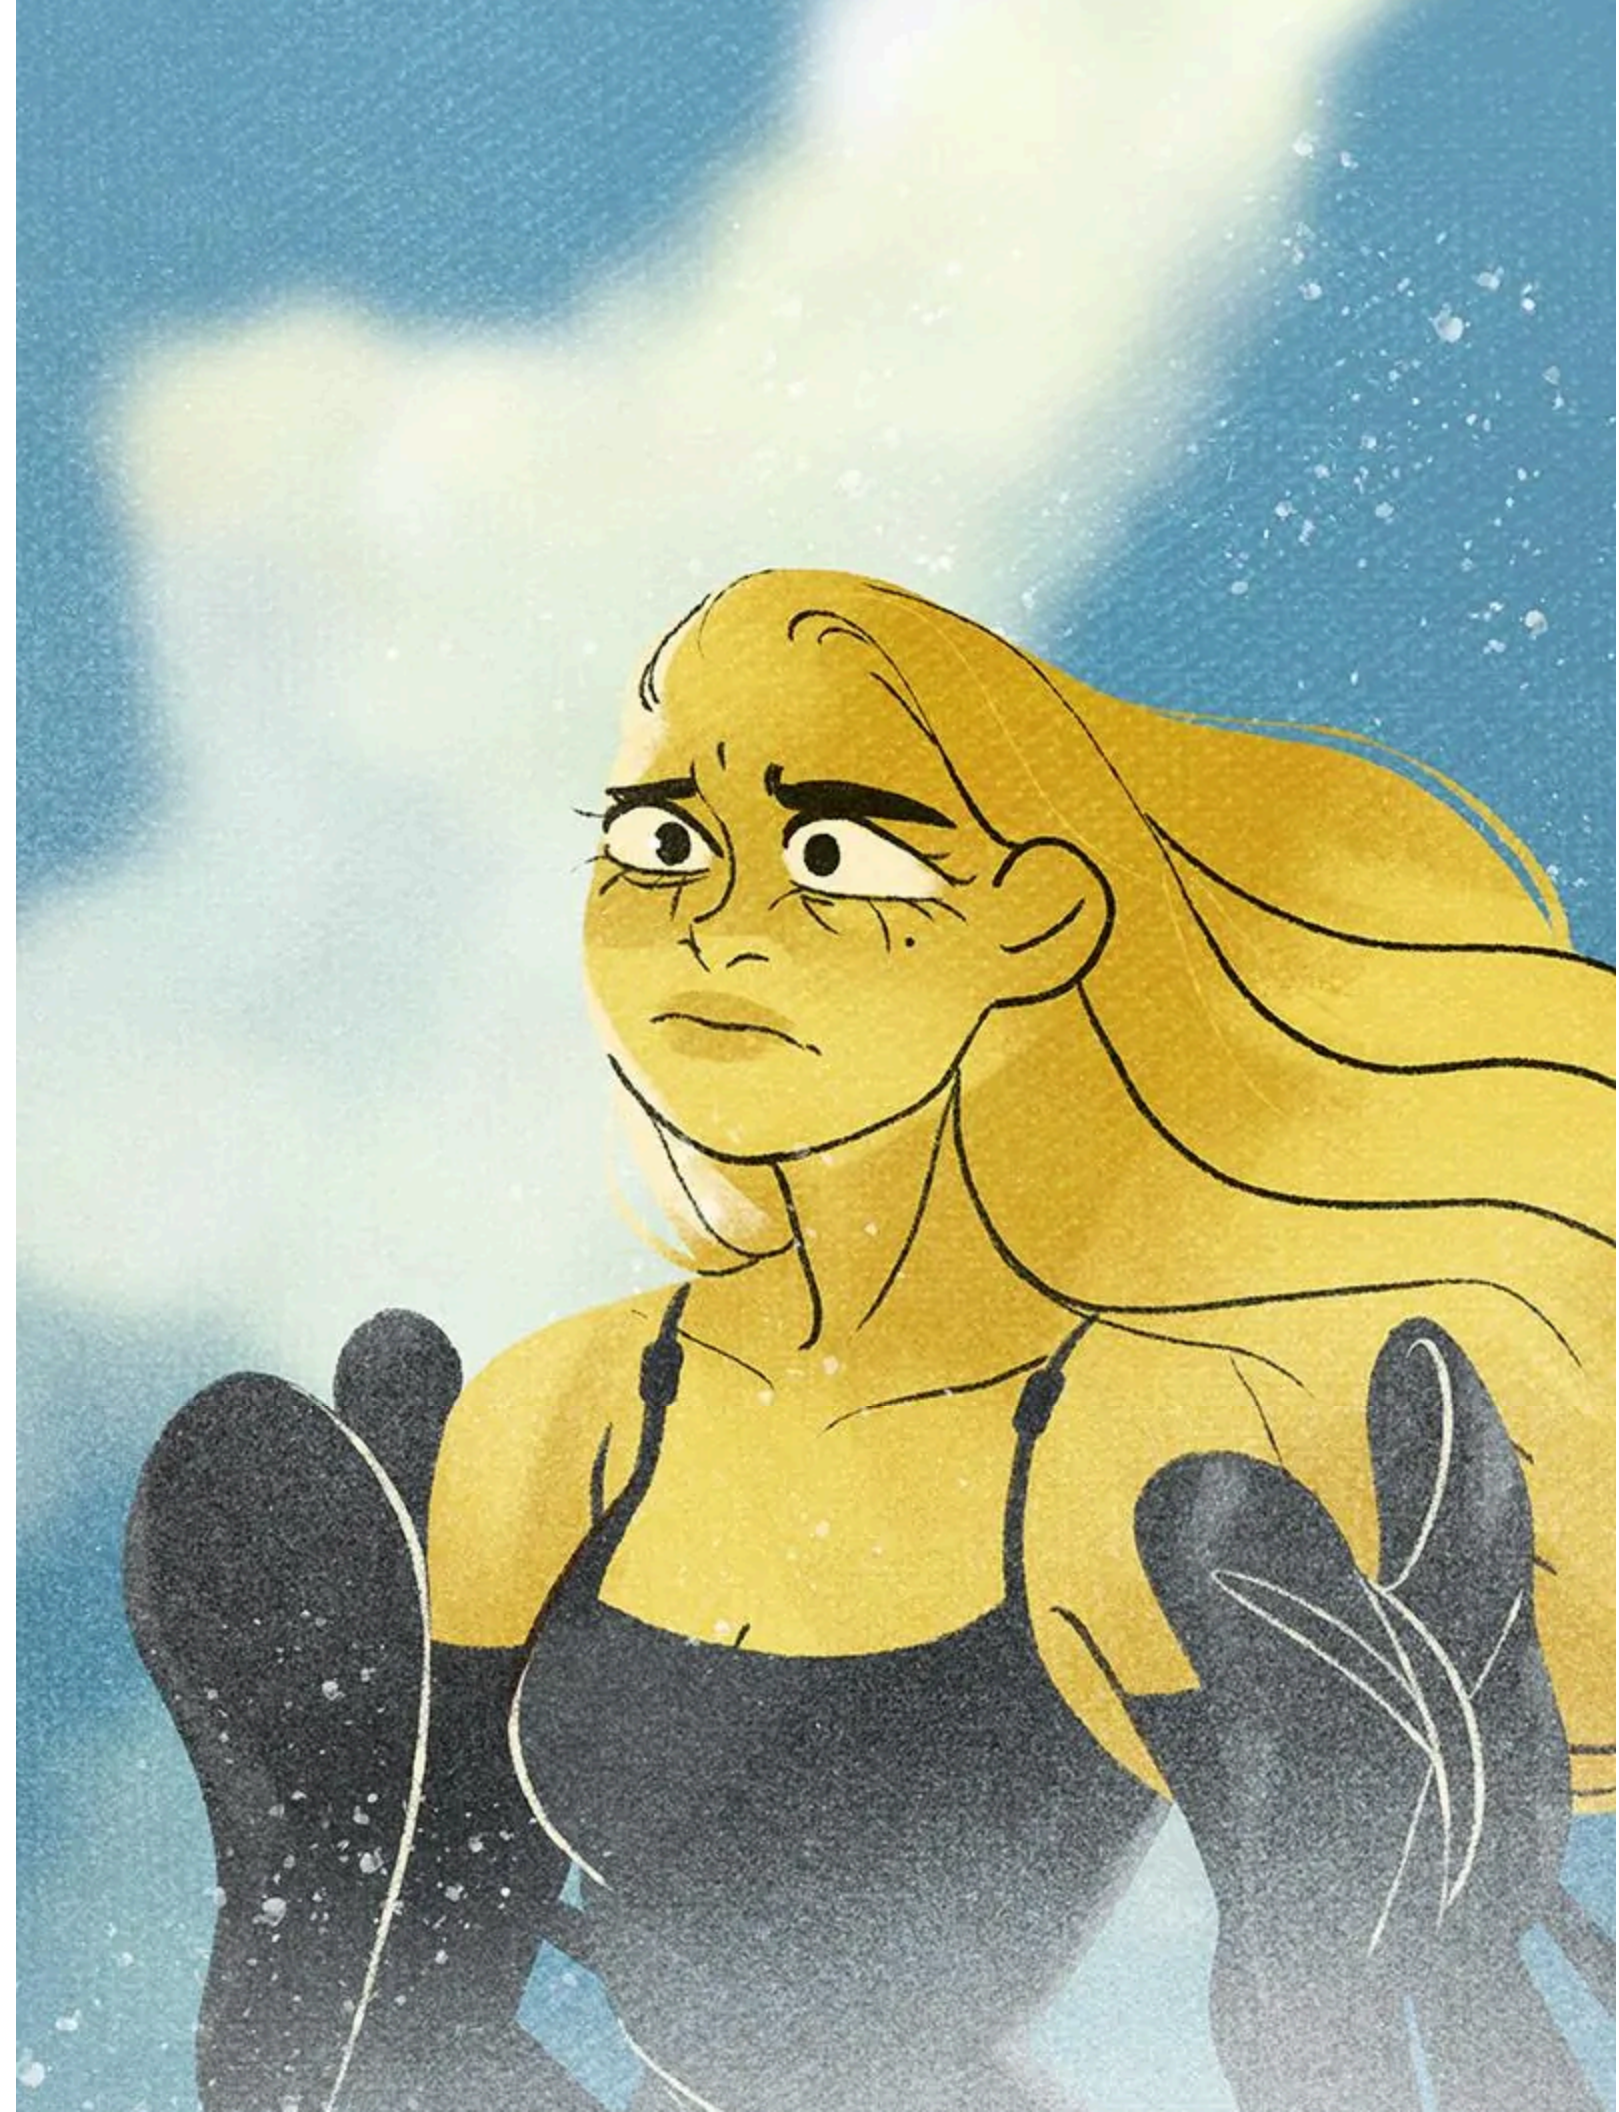

*We need the others.*

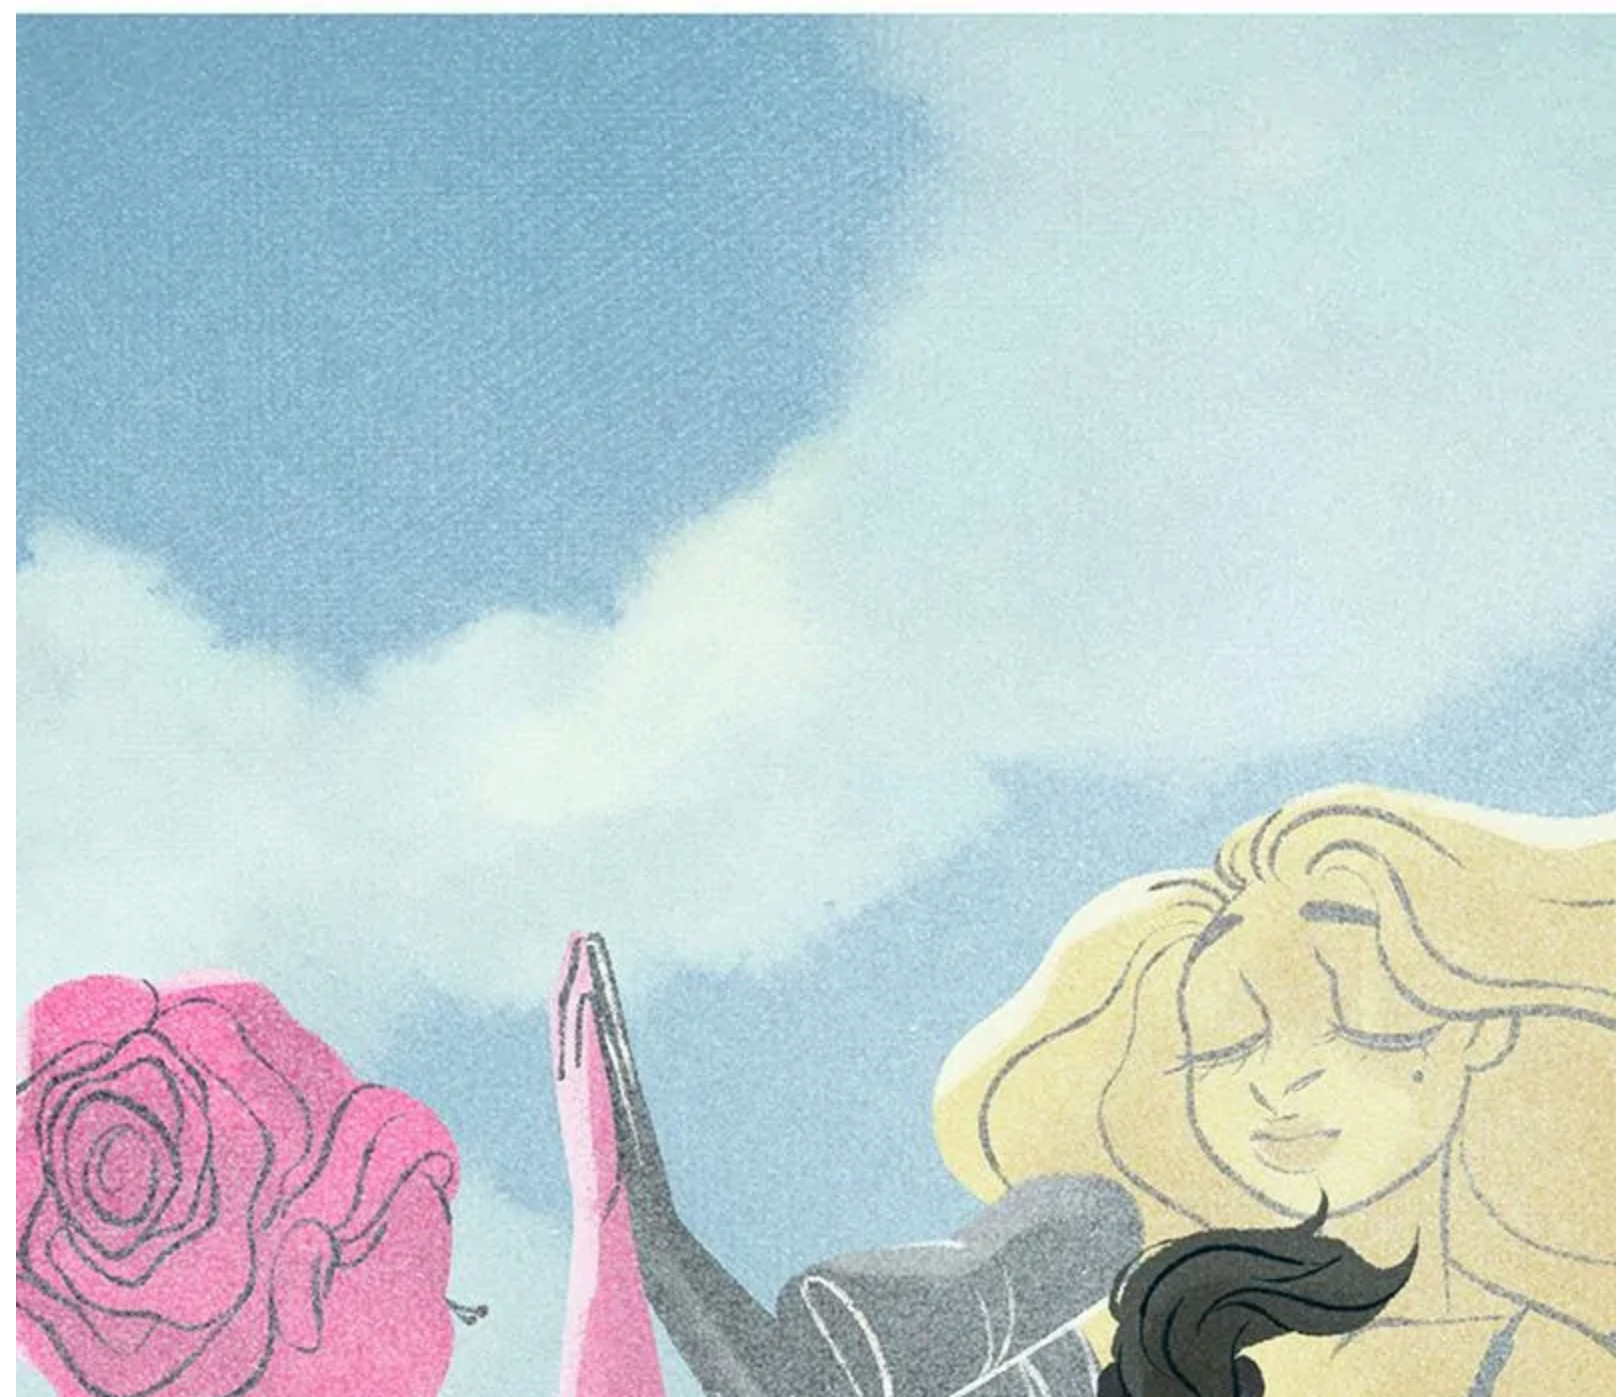

What do you think  
they're talking about?

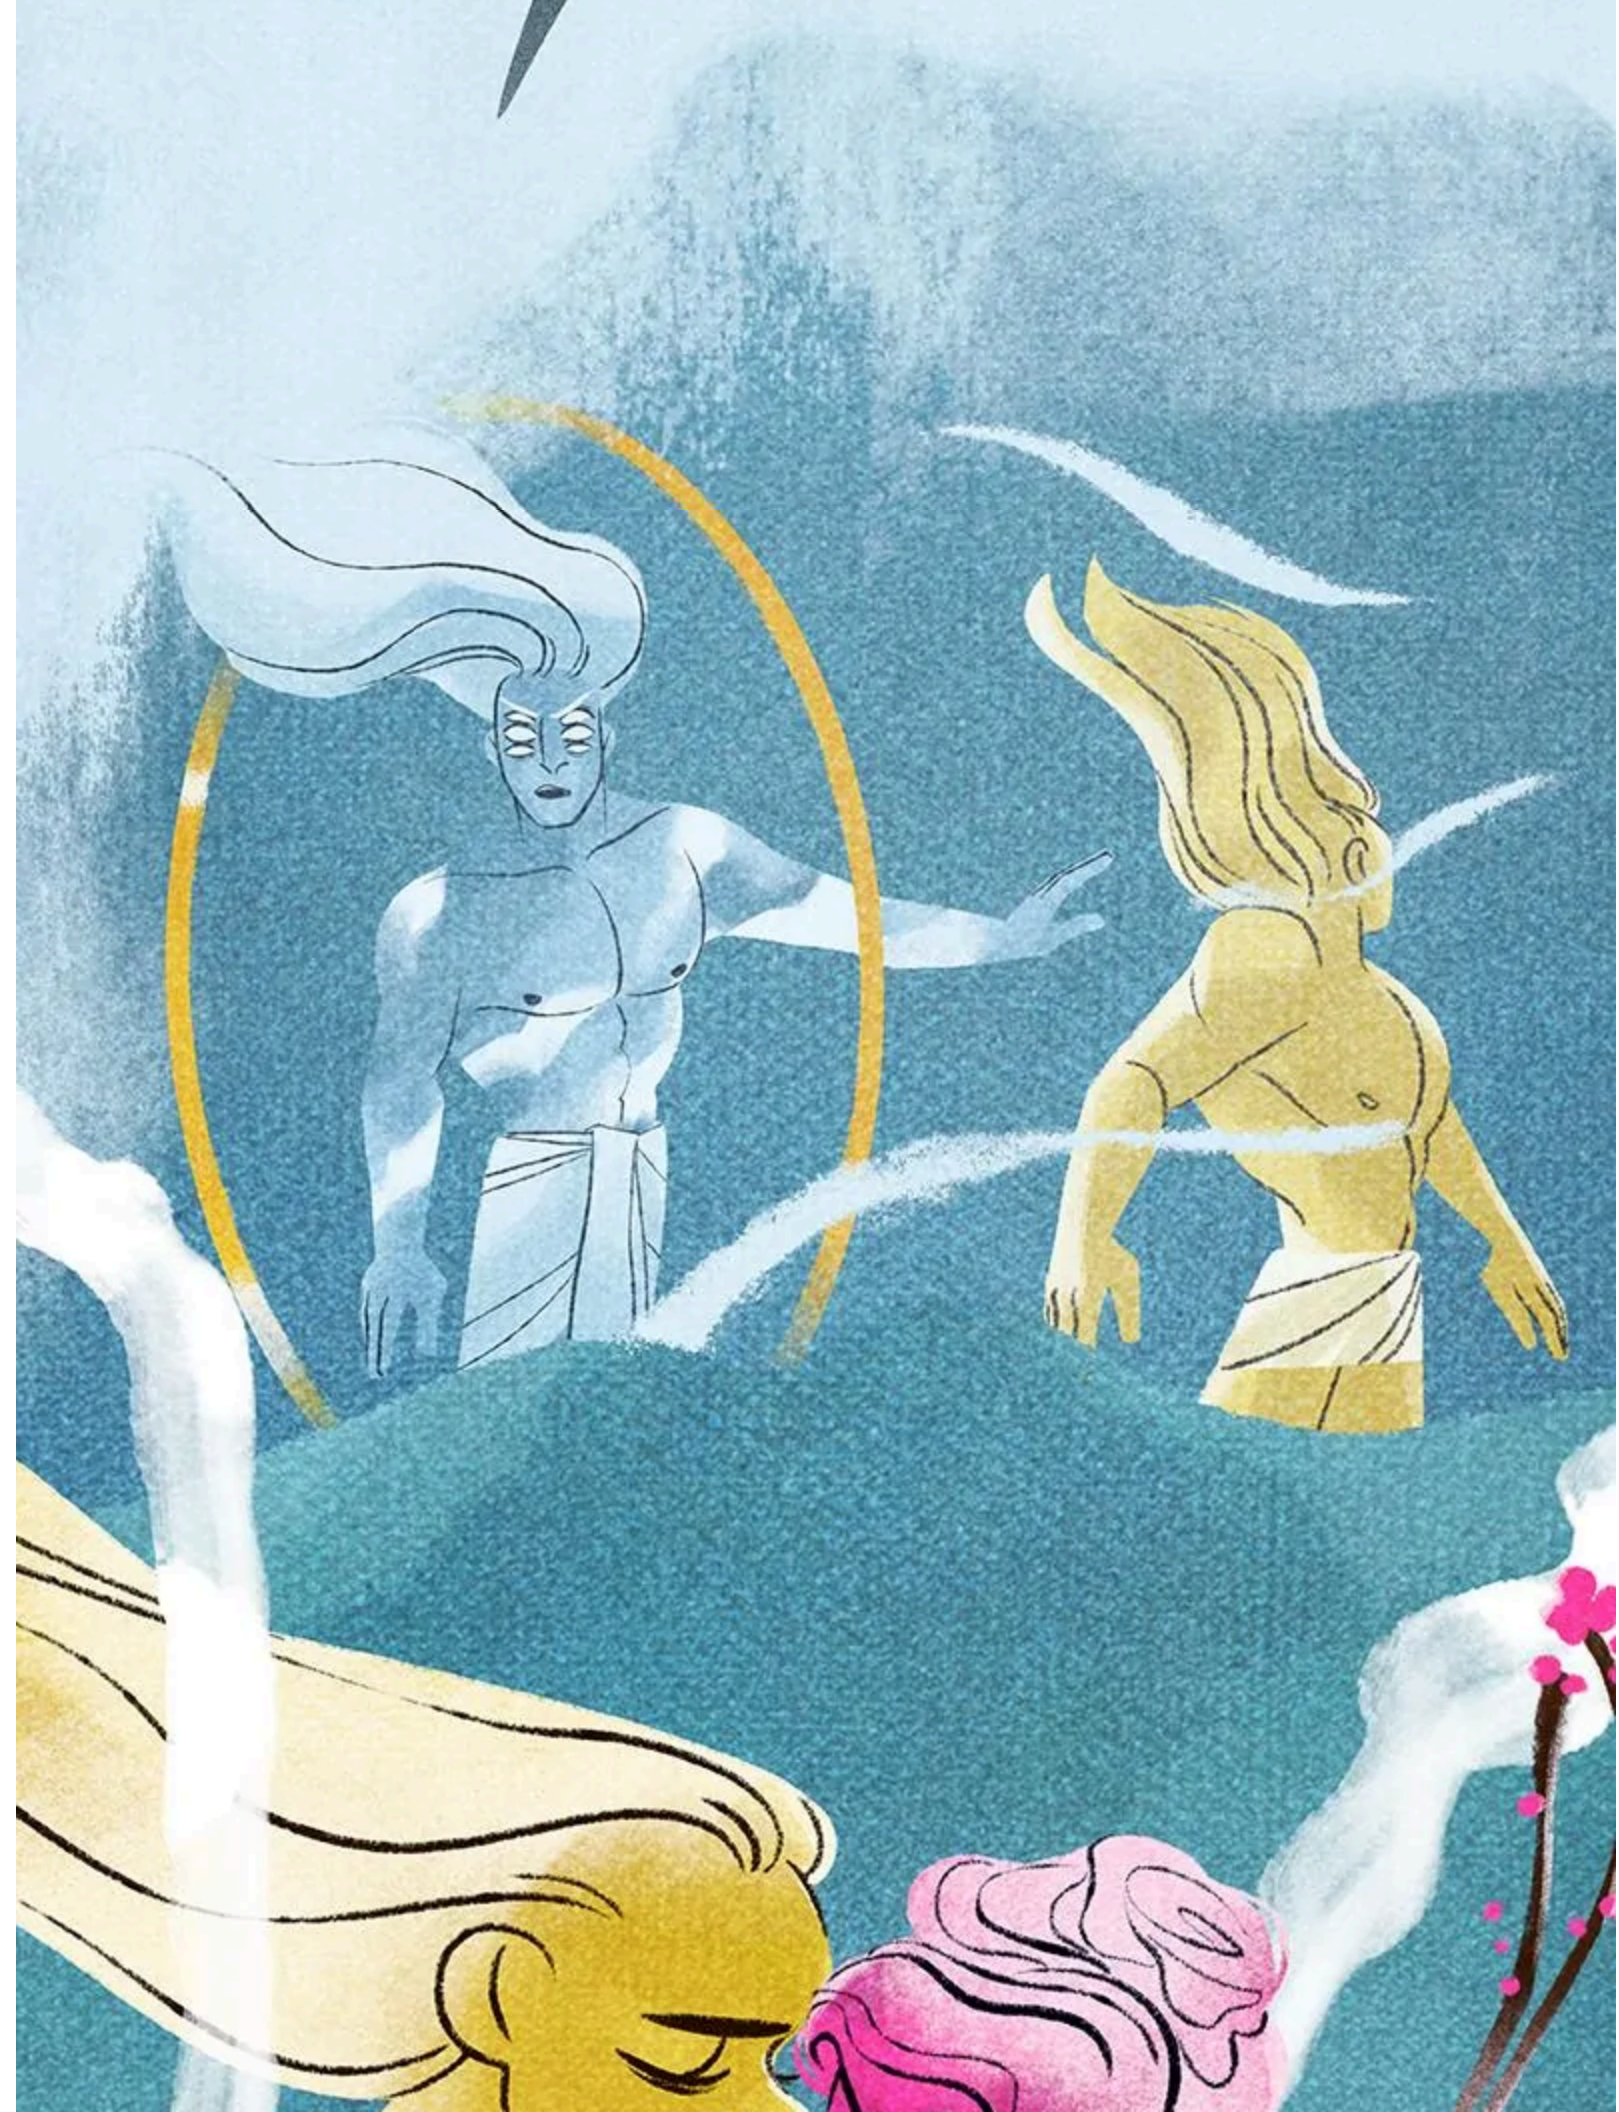

Hey!

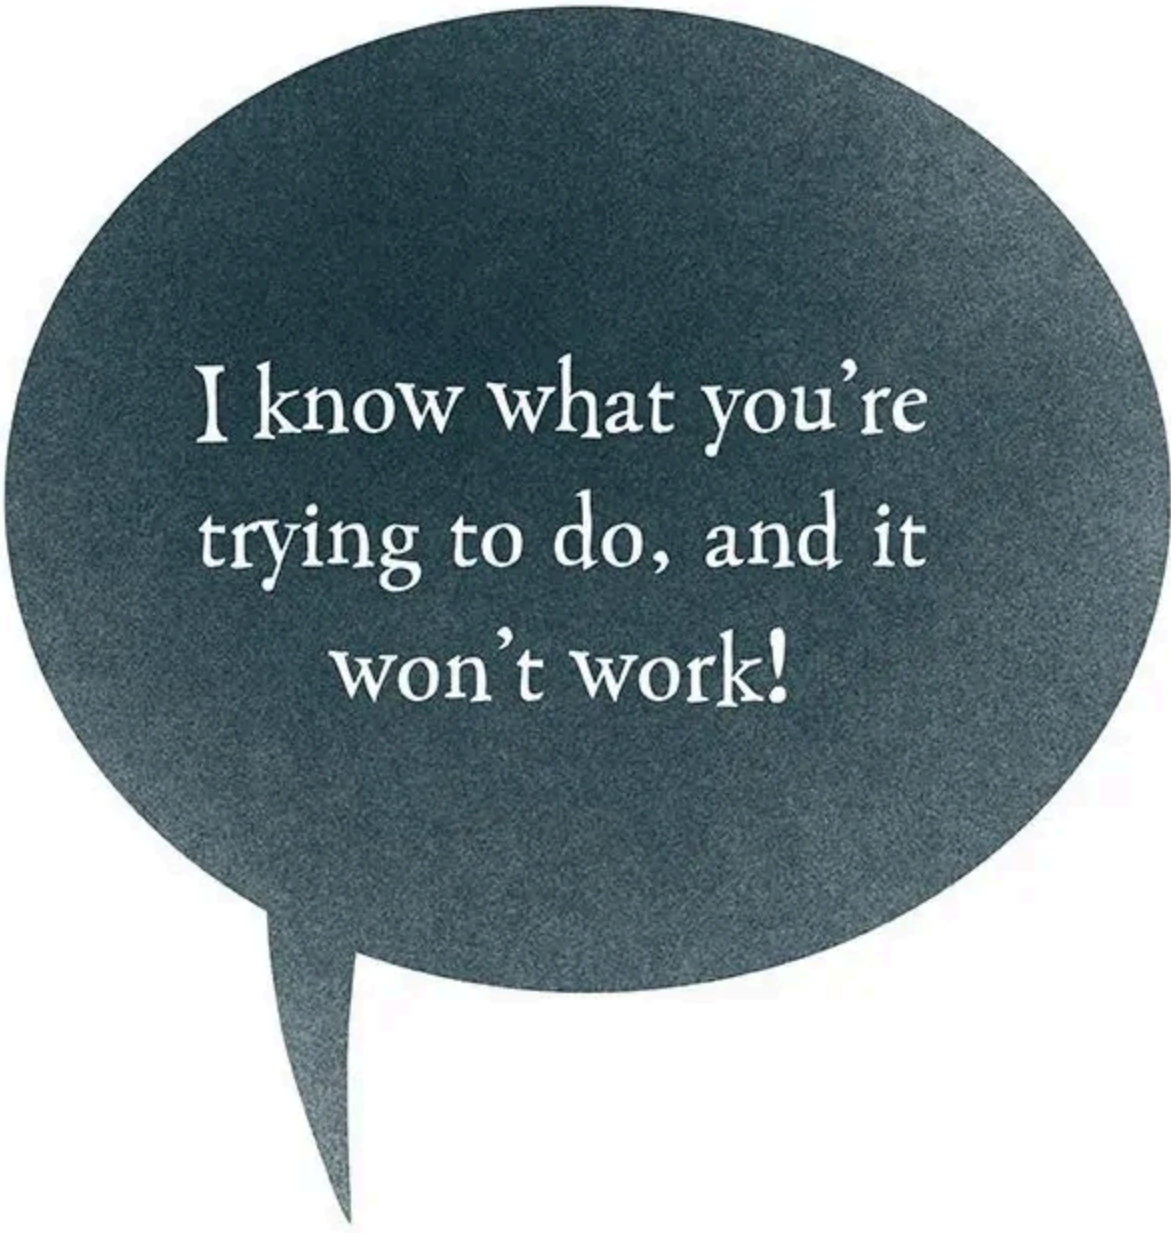

I know what you're  
trying to do, and it  
won't work!

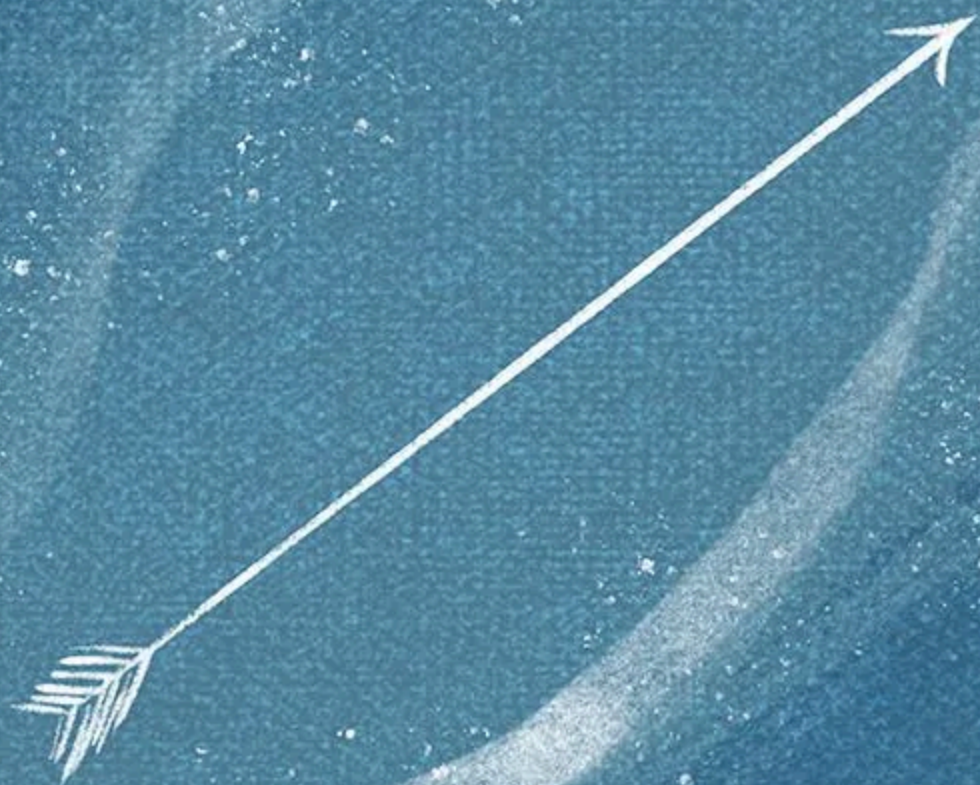

Huff.

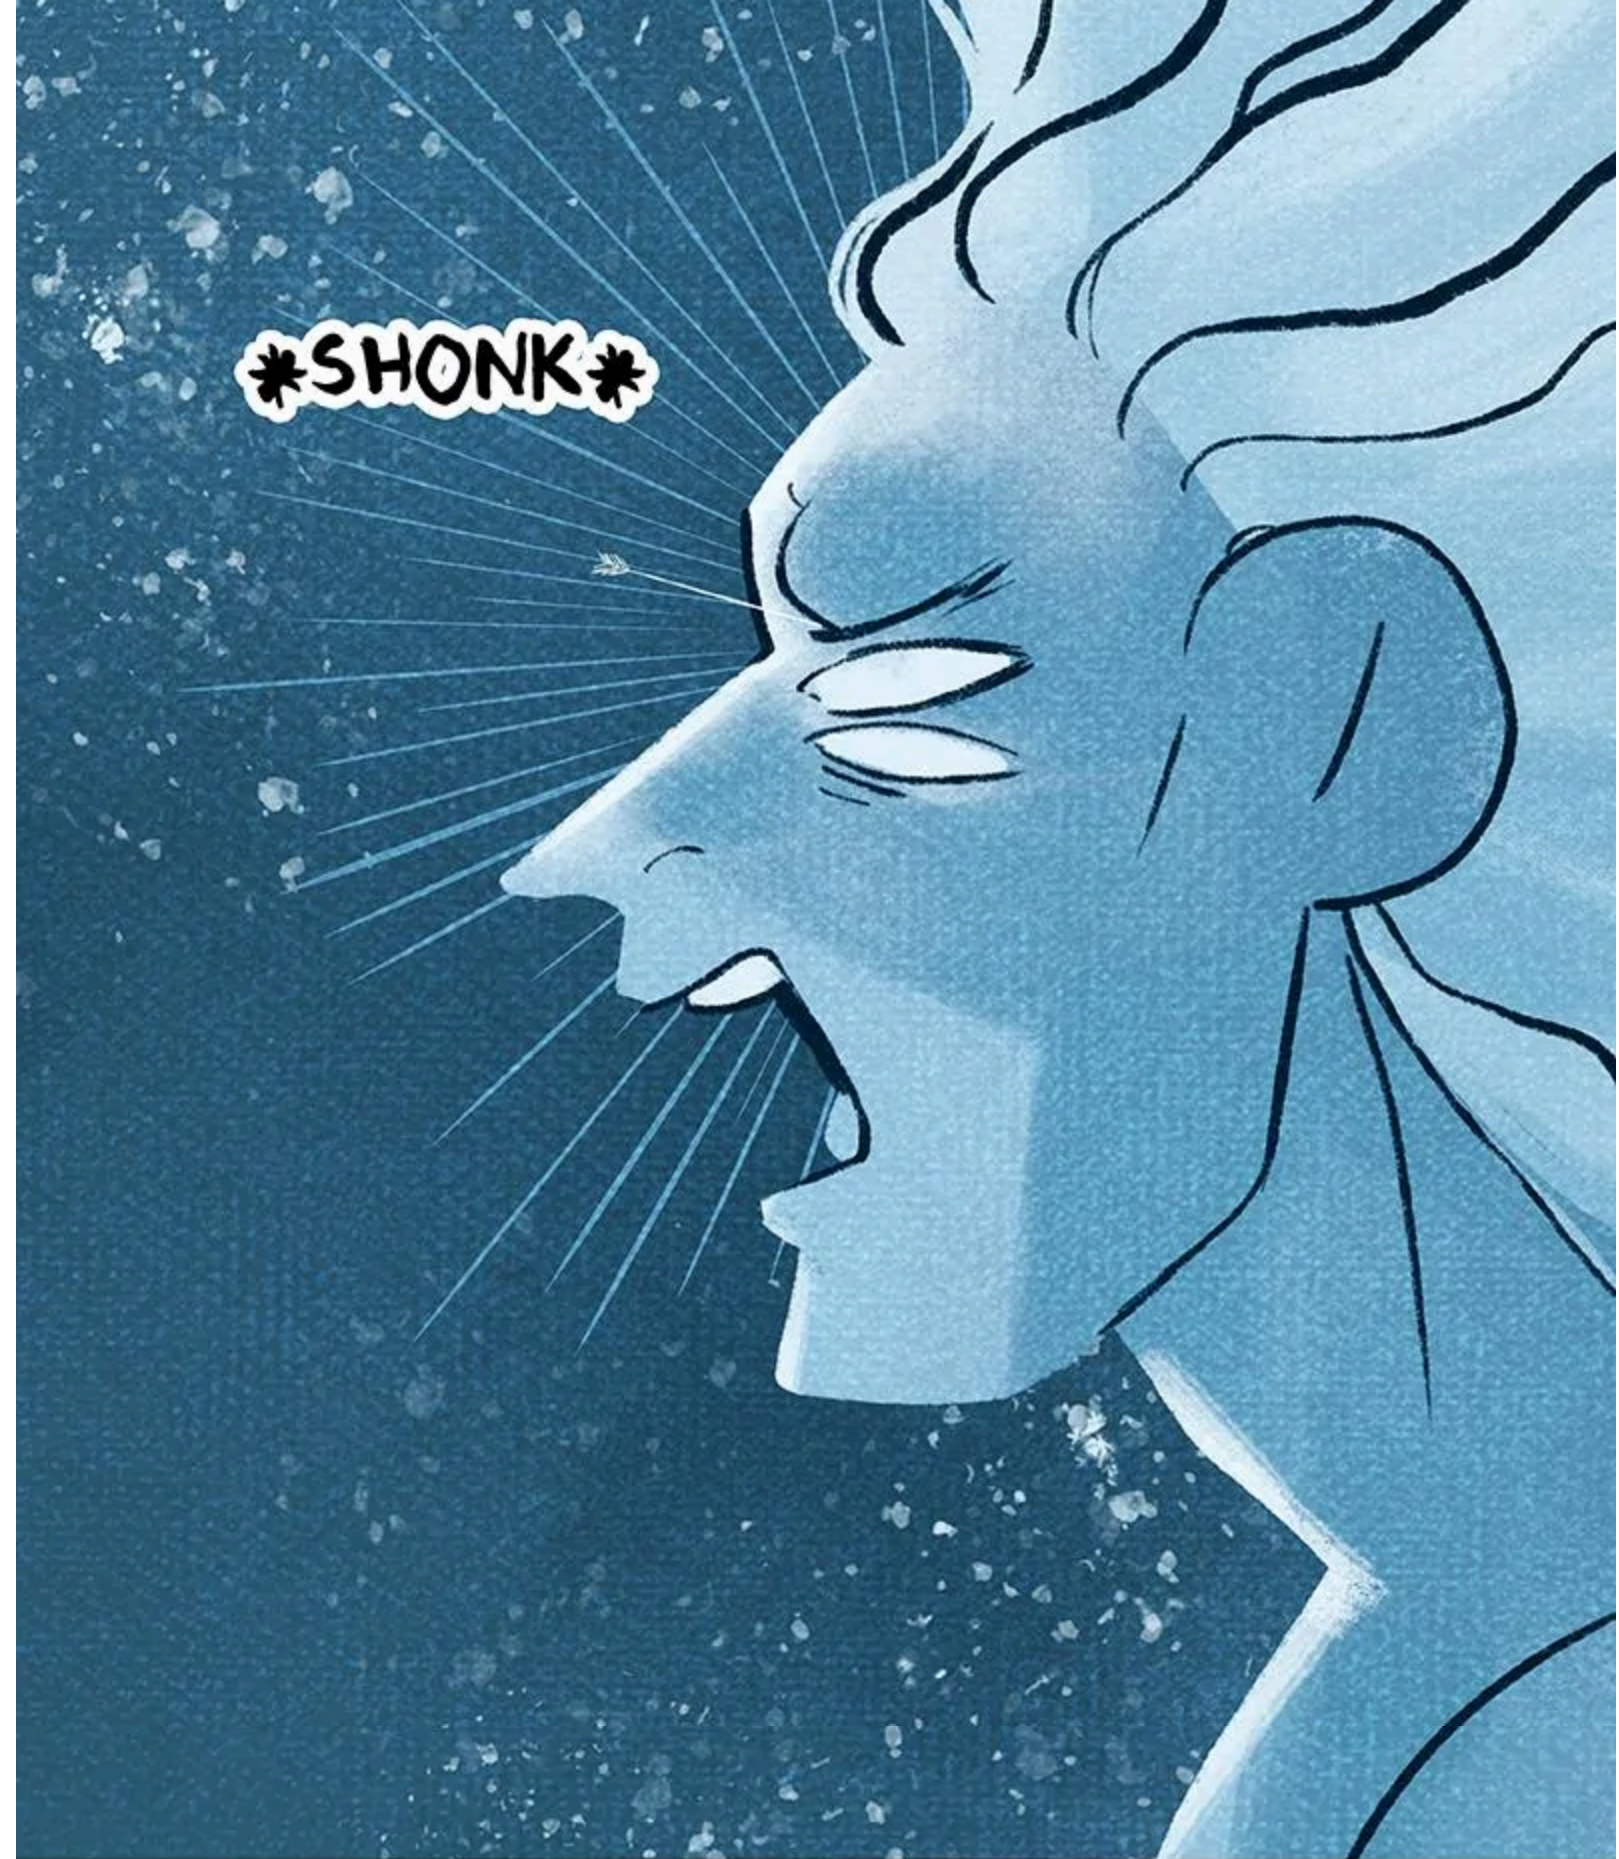

AH!

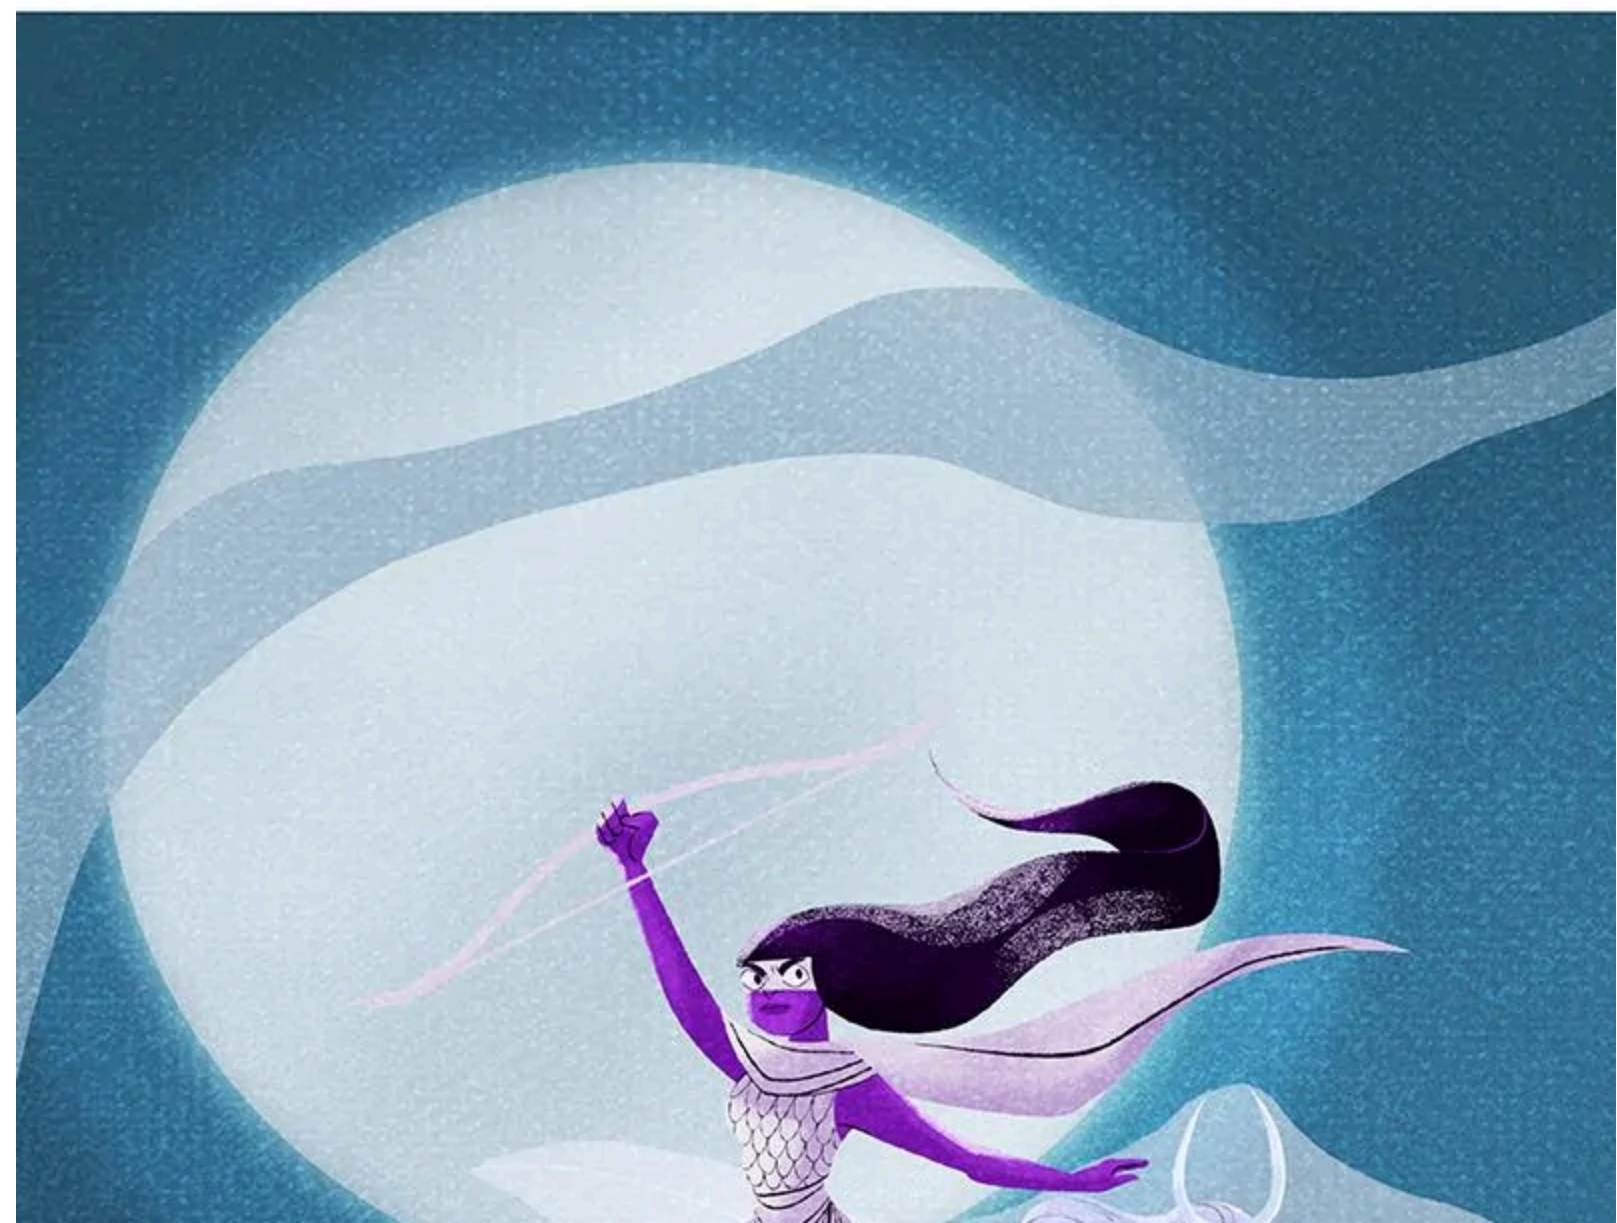

**\*SHONK\***

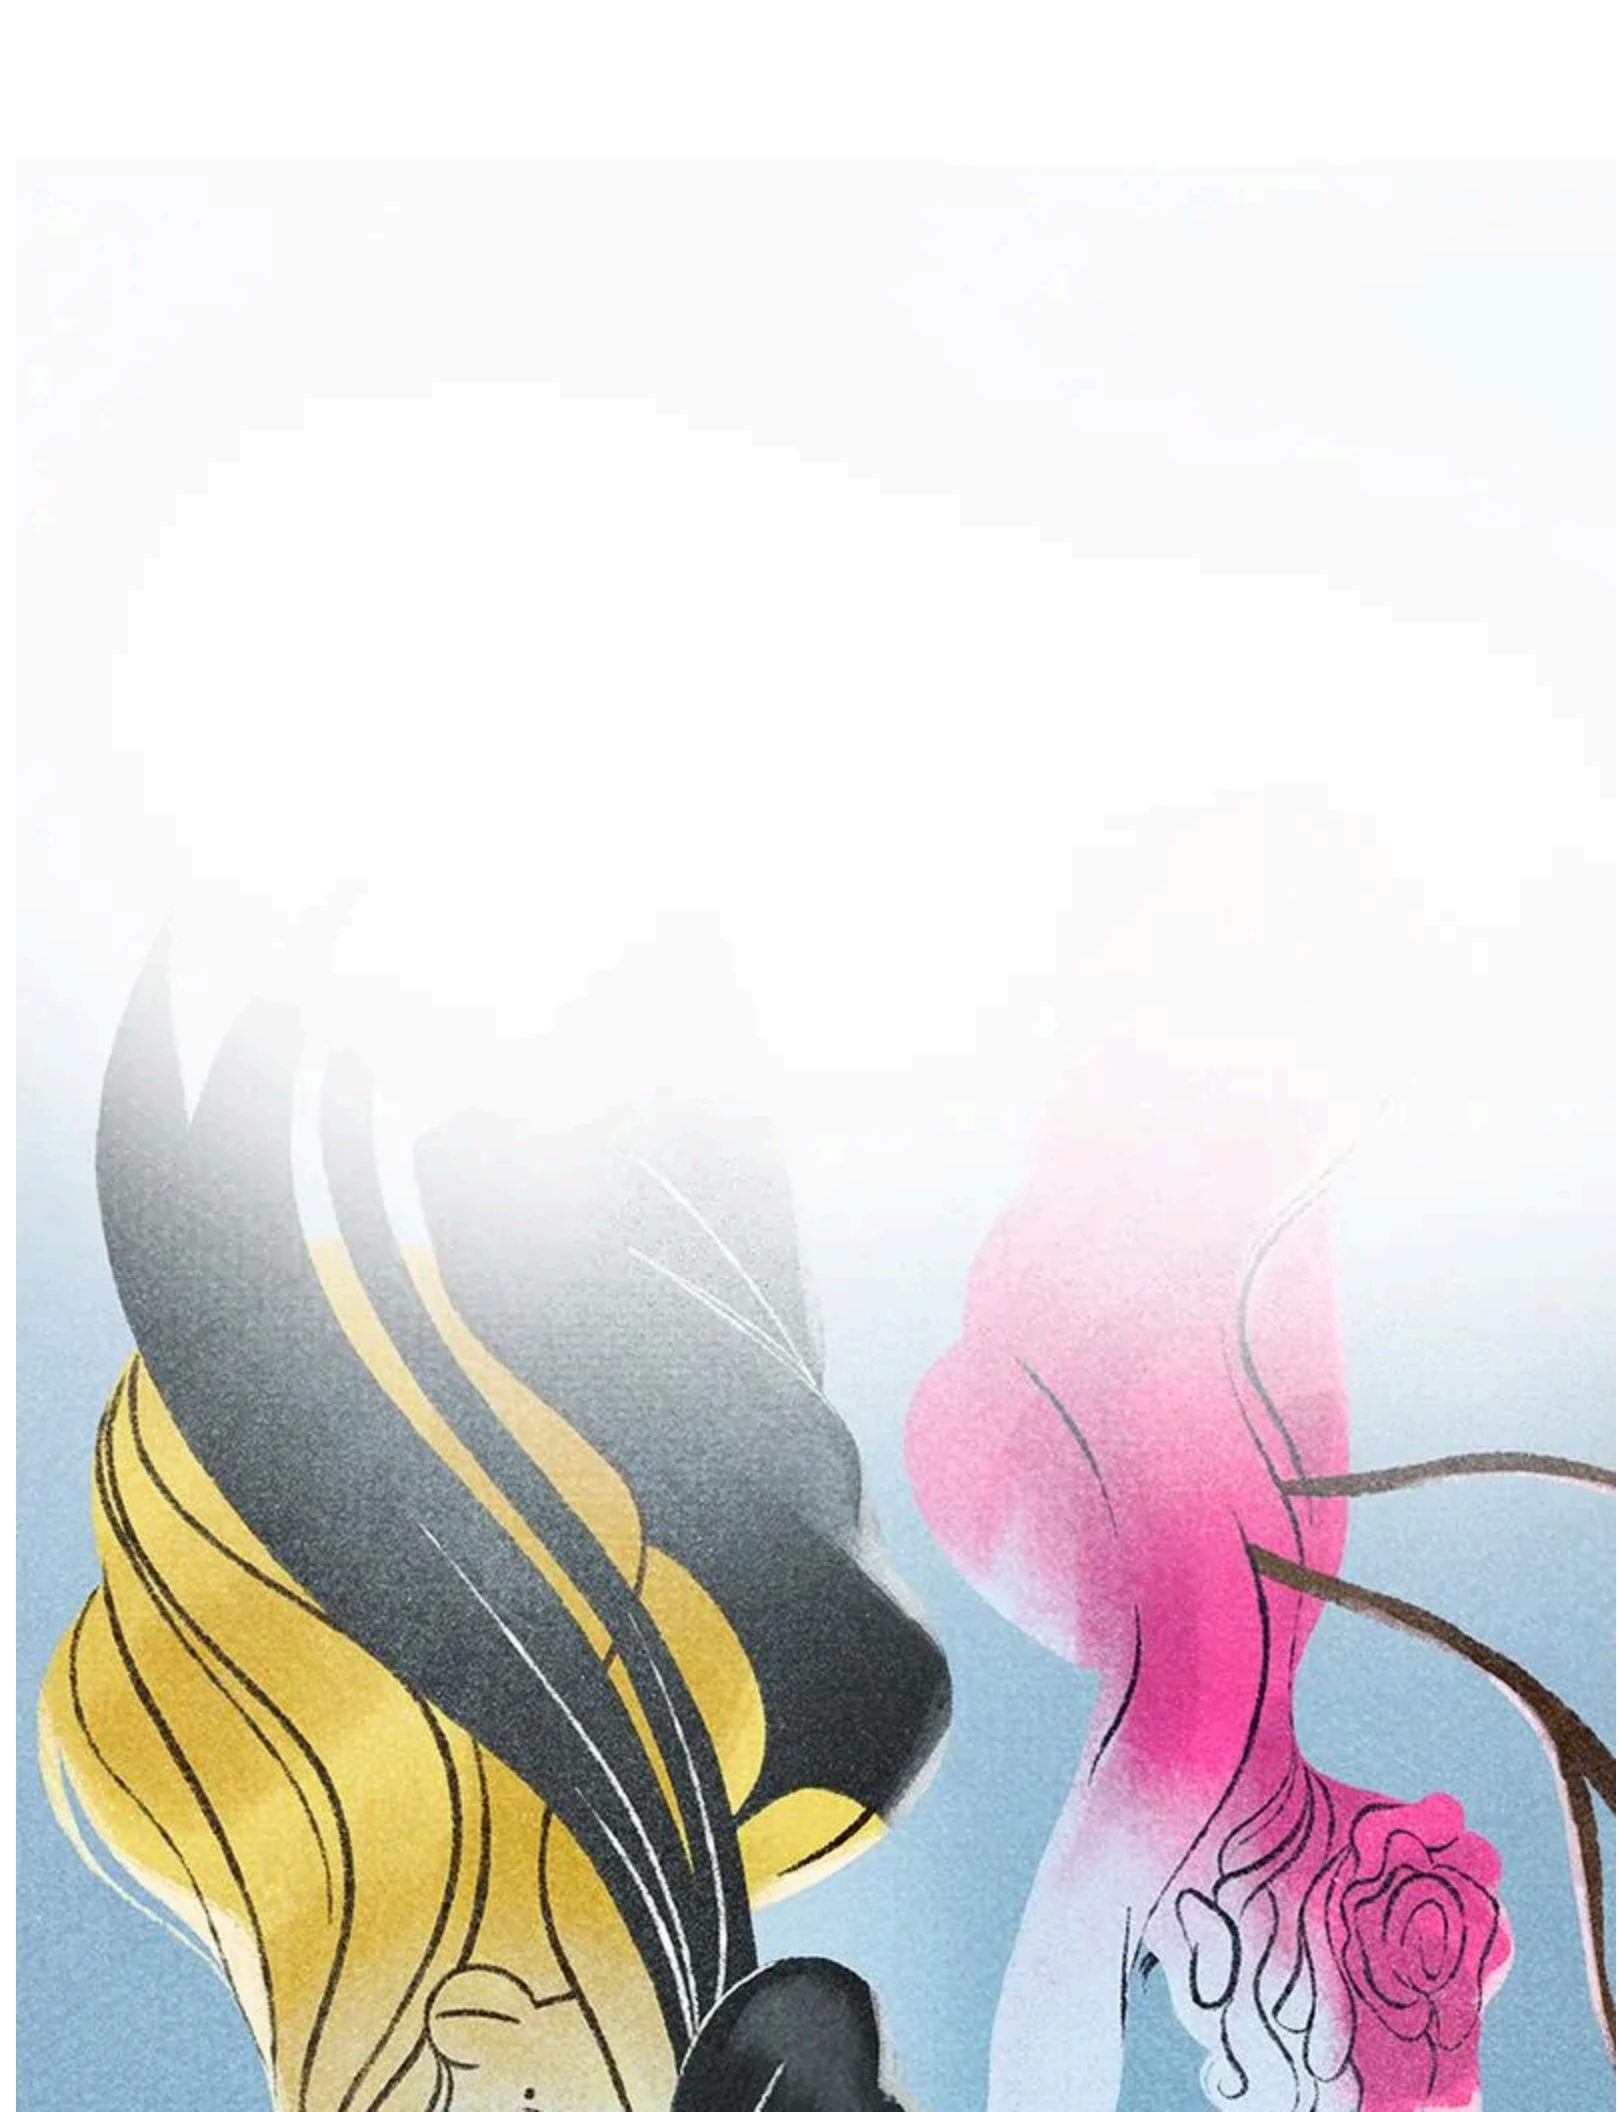

Don't mess with the  
moon, asshole!

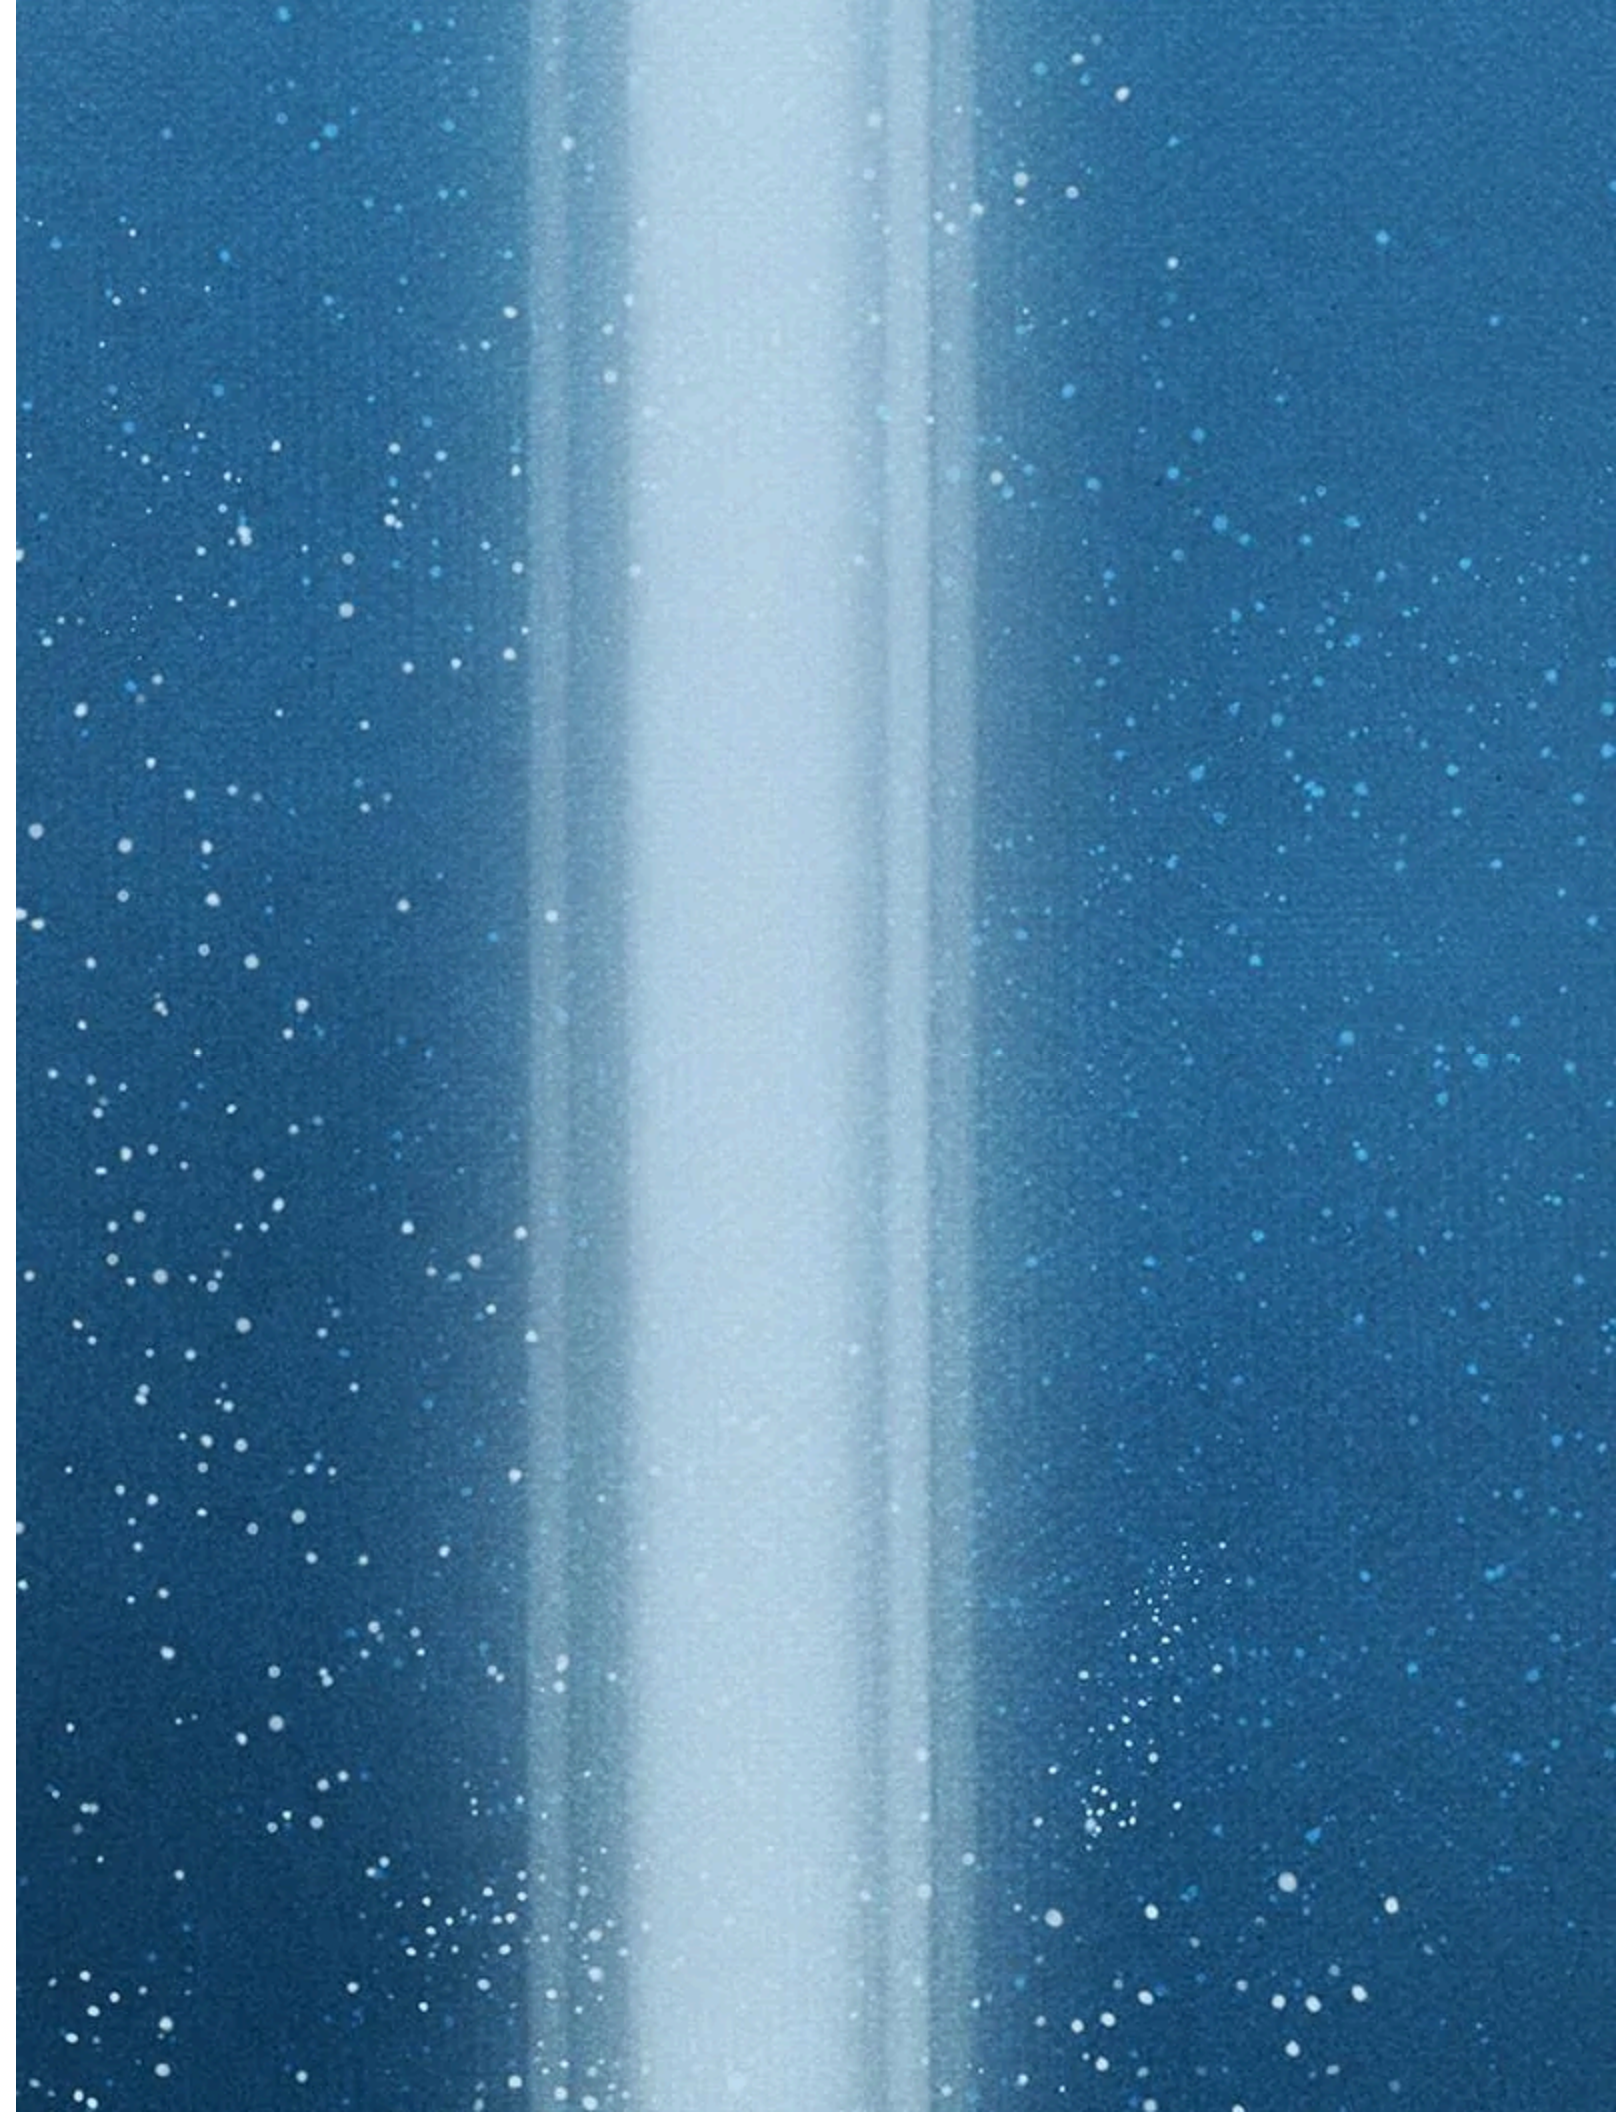

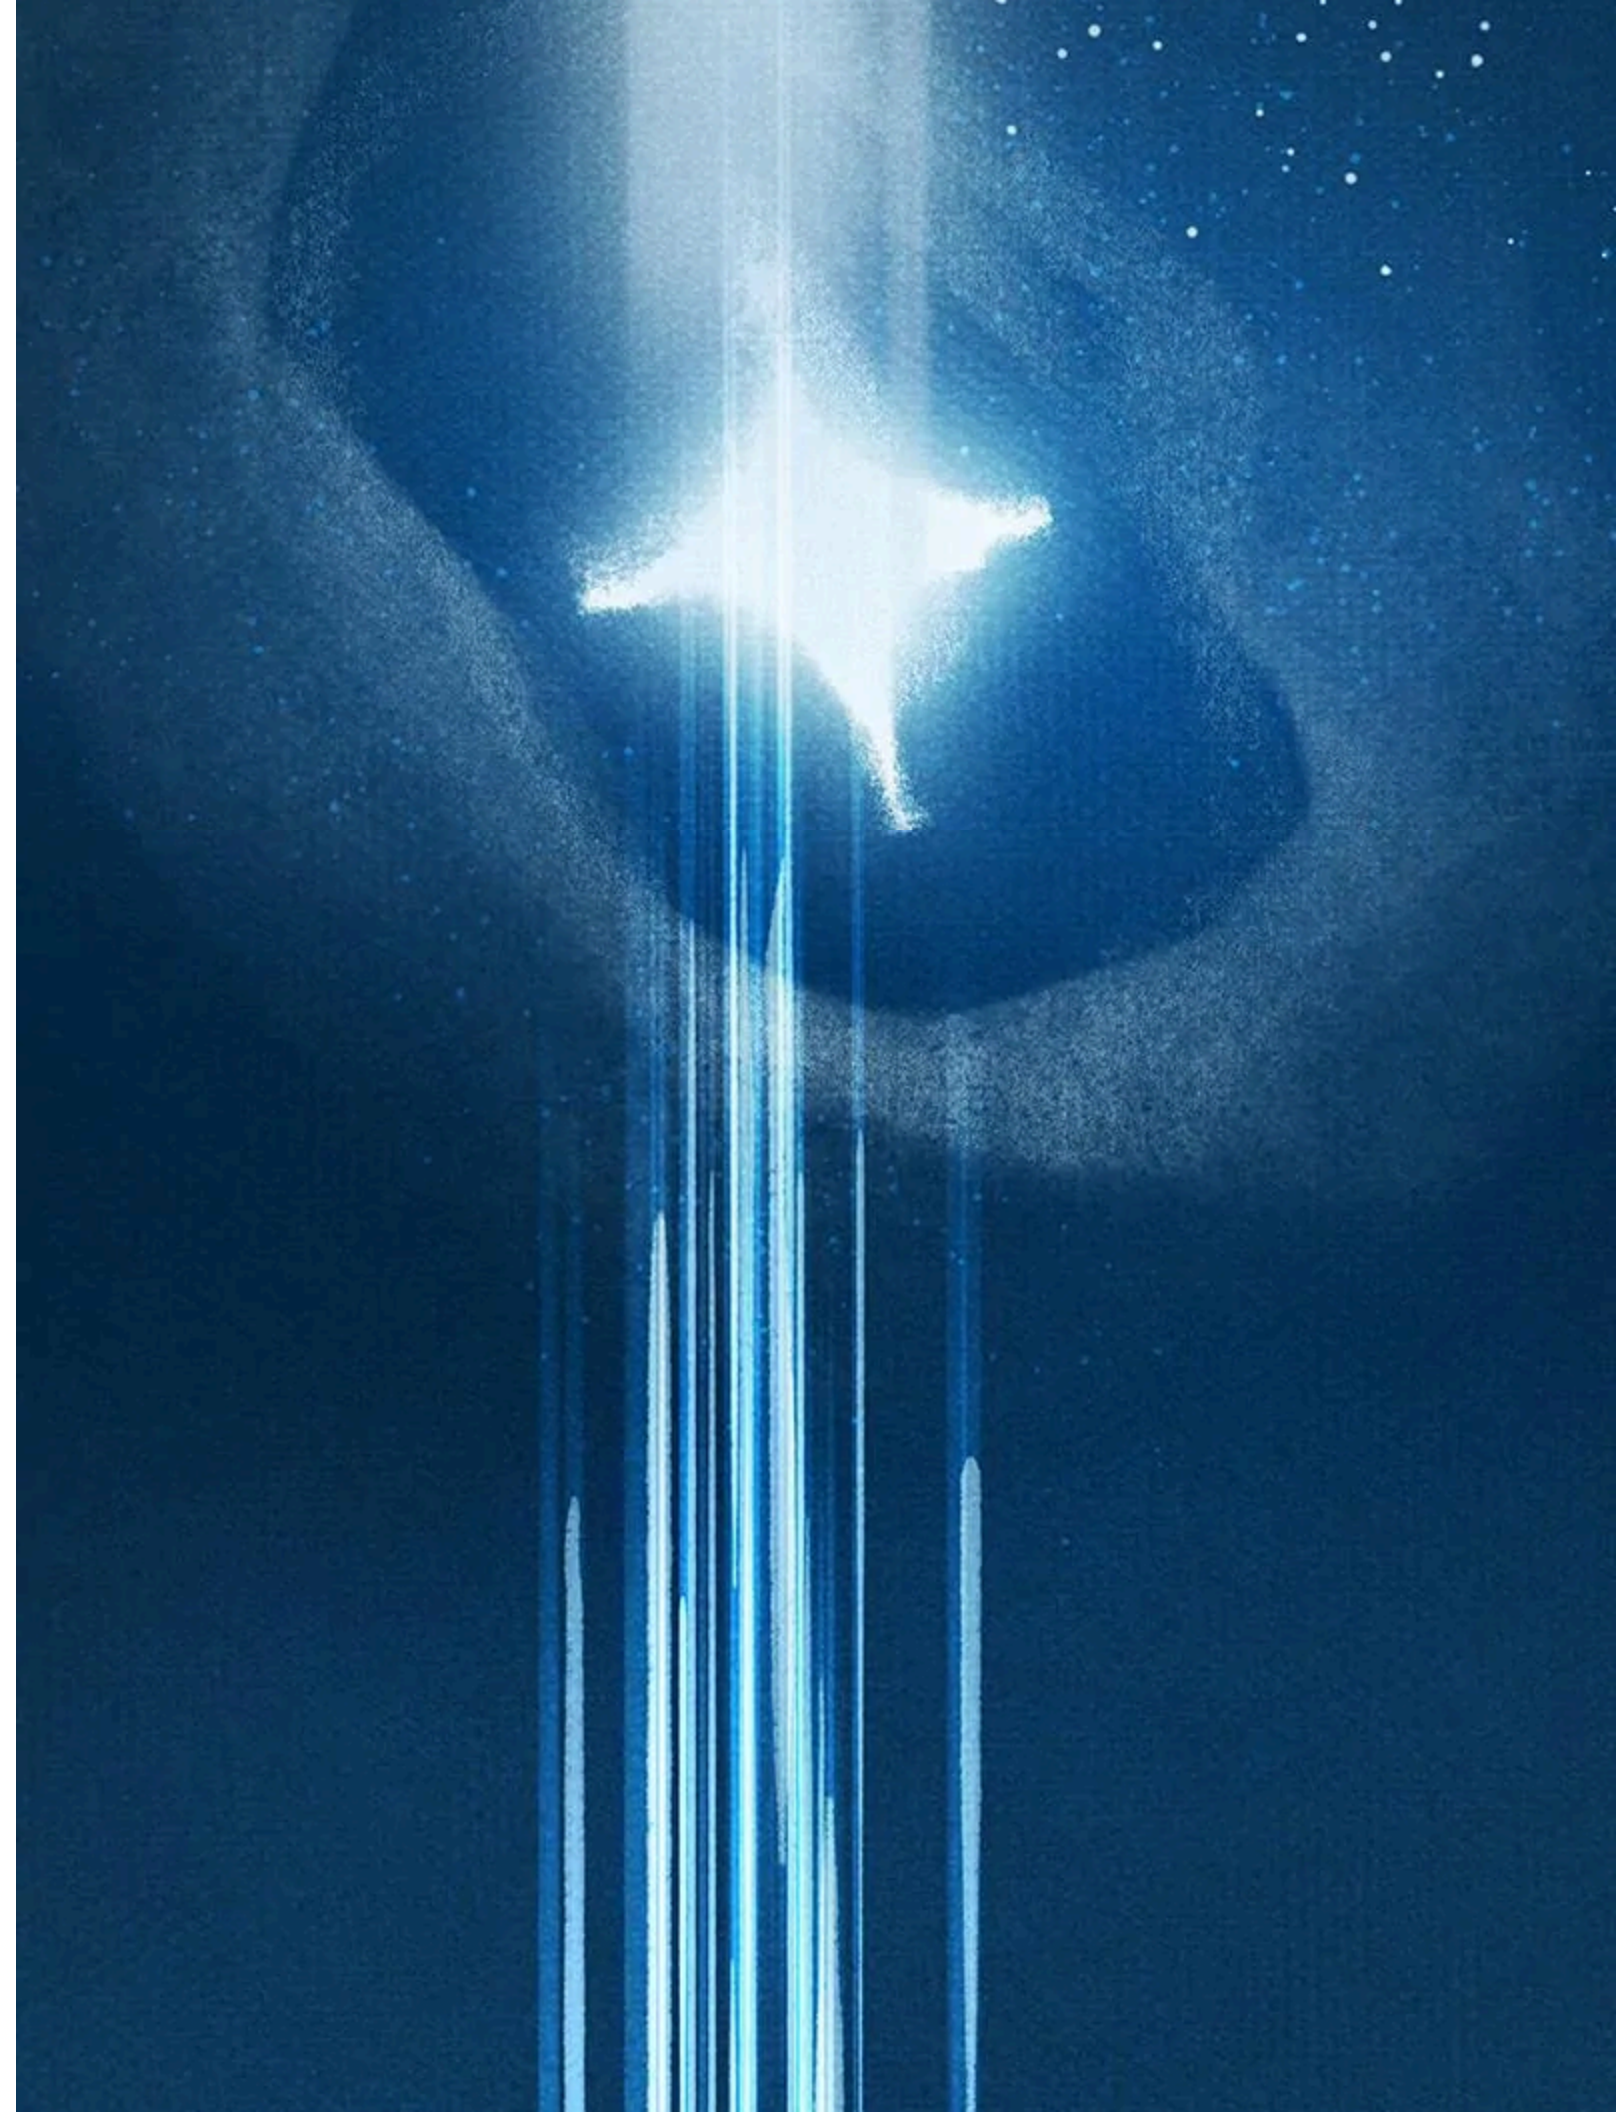

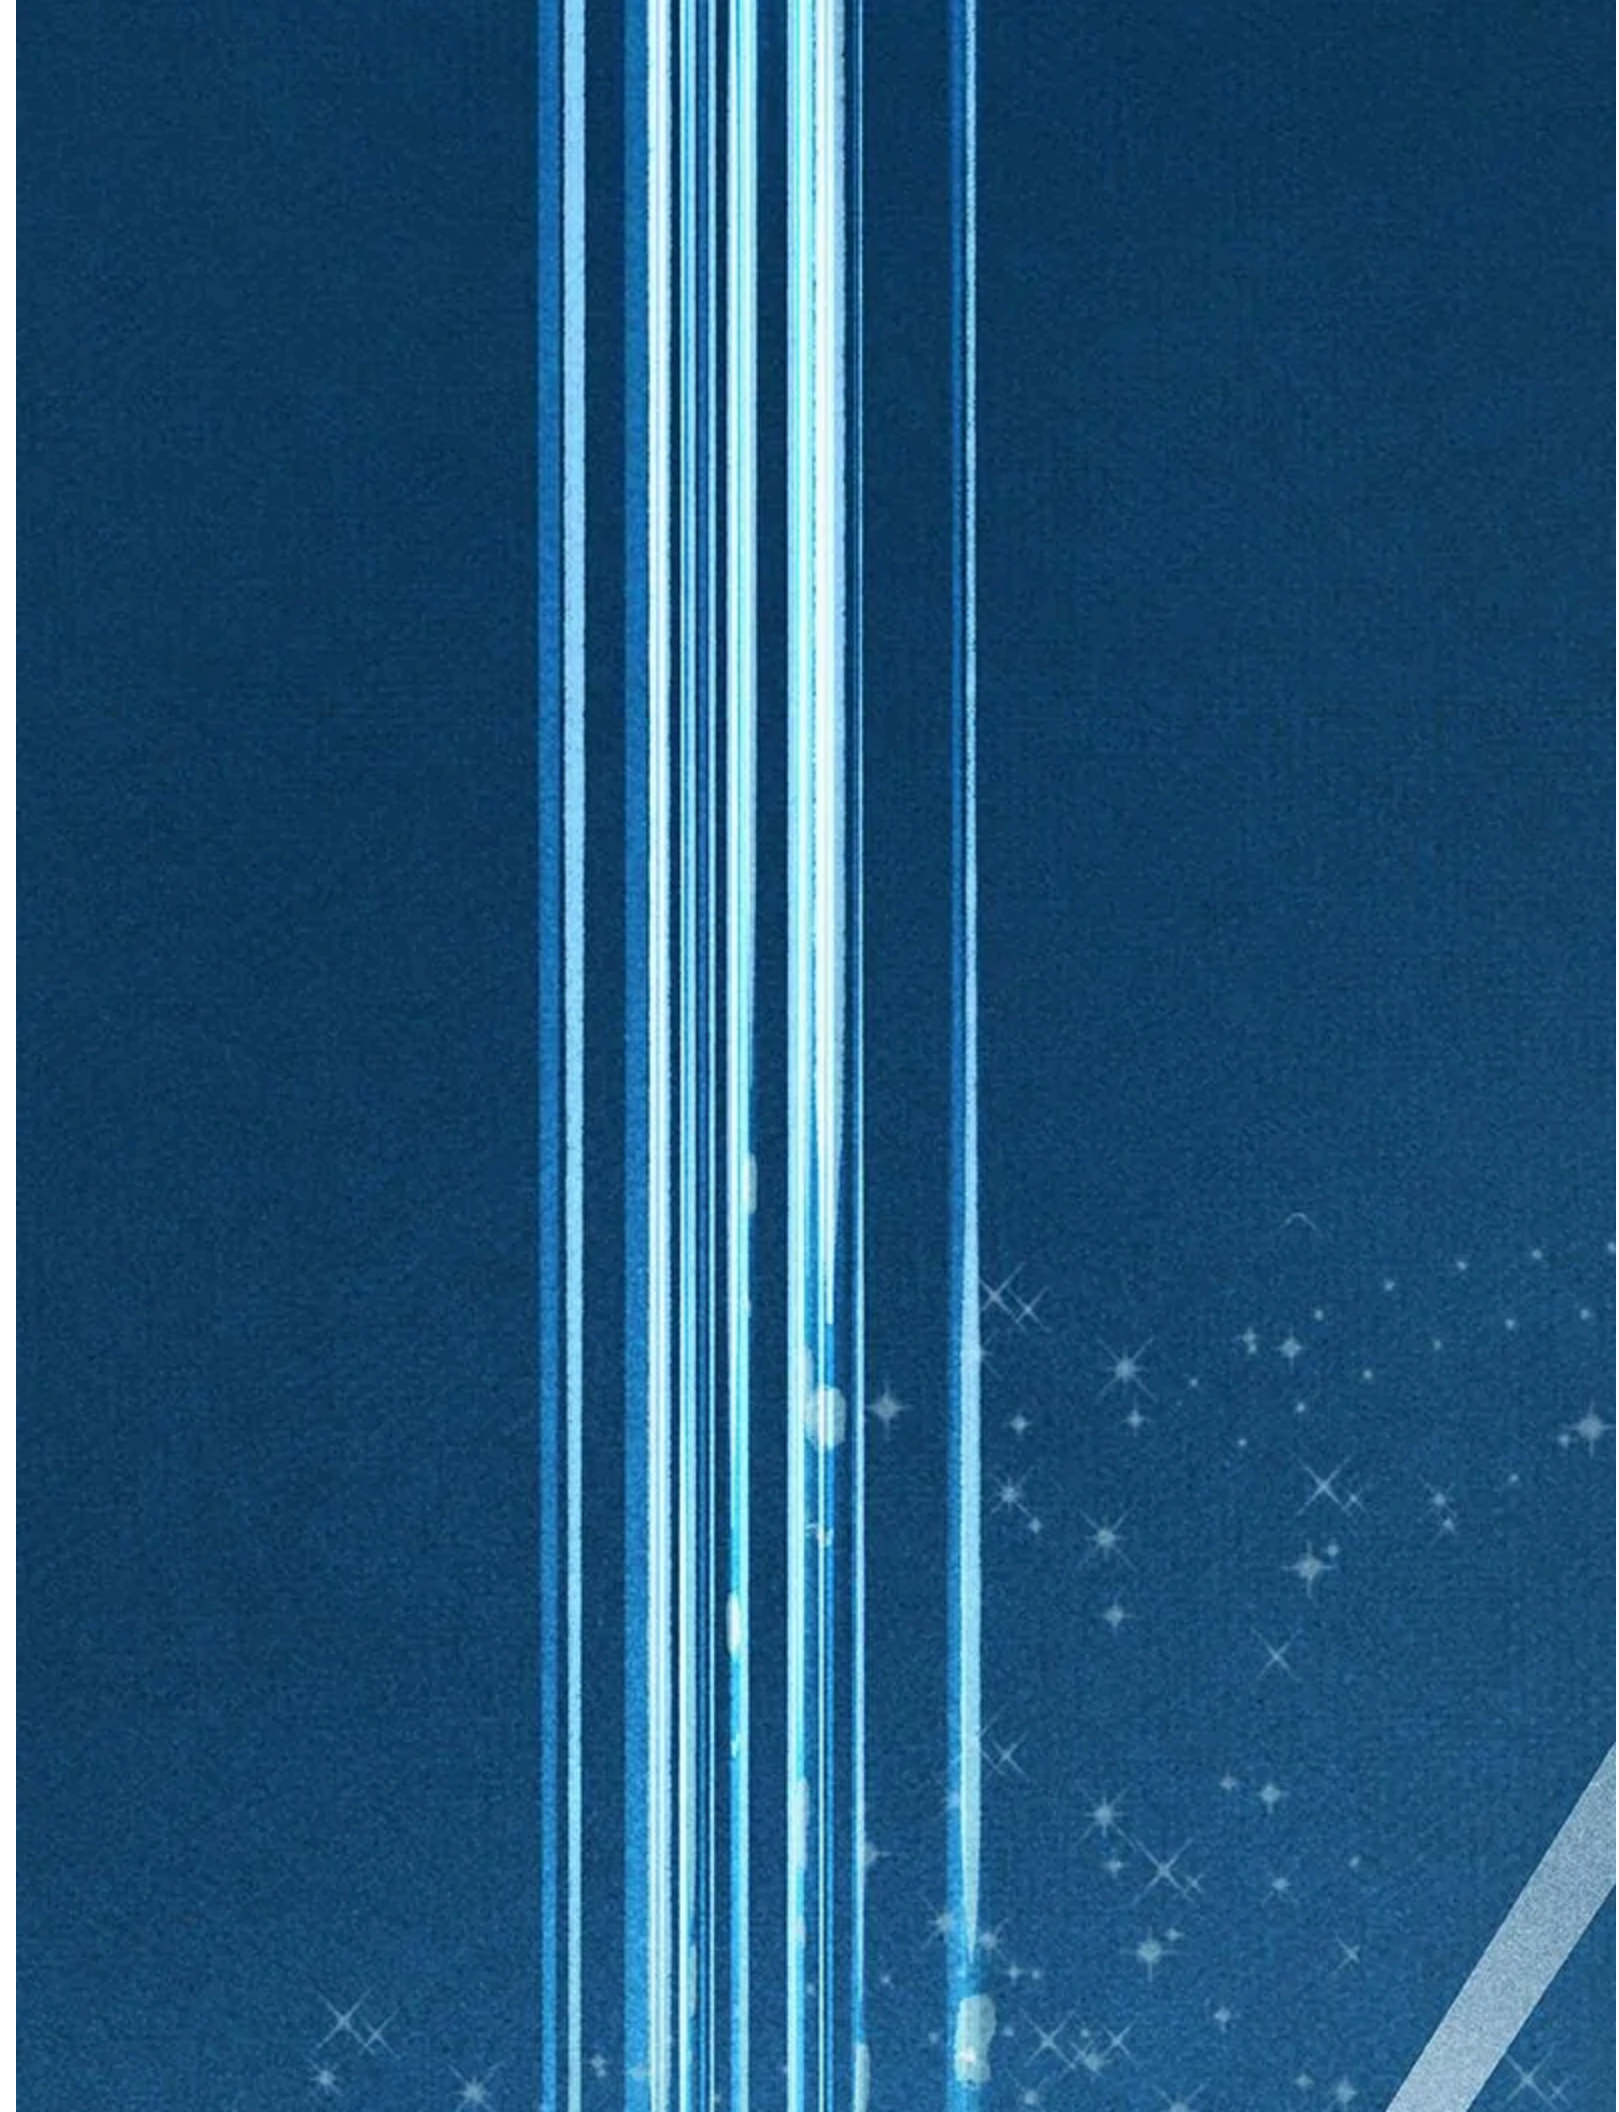

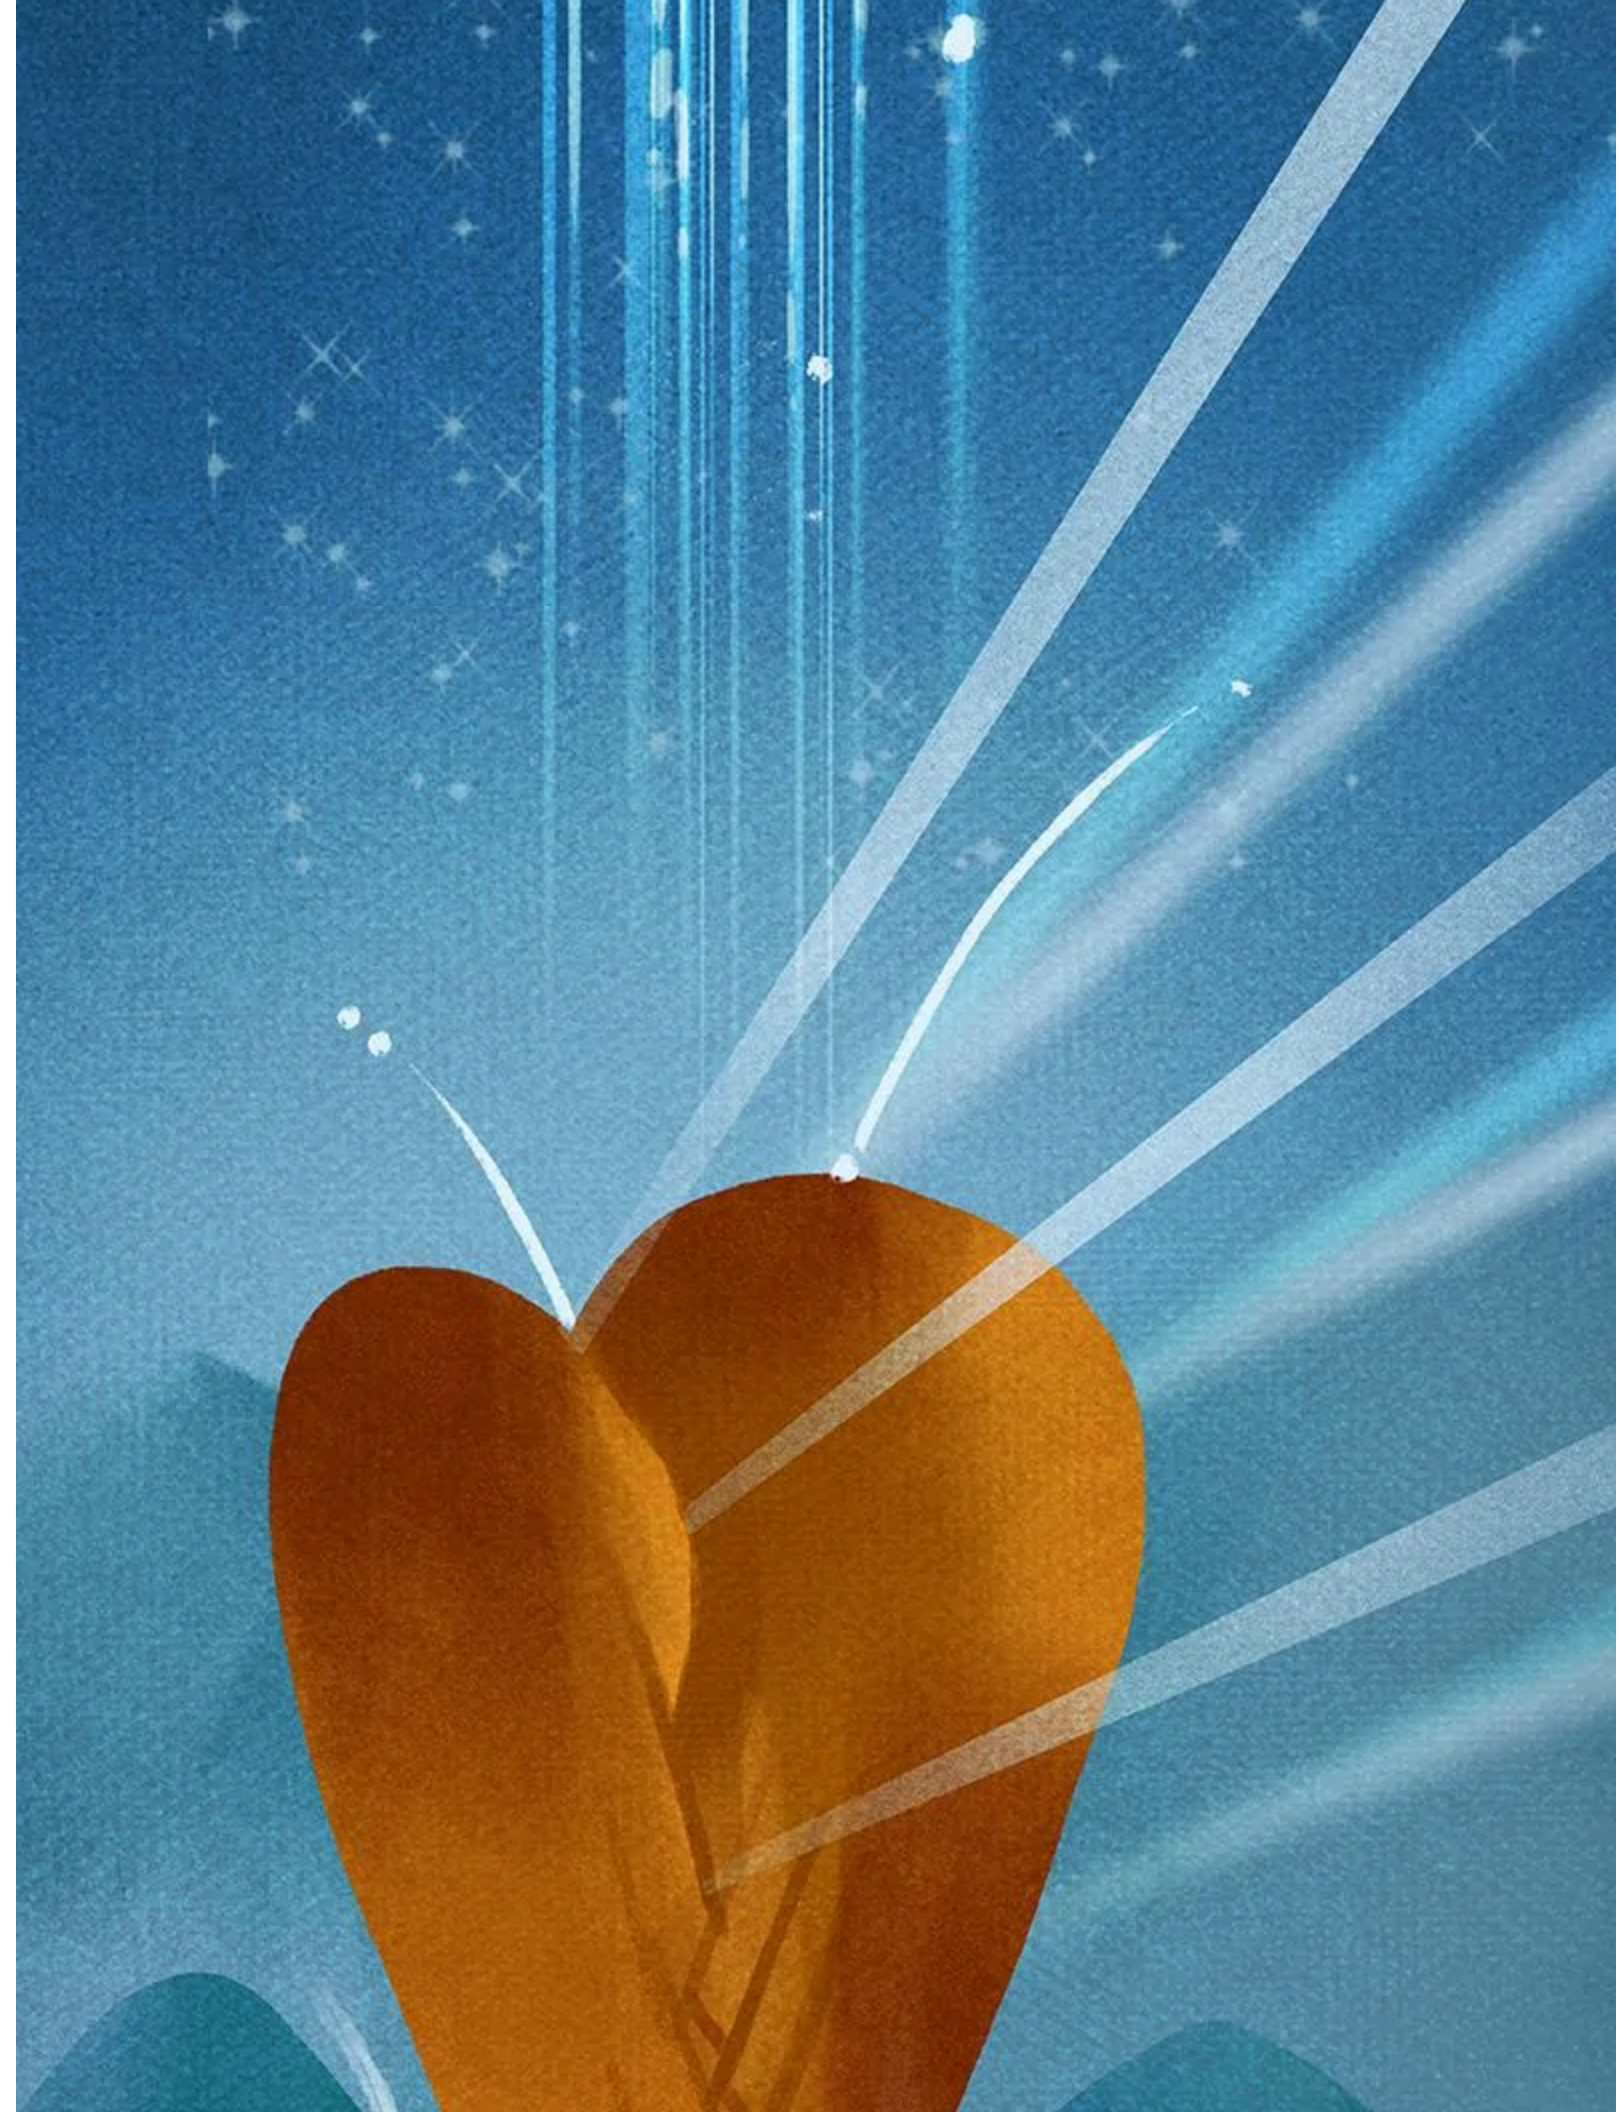

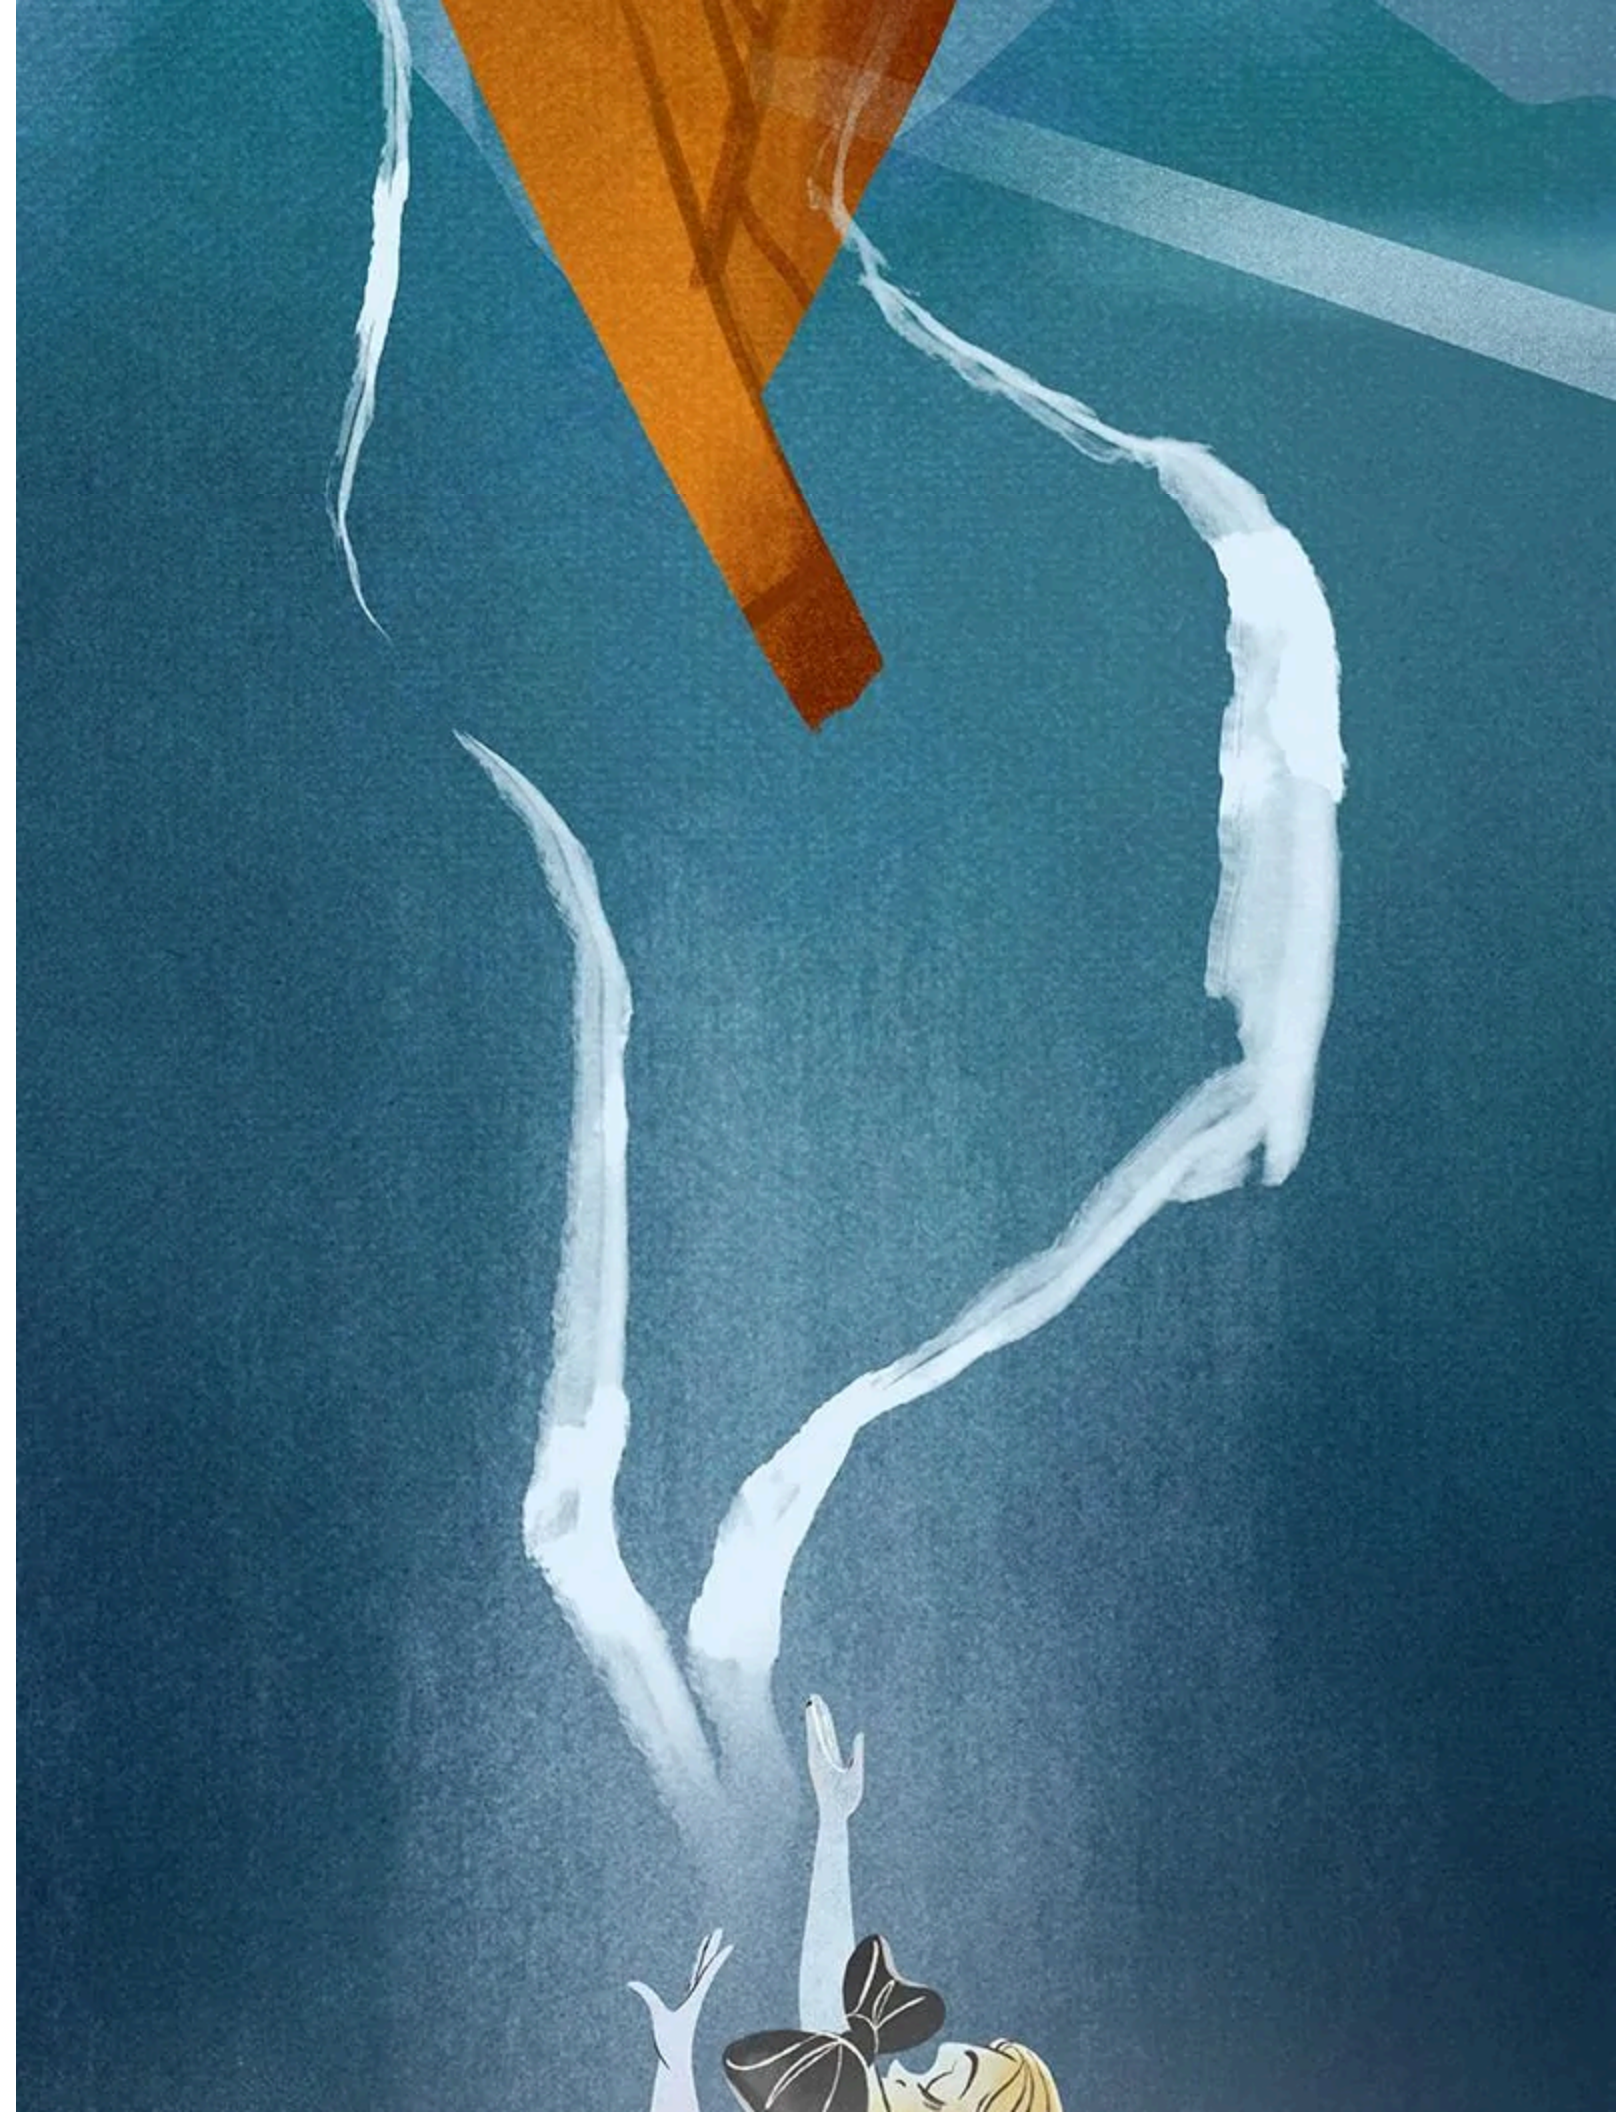

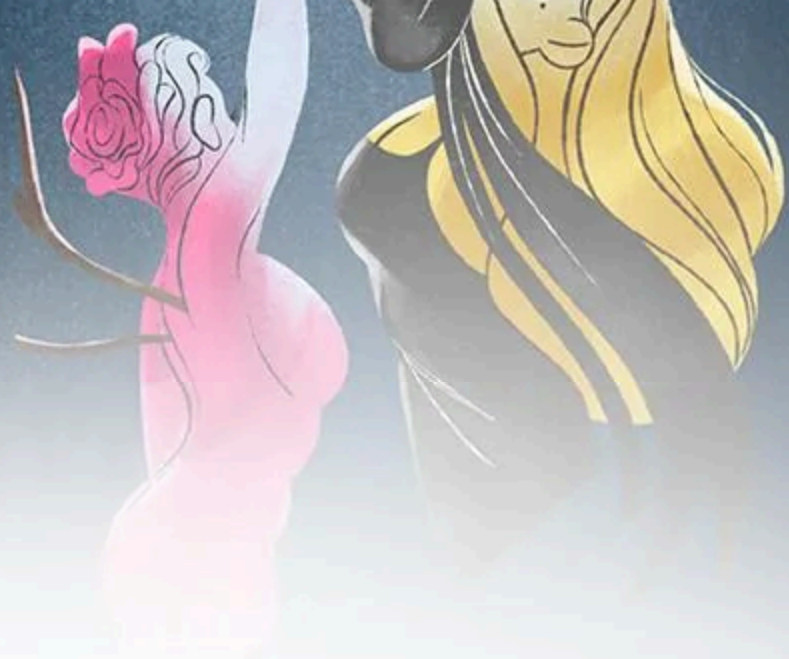

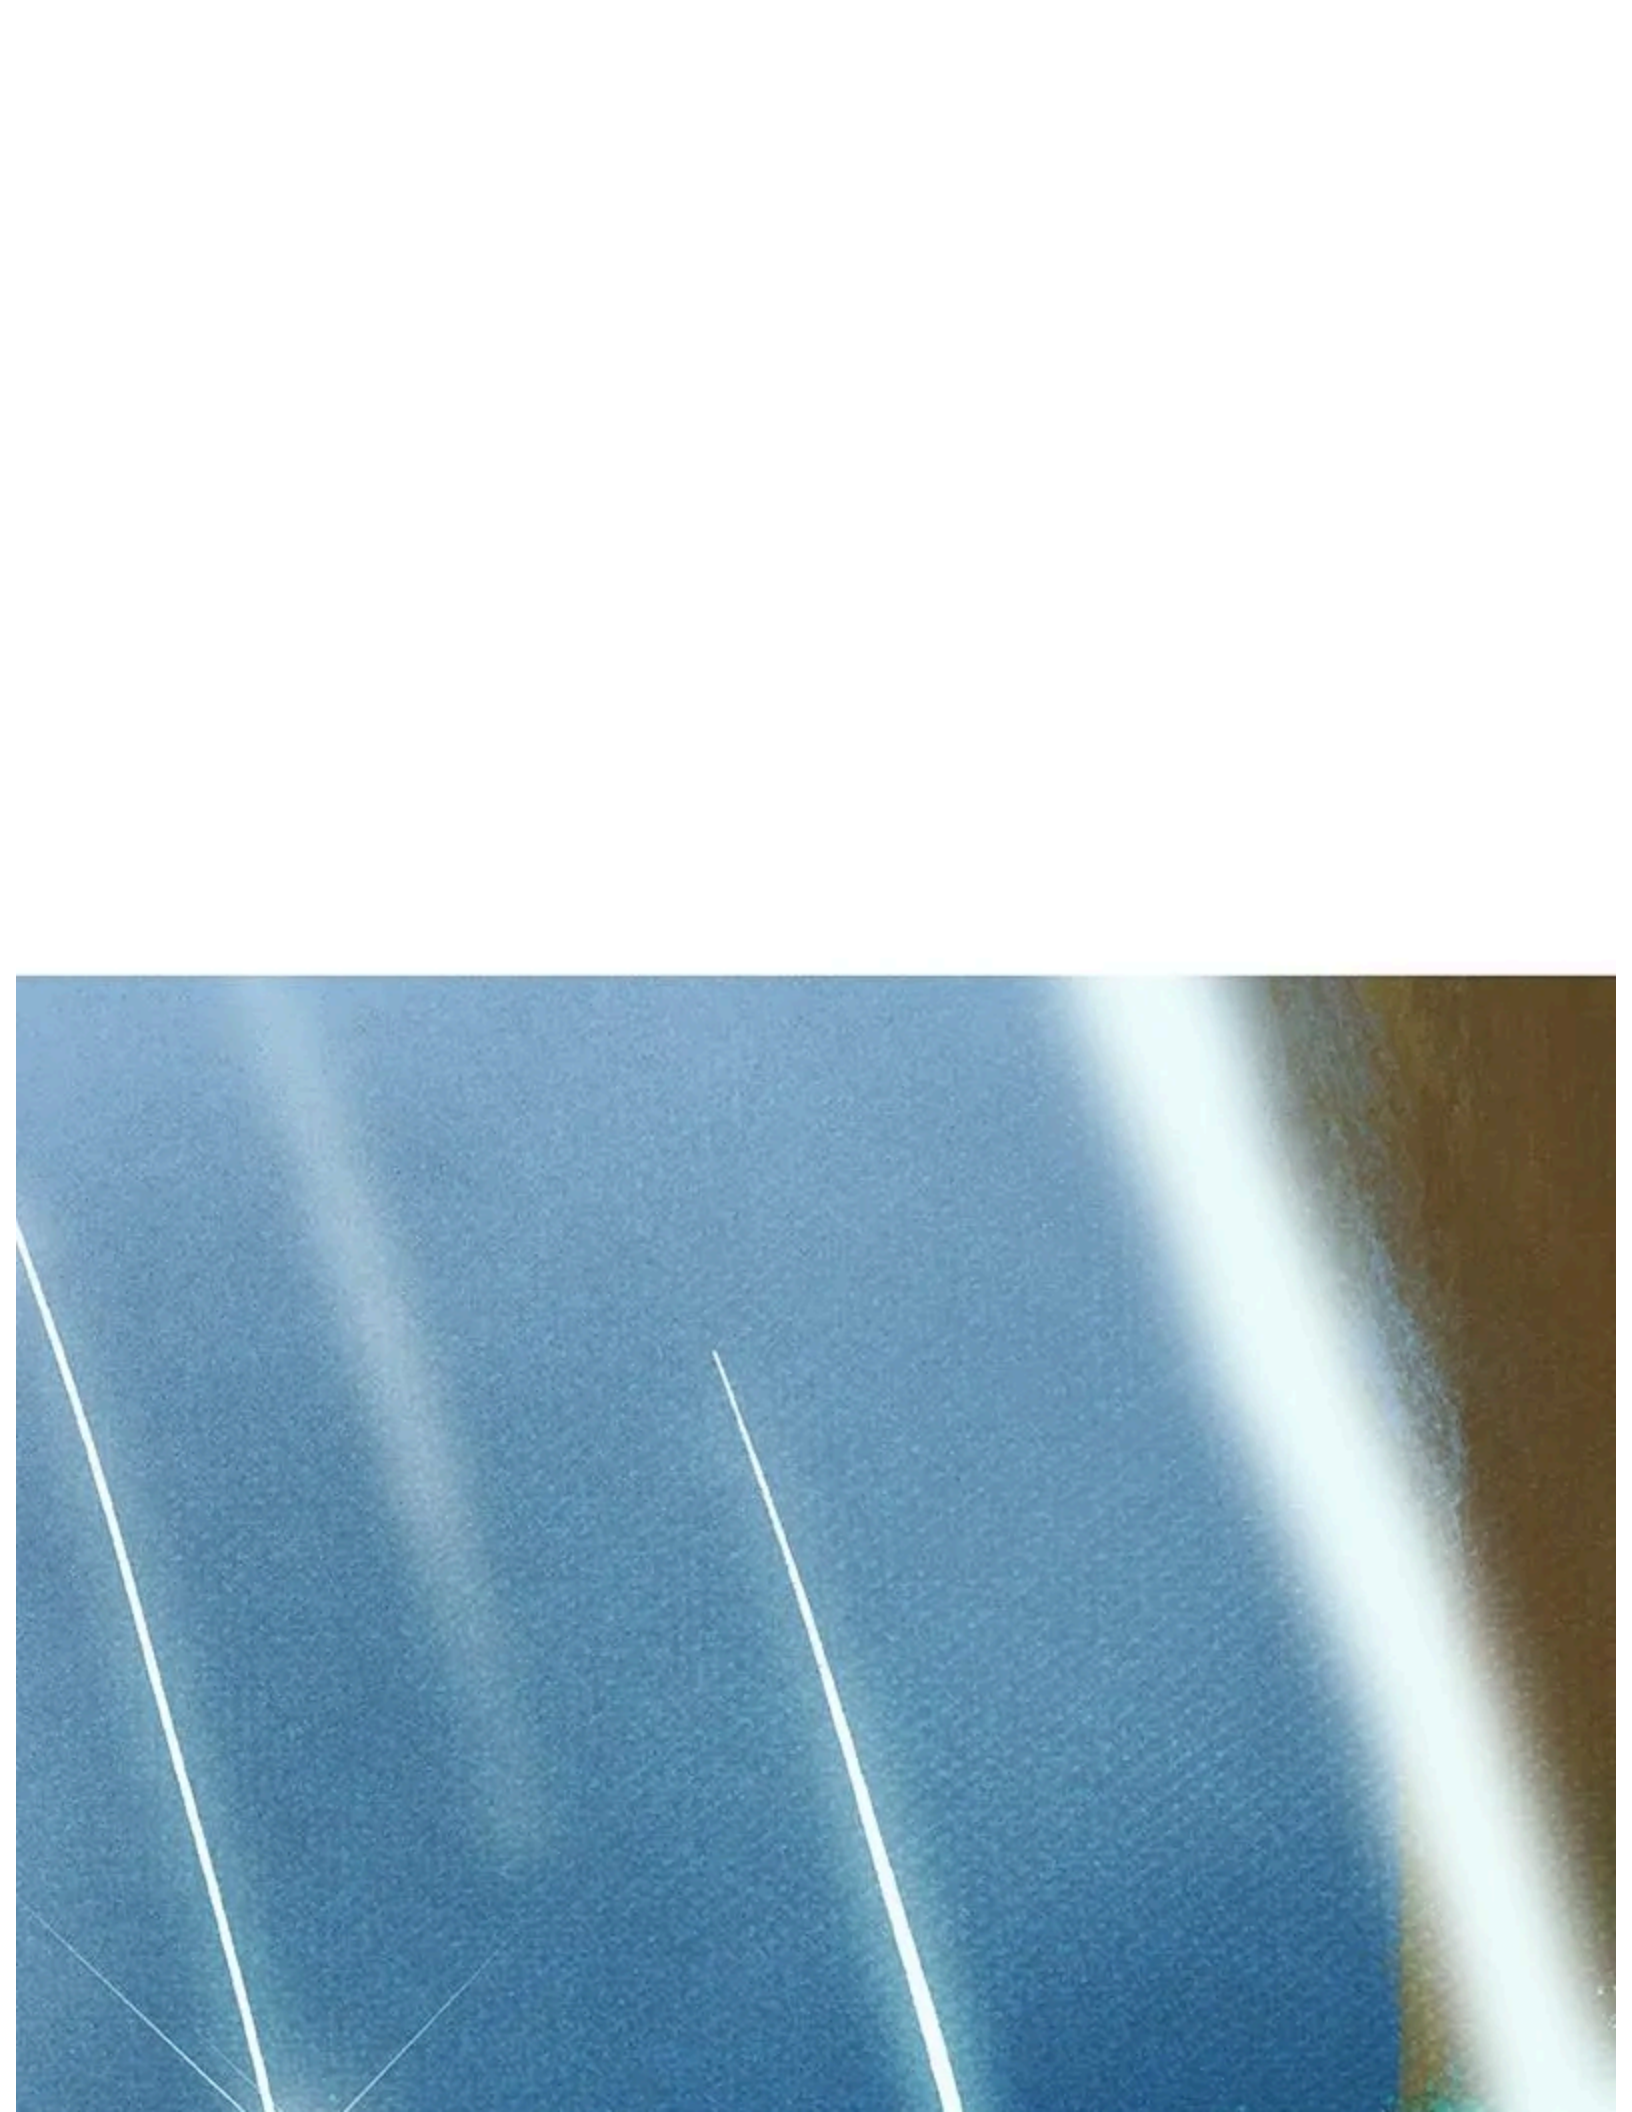

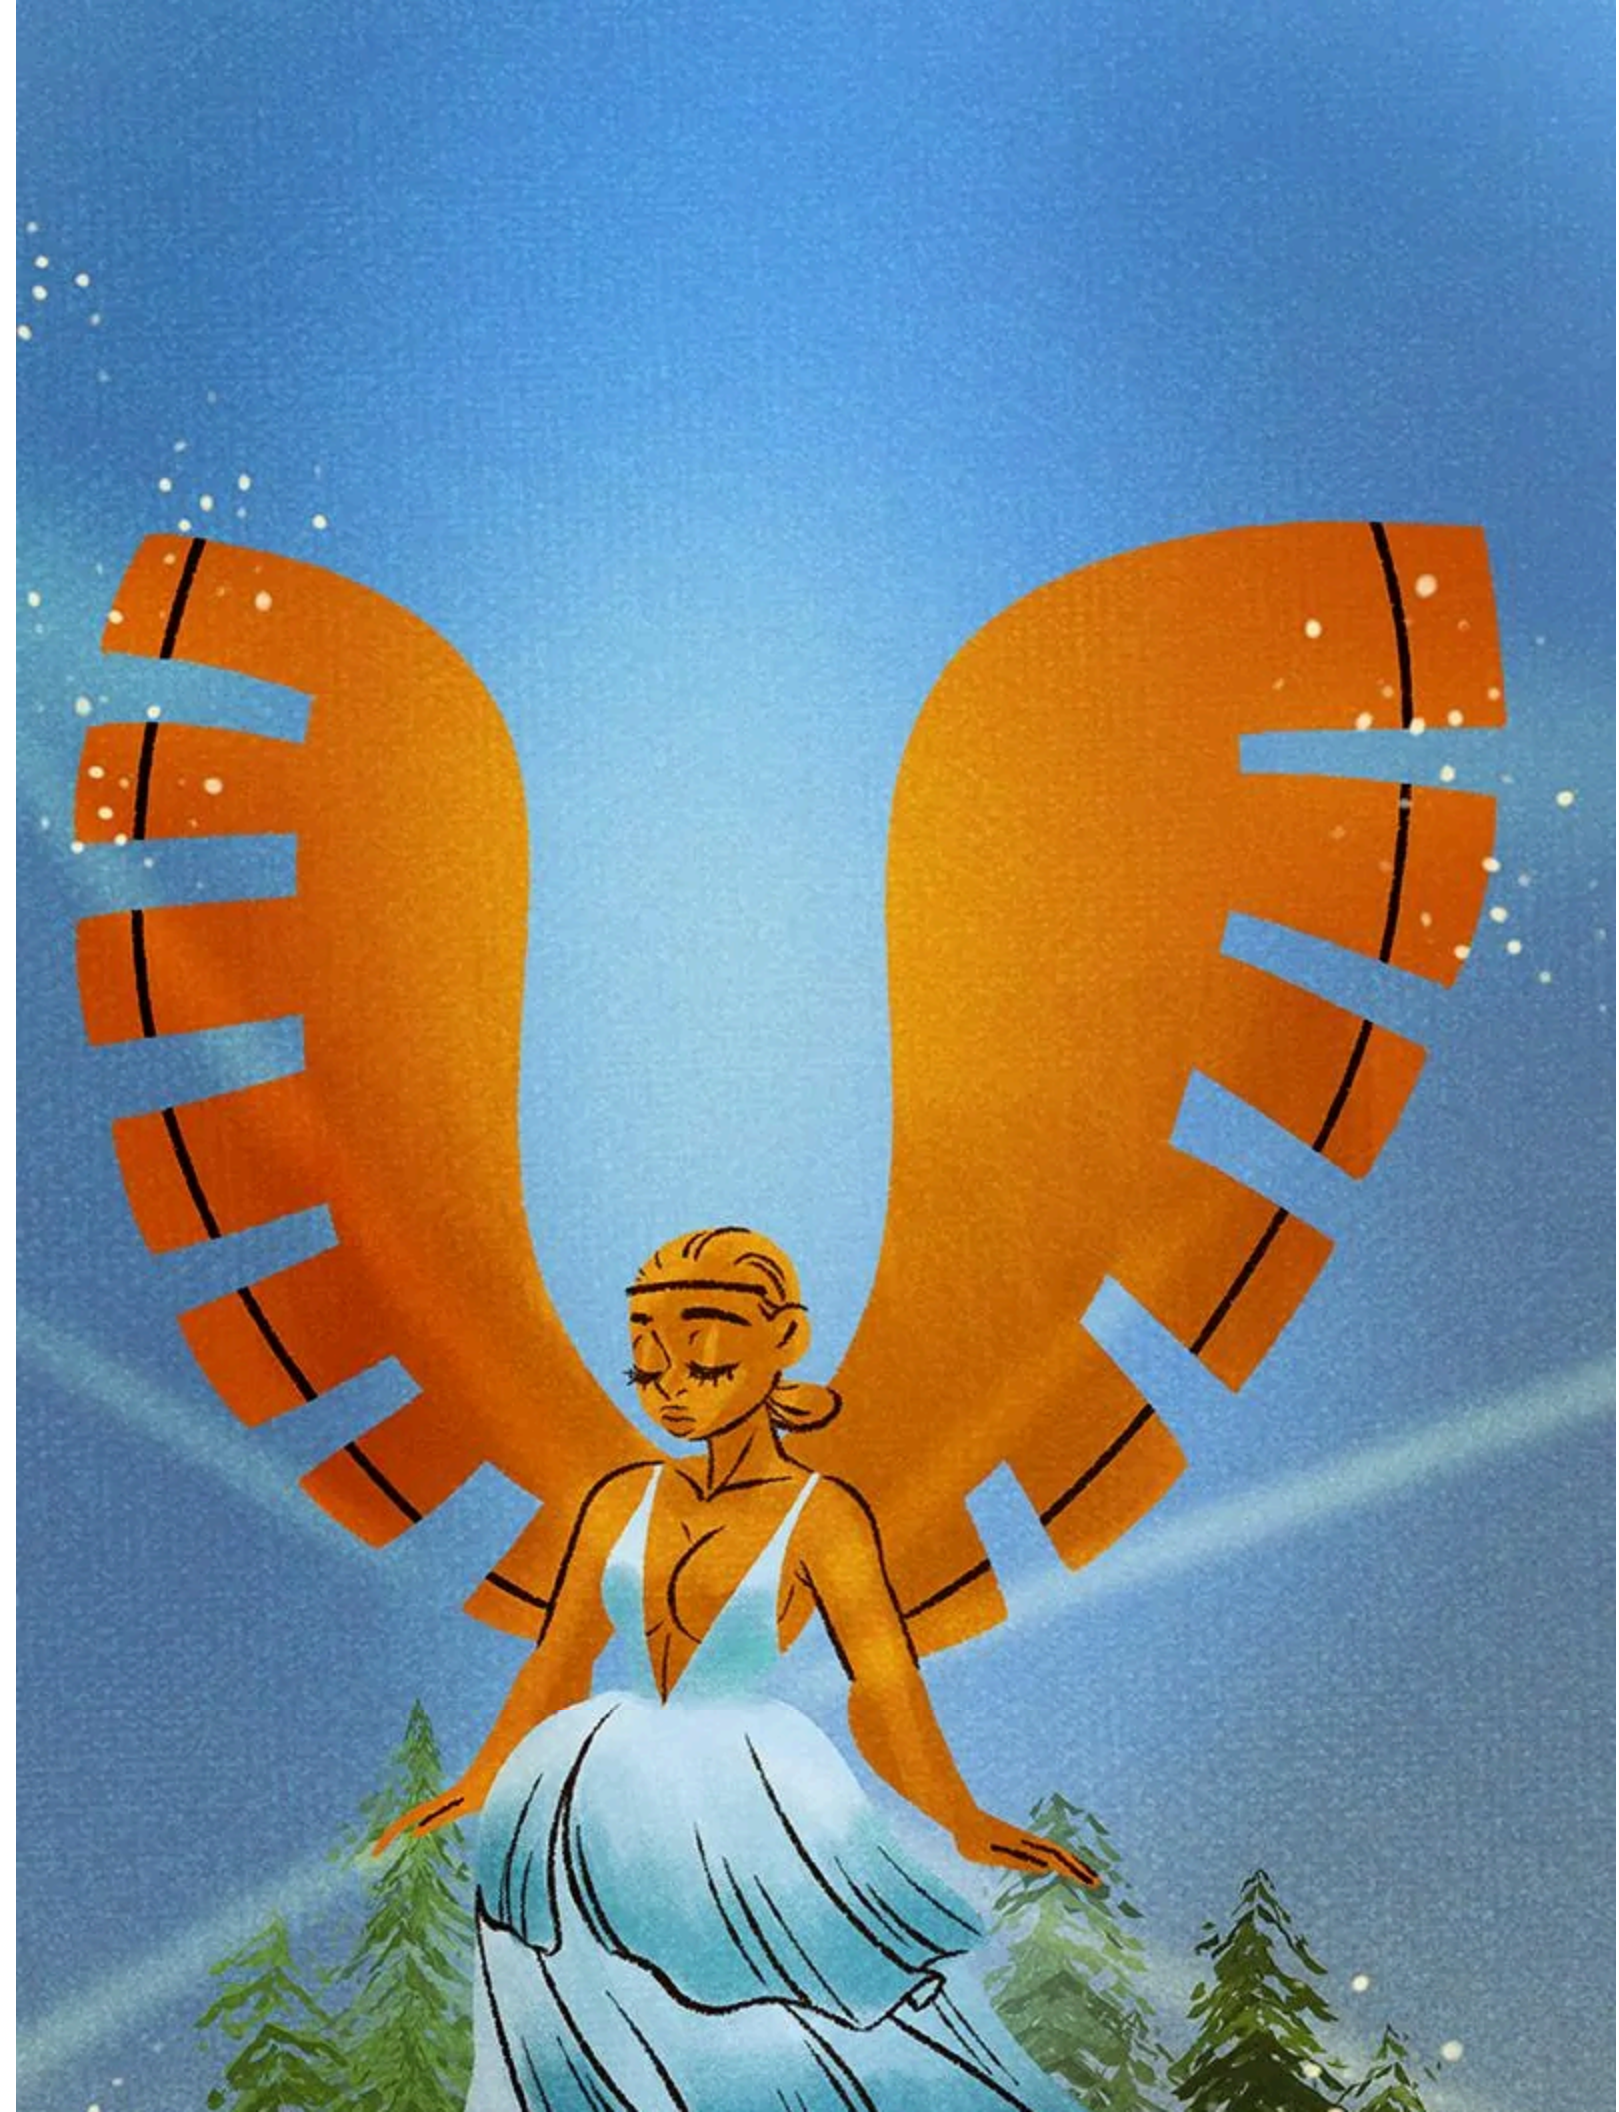

Metis?

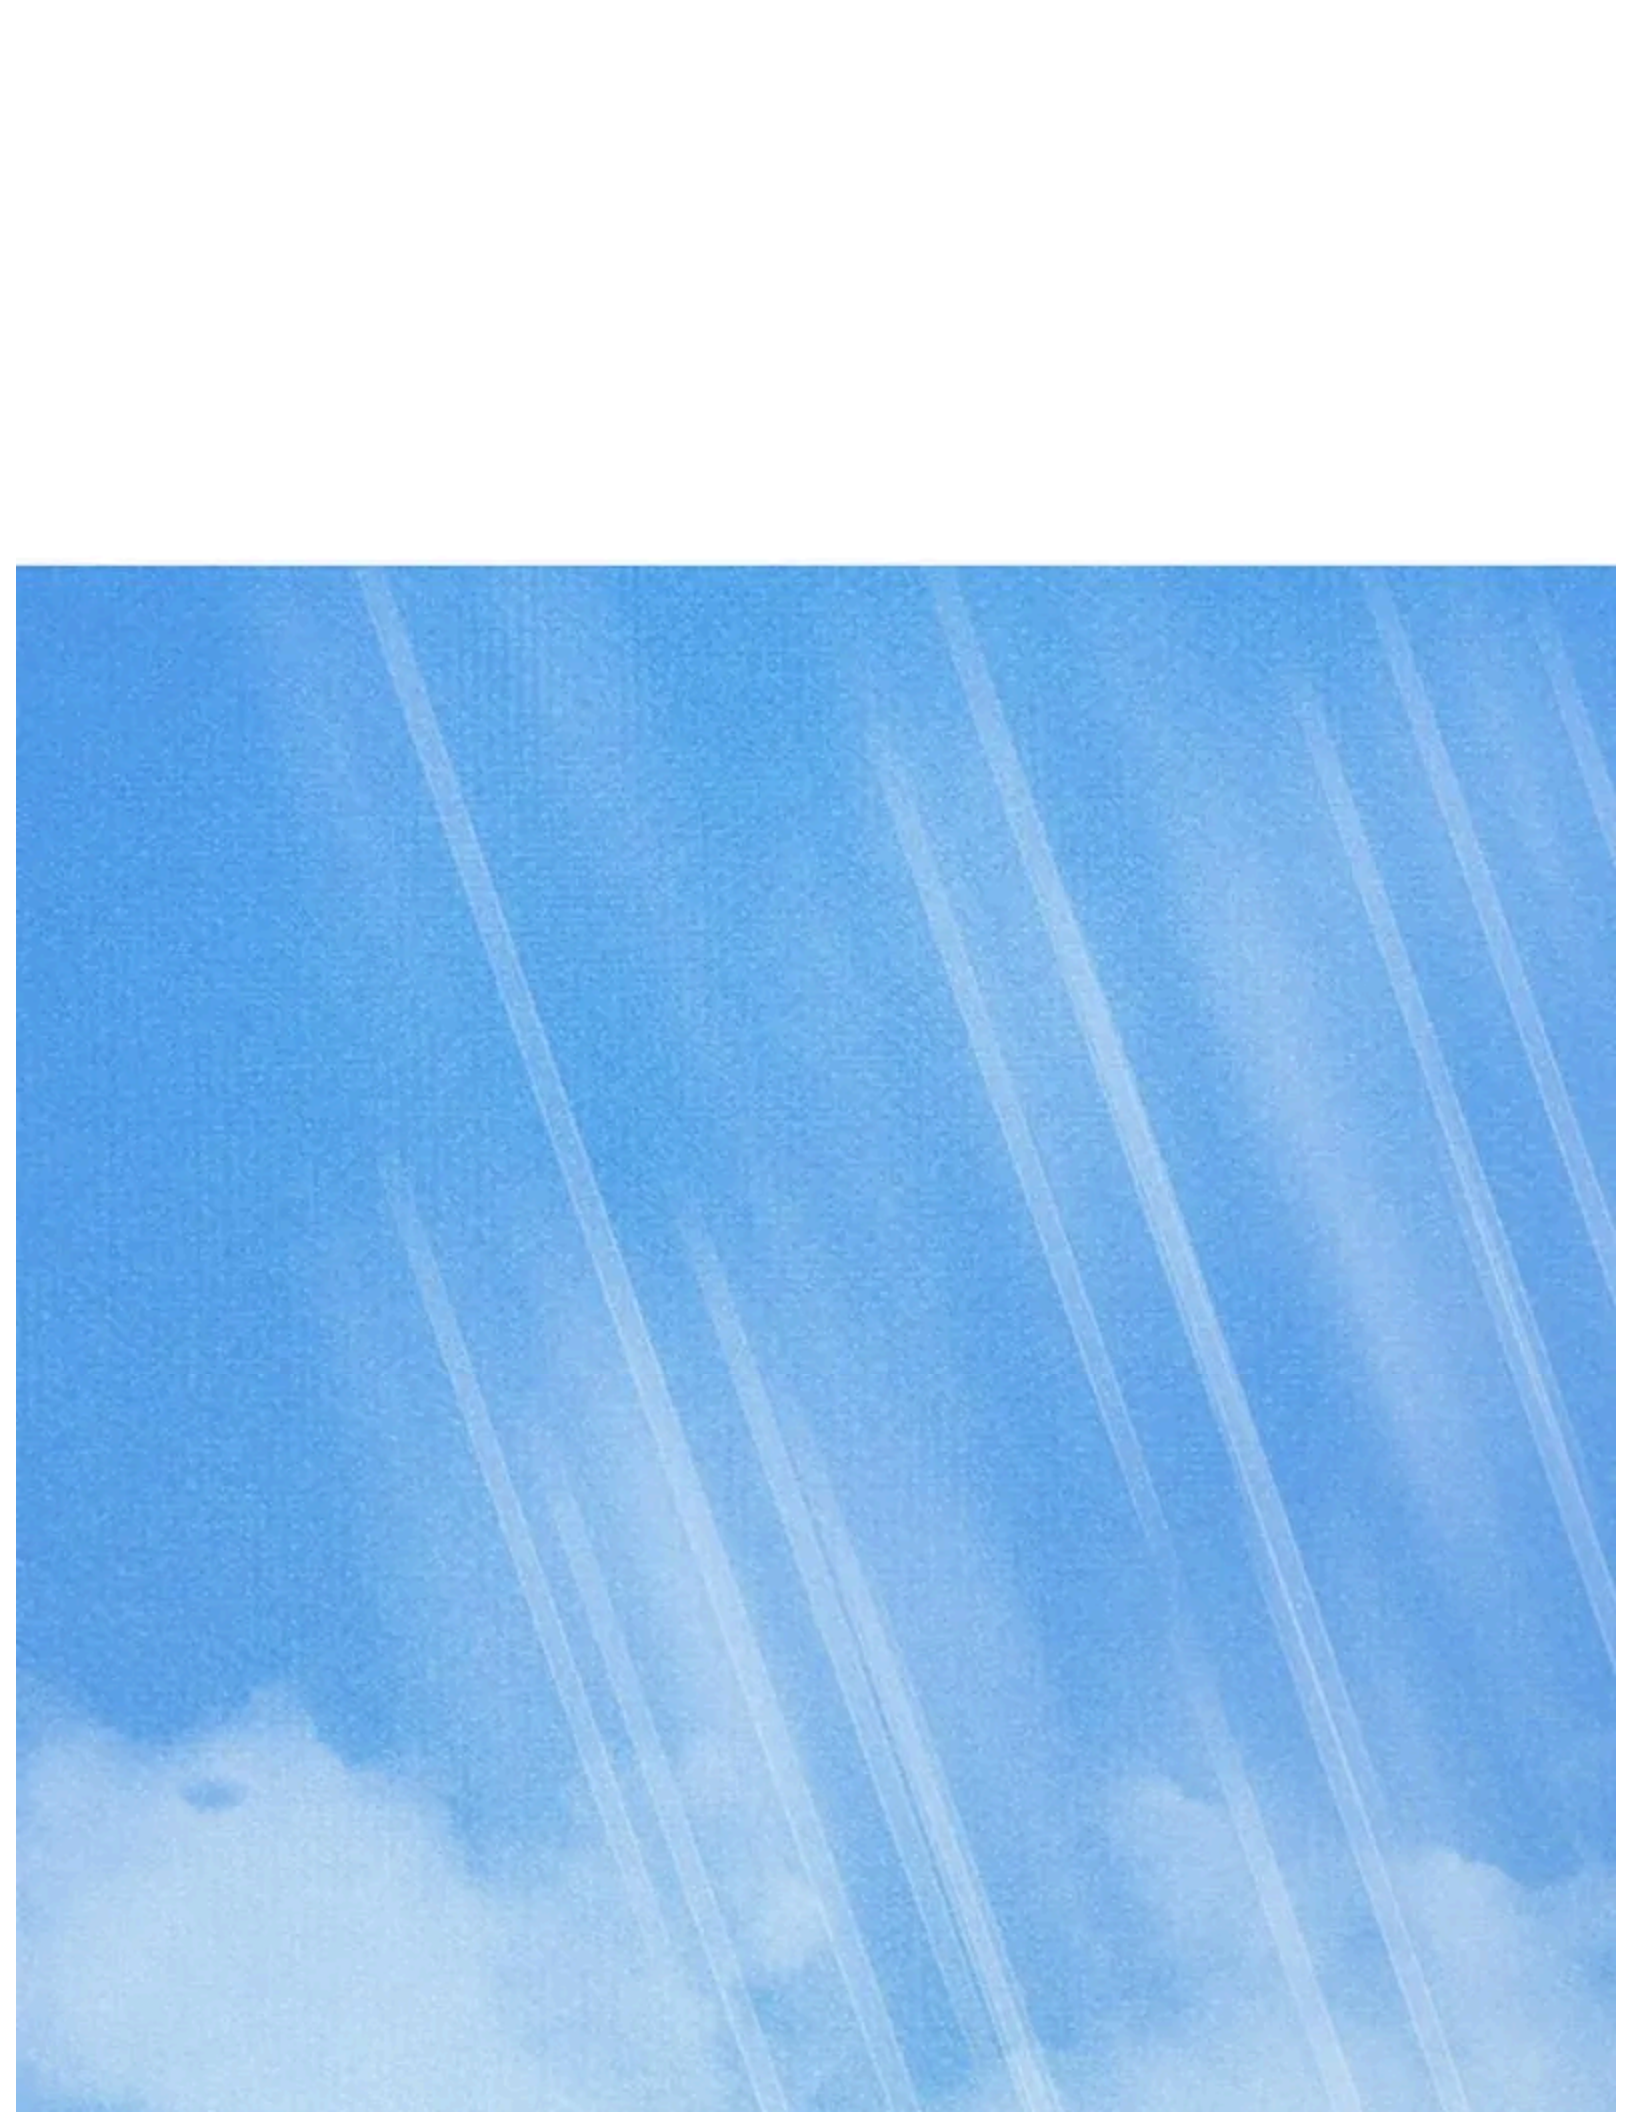

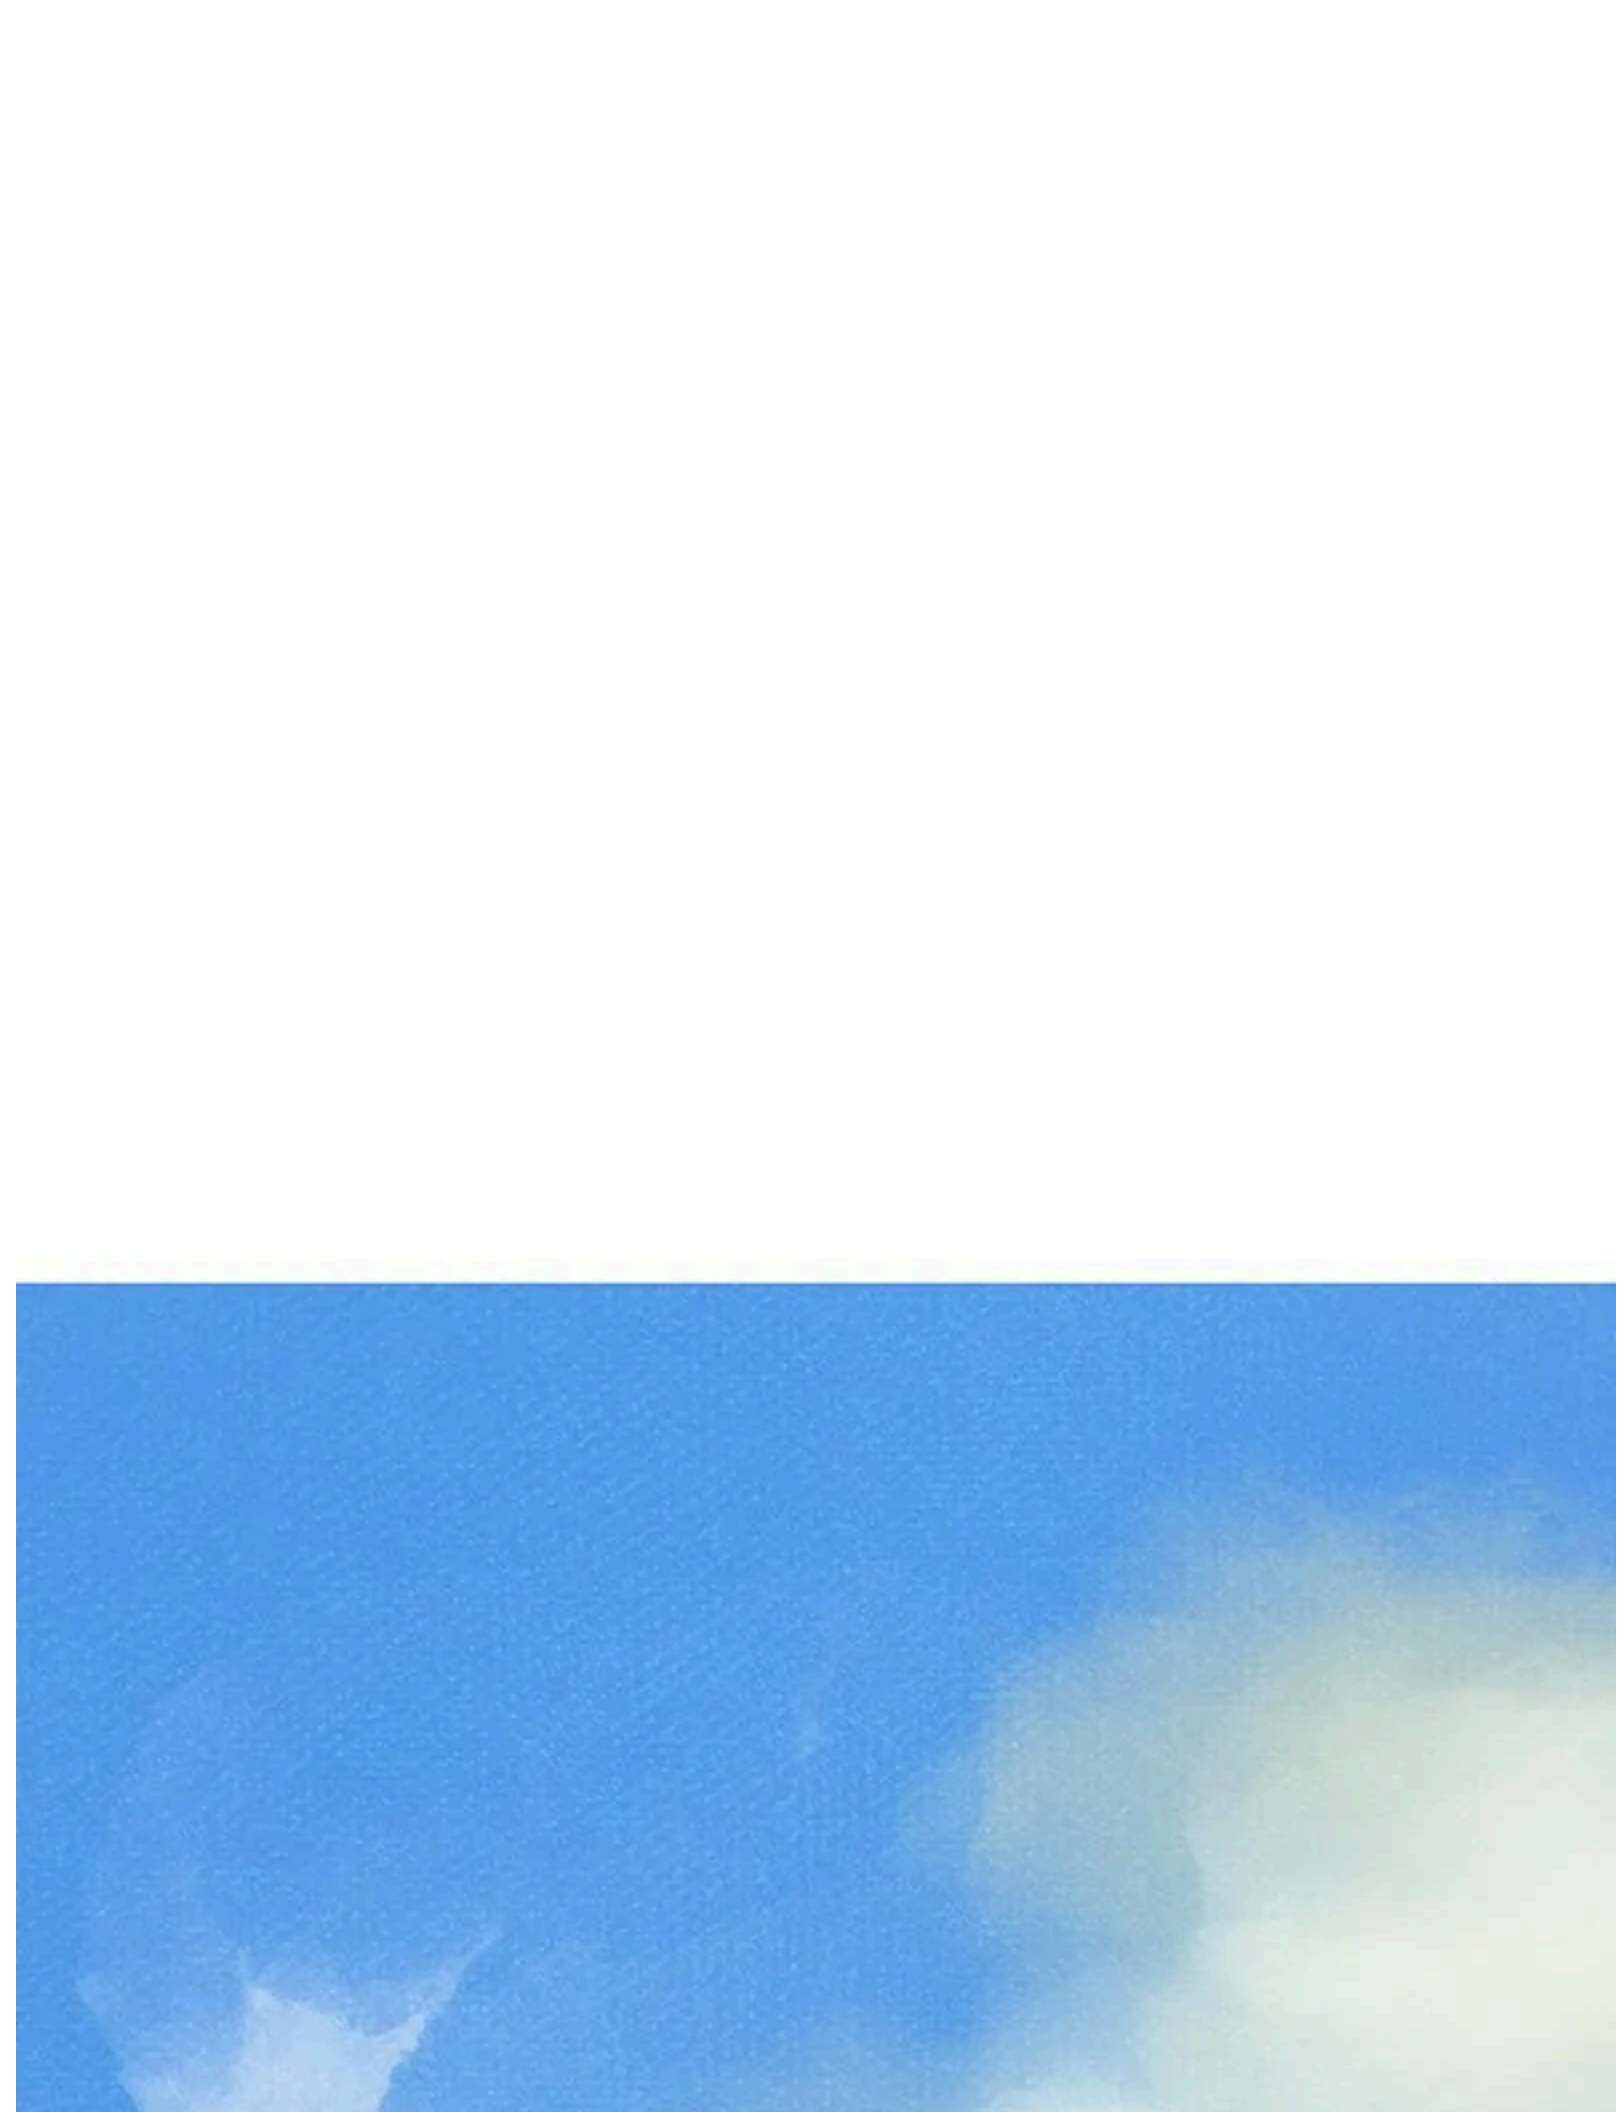

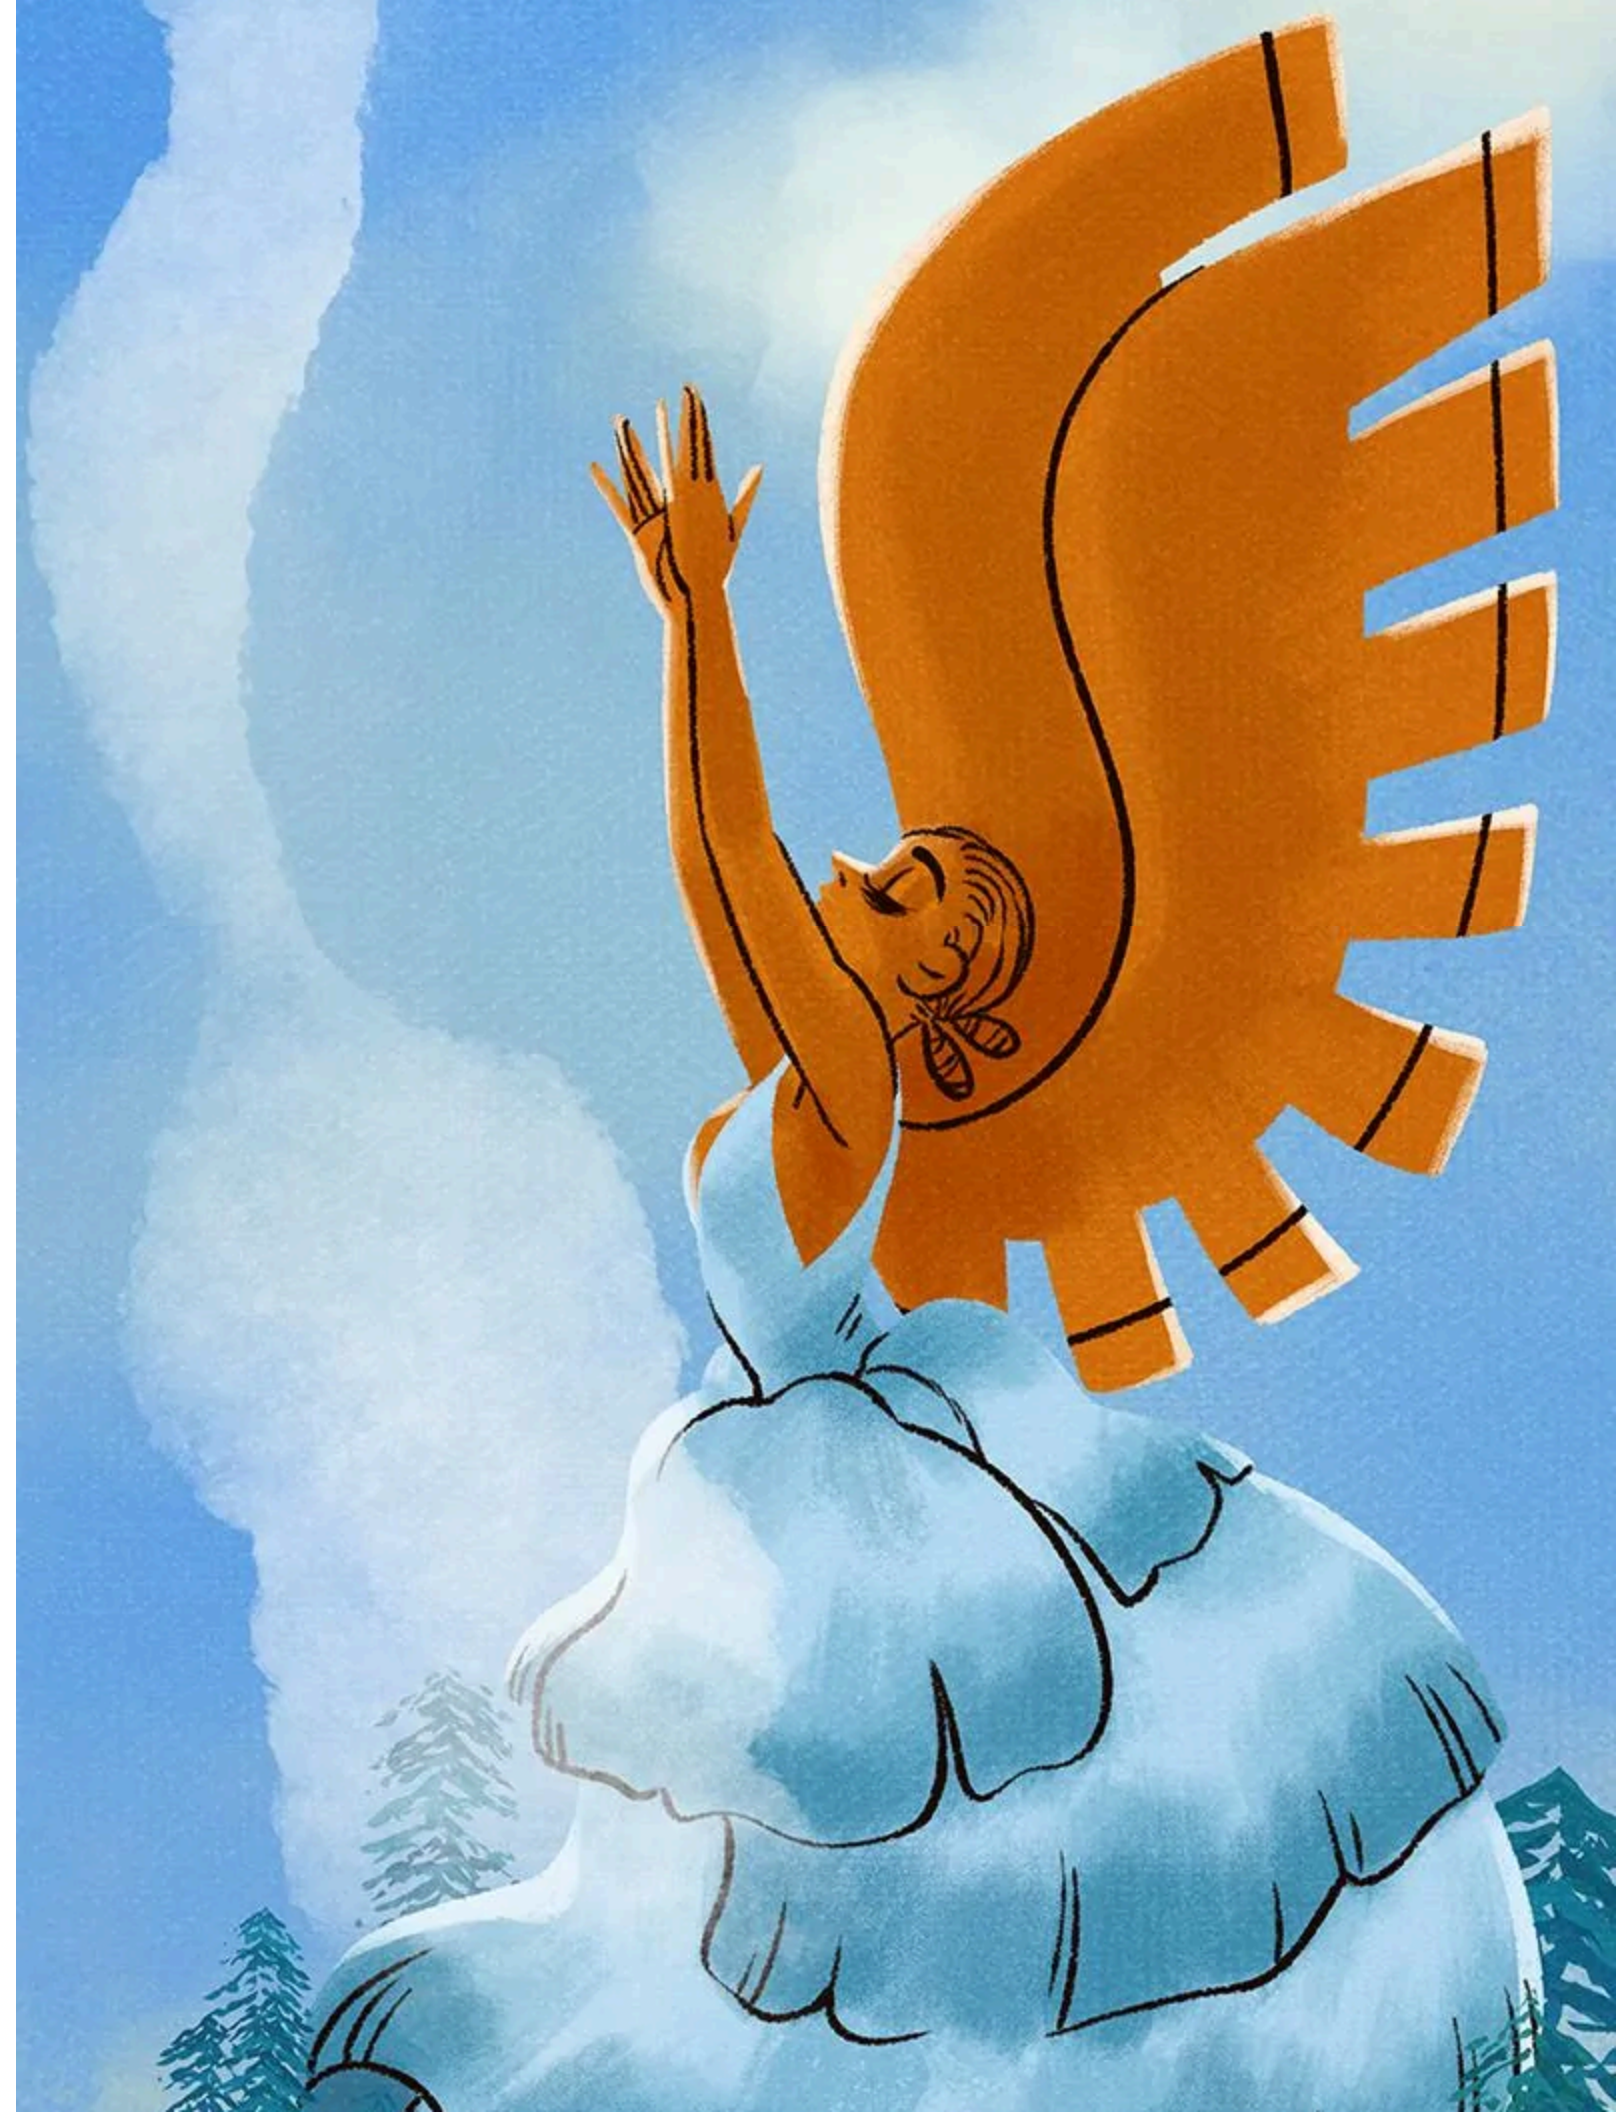

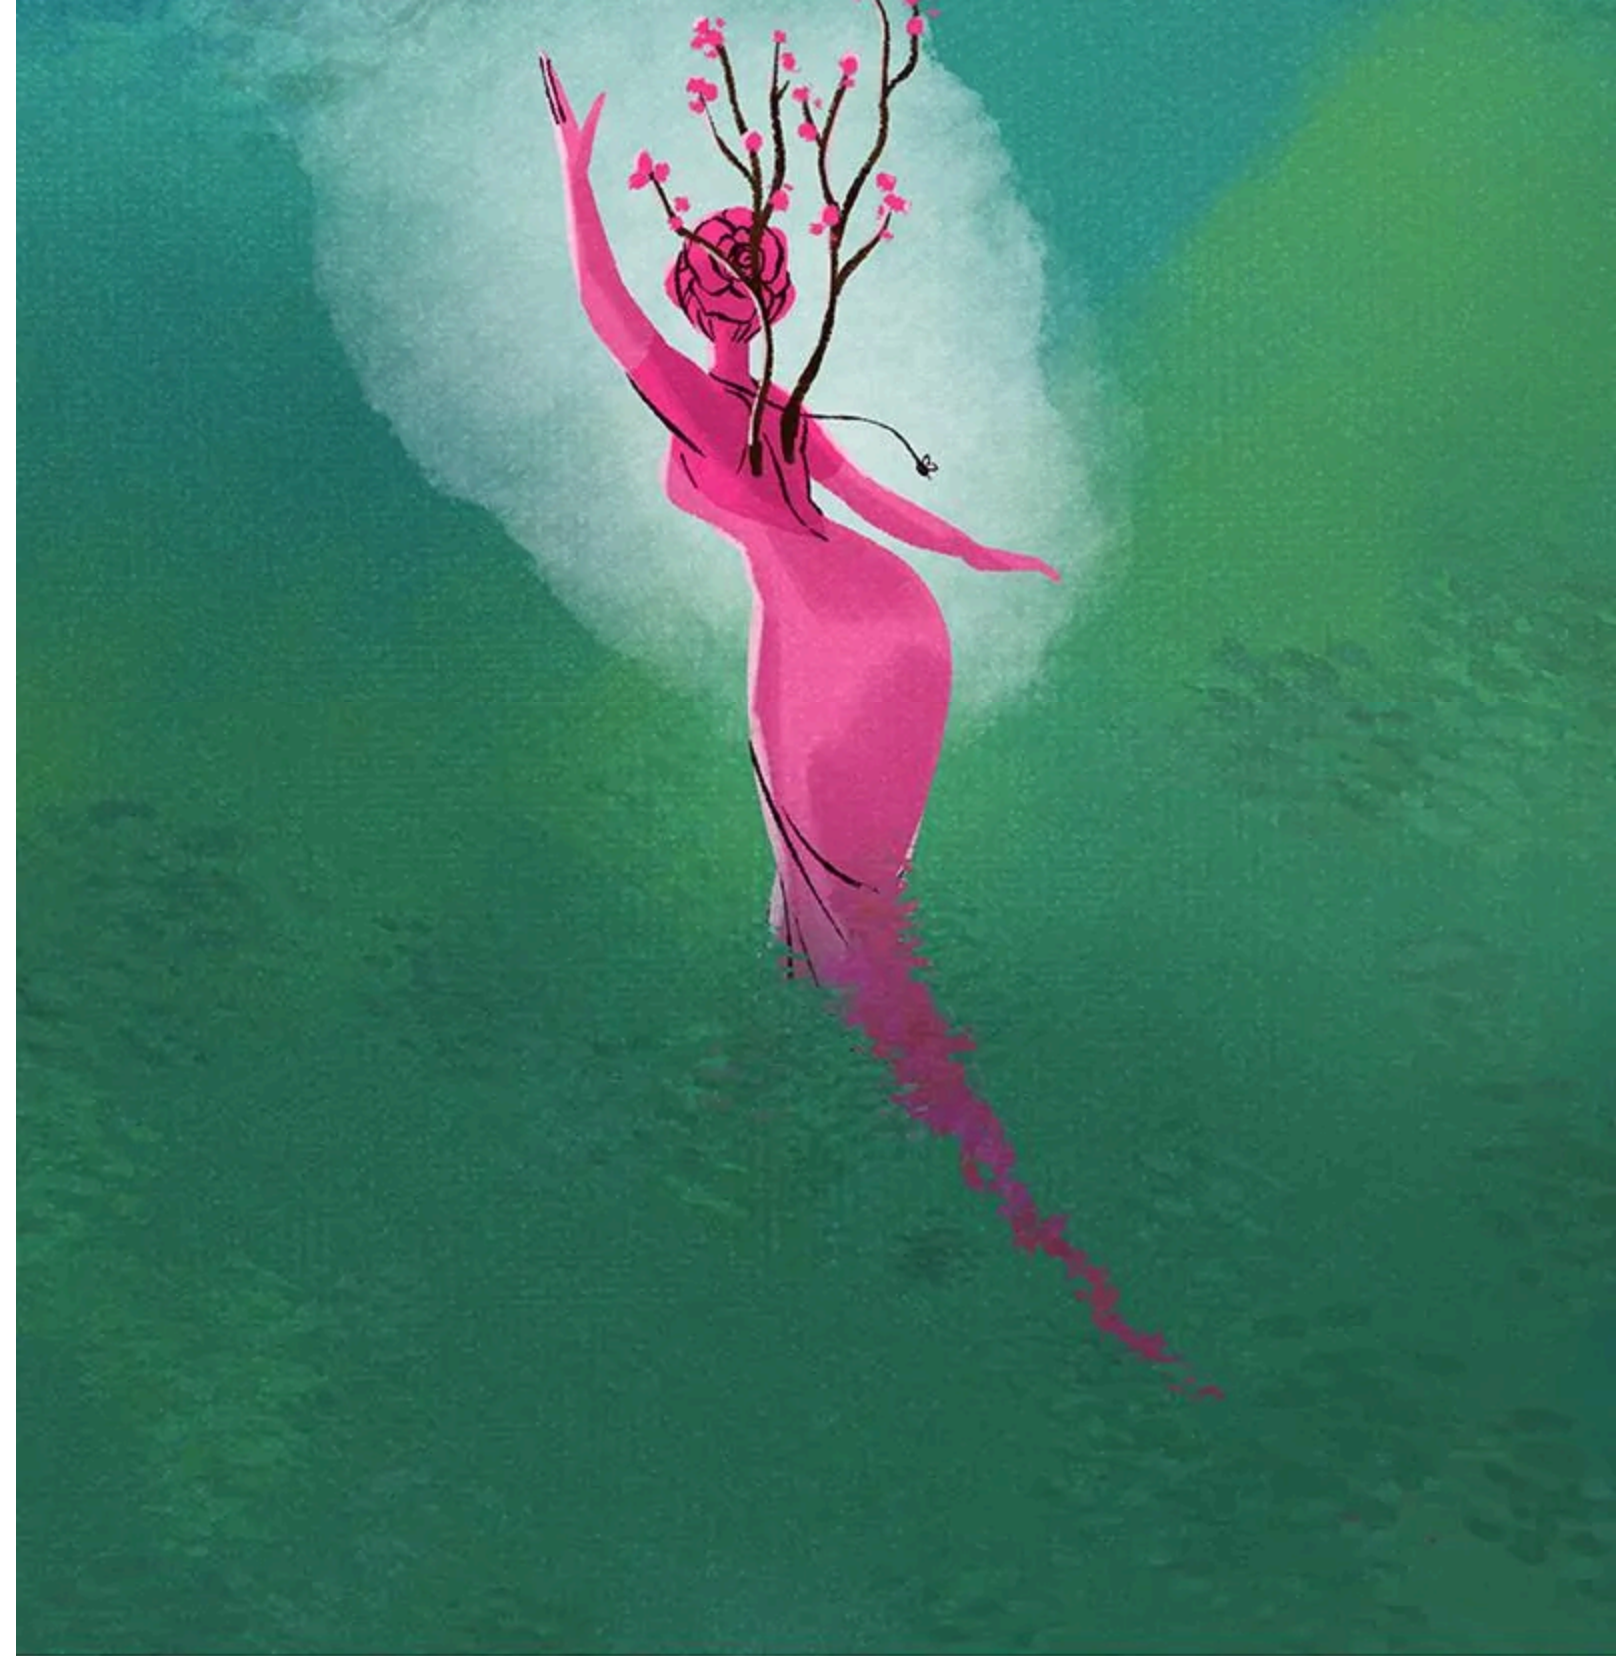

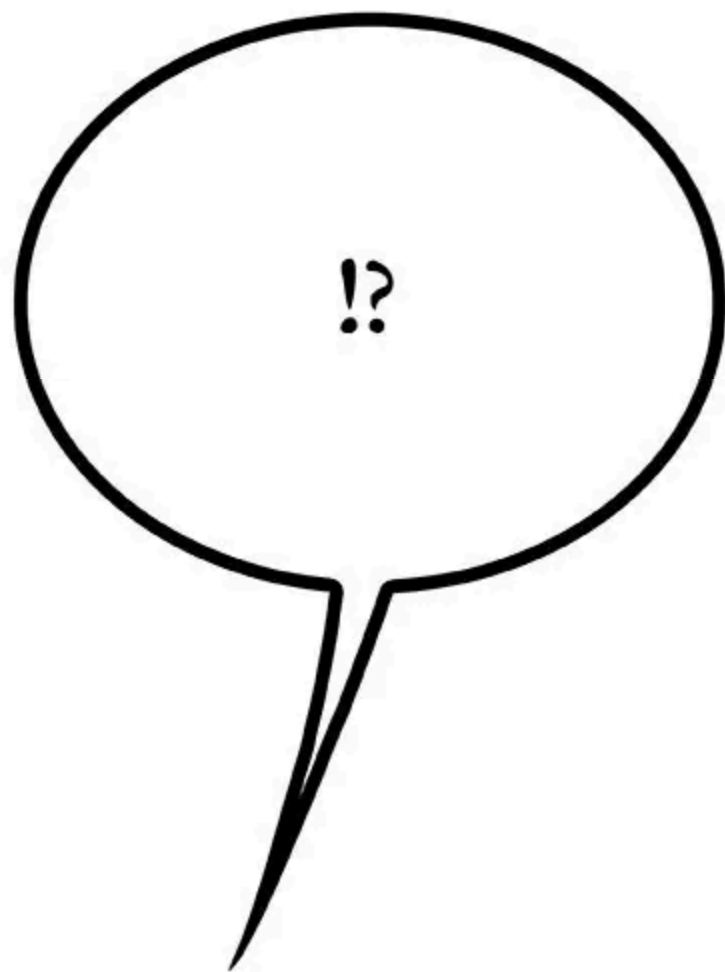

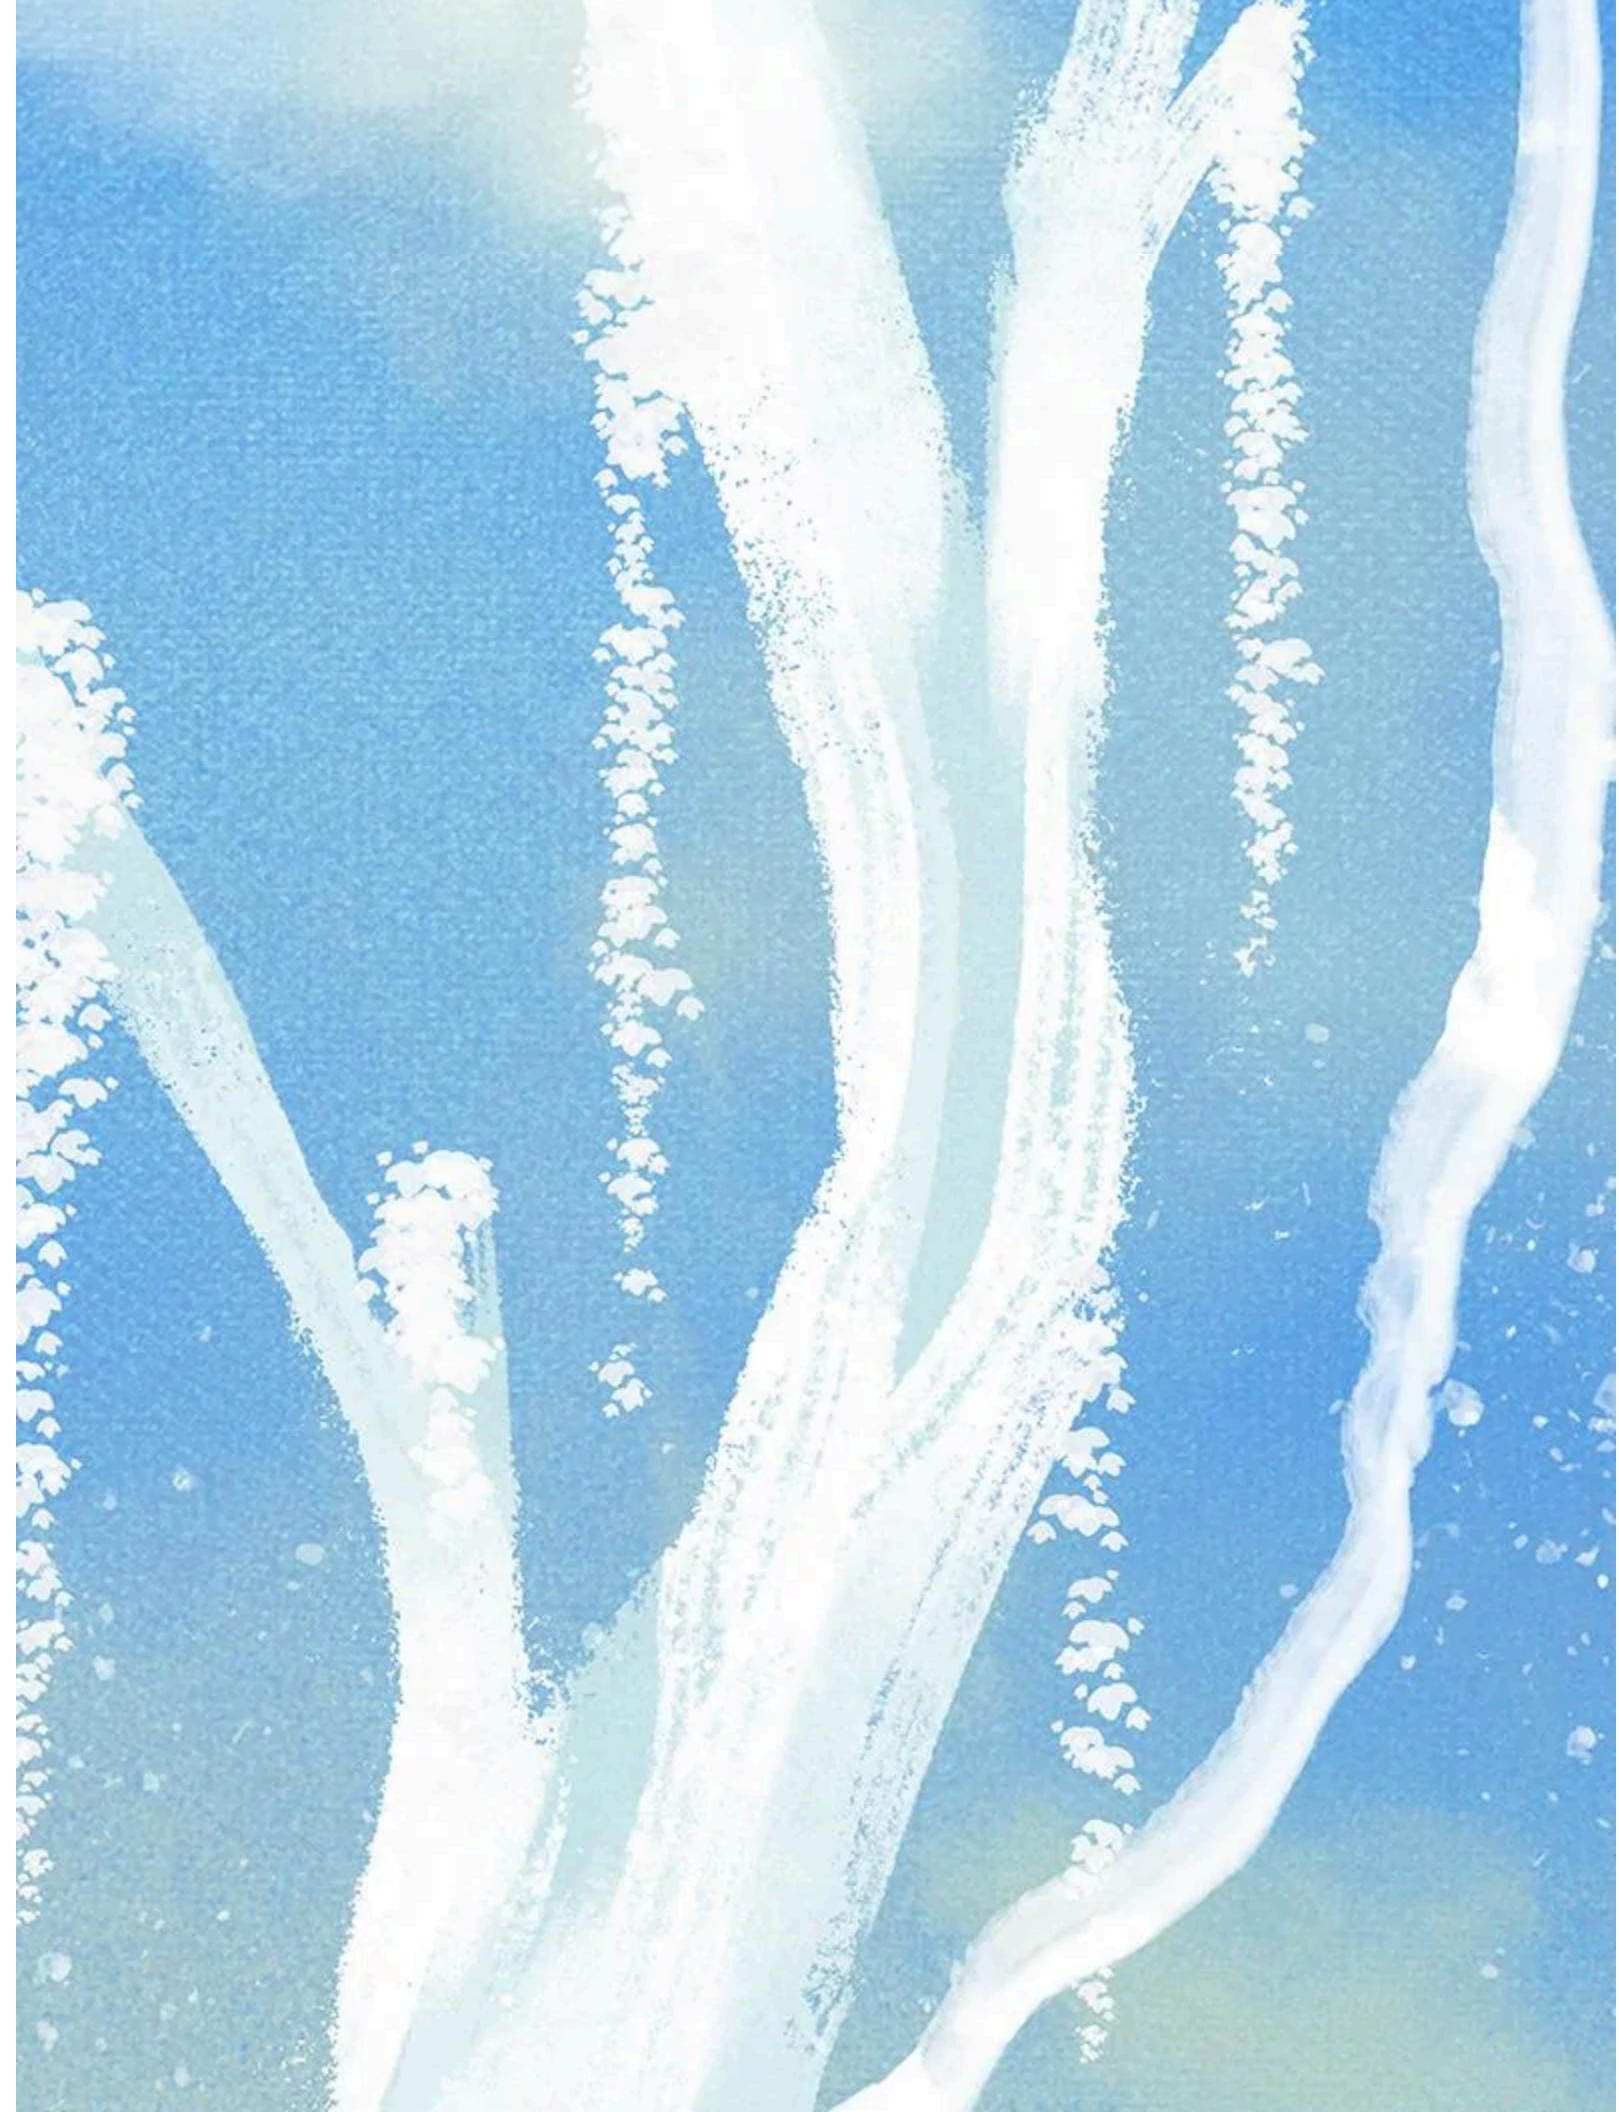

Rhea!

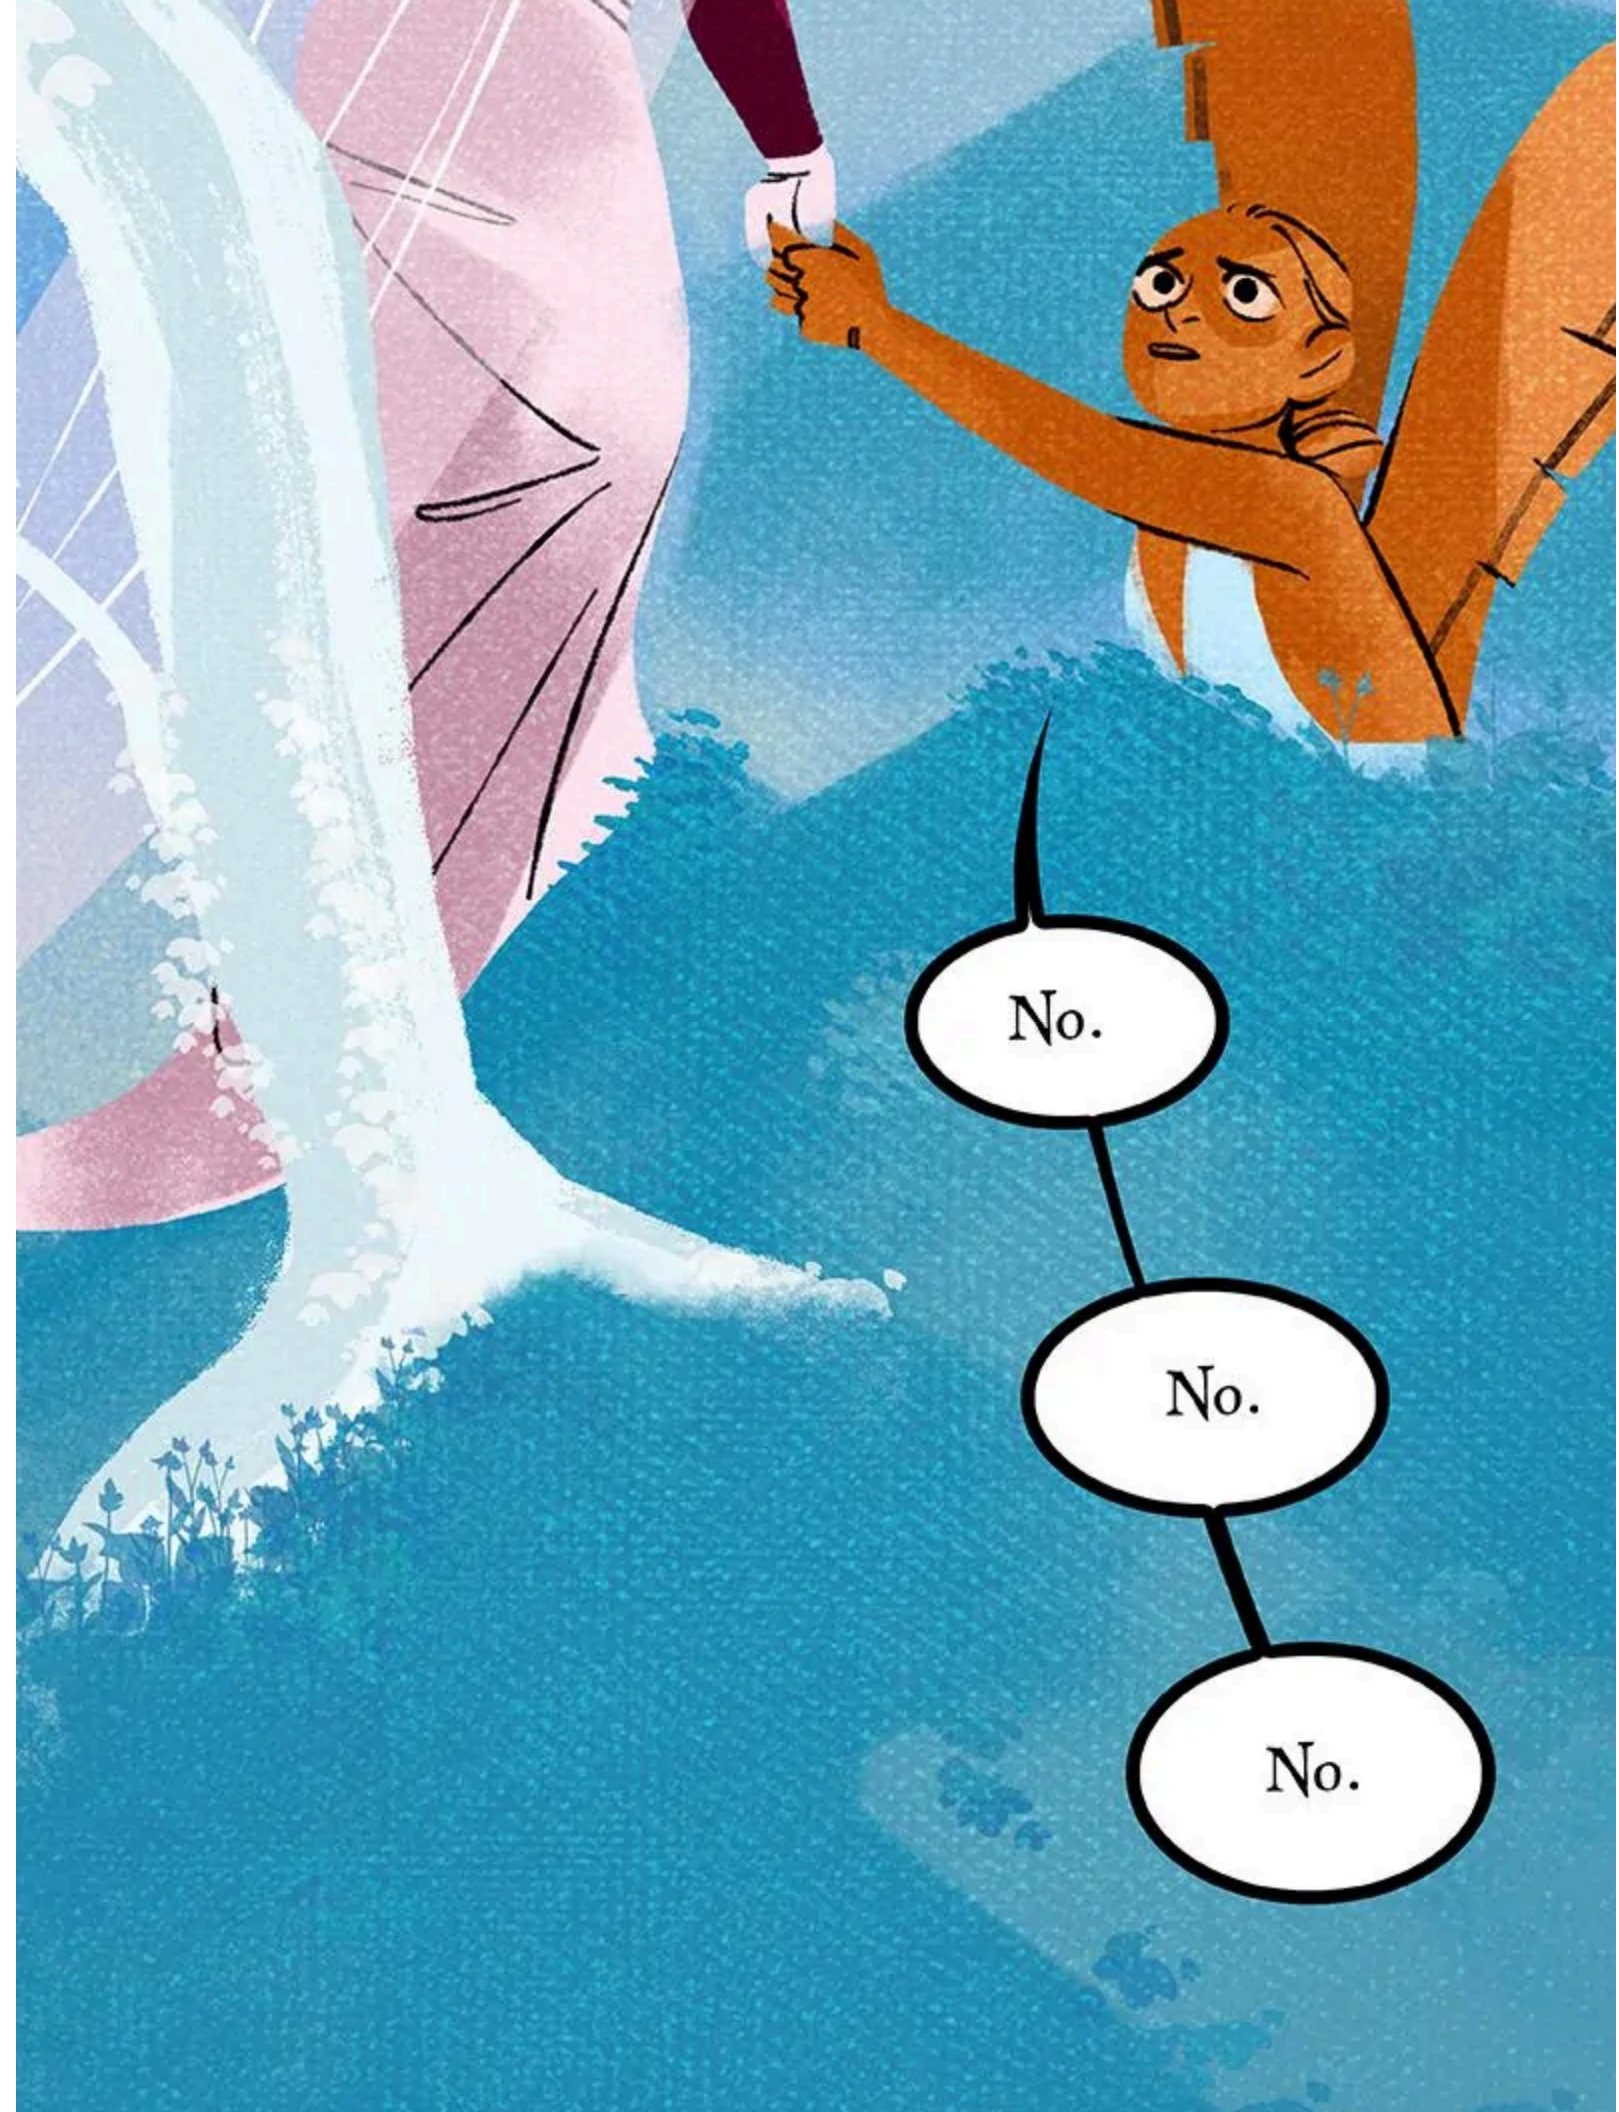

You were the most  
pathetic member of your  
cohort.

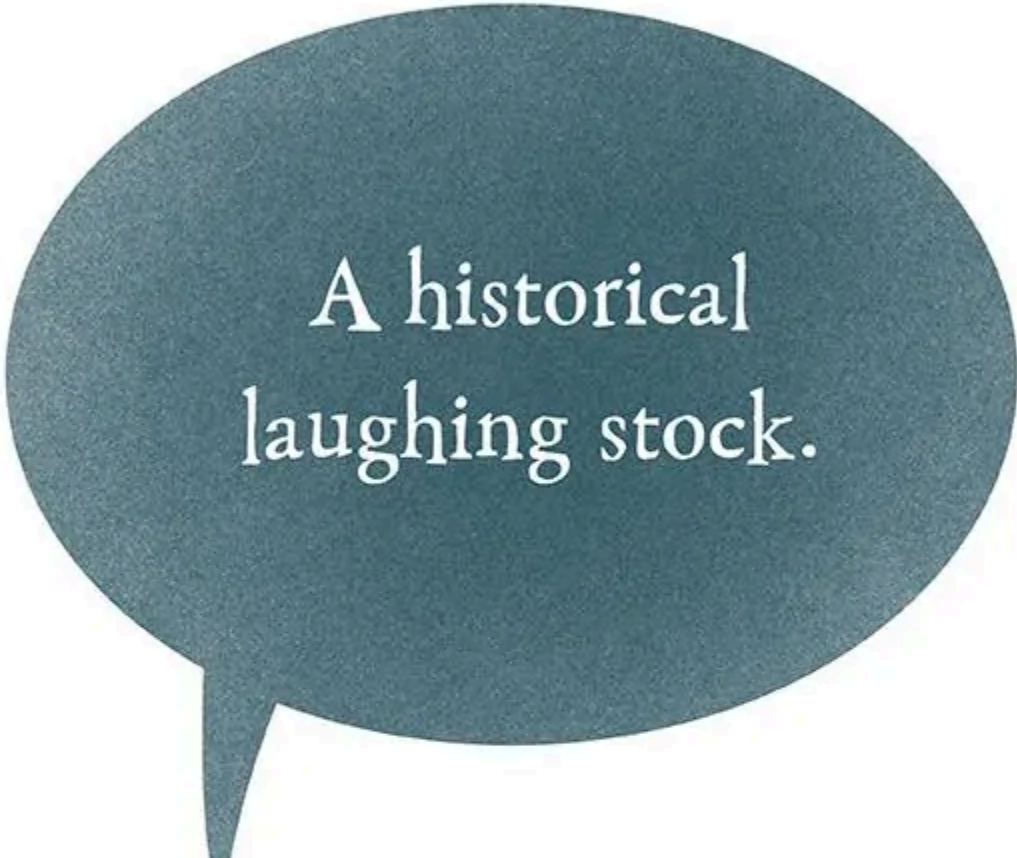

No.

No.

No.

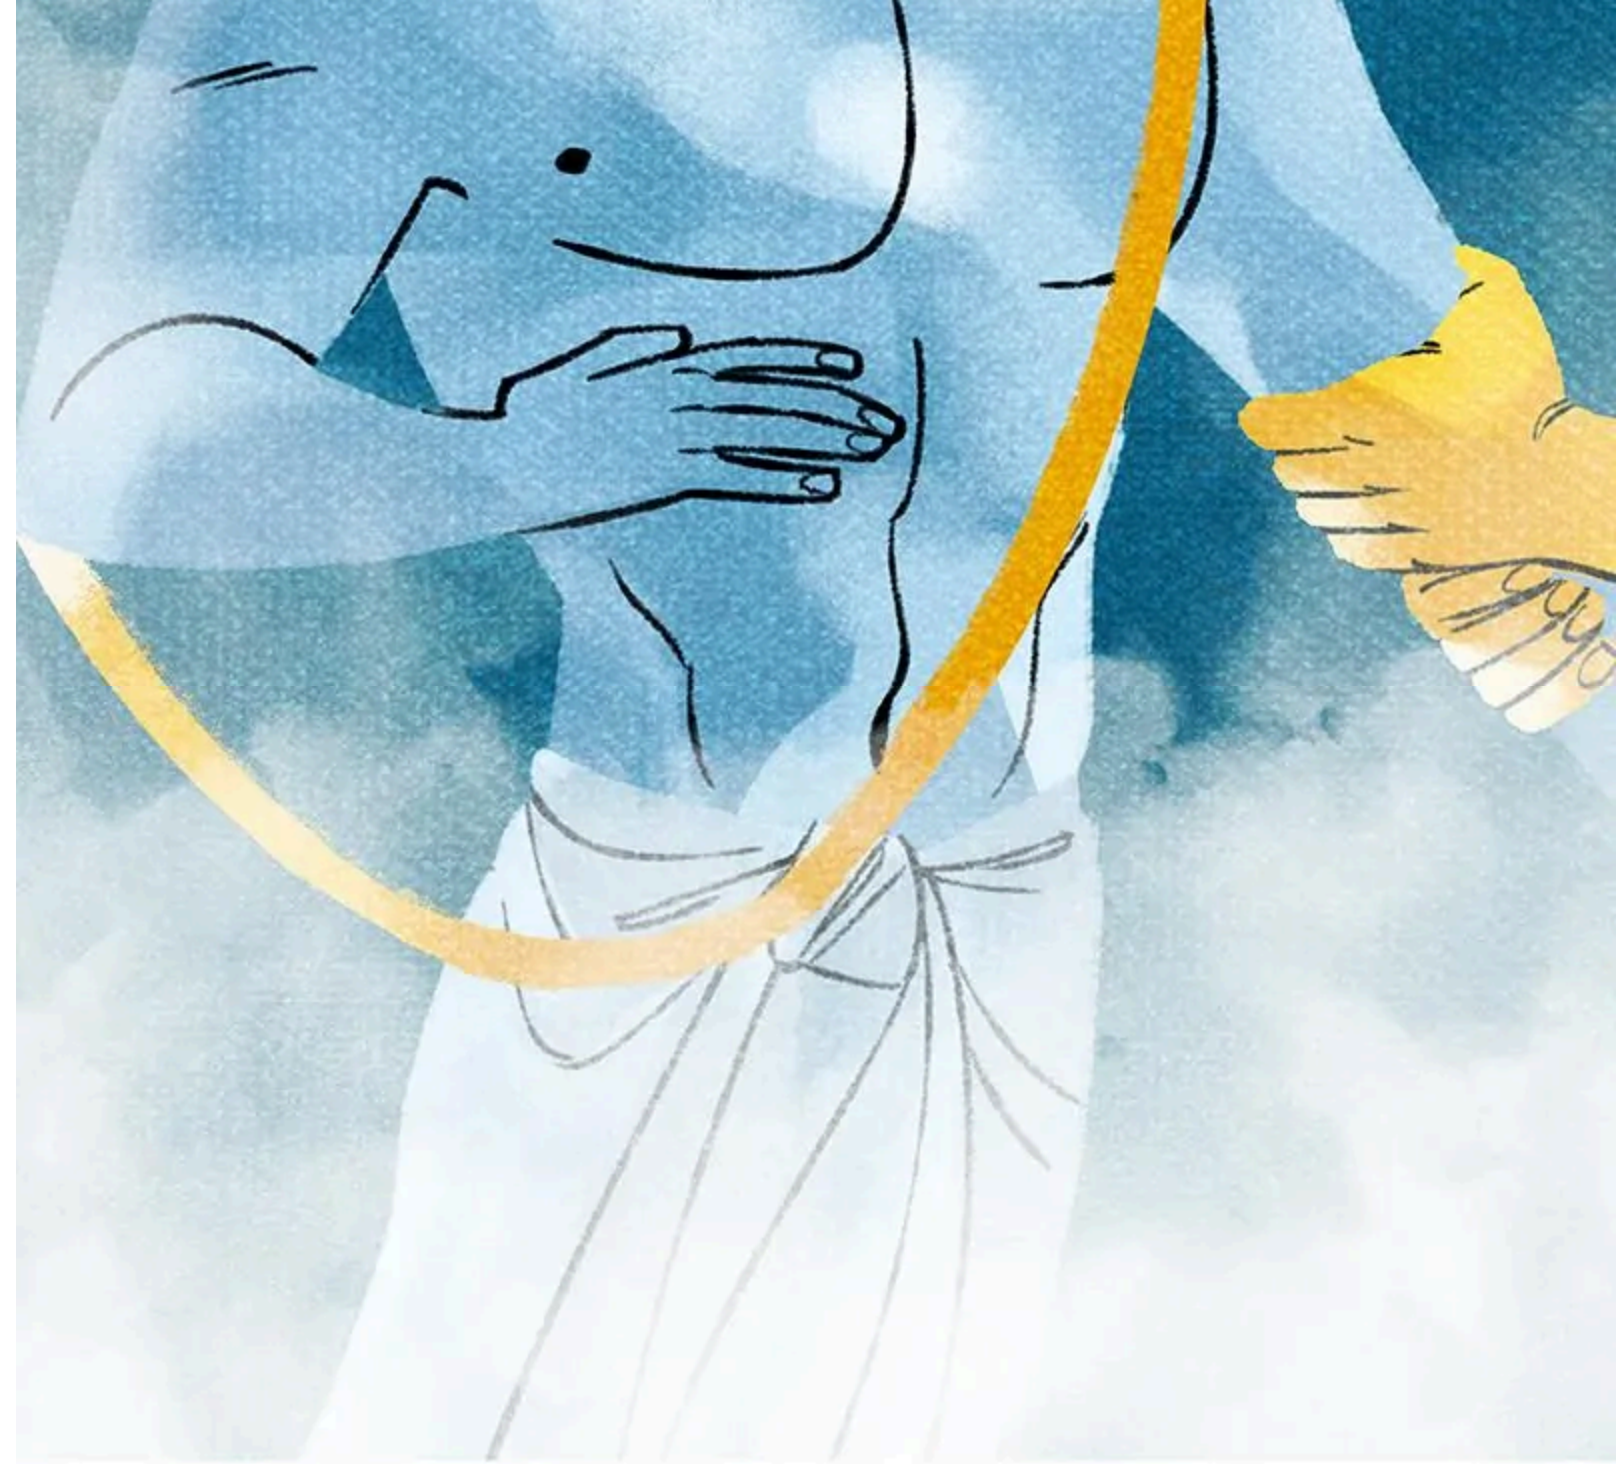

A historical  
laughing stock.

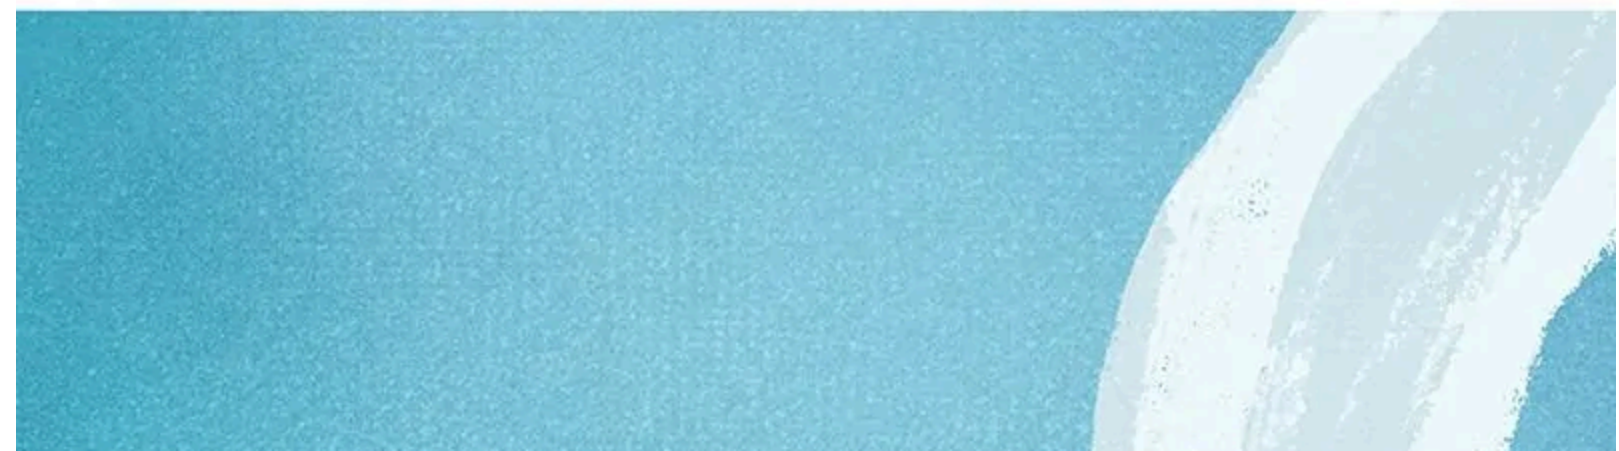

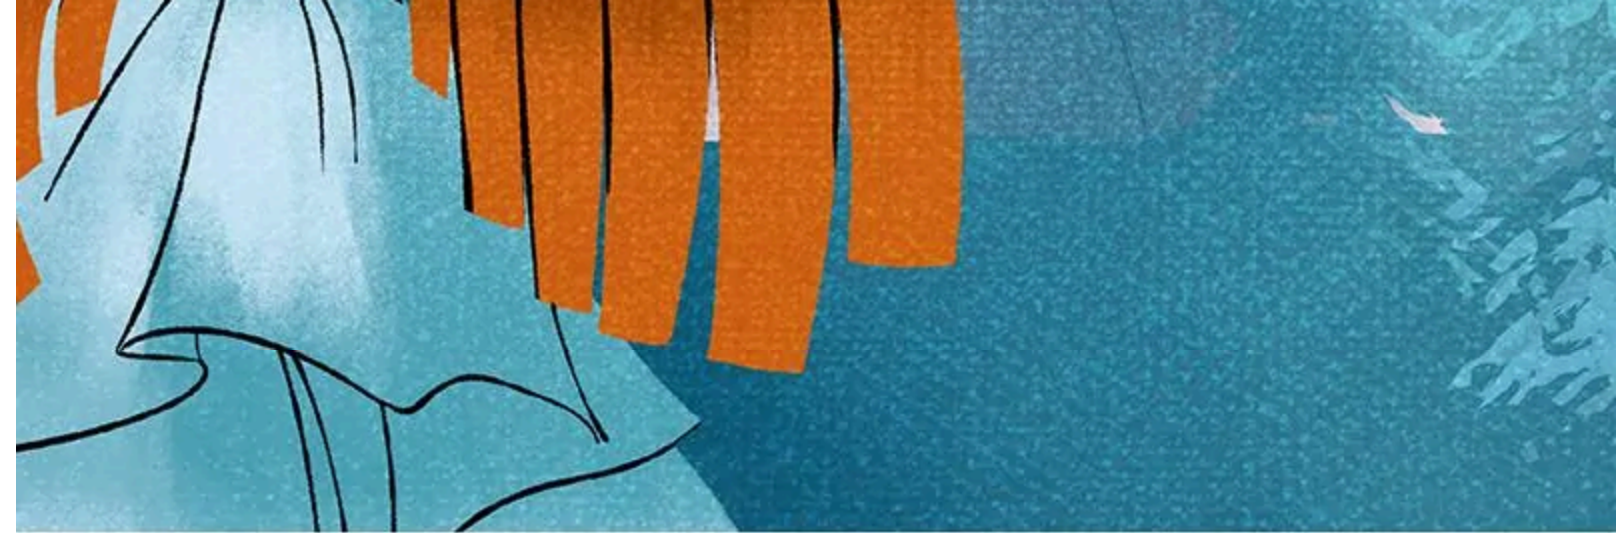

You couldn't do anything  
when you were queen.

What makes you  
think you have the  
power now?

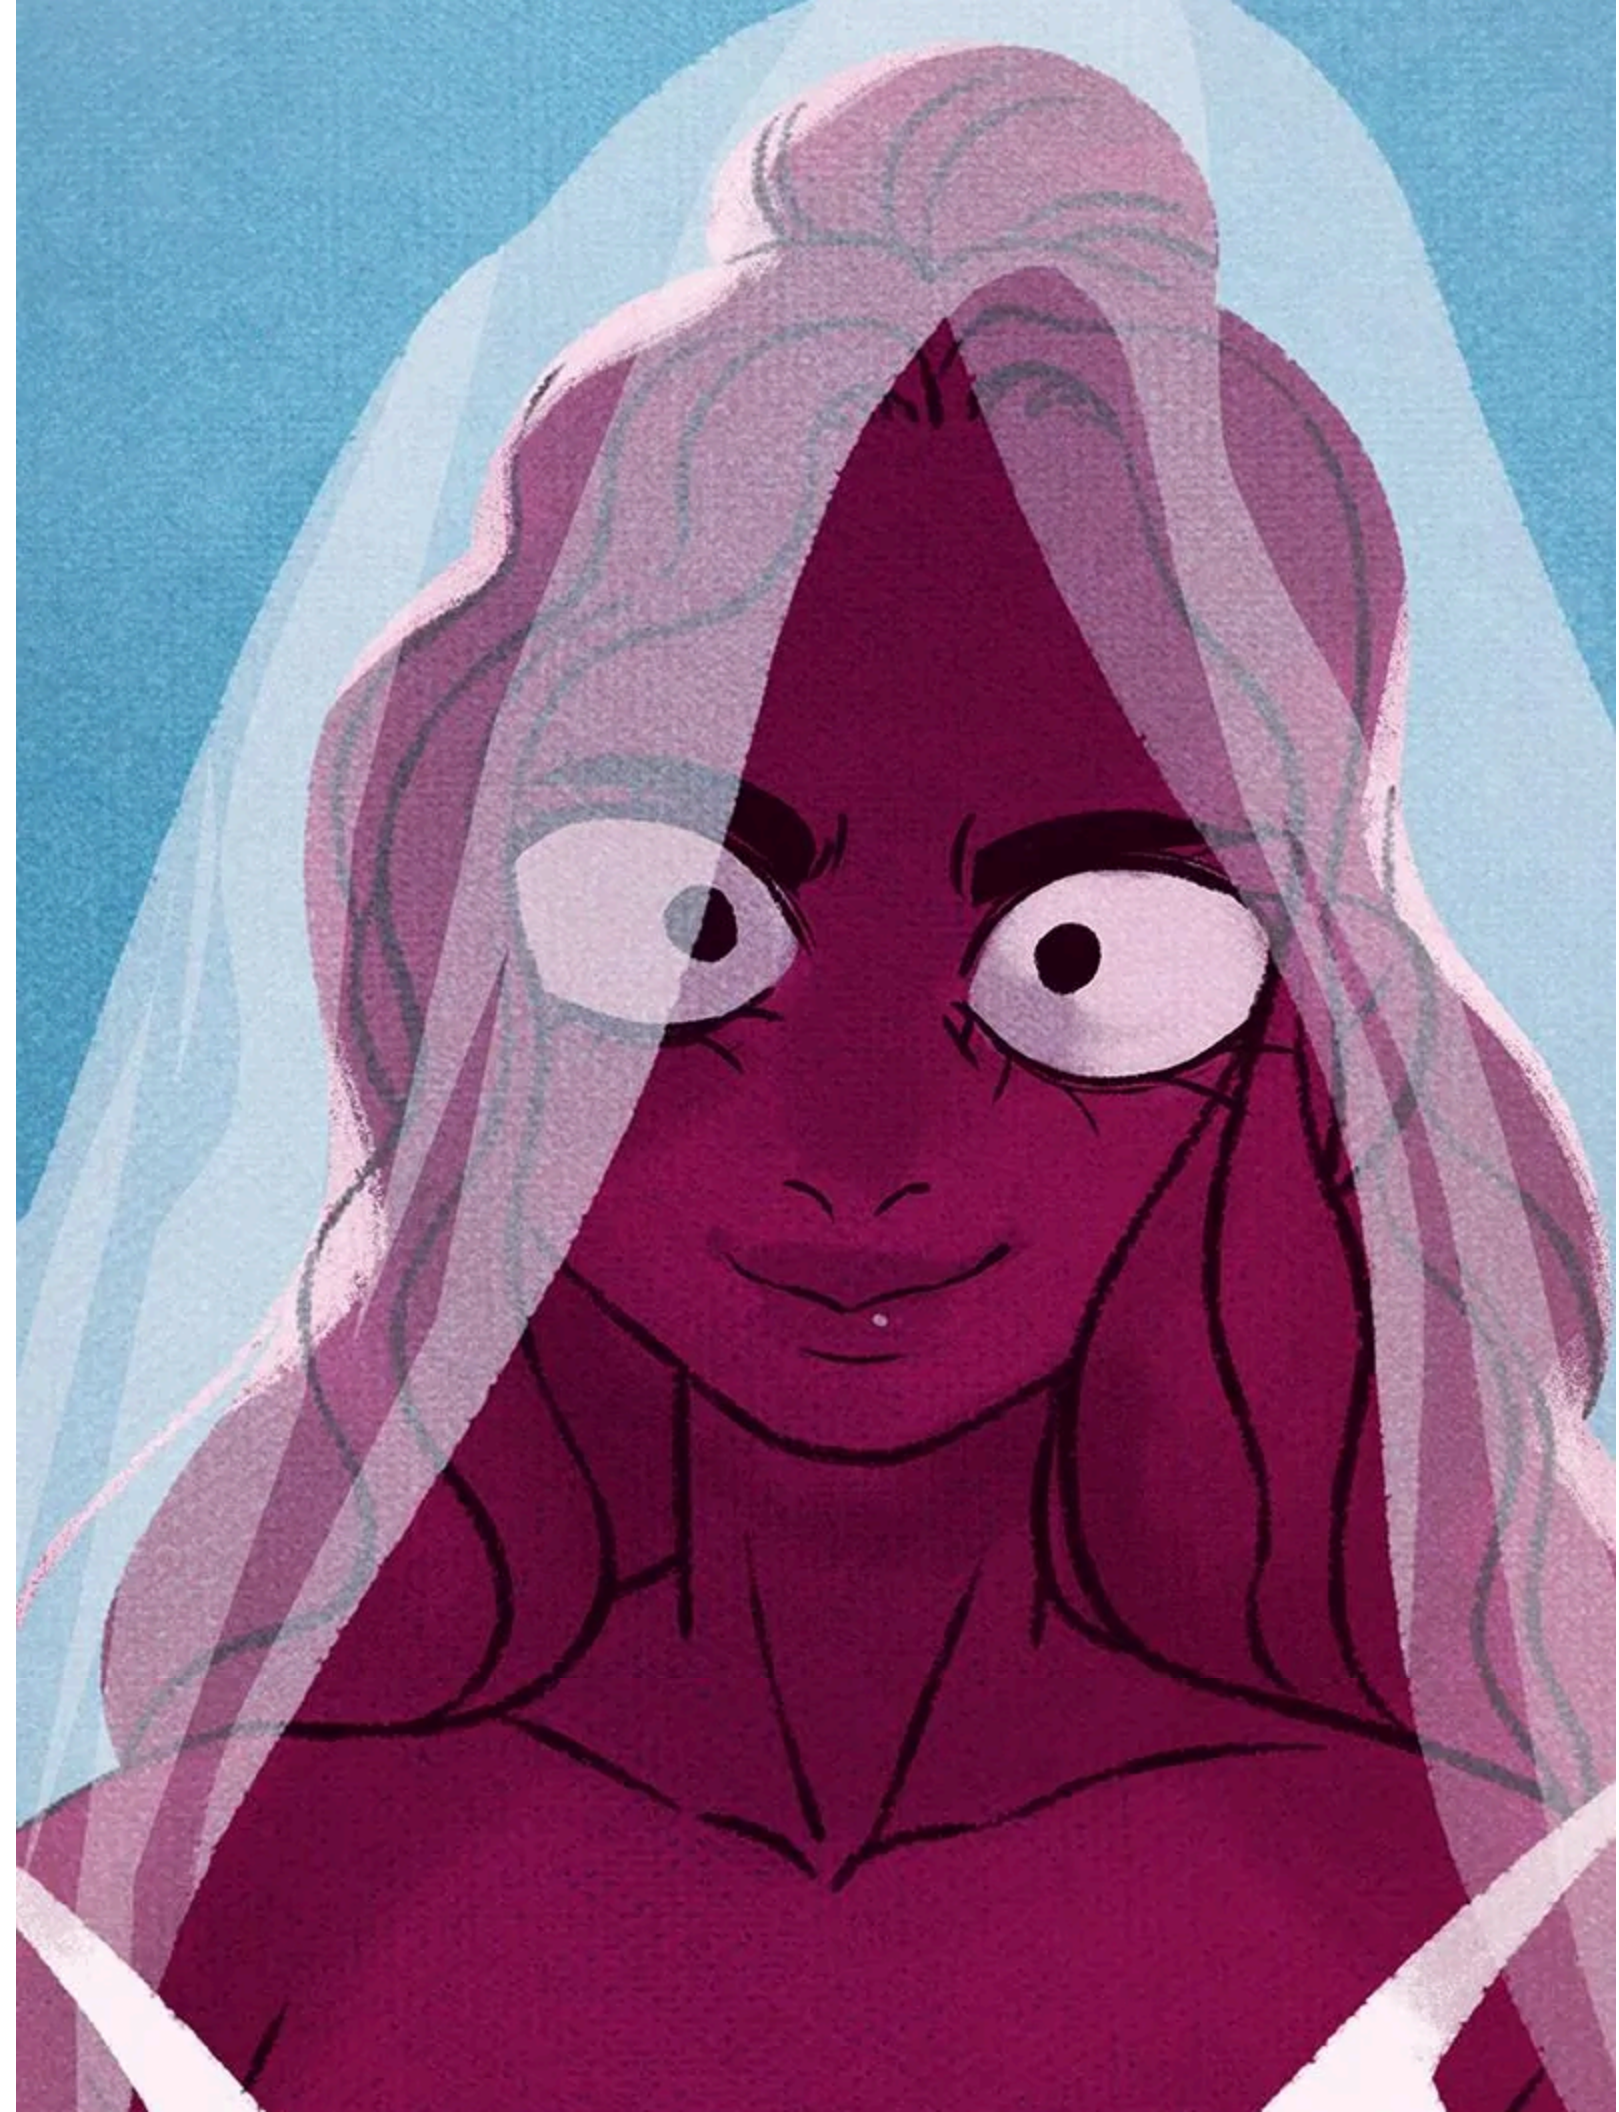

100% COTTON

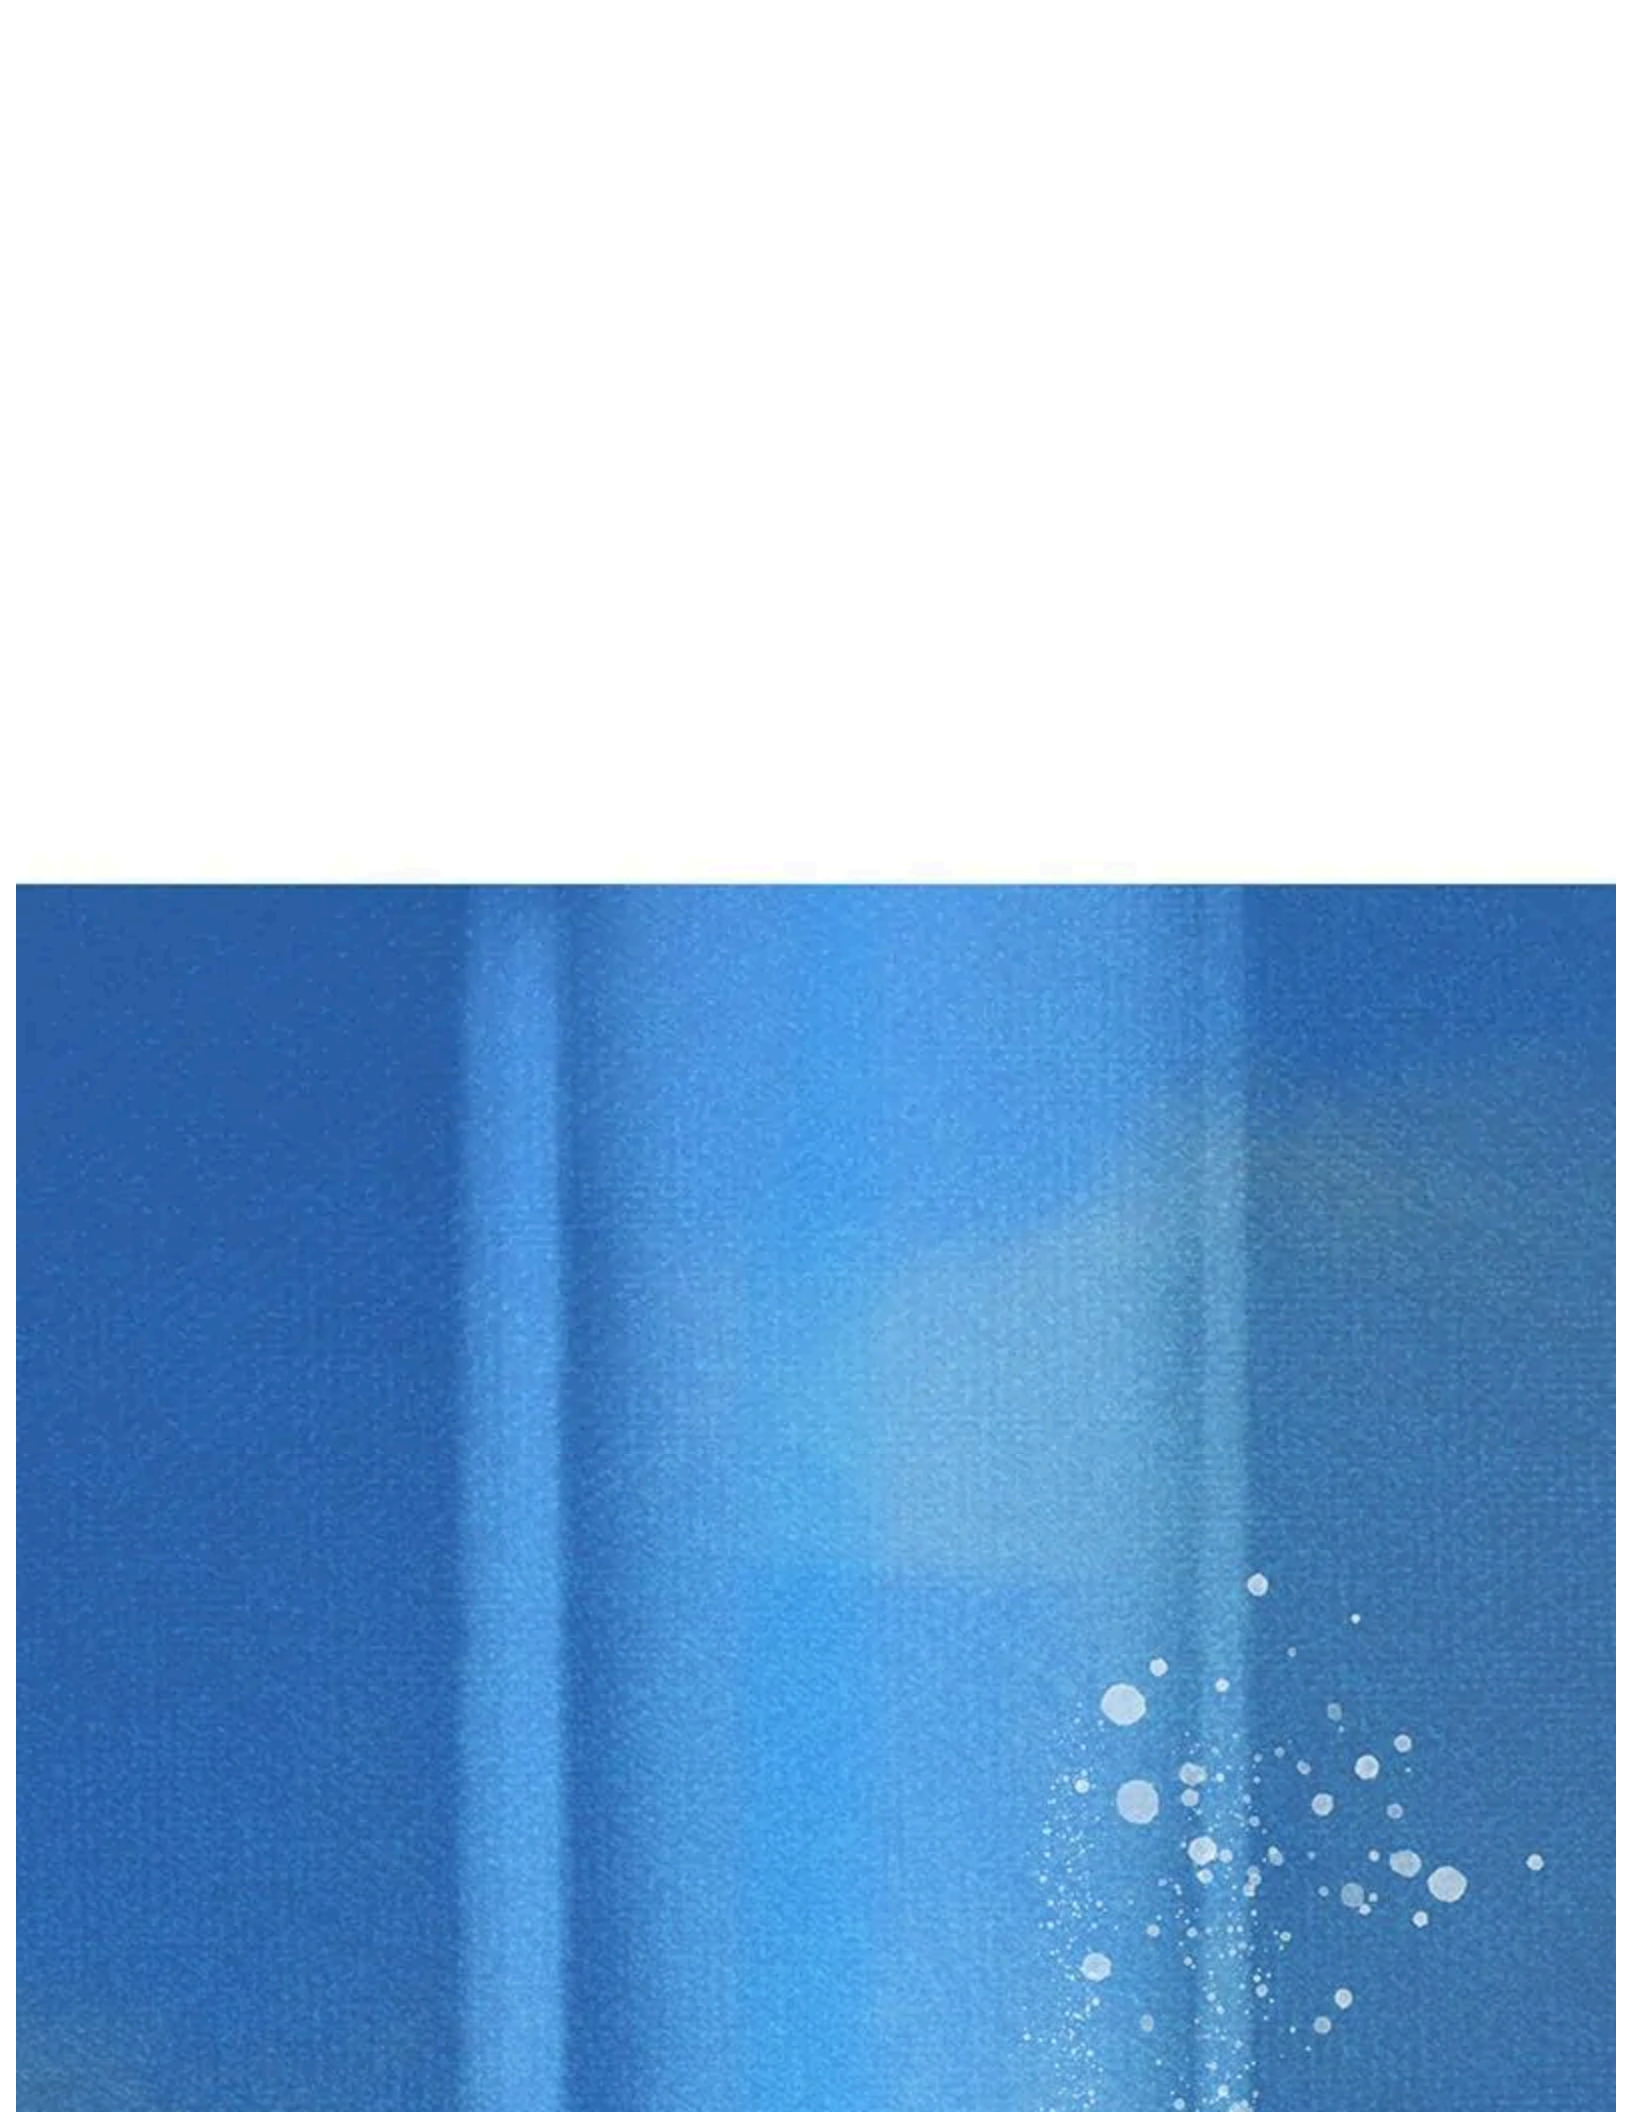

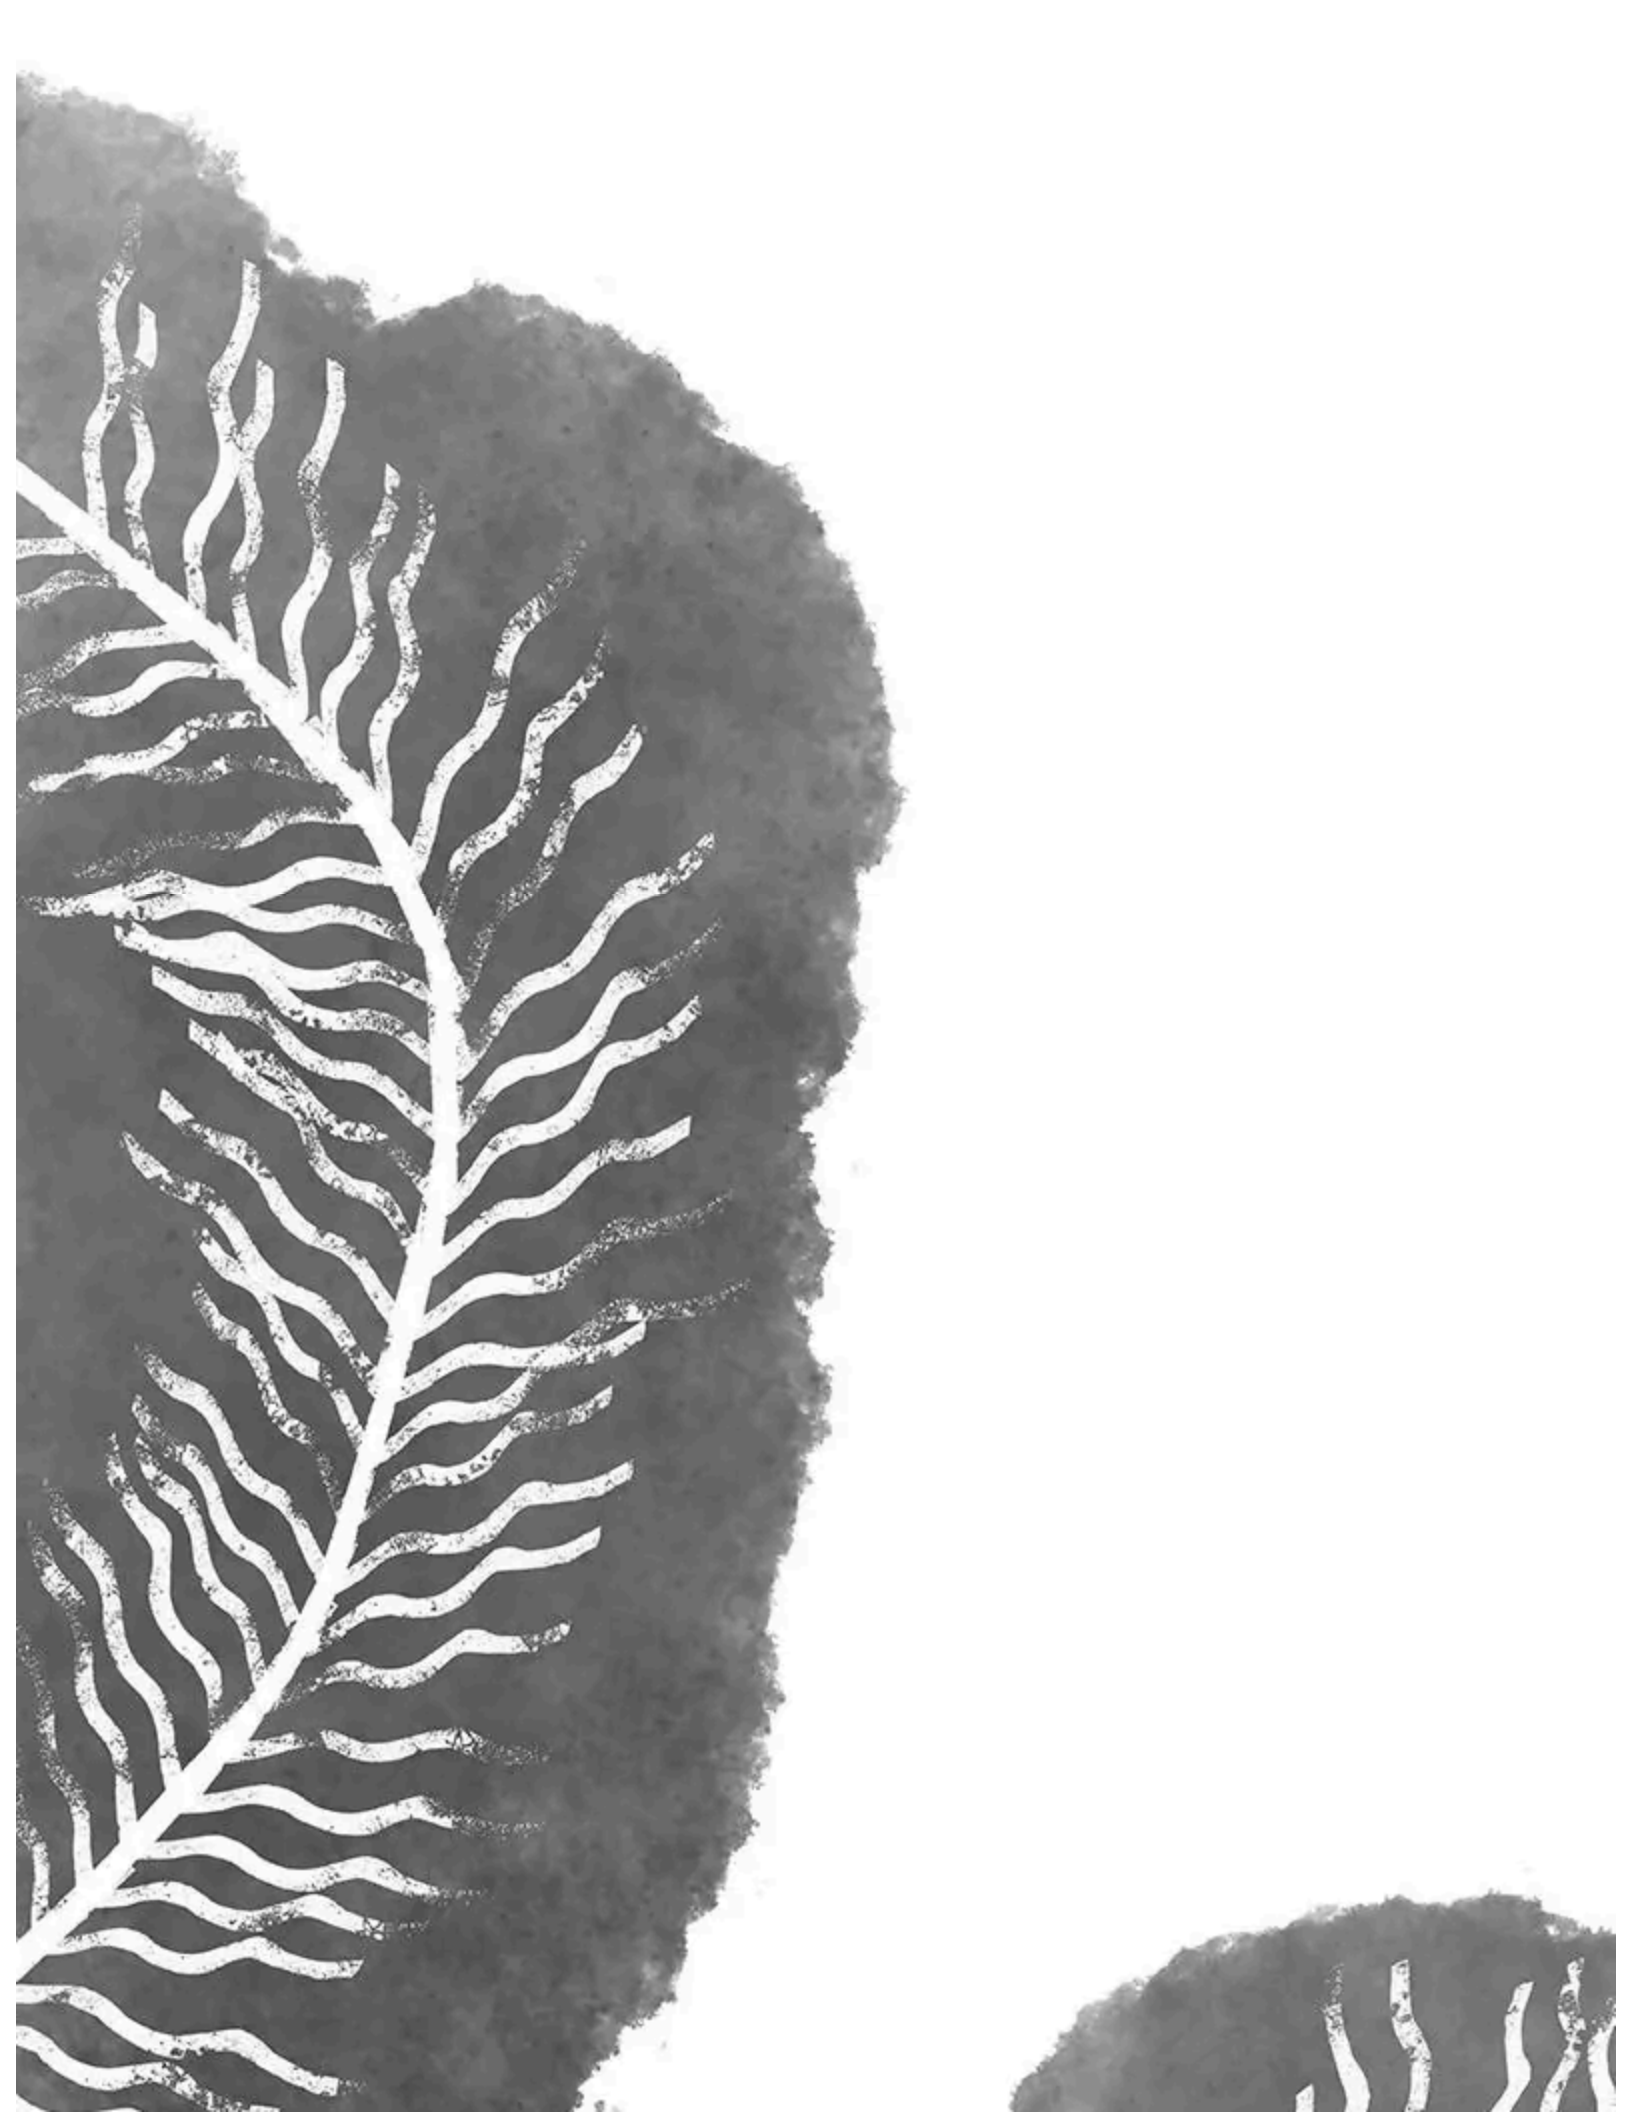

In the beginning...

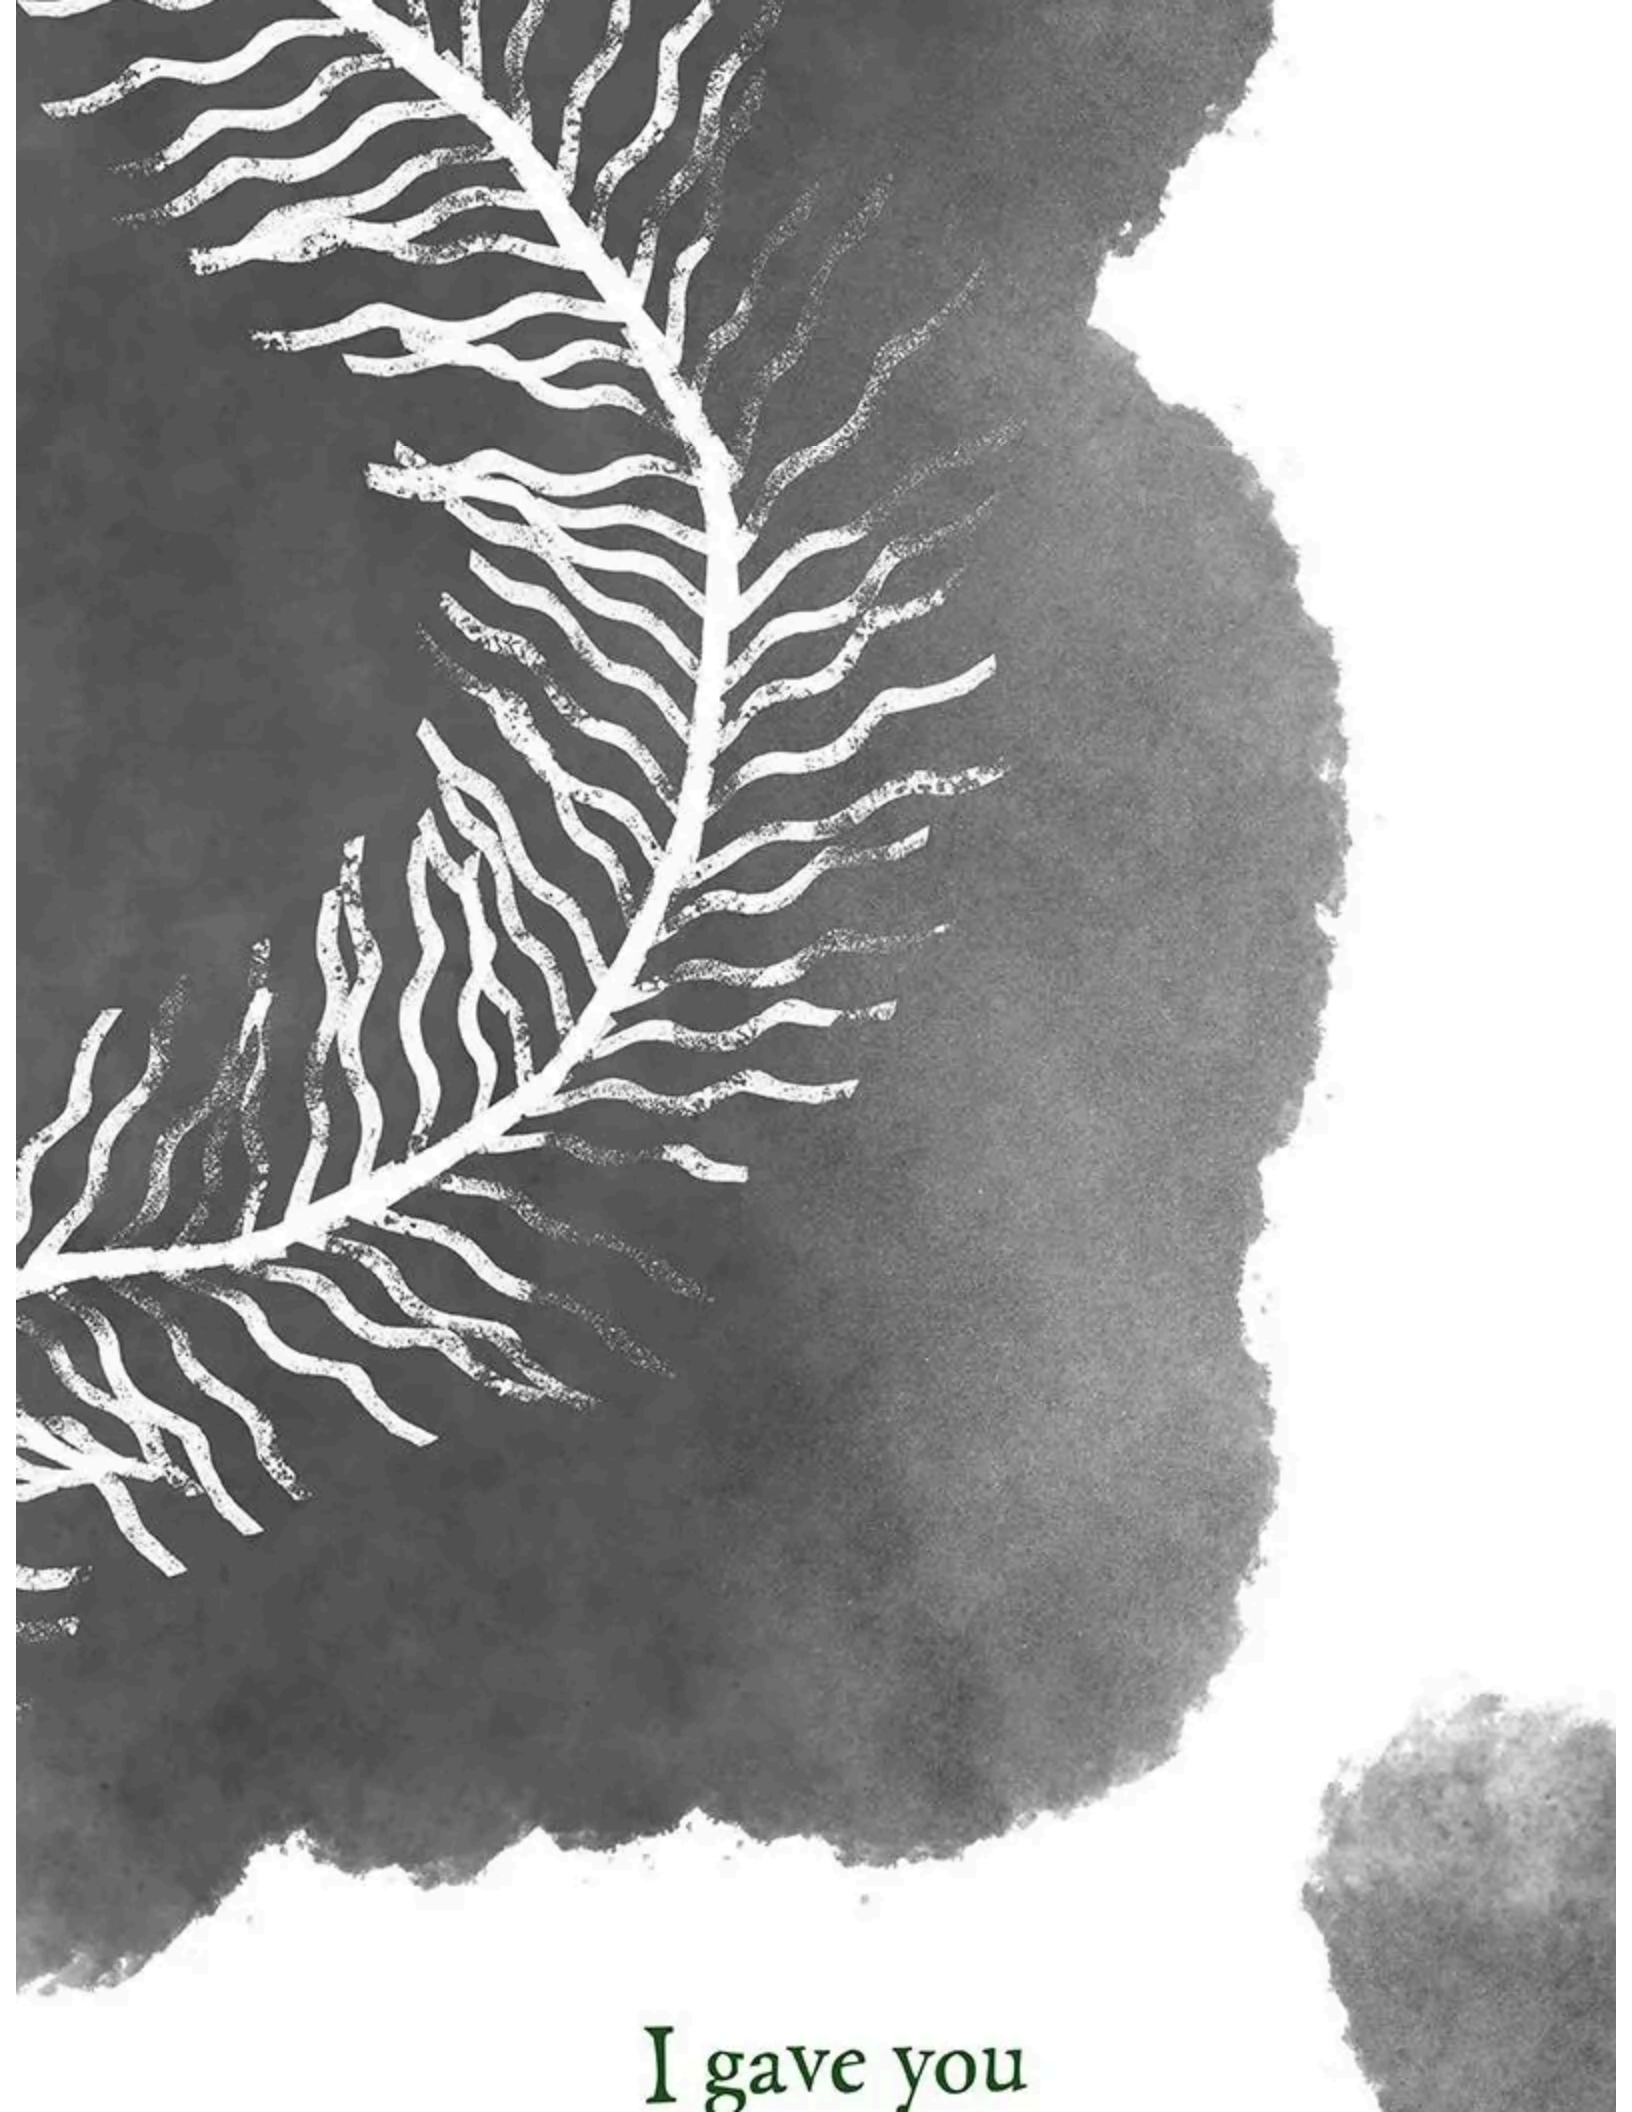

...we loved  
each other so  
much.

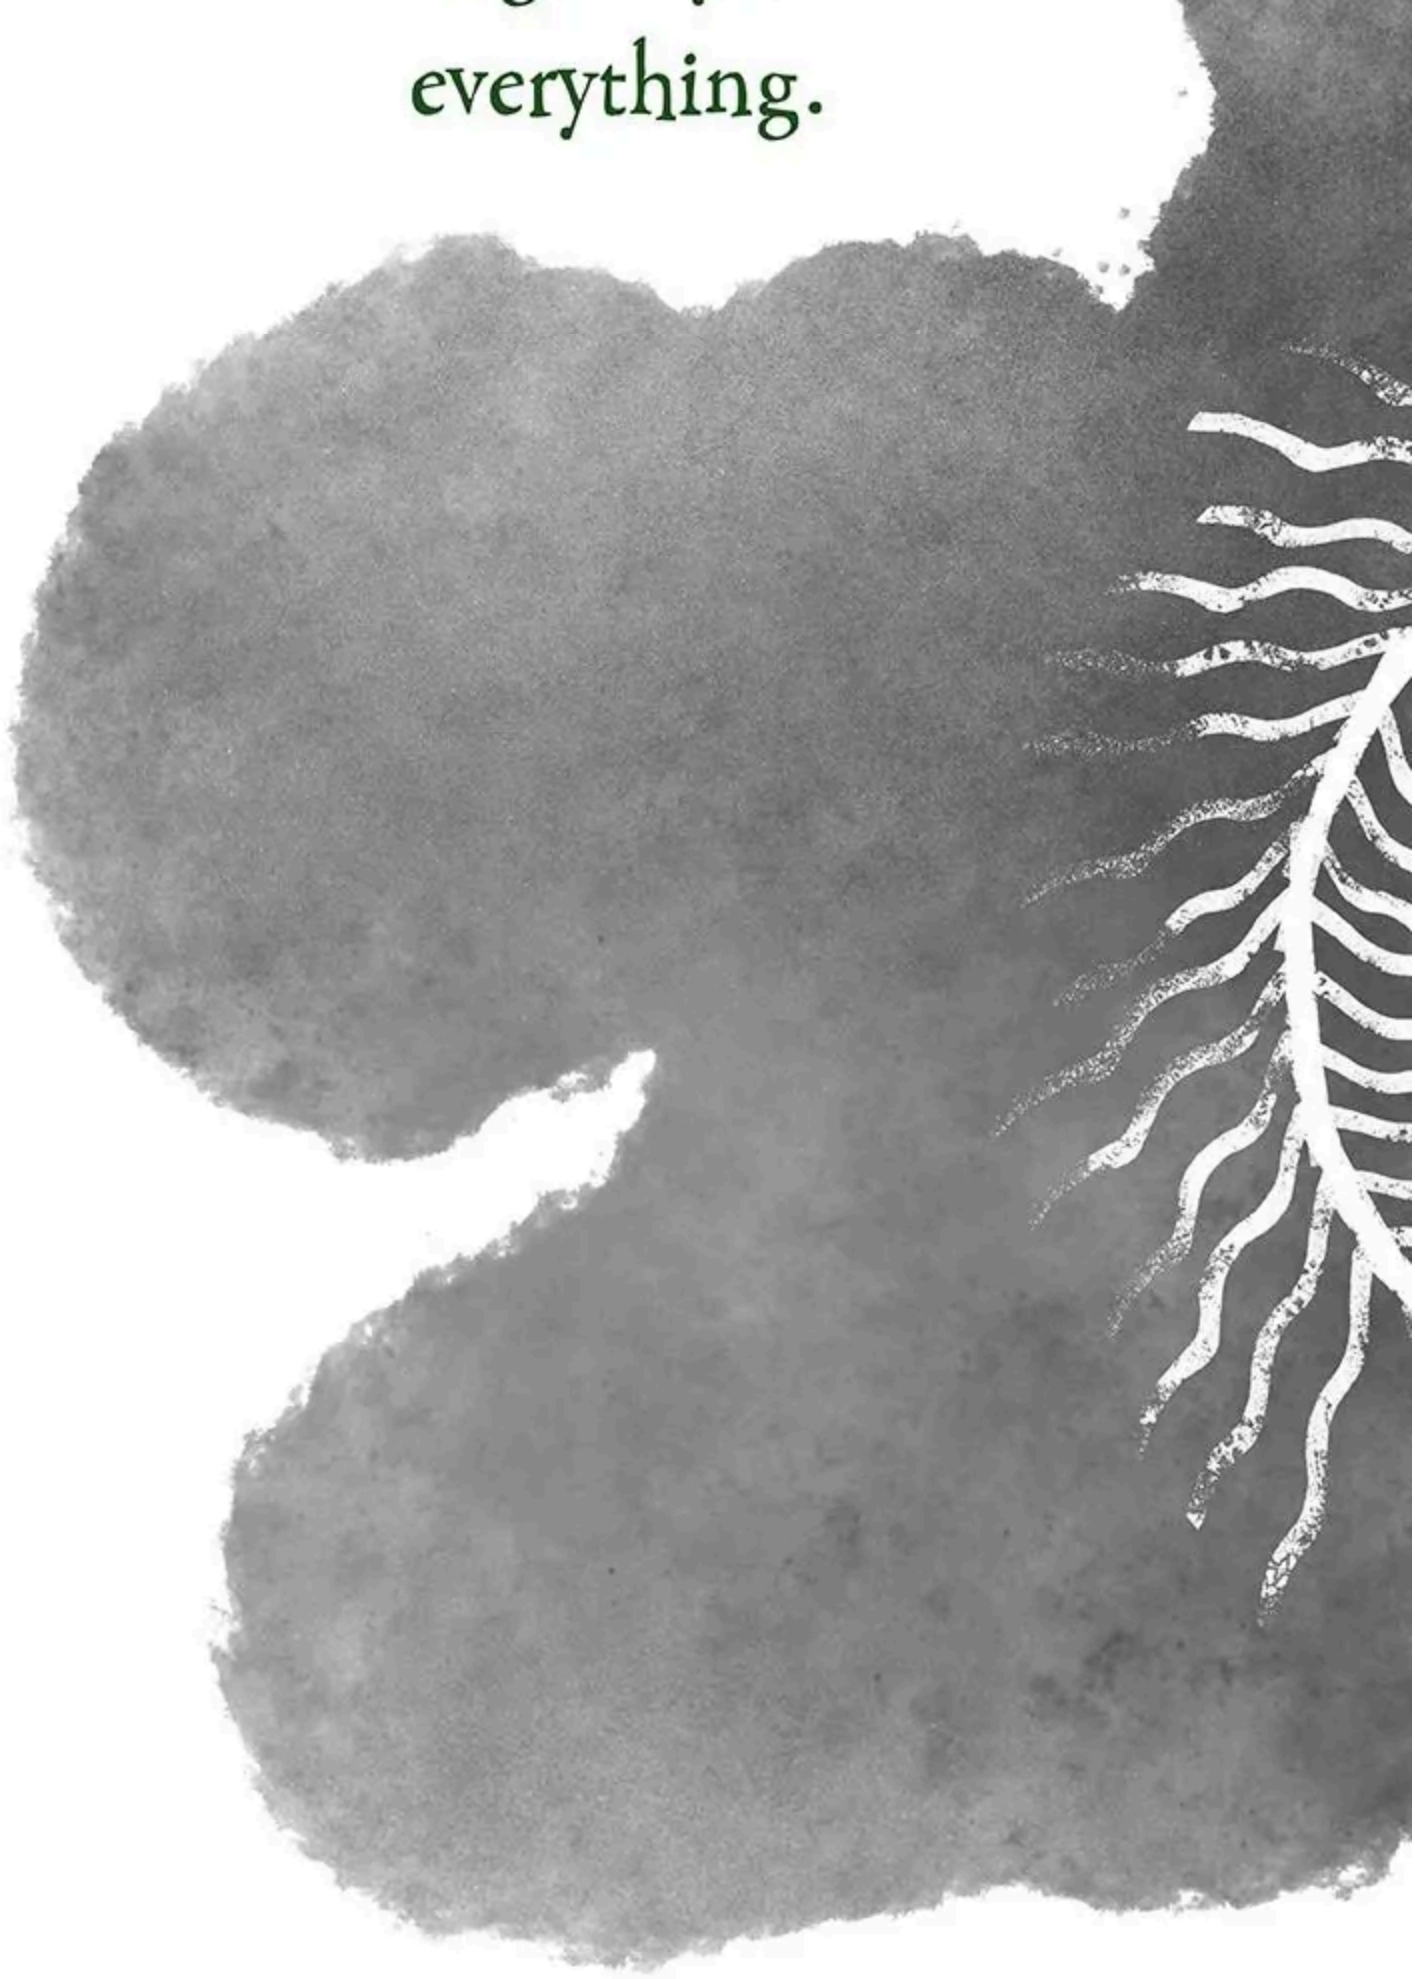

I gave you

everything.

And in turn, you were happy  
to take everything.

And I finally lived

When I finally realized  
what you were doing,  
it was too late.

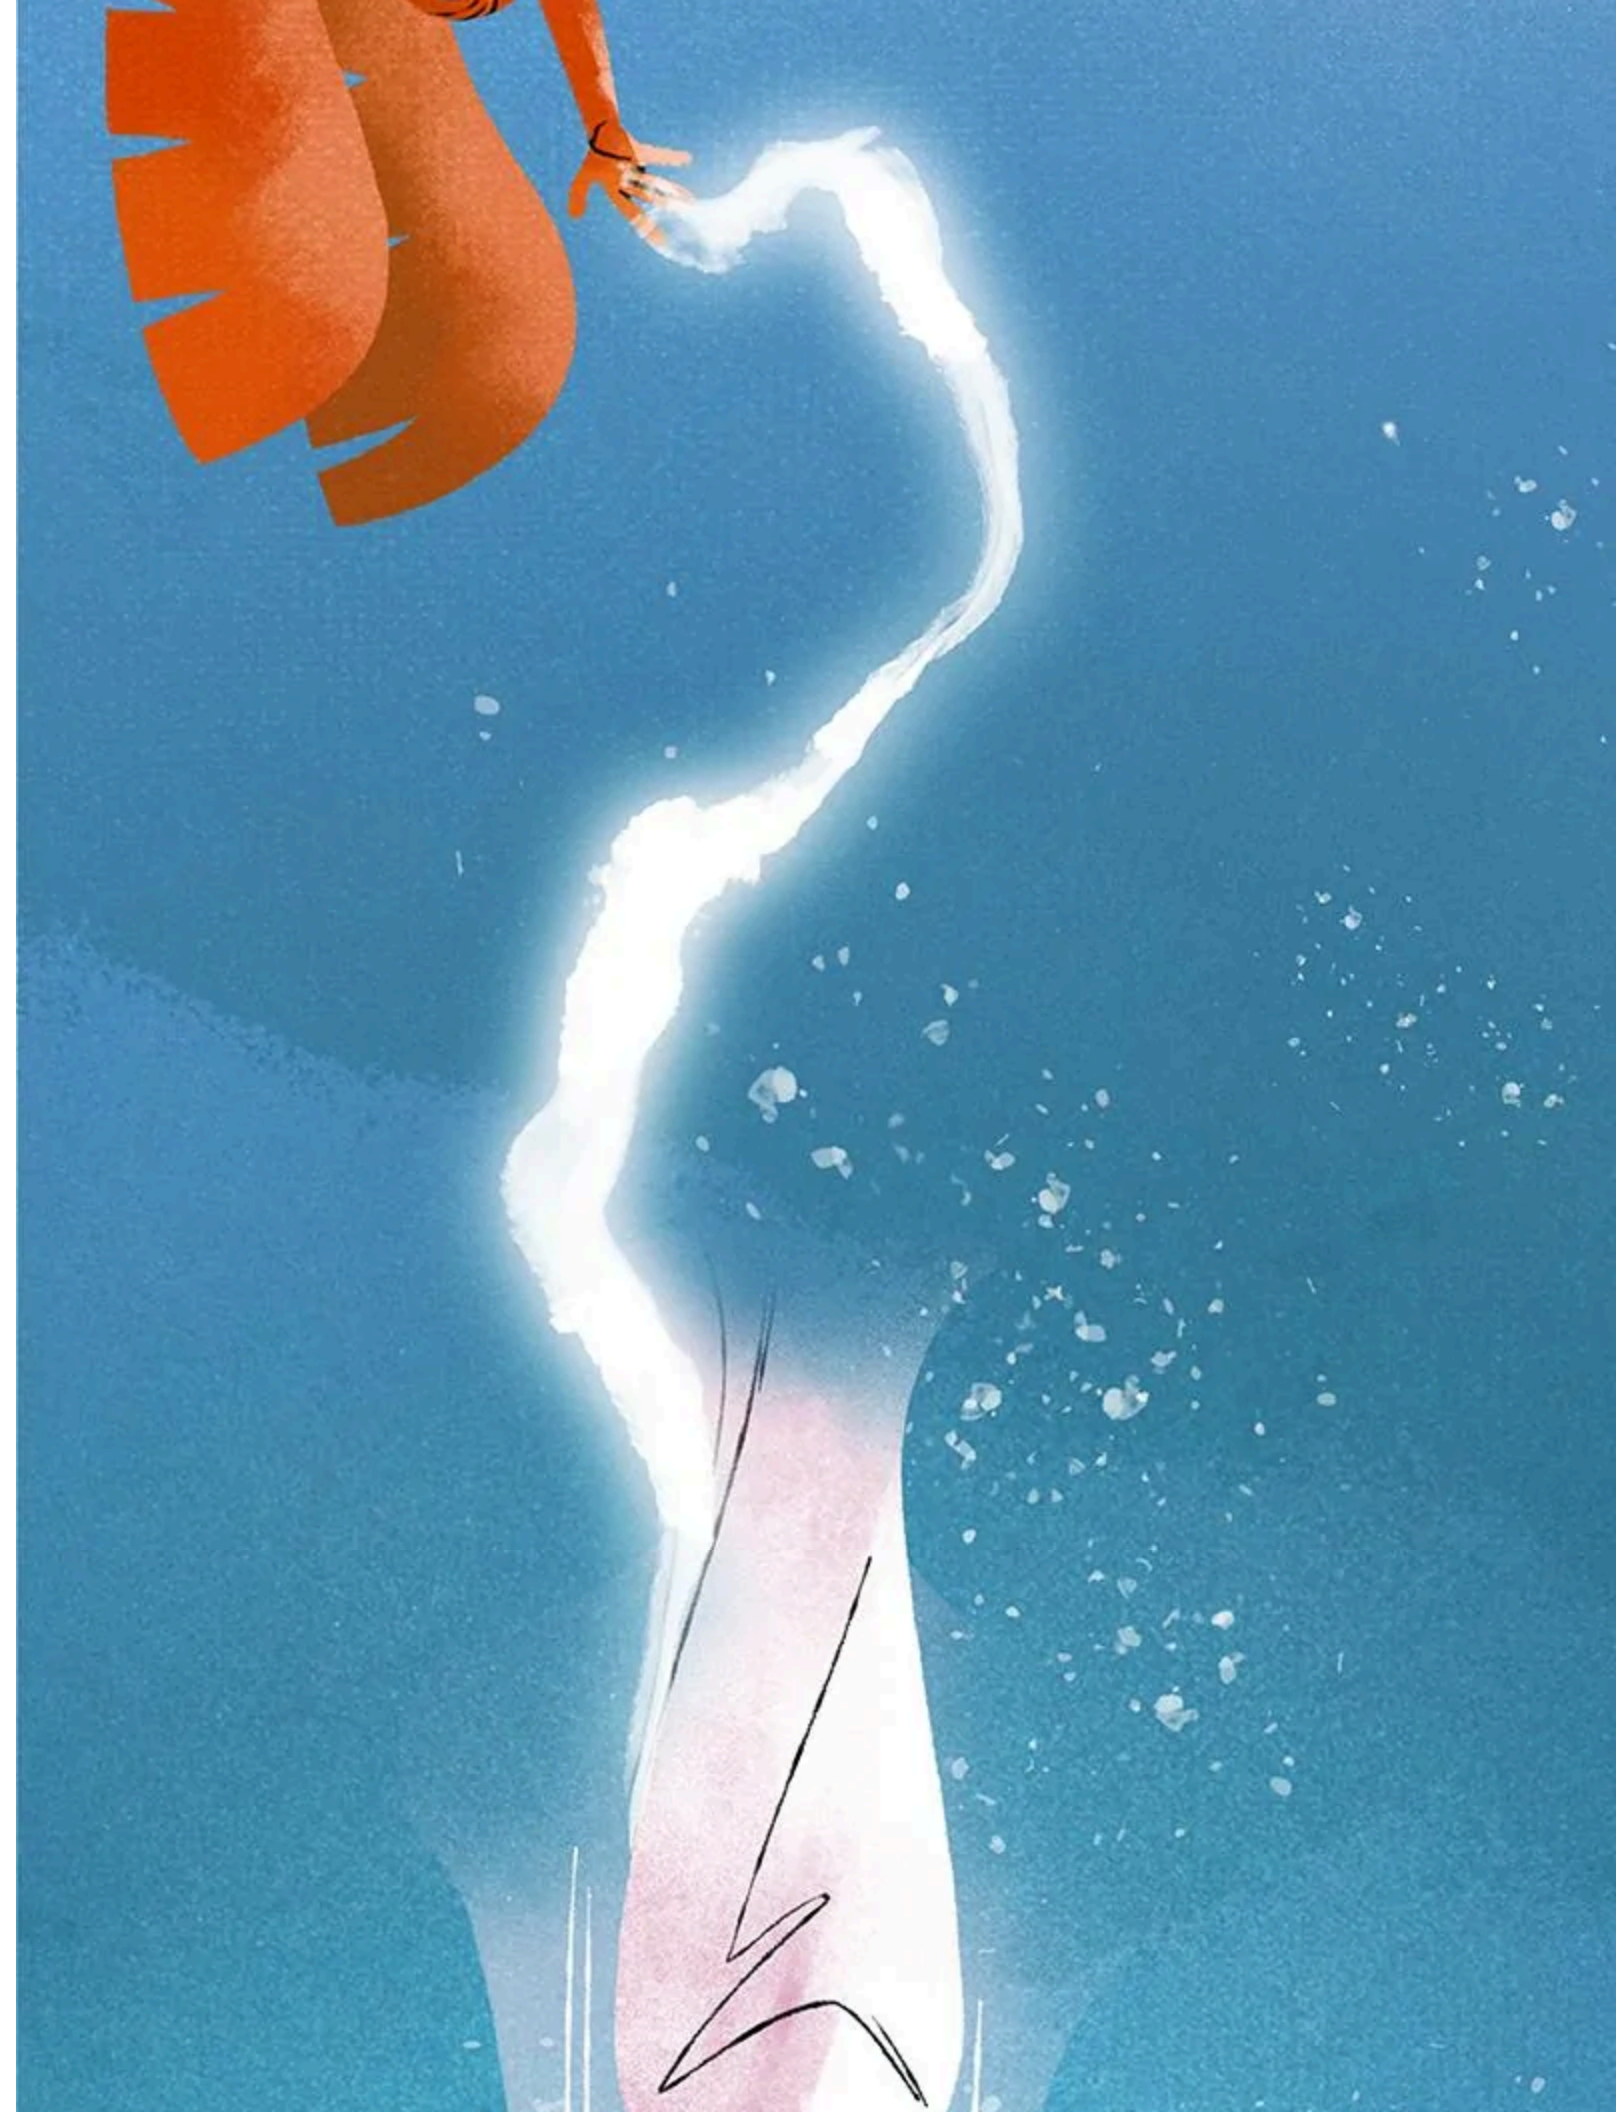

I used what little power I  
had left to make echoes of

my being.
